What Students Say?

👍 Likes

- From an excellent faculty to the improved quality of teaching with projectors and computerized instruction.
- Our college received internships from highly recognized companies such as L&T, Mphasis, HCL Technologies, Tech Mahindra, Hexaware Technologies, and more.

👎 Dislikes

- The main fault lies in the MU pattern. They are the worst. Every topic is not fully explained, only a bit of the topic is covered before moving on. How will students understand it? Additionally, we have to write both rough and fair journals. When will students have time to study?
- Don't expect an internship just after completing your degree. In fact, anyone in college who is pursuing a BSc does not have to necessarily pursue an internship. They can either continue with their BSc or pursue any other course because there is virtually no scope after BSc

- MY OVERALL COLLEGE EXPERIENCE WAS FASINATING AS I LIKED EVERY SINGLE THING ABOUT MY COLLEGE STARTING FROM CAMPUS TO TEACHERS TO EXAMS TO CANTEEN TO THE EVENTS .EVERY SINGLE THING IS QUITE GOOD AND INTERSTING.
- THE CANTEEN FOOD IS MUST TRY FOR RUPARELKARS AS THEY PROVIDE DELICIOUS FOOD WITH VARIETY OF ITEMS. AND THE MAIN THING ABOUT CANTEEN IS THAT IT IS OPEN FROM 6 IN THE MORNING FOR TY FY STUDENTS SO THEY DONT NEED TO WORRY ABOUT THEIR BREAKFAST.

👎 Dislikes

- THERE IS NO SUCH YET WHICH I HAD DISLIKED ABOUT THE COLLEGE BECAUSE I HAD ENJOYED EVERY SINGLE THING.

Admission: THE ADMISSION PROCESS FOR THIS COLLEGE WAS NOT SO HECTIC WHICH I THOUGHT IT WOULD BE. INFACIT IT WAS QUITE INTERESTING AND VERY SYSTEMATIC IT SHOULD BE. THE COLLEGE FORMS WERE AVAILABLE ON THEIR WEBSITE VERY EASILY YOU JUST TO NEED TO FILL THE SAME AND SUBMIT ALONG WITH YOUR DOCUMENTS. THE CUTOFF WAS THIS COLLEGE IS TOO HIGH THAT IS THE ONLY THING WHICH WILL MAKE YOU TENSE OTHWERWISE THE COLLEGE AND THE STAFF IS PRETTY GOOD. THE CUT OFF IS ABOVE 90 AND THEN IT REDUCES TO 85 70 AND IT GOES ON. FOR THIS SPECIFIC COURSE THERE IS NO ENTRANCE REQUIRED. THE FEES FOR THIS COURSE IS ALSO QUITE LOW DEPENDS ON THE RESERVATION CATEGORY .FOR THE RESEVATIOB STUDENTS THE FEES IS PRETTY MUCH LOW THAN THE OPEN CASTE STUDENTS. THE APPLICATION FEES IS TAKEN AS 100 RS ONLY FOR THE FORM. FOR THE CATEGORY STUDENTS THE FEES IS AROUND 4000 WHILE FOR OPEN CASTE STUDENTS THE FEES IS AROUND 10000. ONCE THE LIST OF THOSE STUDENTS WHO GOT THE COLLEGE IN FIRST LIST IS OUT ON TH NEXT DAY YOU CAN AVAIL YOUR SEAT. [...Read More](#)

Admission: The admission process is very systematic but time-consuming and a bit confusing at the start. The admission process is offline and so requires lots of paper work. The admission process is done in an allotted time period. Studies according to their cutoff can apply to any course available in a college. Studies can get application dates and fee structure from the college website itself and can get an application form offline from the college fee counter. Facilities for the reserved category are available. [...Read More](#)

Get the best college life at D.G. Ruparel college

3.8 ★ Helpful

Admission: The admission process was completely carried out in offline mode. We had to visit the college to collect the forms. The fee for the admission form was 100 rupees. They give a sufficient amount of time to submit the application form. I belong to a reserved category (OBC) it helped me to get my name on the list but there were no other benefits from it. I suggest that they should start the online process as it's not convenient for everyone to visit the college. [...Read More](#)

Ruparel is not a college, its an emotion.

Admission: I have completed my std 12th in the D.G. ruparel college. So there was no cutoff for the in-house quota. But if you are an outsider you should have a minimum of 60% in the 12th standard. You have to create your profile on the Mumbai university site and you have to select the preference for the colleges. If you get allotted with ruparel college then you have to fill the form on the college website and they will put a notice on the college website for the document verification process. After the documents are verified you have to pay the full fees. But if you

availing of reservation benefits you have to pay half of the fees and fill out the scholarship form. If you fail to fill out the scholarship form you will have to pay the remaining fees. You should check the college website for further updates. [...Read More](#)

Admission: To take admission in B.Sc (Computer Science) after completing my 12th boards exam by clearing it with distinction. I applied at the Elphinstone College. Fees was fine 24500 for first academic year and then after it would fluctuate. But as per people saying as the teaching quality is not so good there. I choose to change my mind and look for other colleges. Then I went Kishinchand Chellaram College popularly know as KC College It is one of the mumbai best college. And I filled up the admission form also for it but unfortunately my name didn't come in the merit list. Fees were reasonable. Then I went to the Jai Hind College It is also the best college in mumbai after KC College its name come and everyone is aware of it. It is located beside marine lines and you can see the sea view from the college. But the college was near to my house so I decided to leave it. And after that I went to St.Xavier's College but there only in-house students can take admission. Finally I Joined DG Ruparel. [...Read More](#)

Admission: After 12th exam, I got in the college by filling the college form and that is the only step needed to get into this college for bachelor's degree courses. College's faculty is highly qualified and very interactive. The college has a huge campus. It has its own hostel on the campus. One of the key points to chose this college was it is very near to the railway station. College's crowd is good. So many events are organised by the students during December and January. A cheerful environment. It has its own library where nearly 100 students can sit at one ti.. [...Read More](#)
