MANIPUR UNIVERSITY

The Manipur University, established under Manipur University Act, 1980, came into existence on June 5, 1980. It became a Central University on October 13, 2005 under the Manipur University Act, 2005 passed by the Parliament. Today Manipur University has 9 School

- To take appropriate measures for promoting innovations in teaching-learning process, inter-disciplinary studies and research;
- To educate and train the people for the development of the country in general and Northeast Region of India in particular;

of Studies, 44 Departments and 8 Centre of Studies. As per the report of 31st March 2022, University has a total students strength of around 5425. The University, accredited 'A' Grade by NAAC, has 119 affiliated Colleges including 2 Medical Colleges. Manipur Institute of Technology (MIT) under the School of Engineering is a constituent college of the University with 6 Departments.

The main objectives of the University are:

- To disseminate and advance knowledge by providing institutional supports for learning and research facilities;
- To make provisions for integrated course in humanities, natural and physical sciences, social sciences, human and environmental sciences and other allied disciplines in the educational programmes;

- To pay special attention to the improvement of the social and economic conditions and welfare of the people of the State at large;
- To enhance intellectual, academic and cultural development;

The campus is situated in the historic Canchipur endowed with cultural places like the Rasmandal where the famous Ras Lila was performed for the first time during the reign of Rajarshi Bhagyachandra, and the Langthabal Konung (Palace) where the Maharaja Gambhir Singh, who liberated Manipur from the Burmese occupation, took his last breath. It was also the birthplace of Dr. Lamabam Kamal Singh who wrote the heart throbbing novel "Madhabi" and many other poems. The University has a campus of 287.53 acres cradled in a scenic beauty.

COMMON FACILITIES

LIBRARY

The Manipur University Library has a collection of more than 1,90,000 (one lakh and ninety thousand) books, 8600 peer reviewed e-Journal under the UGC-INFONET Digital Library Consortium and subscribes to more than 280 (two hundred and eighty) national journals and 43 (forty three) foreign journals. The Library has been identified as one of the nodes of UGC INFONET and readers have been provided with the facilities for direct access to the databases of a large number

of foreign journals. Computer terminals are available to the users for this purpose. The entire database of the Library is available on OPAC within the MU campus. The library is opened from 9 a.m. to 7 p.m. on all working days. On holidays and Sundays, it is opened from 10 a.m. to 4 p.m. 24x7 Wi-Fi connection has been installed in the University for Better Accessibility to e-journals and internet connectivity for the teachers, research scholars, students, officers and other staff members of the University.

COMPUTER CENTRE

Manipur University has a Computer Centre which was established in the year 1985. The Centre is run under the supervision of the Systems Manager as the Head of the Centre. The Systems Manager is assisted by three officers, i.e., one Systems Engineer, two Programmers and six other supporting staff.

Campus-wide University Network: The campus-wide University network consists of state of the art networking equipment capable of providing high bandwidth with 1 Gbps Optical fiber backbones at the distribution level to provide connectivity to all Faculties, Departments and Centres at Manipur University. NKN connectivity provides resource sharing with all major educational and research institutions across the country. The length and breath of the campus is linked with cyber connectivity systems provided by the public & private sectors like BSNL, JIO, etc.

Campus Wi-Fi: Campuses of the University are Wi-Fi enabled established under MHRD Campus Wi-Fi Project with high-speed Access points (APs), Routers and Switching Network Devices. Currently, there are over 4000 users enrolled on the system comprising of Students, Faculty members and Staff. The WiFi services are fully maintained and managed by M/s RailTel Corporation of India Ltd. with dedicated onsite engineers.

Campus CCTV Surveillance: University has a campus-wide IP based CCTV surveillance covering many outdoor locations. A centralized recording facility has been installed at Computer Centre.

The Centre has got a classroom-cum-Computer Laboratory with 30 PCs.

The Computer Centre performs the task of digitization of the University for almost all the University activities (administrative, financial, academic, examination works, etc.). Manipur University has implemented many modules under the Samarth Project which is a University Information Management System project under the Ministry of Education (MOE).

The Computer Centre is also providing Email services, Website designing and maintenance to University Community. The centre is executing other forthcoming ICT enabled initiatives like state of the art online classroom, Learning Management Systems (LMS), video conferencing solutions, eOffice, robust Data Centre, etc. with the industry best practices.

BANKING AND POSTAL FACILITIES

The State Bank of India, the Bank of Baroda with ATM facilities, and one Post Office are also located at the campus.

HEALTH CENTRE

The University Health Centre looks after the health care of the residents of the campus as well as non-resident students and members of teaching and non-teaching staff of the University. The Health Centre also provides its services to the people of the neighbouring villages of the Manipur University.

SHOPPING CENTRE

The University has a shopping centre inside its campus, Daily use items along with stationary and other DPT facilities are also available in the University Campus.

EATING POINTS & CANTEEN

Along with the Canteen, the University has 10 other eating points where day scholars, visitors and campus dwellers can have breakfast and lunch facilities in the University campus.

CHOICE BASED CREDIT SYSTEMS (CBCS) MU

The existing regulations for the Choice Based Credit System (CBCS), 2014 was first approved by the Academic Council in its meeting held on May 2015. Each Department of Manipur University has given some optional papers in their course structures so that students from other departments can choose the courses. The maximum number of seats for a particular optional course in a department will be the intake capacity of that department.

It is mandatory for the students in a PG Programme to choose 2 four credit courses from other Departments, to acquire a Masters degree failing which the student will not be able to complete the PG programme. In the 3rd and 4th semesters a student can choose only one optional course available in other departments.
