

| Sr.No | Question Id | Correct Answer Key |
|-------|-------------|--------------------|
| 1     | 4272        | 17087              |
| 2     | 4273        | 17092              |
| 3     | 4274        | 17094              |
| 4     | 4275        | 17098              |
| 5     | 4276        | 17103              |
| 6     | 4277        | 17105              |
| 7     | 4278        | 17110              |
| 8     | 4279        | 17116              |
| 9     | 4280        | 17118              |
| 10    | 4281        | 17124              |
| 11    | 4282        | 17127              |
| 12    | 4283        | 17129              |
| 13    | 4284        | 17134              |
| 14    | 4285        | 17137              |
| 15    | 4286        | 17143              |
| 16    | 4287        | 17147              |
| 17    | 4288        | 17152              |
| 18    | 4289        | 17153              |
| 19    | 4290        | 17158              |
| 20    | 4291        | 17161              |
| 21    | 4292        | 17165              |
| 22    | 4293        | 17170              |
| 23    | 4294        | 17175              |
| 24    | 4295        | 17178              |
| 25    | 4296        | 17184              |
| 26    | 4297        | 17186              |
| 27    | 4298        | 17191              |
| 28    | 4299        | 17194              |
| 29    | 4300        | 17199              |
| 30    | 4301        | 17203              |
| 31    | 4302        | 17207              |
| 32    | 4303        | 17212              |
| 33    | 4304        | 17213              |
| 34    | 4305        | 17219              |
| 35    | 4306        | 17224              |
| 36    | 4307        | 17225              |
| 37    | 4308        | 17229              |
| 38    | 4309        | 17235              |
| 39    | 4310        | 17240              |
| 40    | 4311        | 17243              |
| 41    | 4312        | 17245              |
| 42    | 4313        | 17250              |
| 43    | 4314        | 17255              |
| 44    | 4315        | 17258              |
