

POST GRADUATE

O.P. JINDAL GLOBAL
INSTITUTION OF EMINENCE DEEMED TO BE
UNIVERSITY
A Private University Promoting Public Service

PROSPECTUS
2023

JGU AT A GLANCE

▶ O.P. Jindal Global University (JGU) is a non-profit global university established by the Government of Haryana and recognised by the University Grants Commission (UGC). JGU was established as a philanthropic initiative of its Founding Chancellor, Mr. Naveen Jindal in memory of his father, Mr. O.P. Jindal. JGU is one of the few universities in Asia that maintains a 1:9 faculty-student ratio and appoints faculty members from India and different parts of the world with outstanding academic qualifications and experience. JGU is a research intensive university, which is deeply committed to its core institutional values of interdisciplinary and innovative pedagogy, pluralism, rigorous scholarship and globalism, and international engagement.

JGU has established 12 schools: Jindal Global Law School (JGLS); Jindal Global Business School (JGBS); Jindal School of International Affairs (JSIA); Jindal School of Government and Public Policy (JSGP); Jindal School of Liberal Arts & Humanities (JSLH); Jindal School of Journalism & Communication (JSJC); Jindal School of Art & Architecture (JSAA); Jindal School of Banking & Finance (JSBF); Jindal School of Environment & Sustainability (JSES); Jindal School of Psychology & Counselling (JSPC); Jindal School of Languages & Literature (JSL) and Jindal School of Public Health and Human Development (JSPH). JGU has been granted "autonomy" by the University Grants Commission and the Ministry of Education, Government of India, for receiving the "A" Grade from the National Assessment and Accreditation Council (NAAC). This makes JGU the only private university in the state of Haryana and one of the only two private universities in India to be given the status of autonomy.

JGU has emerged as India's No. 1 Private University for the third year in a row, according to the QS World University Rankings 2023 and was ranked among the Top 700 universities in the world. We are also among the Top 150 universities globally under the age of 50 years by the QS Young University Rankings 2022. JGU has also been recognised in the Top 500 Universities as per the QS Graduate Employability Rankings 2022.

In September 2019, JGU was selected as an 'Institution of Eminence' (IOE) by the Government of India, making JGU one of only eight private universities in India to be awarded this status.

MESSAGE FROM THE DEAN

At O.P. Jindal Global University, world-class does not merely signify that we have a global faculty, global curriculum, and excellent infrastructure. Neither does it just mean that we rank in the top 700 of the QS World University Rankings and nor does it mean that we have been recognised as an Institution of Eminence. For us, being world-class means that we remain connected to our roots while we allow our eyes, mind, and heart to be open to all that the world has offer. It means imbuing our students with lifelong learning skills for taking on the world as it is. A world that requires people to think quickly, critically, and creatively. Across our 15 postgraduate programmes and 12 schools, our students are encouraged to develop a sense of curiosity, openness and self-reflection, to take up social and civic responsibilities, to respect diversity of societies and cultures, while adhering to the highest standards of ethical behaviour. Our students are also engaged beyond the classroom-making a difference to the local community, engaging in sports, taking part in intellectually stimulating debates, discussions and seminars, volunteering and speaking at conferences, acting and producing plays and musicals, organizing cultural festivals and much more. A holistic and inter-disciplinary education is the need of the hour and at JGU, we encourage students to dream big and find ways to make those dreams a reality. I hope that you will make the best use of this opportunity to study at India's First Multidisciplinary Global University. The JGU Admissions and Outreach Office and I welcome you to meet our students and staff, and to experience the vibrant campus life.

Welcome to JGU.

POST GRADUATE COURSES

Jindal Global Law School
India's First Global Law School

LL.B.

Jindal Global Law School (JGLS) offers a 3-year Bachelor of Law (LL.B.) programme since its inception in 2009. The programme is designed in keeping with the regulations of Bar Council of India rules and the prescriptions of University Grants Commission. JGLS fosters a culture of global legal education through a curriculum and pedagogy that best reflects the study of international law and comparative law along with domestic law.

DISTINCTIVE FEATURES

- Interdisciplinary study of a range of courses across the schools of Business, International Affairs, Public Policy, Liberal Arts and Humanities, Journalism, Architecture and Banking & Finance.
- Vibrant moot culture, with awards at prestigious international competitions such as the Philip C. Jessup, Vis Vienna, Price Media Law Moot Court (University of Oxford) and the Frankfurt International Investment Moot.
- International collaborations with Law Schools around the world, including Harvard, Yale, Columbia, Michigan, Cornell, UC Berkeley.
- More than 25 research centres that aim to generate a global network of minds bent on solving leading legal and policy questions.
- Internationally qualified teaching and research faculty from top universities of the world.
- Regular public lecture series- seminars, symposiums and workshops engaging eminent scholars from around the world.
- Option to learn a foreign language. choose among Mandarin Chinese, Spanish, French, Arabic, Persian and Dari.
- Over 25 student-run societies devoted towards academic and cultural progress.

Course Duration: **3 Years**

Programme Fee: ₹ **6,00,000/-** per annum*

Residential Fee: ₹ **2,92,500/-** per annum*

*The programme fee and residential fee are subject to an annual increase of upto 10%.

Eligibility: Bachelor's degree in any subject with not less than 45% aggregate marks.

Selection Criteria: Admission is strictly based on LSAT-India exam.

Application Process: Apply online at: <https://lawadmissions.jgu.edu.in>

LL.M. RESIDENTIAL

The LL.M. programme runs under the aegis of the Centre for Post Graduate Legal Studies (CPGLS). The specialisations that the programme offers are Corporate and Financial Law & Policy, Intellectual Property Rights & Technology Law, International Trade & Investment Law, Alternative Dispute Resolution, Taxation Law, General Legal Studies and Human Rights.

The course integrates Indian and global perspectives on all aspects of law and emphasizes on an international, transnational and comparative approach to research.

DISTINCTIVE FEATURES

- Intensive curriculum that provides a number of electives on contemporary topics in international, business law, tax law among others.
- Opportunities for studying different streams and industry centric subjects.
- The programme aims to equip students with skills for global research, enabling them to adapt, innovate and apply their knowledge to international legal issues.
- The academically rigorous programme requires students to produce at least one scholarly piece of writing of publishable quality during the course of their study.
- Option to pursue dual degree LL.M. programme at Southwestern Law School, California and Brunel University, United Kingdom.
- The course will be taught by leading academicians, senior lawyers, judges and industry professionals from across the world.

Course Duration:

1 Year

Programme Fee:

₹ 3,50,000/- per annum*

Residential Fee:

₹ 2,92,500/- per annum*

Programme fee: (LLM – ELECC, Non-Residential) : Rs. 3,50,000 per year

*The programme fee and residential fee are subject to an annual increase of upto 10%.

Eligibility:

Bachelor's degree in Law from any University in India or abroad that is duly recognised under the law and by the regulatory authorities.

Selection Criteria:

Admission will be based on the performance of entrance examinations of LSAT– India exam, which holds 70% weightage. Statement of purpose and curriculum vitae will have 30% weightage.*

Application Process:

Apply online at: <https://lawadmissions.jgu.edu.in/ll-m-residential-and-non-residential>

*Anyone securing less than 50 percentile in the mentioned entrance exams will have to go through mandatory interview process. Interview is mandatory for non-residential LL.M. programme.

LL.M. (ENVIRONMENTAL LAW, ENERGY & CLIMATE CHANGE) NON-RESIDENTIAL

The LL.M. programme in Environmental Law, Energy and Climate Change is offered in academic collaboration with the Centre for Environmental Law, WWF-India.

The programme enables the study of environment and climate change through the prism of institutions and laws governing them, with the objective of promoting sustainable development. The programme also focuses on deliberations and analysis of alternate energy solutions, available technical knowledge in the field of environment and climate change and how innovations in the field are best implemented.

This course is useful for law graduates and professionals working in the field of environment who would like to develop specialised legal knowledge on national and global environmental issues to boost their career.

DISTINCTIVE FEATURES

- The programme is developed to integrate Indian and global perspectives on aspects of environmental law, climate change and sustainable energy, and varied areas of law.
- Emphasis on an international, transnational and comparative approach to research.
- Option to pursue dual degree LL.M. programme at Southwestern Law School, California and Brunel University, United Kingdom.
- The course will be taught by leading scholars and accomplished international and domestic practitioners.

2 YEAR MBA

JGBS delivers contemporary and industry-relevant management education with a focus on enhancing the knowledge base, skill-set, and personalities to eventually transform our MBA students into future-ready managers, leaders and entrepreneurs who can make a positive and substantial impact in the world. The faculty members bring together a wealth of experience from academia and research, business and industry, government and inter-governmental organisations, as well as civil society. The curriculum and courses covered bear in mind the need for management education to remain oriented towards problem-solving and to build leadership for addressing global business challenges. JGBS is a Member of Association to Advance Collegiate Schools of Business

Application Process:

Apply online at: <https://jgu.edu.in/jgbs/>

M.A. DIPLOMACY, LAW & BUSINESS

The M.A. (DLB) programme has been designed as India's first inter-disciplinary social science degree that trains students for international careers and advanced learning in world affairs.

The degree is intended to be neither a totally academic nor a fully vocational one. It stresses theoretical research but insists on relating it to empirically rich phenomena from the social world. Unlike mainstream Masters programmes in International Relations, which are loaded in favour of theoretical research or 'professional' course work and internships, M.A. (DLB) strikes a balance between the two and requires students to be versed in both domains.

A number of core and elective courses in this programme's curriculum have research essay assignments, which are expected to be at the frontier of ongoing scholarly debates and simultaneously accessible to policymakers in India and abroad.

**Jindal School of
International Affairs**
India's First Global Policy School

DISTINCTIVE FEATURES

- Partnerships with the best educational establishments around the world.
- Inter-disciplinary courses to train students in emerging areas of global policy studies.
- Internationally qualified teaching and research faculty from top universities of the world.
- Experiential learning facilitated via field trips, internships, scenario building exercises, research papers and interactive learning sessions.
- International student and faculty exchange programmes.
- Globally networked 'Future Diplomats Development Programme'.
- Regular public lecture series- seminars, symposiums and workshops engaging eminent scholars from around the world.
- Mandatory foreign language learning with a choice of Spanish, French, German or Mandarin.

Course
Duration:

2 Years

Programme
Fee:

₹ **2,50,000/-** per annum*

Residential
Fee:

₹ **2,92,500/-** per annum*

*The programme fee and residential fee are subject to an annual increase of upto 10%.

Eligibility:

Bachelor's degree from any recognized university in India or abroad.

Selection Criteria:

Take the open book online entrance exam on the selected date followed by a personal interview- face to face or Skype.

Application Process:

Apply online at: <https://jgu.edu.in/jsia/>

**Jindal School of Government
and Public Policy**
India's First Public Policy School

M.A. PUBLIC POLICY

Jindal School of Government and Public Policy (JSGP) offers India's pioneering M.A. Public Policy (MA PP) by internationally trained faculty.

MA PP graduates are equipped to work on development & public policy making roles in government, civil services institutions, CSR groups, academic, think tanks, NGOs, media & political organizations.

DISTINCTIVE FEATURES

- Curriculum of international standard.
- Exposure to the latest research trends with strong emphasis on quantitative and qualitative research skills.
- Internationally qualified teaching and research faculty from top universities of the world.
- International students and faculty exchange programmes.
- Globally networked career development and placement division.
- Option to learn a foreign language. Choose among Mandarin Chinese, Spanish, French, Arabic, Persian and Dari.
- Experiential learning facilitated via field trips, internships, scenario building exercises, research papers and interactive learning sessions.
- Regular public lecture series- seminars, symposiums and workshops engaging eminent scholars from around the world.

Course
Duration:

2 Years

Programme
Fee:

₹ 2,50,000/- per annum*

Residential
Fee:

₹ 2,92,500/- per annum*

*The programme fee and residential fee are subject to an annual increase of upto 10%.

Eligibility:

Bachelor's degree from any recognized university in India or abroad.

Selection Criteria:

Take the online Public Policy Entrance Test (PPET) on the selected date followed by a personal interview – face to face or Skype.

Application Process:

Apply online at: <https://jgu.edu.in/jsgp/>

M.A. ECONOMICS

The programme is designed to equip students with a solid grasp of classical paradigms in this well-established discipline, creatively combining orthodox and heterodox approaches. The course aims to provide insights to solve problems experienced by economies in the real world. Through realistic applications it fills major gaps in most post-graduate Economics courses taught elsewhere in the world by allowing students to experience the actual policy making process.

It also imparts required knowledge and skills that will increasingly be in demand in the foreseeable future, focussing on excellence in academia, policy teams in corporations, consultancy companies, non-profit organisations, and governments at national, state and local levels.

DISTINCTIVE FEATURES

- Internationally qualified faculty from the best universities around the world.
- Focus on worldwide issues related to economics and business, to help students in developing analytical and problem solving skills.
- Wide variety of elective courses and specializations.
- Research centres aimed to generate ideas, and knowledge about practices of democratized development, across nations.
- 'Study Abroad' opportunities through summer and winter schools and semester exchange programmes.
- Internships that expose students to the environment of organizations.
- International alliances building a global network through International Development and Public Policy Alliance (IDPPA) and International Public Policy Association.

Course Duration:

2 Years

Programme Fee:

₹ **2,50,000/-** per annum*

Residential Fee:

₹ **2,92,500/-** per annum*

*The programme fee and residential fee are subject to an annual increase of upto 10%.

Eligibility:

Students must have a bachelor's degree in Economics from any recognized University in India or abroad.

Selection Criteria:

Take online Masters in Economics Entrance Test (MEET) followed by a personal interview.

Application Process:

Apply online at : <https://jgu.edu.in/jsgp/>

Jindal School of
Liberal Arts & Humanities
India's First Transnational Humanities School

P.G. DIPLOMA IN RESEARCH & INNOVATION (PGDRI)

PGDRI is designed to take your undergraduate education to the next level by allowing you to achieve in-depth understanding of the domains you have begun to explore. This will be a year of pure learning with application of innovative concepts and research tools. As a PGDRI scholar you will be engaged in active research within a professional space. PGDRI is a one-year programme that will train students in advanced research skills. In addition to carrying out individualized research, students will undertake an

extended internship of up to four months during the second semester. The internship will be related to their further study and career plans.

Students will work closely with a mentor who has expertise in their chosen field of study. Major areas of concentration available to Fellowship students include; Psychology, Economics, International Business, Political Science, Literature, History, Global Studies, Environment and others. Students will need to complete courses and internships worth 30 credits.

Course
Duration:

1 Year

Programme
Fee:

₹ **5,00,000/-** per annum*

Residential
Fee:

₹ **2,92,500/-** per annum*

*The programme fee and residential fee are subject to an annual increase of upto 10%.

Eligibility:

Candidates with exceptional track record/ extra co-curricular details and research inclination.

Application Process:

Apply online at: <https://jgu.edu.in/jslh/>

Students completing their bachelors degree in 2023 may also apply.

Interview in person/ Skype (we recommend in person interviews).

M.Sc. FINANCE

Over the past several decades the finance industry has undergone a tremendous change in the way it functions. Crises of past decades, the emerging role of FinTech and the innovative financial instruments have challenged the very existence of the traditional notion of the finance industry. There is a growing need to narrow the gap between industry-relevant training and academic rigorous finance education that recognizes the challenges of the finance industry. Thus this programme attempts to bring contemporaneous developments in the finance industry to the classroom learning experience and provide an in-depth understanding of the numerous facets of financial decision making.

DISTINCTIVE FEATURES

- Students will master the theoretical and empirical concepts in finance, financial models, and pricing
- An experiential based program that enables students to learn about financial markets, instruments, portfolio management and advanced investing techniques.
- Option to choose from two advanced specializations – Behavioural Finance and Quantitative Finance
- Students can leverage benefits from our institutional partnership for professional certifications and pedagogical resources such as NSE SMART and Harvard Business Publishing
- Students will get an opportunity to test and apply the Behavioural Finance/Economics theories in a controlled environment
- This programme builds on the expertise of the world-renowned faculty and practitioners from the Jindal School of Banking & Finance (JSBF) specialising in Financial Modelling; Finance & Risk Management; Portfolio & Investment Modeling; Fintech & Analytics and Consumer Behaviour

MASTERS IN REHABILITATION SCIENCES

One in every ten of the world's population suffers from some disability and a large proportion of them need specialised services for early detection, prevention, intervention, integration and rehabilitation. Although services are available, professionalism in rendering service has been found to be lacking. Keeping this in mind the Jindal Institute of Behavioural Sciences, O.P. Jindal Global University is starting this job-oriented professional training programme to equip students with the competence and skill necessary to serve the specially-abled population. This programme will acquaint students with the causes of disability, abilities and limitations of each type of disability, rehabilitative measures available for the disabled, and to equip students with the skill to design intervention and rehabilitation programmes for the disabled, and to help students become efficient rehabilitation project managers, programme coordinators, social workers and rehabilitation counsellors.

DISTINCTIVE FEATURES

- Rehabilitation Council Of India (RCI) Licensed Course
- World Class Faculty: Rich Experience And Publication Record
- Interdisciplinary Exposure And Education: 100+ Electives Listed Across 12 Schools To Enhance Student Learning

MASTERS IN PUBLIC HEALTH (MPH)

The Masters in Public Health (MPH) is highly innovative and specialized programme of study developed by the Jindal School of Public Health and Human Development (JSPH). The flagship Masters Programme being offered by the JSPH consolidates JGU's extensive engagement in the field of public health in India. Grounded in a Global Health approach and building on a vast network of national and international collaborations, the MPH is a culmination of JGU's dedication to promoting public service. The MPH is a research-intensive two-year postgraduate degree programme that enables students to attain foundational training, skills and competencies to embark on a career in public health both in the Indian and global context. Building on the level of internationalization at JGU, the programme introduces students to a multiplicity of approaches and seeks to build competencies through a range of core courses, electives, specializations, dissertation and capstone options. In addition, students have the options of undertaking semester exchange and study abroad programmes with key institutions and centers of excellence in public health. In terms of outcomes, the students of the programme will be able to acquire the set of competencies, skills, and values based on the essential MPH Competencies designed by the Council for Education in Public Health (CEPH), United States of America.

DISTINCTIVE FEATURES

- Train global thought leaders who can strengthen the governance of public health in India and contribute to global health by positioning India to provide global leaders in public health innovation and impact
- Inculcate a global perspective among the students and faculty through a global curriculum, international faculty and meaningful international collaborations
- Promote cutting-edge research that fuels innovation in public health not only in India, but across the world, with a direct impact on advancing the goals of public health and sustainable human development
- Establish meaningful collaborations between the government, regulators, private and public institutions, NGOs, and academia to facilitate the flow of knowledge and create quality-driven work opportunities for youth with an interest in public health and human development
- Mentor and enable skilled individuals to be able to meet the human-resource demands of public health administration and research in India
- Create an interdisciplinary learning environment based on the concept of human development, conducive to a community of well-rounded individuals with a broad perspective on public health
