

SYMBIOSIS INTERNATIONAL (DEEMED UNIVERSITY)

(Established under Section 3 of the UGC Act, 1956)

Re-accredited by NAAC with 'A' Grade (3.58/4) | Awarded Category - I by UGC

PROSPECTUS

Post - Graduate Studies
2022-23

Vision

- Promoting international understanding through quality education

Mission

- to inculcate the spirit of '**Vasudhaiva Kutumbakam**' (the world is one family)
- to contribute towards knowledge generation and dissemination
- to **promote** ethical and value-based learning
- to foster the spirit of national development
- to **inculcate** cross cultural **sensitization**
- to develop global competencies amongst students
- to nurture creativity and encourage entrepreneurship
- to enhance employability and contribute to human resource development
- to promote health and wellness amongst students, staff and the community
- to instill sensitivity **amongst the youth** towards the community and environment
- to produce thought provoking leaders for the society

A Foreign Affair that Founded Symbiosis

The journey of a thousand miles begins with a single step. But, it is the first step that involves deliberation and much hesitation. The Symbiosis journey however began with a surge of enthusiasm spurred on by an incident that, in itself, makes a poignant tale.

“It was an afternoon on a hot day. I was standing near the window of my house overlooking the first hostel block, of which I was the rector. A strange thing happened. A girl walked up to the window of the boys’ hostel room, quickly handed over something and disappeared. My curiosity was aroused and I kept watching the girl walking up to the window day after day and suspected, like any other rector would, that an affair was afoot. So one day, I made up my mind and walked up to the door and knocked. When the door opened, I saw a Mauritian student lying in bed. His face was pale and his eyes seemed to have sunken low. I was puzzled.” “When I turned to the boy for an explanation, he said, ‘Sir, I have an attack of jaundice & I’m feeling extremely weak. I cannot stand up, nor walk a few steps. A girl from my country brings me food. However, since ladies are not allowed to enter the boys’ hostel, she hands over the tiffin box through the window.’ I was stunned. After all, it wasn’t the type of ‘affair’ I had expected. I was very much pained & decided something had to be done about this. That was the instance, the golden moment that Symbiosis was born. “Symbiosis is a term in life science, meaning ‘living together of two different organisms, for the benefit of each other’. Dr. Mujumdar, himself a professor of botany, thought this name apt for the institution. Thus the institution was founded to alleviate the problems faced by foreign students coming to India. At the time, these problems included - accommodation, meals, medical care, guidance, coaching, information about the city, etc.

Symbiosis has come a long way since then. Today it is home to students from more than 80 different countries. These students are offered the best learning resources, industry exposure, a strong international students’ alumni network, a global recognition, and above all, a truly enriching Indian experience.

Message by Chancellor

I extend a warm welcome to all of you as you join the Symbiosis family. The University is part of the larger Symbiosis family, which is built on the core ideals of Vasudhaiva Kutumbakam - the world is one family.

You will find a wealth of opportunities as you begin your journey of higher education, which is about academics, of course, but also a lot more. It is our goal that we succeed in shaping our students to be responsible members of the global citizenry. Symbiosis is appreciative of the enormous responsibility that befalls higher education institutions. I encourage you to avail of all the wonderful teaching-learning and research possibilities that are offered. We, at Symbiosis, believe that play belongs to education as much as studies; therefore, we offer a whole range of first-rate choices that contribute to personal capacity building, such as those in career enhancement, extracurricular activities and recreational facilities.

You will find wonderful prospects to share this journey with students from over eighty-five countries and from all over India. We also pride on having with us an amazing pool of talent in our teaching staff, many of whom are noted academics, with substantial international experience. All in all, the educational experience at Symbiosis is designed to be wholesome and one that is authentically international. I hope that your experience at Symbiosis will afford you the opportunities to apply your talents and inspirations to the best use.

May God bless you!

Prof. Dr. S. B. Mujumdar
Chancellor

Message by Pro Chancellor

Symbiosis upholds its motto “*Vasudhaiva Kutumbakam*” the world is one family in all its pursuits. The diverse backgrounds of the students who come here from 85 countries from all across the world, contribute to an international environment. The wide milieu of ideas that are brought to the table through the interactions and collaborations among students both inside and outside the classroom are contributive in enhancing the students’ intellectual acuity.

The classrooms at the Symbiosis campus encourage an innovative and futuristic approach for management, academia and the administrative staff. As one of the largest Universities in India, Symbiosis has strong global linkages and an educational portfolio that boasts of excellent infrastructure, well-equipped classrooms, accommodation and an environment that assists students in realising their potential while embracing diversity. The eclectic environment here enables students to think critically and emerge as responsible citizens with high moral values, ethics and good social conduct.

We aim to create globally valued graduates and have framed policies and procedures to expose students and faculty to international, intercultural and comparative aspects. This is ensured by encouraging student mobility on exchange and summer schools to international partners. The interdisciplinary studies allow students to choose from across multiple disciplines thus broadening their perspective and helping them gain knowledge of various domains, which makes them more adaptable to a global environment.

The Programmes offered at Symbiosis are innovative and designed according to the needs of the industry, thus creating the needed academia-industry interface. The Incubation Centre at Symbiosis has been created with the aim of supporting and nurturing the innovative spirit of the students and developing their entrepreneurial abilities.

On behalf of the University, I welcome you to the Symbiosis family! I wish you success in the Programme that you have chosen to study with us.

Dr. Vidya Yeravdekar

Pro Chancellor, Symbiosis International (Deemed University)
Principal Director, Symbiosis

Message by Vice Chancellor

Dear Students,

Symbiosis International (Deemed University) is one of the most sought - after destinations for Indian and International students, which has gained reputation for commitment to high quality learning and teaching. The beautiful sprawling 350 acres campus at Lavale, several campuses in Pune and other cities attract students from different regions, ethnicity and cultures and provide a vibrant and symbiotic ecosystem.

UGC has awarded Category I status to the University, and the National Institutional Ranking Framework (NIRF) 2021 has ranked the University 38th in the Universities category. On the International front, SIU has been ranked amongst the top 350 by the QS Asia Rankings 2021. The Time Higher Education World University Ranking 2022 has ranked Symbiosis International University amongst the top 800 - 1000 Universities in the World and it is the only Indian university to have received the Asia Pacific Quality Label.

At Symbiosis, enquiry, investigation and innovation are encouraged and nurtured. SIU offers high quality academic programmes at the undergraduate, postgraduate and doctoral level in contemporary disciplines of Law, Management, Computer Studies, Health Sciences, Media and Communication, Humanities and Social Sciences, Engineering, and Architecture and Design. The academic programmes aim at imparting interdisciplinary vision, compassion, value systems and critical awareness of national and global issues. With collaborative networks of several Universities from different parts of the world, SIU provides a very conducive, interactive and inspiring environment to create true global citizens who are ready to contribute to their respective countries and humankind.

Continuously building innovative technologies in the teaching learning and evaluation process, enhancing research, encouraging innovation, empowering students to become entrepreneurs, the University offers opportunities for students to excel.

As a Health Promoting University, SIU has established the Symbiosis University and Hospital Research Centre which is a 300 bedded hospital (scalable to 900 beds) which offers free medical treatment to the needy. The University has also established the first fully residential Symbiosis Medical College for Women exclusively for women.

I invite you to experience, explore, learn, play, work and get motivated to meet the challenges to shape your career and to meet the challenges of the new exciting world!

Welcome to the Symbiosis family!

Dr. Rajani Gupte
Vice Chancellor

The University

Prof Dr. S. B. Mujumdar established Symbiosis in 1971 on the principles of the Vedic thought of "Vasudhaiva Kuttumbakam", i.e. the world is one family. With changes sweeping across India's higher education scenario, Symbiosis International (Deemed University) established need based Constituent Institutes / Departments across the seven faculties of Law, Management, Computer Studies, Health & Biological Sciences, Media, Communication & Design, Humanities & Social Sciences and Engineering.

Due to the excellence and quality of education imparted by Symbiosis institutes, the Ministry of Human Resource Development, Govt. of India conferred the 'Deemed to be University' status on Symbiosis in 2002.

Today, the University is ranked amongst the topmost Universities in India. The University has been awarded Category I by University Grants Commission (UGC) and National Institutional Ranking Framework (NIRF) 2018 has ranked Symbiosis International University 56th amongst the top 100 Universities in the country. Symbiosis International (Deemed University) is also ranked 109 by QS World University ranking agencies 2019.

Symbiosis International (Deemed University) Ranked No. 1 in the country in the SWACHH CAMPUS RANKINGS 2018.

The University has 42 Institutes / Departments distributed in campuses at Pune, Nasik, Bengaluru, NOIDA, Hyderabad & Nagpur. The establishment of every institute of Symbiosis has some history. Some institutes were established for a certain cause and some out of the needs of the industry and society at large. Every institute has created its own identity and has become a choice for students wanting to pursue higher education. Symbiosis has a rich heritage of cutting-edge innovation and enterprise, and of quality through pursuit of Educational excellence. The University offers various programmes at Doctoral, Postgraduate, Under graduate and Diploma levels under the faculties of Law, Management, Computer Studies, Health Sciences, Media & Communication, Humanities & Social Sciences, Engineering, Planning, Architecture & Design.

Cutting edge technologies, smart classrooms and modern infrastructure positively impact the delivery of world class education. Diversity in the classroom and faculty rooms, service learning projects, internships and value added activities lead to a more holistic development of students.

The University has academic collaborations with reputed foreign universities like Nanyang Technological University in Singapore, University of Houston in USA, Berlin School of Economics and Law in Germany and others. The Symbiosis Centre for International Education (SCIE) promotes internationalization and invites international students to the University for a Semester Abroad Programme. The University is actively involved with student and faculty exchange programmes and has also introduced the Scholar- in-Residence Programme. SCIE conducts intensive 'Study India' programme for the benefit of international students from over 86 countries that study here. A variety of activities are organised where international students of Pune city are able to meet on a common platform and display their many talents.

Access to several learning resources via the library, availability of housing facilities on several campuses, scholarship programmes to promote academic excellence, several co-curricular and sports activities organised by the University have facilitated well rounded overall development of students. Health and wellness are vital issues relevant to the academic success of students at Symbiosis. Symbiosis Centre of Health Care (SCHC), the in houses health care centre for the entire Symbiosis family makes conscientious efforts for the overall development of its staff & students by providing preventive, curative and health promotion programs to enhance optimal health, reduce risk of disease and injury and promote healthy lifestyle choices.

In its continuous pursuit of giving back to Society through academics and research, the University has established Symbiosis Centre for Waste Resource Management (SCWRM) and Symbiosis Centre for Stem Cell Research (SCSCR), Symbiosis Centre for Nanoscience and Nanotechnology (SCNN) AND Symbiosis Center for Medical Image Analysis (SCMIA) and Symbiosis Centre for Behavioural Studies (SCBS) in past few years. These Centres are led by the researchers of repute in respective disciplines and are being developed as the Centres of Excellence of the future.

The University dreams of becoming a World Class University and continuously strives to build innovative technologies in the teaching learning and evaluation process, enhancing research, encouraging innovations empowering students to become entrepreneurs and provide a holistic environment as a Health Promoting University. In its pursuit in becoming a health promoting University, the University has established the Symbiosis University and Hospital Research Centre which is 300 bedded Charity hospital wherein free medical treatment shall be provided to the needy. Symbiosis Medical College for Women will also be starting in the next Academic year to produce highly qualified and well trained doctors.

The University has the following Professor Emeritus and Chair Professors in various Faculties:

HONORARY CHAIR

Professor Emeritus Shri Amitabh Bachchan

Faculty of Media and
Communication

Chair Professor Master Chef Sanjeev Kapoor

Chair Professor in
Culinary Arts Faculty
of Humanities and
Social Sciences

Chair Professor

Ambassador Talmiz Ahmed

'Ram Sathe Chair in
International Studies'

Amb.(Retd.) Gautam Bambawale

Faculty of Humanities
and Social Sciences

Academic Programmes of the University

The University offers academic programmes in seven faculties at both undergraduate and postgraduate levels. The programmes are conducted in 44 Institutes / Departments across campuses at Pune, Nasik, Bengaluru, NOIDA, Hyderabad and Nagpur.

The doctoral programme is offered in all the faculties.

The medium of instruction for all programmes is English.

The undergraduate and postgraduate programmes conducted by University are given in the table:

Faculty	Institute/Department	Post Graduate	Under Graduate
Law	Symbiosis Law School, Pune (SLS, Pune)	Master of Laws (LLM)	Bachelor of Laws (LLB)
		-	Bachelor of Arts and Bachelor of Laws (Honors) (BA. LLB (Hons)

SYMBIOSIS CENTRE FOR RESEARCH AND INNOVATION (SCRI):

Established in 2009, is the dedicated Department of SIU for promoting and facilitating research among students and faculty. Through its academic and administrative services, SCRI enables researchers to achieve excellence in their work, and eventually, translates SIU's vision of creation of knowledge for the benefit of the Society into reality. SCRI has four verticals Research Programmes, Research Publications, Research Projects and Intellectual Property. It is an integral part of all the constituent and incidental committees pertaining to research at the University.

You may visit <https://siu.edu.in/research.php> for details.

About Ph D Programme: Symbiosis International (Deemed University) offers research programmes leading to the award of Doctor of Philosophy (Ph. D.) through SCRI in the following Faculty of Studies.

1. Law,
2. Management
3. Computer Studies
4. Health Science
5. Media and Communication
6. Humanities and Social Sciences,
7. Engineering.

The University may offer programme in Faculty of Architecture and Design in near future.

You may visit <https://scri.siu.edu.in/> for details

Type of Enrolment: The doctoral programme is offered both in Full Time and Part Time mode. The University strongly advocates full timers to join the doctoral programme and also encourages working professionals to enrol as Part Time with External Organizations (PTEO) for the betterment of their careers. Faculty/ staff members of SIU can join as Part Time Internal (PTI) students. The University has collaborative arrangements with several research establishments (Collaborative Research Centres- CRCs). and the researchers from such organizations can enrol as Part Time candidates working with CRCs (PTCRCs)

The Degree Certificate: The degree is offered strictly

in compliance with the University Grants Commission (Minimum Standards and Procedure for Award of M.PHIL./Ph.D. Degrees) Regulations, 2016 and amendments thereof. The degree certificate mentions Faculty of Studies and Thesis Title. It does not mention sub-streams/ subject areas. Nor does it mention the enrolment type.

Sub-streams/ subject areas: The University offers the Ph D programmes based on expertise and research interest of their existing Ph D supervisors. Ph D entrance examination and personal interviews are strictly according to the sub-streams on offer. There are no sub-streams in the Faculty of Law and Management. There are no programmes in Languages/ Literature, Psychology, Sociology, History, etc. The current sub-streams on offer can be found out by visiting <https://scri.siu.edu.in/>

Eligibility: Post graduate degree with 55 % marks (50 % for SC/ST /DA) in the relevant discipline is a must. The nomenclature of degree shall be as per the section 22 of UGC Act. Full time PG Diploma holders of IIMs, XLRI are eligible. Similarly, CA/CS with 55 % marks are eligible. Those possessing PG diplomas from other institutions have to submit an equivalence (& not approval) as given by statutory bodies like AICTE/ UGC/ BCI. AIU equivalence is not acceptable for such PG diploma programmes. Work experience is not necessary. Graduate degrees with long experience/ without experience are not eligible. Please refer to the rule book available at <https://scri.siu.edu.in/>

How to Apply: Normally online applications are invited once in a year in April/May. Please look out for admissions link available at <https://scri.siu.edu.in/> during the above period for details of applications and enclosures.

Selection Process: The selection is done strictly on the merit basis taking into account the combined scores obtained in of Ph D Entrance Test (70 % weightage) and Personal Interview (30 % weightage). The University maintains the communication link with the applicants through log-in credentials on <https://scri.siu.edu.in/> The applicants can retrieve their admit cards, results, final selection letters through dedicated log-in credentials.

Ph D Entrance Examination (PET): Eligible applicants are required to appear for Computer based Test at designated centres. The examination may be held in proctored mode if situation warrants. PET is multiple choice-based test with no negative marking having two parts: Research Methodology (50 Marks) and sub-stream (50 Marks). Minimum passing marks are 50/ 100 (45/100 for SC/ST/DA candidates). The syllabus and sample questions are available at <https://scri.siu.edu.in/> The University does not recommend any books.

The University does not have past test papers as the papers are generated out of the question banks by toggling questions and choices from the question bank.

Exemption from Ph D Entrance Examination (PET): Those holding NET/ SET/ GATE/M Phil/ other fellowships are exempted from the entrance exam. The score must be valid on the date of application. Please note that appearing for personal interview is mandatory. Long experience does not entitle any exemption from entrance test.

Personal Interviews: Personal Interactions are conducted by a panel of experts as per the sub-streams (specializations in case of Faculty of Management) on assigned dates and time slots. Marks are allocated for articulation of the research problem, understanding of the subject, critical thinking, suitability of the research topic to SIU agenda, extent of proposed research topic to contribution to the new body of knowledge, research publications in past and overall research idea being proposed.

Available Seats: The University announces vacancies in each Faculty and sub-stream after getting inputs from the respective Deans of Faculties. The vacancies are based on preferred seats the Supervisors would like to admit depending upon their academic designations. As per the prevailing UGC norms Professor can supervise 8 students, Associate Professor :6 students and Assistant Professor: 4 students at any given point of time. The seats on offer are displayed at <https://scri.siu.edu.in/>

Reservation: The University offers 15 % reservations to SC, 7.5 % to ST, 3 % to DA. Two seats are reserved for Kashmiri Migrants. 15 % seats over and above sanctioned intake are given to International students.

Fellowships: A few full-time students shall be offered financial assistance in terms of Junior Research Fellowship at par with Government of India norms. Once a student completes two years as Junior Research Fellow, he/she may be given Senior Research Fellowship after stringent review. The University encourages the students to get their own fellowships from various agencies.

Fees: Selected candidates need to pay the Registration Fees of INR.10,000/- (Non-refundable) Coursework Fees of INR. 20,000/- and Security Deposit of INR.10,000/- (Refundable) from the first instalment. The admission shall remain provisional till the student obtains approval to his/her research proposal by the Research Advisory Committee (RAC).

Once confirmed in the programme the candidates need to pay semester fees of INR.15,000/- per semester till he/she submits the Ph D Thesis. Since the programme is non-tenured, the total fees shall depend upon the time taken to complete the programme.

Tenure of Programme: The doctoral degree programme is non-tenured, non-tutored programme. The student has to complete the pre-requisite of coursework in approximately 6 months and seek confirmation by submitting and presenting the proposal within one year.

Minimum duration for submission of thesis is two years from the date of confirmation. Maximum duration of submission of thesis shall be four years from date of confirmation for Full Time Students (Five years for Part Time Students).

Ph. D Supervisor: The student has to choose a supervisor from the pool of approved supervisors depending upon his/her research area and available vacancies. The supervisor has to be a full-time faculty member of the University. The University does not allocate a supervisor. However, the student is required to identify and submit consent of the supervisor. A co-supervisor can be inducted with the explicit approval of Research Recognition Committee.

Pre -Ph. D Coursework Requirements: Admitted students are required to undergo 16 credits of Pre-Ph D coursework. Eight credits are taught by the Faculty and eight credits are earned through self-study assigned by

Sewage treatment plant

Plastic (PP & PE) and waste oil processing reactors to generate hydrocarbons

the supervisor. The student qualifies coursework once he/she maintains attendance of 75 % and secure 55 % marks in each course. The students are advised to be ready for physical classes on weekdays. The coursework is organized by The Deans of the Faculties and students are supposed to contact the respective Deans for knowing more about the course work. Those students who have passed M Phil with B+ grade and Research Methodology as one of the courses are exempted from Pre-Ph. D coursework.

Submission of Research Proposal: The students who successfully clear the Ph D coursework are required to submit research proposal in a prescribed format as per the deadlines given by the University.

Confirmation: The student has to make a presentation to a Research Advisory Committee (RAC) to obtain confirmation depending upon the feasibility, unbiased research methodology and potential of adding new body of knowledge to the research area. A few research proposals will need clearance of Independent Ethical Committee (IEC) of the University.

Semesters Progress Monitoring: Each confirmed student has to pay fees, register in every semester and make a presentation at the end of each semester. Failure to submit two consecutive progress reviews/ two consecutive unsatisfactory grades may lead to cancellation of admission.

Mid Review: Upon completion of 50 % research work, a student has to present mid review progress before the RAC at a mutually convenient date and time.

Pre-submission Seminar: Upon completion of full investigations (proposed research), completion of writing and publication of minimum two research papers, a student has to give a pre-submission seminar before the RAC at a mutually convenient date and time. Once the RAC is fully satisfied with the research work, the student is allowed to submit his/her thesis for formal examination by the external examiners.

Requirement of Publications: A minimum of two Scopus indexed papers shall be published by the student to allow him/her to submit the thesis to the University for formal evaluation by the external examiners.

Thesis Examination and Viva - voce: The thesis is examined a panel of two eminent examiners and reviewed by an international reviewer. Once the examiners give unequivocal verdict the award of degree, viva- voce is conducted at a mutually convenient date and time to the examiner and the RAC.

Administrative Requirements: Qualifying Pre-Ph D coursework, confirmation within prescribed deadlines, payment of fees, registration in every semester, obtaining satisfactory remarks at the end of each semester are the basic requirements. Submission of thesis within the maximum deadlines and completion of minimum duration of two years after confirmation are

mandatory for each student.

Academic Requirements: Generation of new knowledge using unbiased research methodology, strict adherence to good academic practices and strict adherence to ethical practices, restricting to a maximum similarity of 10 % while writing thesis and publication of minimum two research papers/ equivalent IP elements are mandatory requirements.

Important Milestones of Ph D Programme: Application, Ph D Entrance Test - Personal Interaction for Selection - Selection-Admission-Induction-PrePh.D.-Coursework-Research Proposal Submission- Confirmation- Actual Research Work (Including Publications)- Mid Review-Pre-submission Seminar- Thesis Submission- Thesis Examination - Viva- voce Examination- Provisional Award of Degree- Convocation

Further details: Interested students are encouraged to visit <https://scri.siu.edu.in/> SIU research page is available at <https://siu.edu.in/research.php> You may contact SCRI office at 020-6193-6236/37, 020-2811-6236/37, 7972282128, 8668988218 (only during office hours).

SYMBIOSIS CENTRE FOR NANOSCIENCE AND NANOTECHNOLOGY (SCNN):

Symbiosis Centre for Nanoscience and Nanotechnology has been recently established keeping in mind that Nanoscience and Nanotechnology will fundamentally transform science, technology, and society in the future. The Centre envisions promoting basic and applied research in the fields of Nanoscience and Nanotechnology, with potential applications towards fulfilling national strategic needs.

The main research focus of the Centre includes Synthesis advanced functional nano-materials, Fabrication of nano-micro devices, & Multidisciplinary applications in field of Energy, Environment and Biomedical. The objectives of the Centre include opportunities for international exchange of scientists and students, and make collaborative arrangements; to conduct seminars workshops / conferences/extension

lectures to promote Nanoscience & Nanotechnology; establish joint collaborative programs with the upcoming industries in the field of Nanotechnology and promote interdisciplinary/ multidisciplinary scientific research.

SYMBIOSIS CENTRE FOR STEM CELL RESEARCH (SCSCR):

The centre is unique, as it is the only research centre in Pune that will perform research exclusively on stem cells. Research in Experimental Hematology at a cellular and molecular level will be carried out with respect to aging of stem cells, microenvironment – mediated regulation of hematopoietic stem cells, leukemia/lymphoma biology, development of 3D cultures, mesenchymal stem cell biology with special focus on exosomes and micro-vesicles and signal transduction. Department of Biotechnology (DBT), Ministry of Science & Technology, Government of India has identified Stem Cell Research as one of the most exciting fields of life science in view of its potential clinical applications. With this understanding Symbiosis Centre for Stem Cell Research will serve in strengthening research in one of the targeted areas as identified by DBT's Medical Biotechnology programme.

SYMBIOSIS CENTRE FOR BEHAVIOURAL STUDIES (SCBS):

Keeping in mind that experimental research methods have a rich academic tradition both in psychology and marketing, Symbiosis Centre for Behavioural Studies has been established with aim to conduct experimental research in order to publish quality research papers in reputed journals. Its allied agenda of providing consultancy to organizations has also been kept in mind while marshaling the centre amongst industry and academia.

SYMBIOSIS CENTRE FOR WASTE RESOURCE MANAGEMENT (SCWRM):

Symbiosis International (Deemed University), Pune has established a centre called “Symbiosis Centre for Waste Resource Management (SCWRM)” with an objective to develop Centre of Excellence in Waste Management Practices to achieve Swachh Bharat mission by implementing the measures. The centre is currently conducting (i) awareness and training programmes for environmental sustainability and (ii) research in broad areas viz. (a) Biogas & Biocomposting; (b) Solid waste management and (c) waste water management. The centre also works towards developing academic curriculum for undergraduate and post graduate levels.

The centre is committed to advancement of knowledge in the field of sustainable waste management for the benefit of the society and environment at large. The Centre also has the capacity to develop insights in diverse sectors of industry, economy and society which will deal with the waste generation and its management. Furthermore, SCWRM will be committed to interdisciplinary approach to build awareness and seek to identify, analyze and implement key issues and challenges to waste management and sustainability involving all levels of stakeholder’s viz. Government, statutory bodies, policy makers, corporates, academia, research institutes, civil society and many others. Currently, the SCWRM has coordinated projects with Pune Municipal Corporation (PMC) on diverse aspects of municipal waste management viz. Environmental Impact Assessment (EIA) and efficiency of biogas plants in PMC region; training and awareness; etc. The centre has successfully implemented a DRDE funded project on “mobile toilets” during Kumbhamela in 2016 at Nashik. The centre has also initiated international collaborations with University College London to work on Health, education, environment and engineering (HEEE) in urban and rural areas in and around Pune.

SYMBIOSIS TEACHING LEARNING RESOURCE CENTRE (STLRC):

The Symbiosis Teaching Learning Resource Centre (STLRC) of the University is a department which works dedicatedly for the professional and personal development of the faculty members. Its aim is to act as catalyst to inspire and mentor the faculty in their roles as teachers, researchers and more so as educational parents.

STLRC strives to complement the academic mission of the University by improving the teaching effectiveness and enhancing research ability of the faculty. The prime agenda of the centre includes taking care of all the faculty development initiatives that advance educational excellence. The centre provides opportunities to faculty members to contribute innovatively in the field of training, which in turn gets reflected in their teaching and thus the students’ achievements.

The spectrum of programmes offered by STLRC includes workshops, seminars, focused group discussions, panel discussions and others. STLRC has a rich repository of resource people of both international and national repute in the chosen fields of study. Research, Innovations in Teaching - Learning, Integrity and the use of Technology remain the driving forces of STLRC, and attaining excellence is the ultimate goal.

Learning Resources:

Library:

Symbiosis International (Deemed University) is one of the country’s Premier University and an educational hub of 42 institutions spread over different campus, imparting quality higher education in different areas like Management, Information Technology, Bio-Medical science, Engineering, Liberal Art, Health science and legal education.

All these institutions are having their own library, serving and catering to the need of students, faculty members, as a creative and innovative partner for supporting teaching, learning, scholarship and research activities of the University.

With the changing scenario e- resources are emerging rapidly and these libraries are well equipped with the state of art facilities to adapt these new technologies. Along with this the collection in the form of books, journals / periodicals is increased and all the libraries are trying to fulfil the information need through these resources, to the entire Symbiosis community.

KOHA integrated library software – installed in all the constituents' libraries.

OPAC (Online Public Access Catalogue) consists of all the books (<http://symbiosis-koha.informindia.co.in>) and the same are accessible along with other reading material from any location.

SIU Central Library is housed in a newly constructed independent spacious state of art building with high quality amenities and facilities located at Lavale campus. The ambience of the building is beautiful with beautiful landscape around the building.

The pleasant environment and well-furnished area inspire the student to learn, conduct research and enhance their knowledge.

Central library has adapted the emerging new technologies for information retrieval.

SIU Central library subscribe number of online databases for faculty members, students and researchers. Some of them are EBSCO, Emerald, Scopus, Web of Science, Science Direct, SAGE Research Methods, Turnitin, JSTOR, Frost and Sullivan kluwer etc.

The Central Library is a member of the INFLIBNET Centre and has active part in submitting the research thesis to shodhganga and also member of DELNET.

Symbiosis International (Deemed University) Library total book collection above 394662. Central Library's excellent Book collection 44320 and P.HD Thesis 297. In Central Library we have 32 national and International Journals and 40 Magazines

Library have more than 66841 E-journals

Library have more than 251461 E-Books

The Library portal is to provide access to its e-resource for all. (<http://www.library.siu.edu.in/index.php>)

The university has started several unique initiatives run by different departments and support departments under the aegis of Symbiosis International University. The Symbiosis Teaching Learning Resource Centre (STLRC) for the purpose of addressing the teaching and learning requirements of its faculty, Symbiosis Centre for Research and Innovation (SCRI) for promoting research, Symbiosis Centre for Corporate Education (SCCE) for conduct of Corporate Education Programmes (CEPs) and Management Development Programmes (MDPs) exclusively for corporate organisations, Symbiosis Centre for Entrepreneurship and Innovation (SCEI) for promoting entrepreneurship and innovation, the Symbiosis Centre for Waste Resource Management (SCWRM) for promoting sustainability efforts and Symbiosis Community Outreach Programme and Extension (SCOPE) for driving community initiatives.

SUPPORT DEPARTMENTS

SYMBIOSIS CENTRE FOR HEALTH SKILLS (SCHS):

The border line is often blurred between the work of health professionals and service providers and the work of partners who are outside the health sector. Therefore, specialist health care and community services training helps to meet industry skills gaps and improve the lives of people in healthcare to make a difference.

Symbiosis Centre for Health Skills was established with the following objectives:

To provide high-tech simulated and virtually created hospital set-up for teaching and training & assessment for all health care professionals in clinical and related management skills (including communication skills).

To ensure delivery of high quality healthcare services to the community by providing highly competent and safe practitioners trained and tested by simulation techniques.

To offer academic programmes on Health Skill already launched

Academics programmes are launched in Health Skills

SYMBIOSIS CENTRE FOR INTERNATIONAL EDUCATION (SCIE):

The Symbiosis Centre for International Education (SCIE) is an integral part of the University, providing leadership and support to internationalize the campus and the curricula. International students from over 85 countries pursue their undergraduate and postgraduate studies at Symbiosis. Students and faculty are provided with opportunities to pursue their international academic interests to the fullest, be it through academic exchanges, or exposure to international conferences, seminars, workshops and other resources.

Internationalization at Symbiosis works on multiple tracks, for which the Symbiosis Centre for International Education has three departments:

- International Student Admissions & Student Events
- International Initiatives and Collaborations
- International Promotions and International Student Relations

INTERNATIONAL STUDENT ADMISSIONS & STUDENT EVENTS

INTERNATIONAL STUDENTS' ADMISSIONS:

Admissions of international students are centralized for all the constituent institutes of Symbiosis International (Deemed University) and routed through the SCIE. The procedure for applying for admissions at SCIE is designed taking into consideration the requirements online admission procedure has made it accessible to each and every student to apply from different parts of the world and in the comfort of their homes. The student needs to come to India only when the applicant is shortlisted for a particular program chosen by the student. Software has been tailor-made to suit the admission procedure. The admission procedure is checking of important documents to be submitted through the system of online admissions, students are also able to make all their payments online and check the admission status online.

International Student Events:

Apart from all admission related activities, SCIE organizes a variety of activities where international students of Pune city are able to meet on a common platform and display their many talents. As a part of enriching students' international experience, SCIE organizes the International Food Festival, the Flag Hoisting Ceremony, NGO visits, Blood Donation Camps, Tree Plantation ceremonies, Iftar Party, Christmas Party, Diwali Party, Dance Competitions and Sports activities like football tournaments and many more.

SCIE also organizes the International Students' Convocation Ceremony. The convocation ceremony is an important landmark in a student's life. It is normally organized by universities in India during the month of December. But since most foreign students have already left India by this time, they are deprived of dream of walking down the aisle with a robe and cap by organizing the International Students Convocation Ceremony.

SCIE is assisted in such activities by the International Students' Council. The International Students' Council is an elected body for the smooth functioning of the activities and events of international students.

SIU students at UK & France

International Initiatives and Collaborations

At Symbiosis International (Deemed University), our every endeavor is to look at ways to promote international understanding through quality education. The university believes that internationalisation imparts broadened knowledge and understanding of other nations, cultures, and global issues for students, strengthens research and knowledge production, the diversify of faculty and staff assists in bringing innovative pedagogies and enhances the teaching learning process. To achieve these objections the university has international collaborations across the globe and framed policies for encouraging student and faculty mobility and designed programs for increasing and ensuring sustainability. The International Initiatives and Collaborations department of SCIE strives towards promoting internationalisation by facilitating student and faculty mobility, through different programs like Global Immersion Programme, Study Abroad programs, Long Term Engagement of Faculty, Scholar-in-Residence, International guest lectures, International conferences on varying topics related to Internationalisation of Higher Educati

on initiating joint research with Foreign Universities. The University has collaborations with Universities in France, Germany, UK, USA, Canada, Japan, Singapore, Australia, Spain, Portugal, Taiwan, South Korea.

Student Programmes:

Outgoing students:

- **Global Immersion Programme:** Under this initiative, students from SIU get an opportunity to experience semester abroad/semester exchange programs, at Partner Universities across the world. The university accepts the credits earned by students who undertake these programmes.
- **Summer schools:** The SIU students attend summer schools, which usually last for two to four weeks. Attending summer schools gives them an opportunity of experiencing a different culture

and interacting with students from different nationalities. Students from Symbiosis attended summer schools at Universities from Singapore, Germany, France, UK, Canada, Netherlands and Switzerland.

SIU students at Germany

- **Winter schools:** SIU students attended the winter schools, which usually last for 10 days. The students attend winter schools in countries like France & Germany.
- **Internships:** Symbiosis also provides internships to foreign students ranging from 4 – 6 weeks. In today's globalized world, this gives international students opportunities to work in a multi-cultural environment.

Incoming students:

- **Semester exchange:** Symbiosis receives students from partner universities for a semester at any of its institutes and transfers the credits earned by these students. The students have the flexibility to choose courses across disciplines. Apart from this, students from different Universities also participate in the summer programs, which are short- term programs specific to a certain subject.

- **Summer programs:** SCIE conducts summer programs for the foreign students. These programs vary from 4 to 6 weeks, where students are given academic lectures along with the practical experience in terms of conducting small projects. The students also get credits for their work.
- **The Engage India program:** has been designed for students to participate in community engagement activities, where they can choose from financial literacy, digital Literacy and field visits in rural areas and contribute towards community learning. The students undertake academic sessions along with experiential learning activities.

- **Study India Programme:** SCIE offers 2 to 4 weeks customized program imparting international students and NRI/PIO children an unparalleled opportunity to experience a combination of academics with practical implications and diverse cultural activities.

Some of the activities undertaken under this concept are Academic sessions, workshops, Cultural Heritage walks, outbound trips, visits to NGO's, industrial visits, performing arts, Health Modules and followed by the students' presentations to understand about their experience and also about their culture. This year SCIE received students from Germany, Canada, Japan, Singapore and Australia.

Incoming students for semester exchange

Students from Australia at SIU

Students from Japan at SIU

Students from Japan at SIU

Students from Germany at SIU

Faculty Programs:

Scholar-In-Residence: This program was developed to share best academic practices, developing in house global competencies and international links. Through this program international faculty is encouraged to visit Symbiosis on short/ long term engagement. The main activities envisaged are to conduct guest lecturers / workshops / Symposia, teaching, reviewing and internationalizing the curriculum, conducting faculty development programs / seminar, conceptualizing, contributing and editing research journals, joint paper presentations in international conferences.

Professor from Technische Hochschule Nurnberg (Georg Simon Ohm University of Applied Sciences) visited SIU

Distinguished Visiting Professor: This is an initiative taken to attract distinguished academicians/personalities to Symbiosis International (Deemed University) for short term period to teach courses in their area of expertise, conducting special course / expert workshops, developing grant projects.

Professor from University of Toronto visited SIU

Faculty Exchange: SIU is actively involved in sending Faculty to foreign Universities on short term. This encourages the faculty to get an opportunity to teach at international partners. The faculty gets an opportunity to learn new methods of teaching, conducting joint research with faculty having similar research interests and imparting knowledge to the international students while focusing on the Indian or comparative perspectives.

SIU Faculty visited to Taiwan

Lecture Series: SCIE organizes lectures by eminent faculties of International repute at different institutes of Symbiosis.

INTERNATIONAL PROMOTIONS AND INTERNATIONAL STUDENT RELATIONS:

International Promotions: This department has the dual goal of ensuring student comfort while at Symbiosis International (Deemed University) and also communicating with foreign students in their home countries. SCIE has undertaken the exercise of planning promotional campaigns in Africa and Asia. This includes participating in Educational Exhibitions / fairs and also visiting schools and educational counsellors.

International Student Relations: Understanding the academic and social, this department will focus totally on assisting foreign students to adapt to their new home. The students are encouraged to contact this department when faced with problems – academic, administrative, and even issues that are not directly related to the University, such as dealing with formalities

We have “buddy” system, which refers to the practice of assigning a mentor to each international student. The “buddy” will be a domestic Indian student, who is familiar with the city of Pune. The “buddy” will be encouraged to help the student overcome challenges big and small – that are related to the institute and the University, as well as everyday problems related to settling down in India.

The department will conduct periodic meetings with international students in their individual institutes. The informal meetings are aimed at providing an opportunity to the students to share their experiences, both good and bad, giving an opportunity to solve these by initiating changes either in policy or regular activities.

FOREIGNERS' REGISTRATION

Every foreigner coming to India must have a valid Passport and Visa to enter and to continue his /her stay in India.

The foreigner should always carry identification documents, namely:

Passport with an endorsed visa

Certificate of Residence issued by the concerned Police Station

Residential Permit issued by FRRO/FRO

The foreigner is under obligation to produce the above documents to any Police Officer on demand for inspection.

Foreigners entering India on a long term visa i.e. for a period more than 180 days, on a Student Visa, Employment Visa, Research Visa, Medical Visa and Missionary Visa are required to get themselves registered within 14 days of their arrival with the concerned FRRO/FRO. Students arriving on short term Provisional Student Visa (Valid for 180 days or less) must also register and confirm their admission within the stipulated visa period to avoid deportation.

Upon confirmation of admissions, the students on short term Provisional Student Visa should approach the concerned FRRO/FRO for registration and extension.

The above rules will not be applicable to Pakistani, Bangladeshi and Afghani nationals.

- Pakistani Nationals must report within 24 hours of their arrival
- Afghan Nationals must report within 7 days of their arrival
- Bangladesh Nationals on Student Visa must report within 7 days of their arrival, and within 24 hours of their arrival for other visas

For more details please visit:

SYMBIOSIS CENTRE FOR MEDICAL IMAGE ANALYSIS (SCMIA)

In recent years there has been an increased thrust to understand and quantify the complex information conveyed by medical images. Developing modern computational techniques that offer the potential for extracting diverse and complex information from imaging data and applying these to a plethora of clinical studies is crucial. These techniques not only support precise quantification but also overcome the limitations of subjective visual interpretation. Furthermore, these methods can facilitate finding specific markers that relate to pathologies as well as aid in treatment planning. Building on this background, the objectives of this center are as follows: (1) development of novel computer-based image analysis methods and their application to a wide variety of clinical research studies (2) Translating the techniques to the clinic thereby aiding early diagnosis and understanding of the underlying pathology.

Currently, the center focuses on neuroimaging (MRI) and breast imaging (ultrasound). Image analysis methodologies include volumetric analysis, diffusion MRI processing and analysis, structural and functional connectomics, statistical learning in imaging, radiomics, population based analysis and deep neural networks for image classification. In future, the center plans to diversify research to image analysis of various organs and include multiple modalities in imaging.

Symbiosis Centre for Emotional Wellbeing comprises of a team of qualified mental health professionals. Every campus has a psychological counsellor that a student can reach out to if in need of any psychological or emotional help or support.

SCEW provides the students with a safe and confidential space where they can come and share their problems without the fear of being judged.

During the students' academic tenure with Symbiosis, SCEW will be conducting a series of lectures or workshop to help develop their Emotional resilience in order to prepare them to face the challenges in Society and help them become successful individuals.

Admission Process for Indian Students:

Candidates aspiring to join MBA / MSc programmes offered by institutes of Symbiosis International (Deemed University) [SIU] have to appear for the common, mandatory Symbiosis National Aptitude (SNAP) Computer Based Test (CBT) 2019. A candidate needs to register for SNAP Test & also register for the Institutes offering her/his choice of programmes by paying separate registration fees for each programme. If shortlisted, s/he would then need to attend the further admission (GE-PIWAT) process conducted by each of these Institutes individually.

The registration process for SNAP and Institutes is integrated. Aspirants can complete the SNAP as well as programme registrations in the same portal (snaptest.org)

The Institutes and Programmes for which SNAP test is mandatory.

Sr.	Name of the Institute	Programmes
1	Symbiosis Institute of Business Management (SIBM, Pune)	MBA MBA (Innovation and Entrepreneurship)
2	Symbiosis Institute of Computer Studies & Research (SICSR, Pune)	MBA (Information Technology) Master of Business Administration (Digital Transformation)
3	Symbiosis Centre for Management and Human Resource Development (SCMHRD, Pune)	MBA MBA (Infrastructure Development and Management) MBA (Business Analytics)
4	Symbiosis Institute of International Business (SIIB, Pune)	MBA (International Business) MBA (Agri Business) MBA (Energy and Environment)
5	Symbiosis Institute of Digital and Telecom Management (SIDTM) (Formerly Symbiosis Institute of Telecom Management)	MBA (Digital and Telecom Management)
6	Symbiosis Institute of Management Studies (SIMS, Pune)	MBA
7	Symbiosis Institute of Media and Communication, Pune (SIMC, Pune)	MBA (Communication Management)
8	Symbiosis Institute of Operations Management, Nashik (SIOM, Nashik)	MBA (Operations Management) MBA (Agri Operations Management)
9	Symbiosis Centre for Information Technology (SCIT, Pune)	MBA (Information Technology Business Management) MBA (Data Science and Data Analytics)
10	Symbiosis Institute of Health Sciences (SIHS, Pune)	MBA (Hospital and Healthcare Management)
11	Symbiosis Institute of Business Management, Bengaluru (SIBM, Bengaluru)	MBA MBA (Quantitative Finance) MBA (Business Analytics)
12	Symbiosis School of Banking and Finance (SSBF, Pune) (Formerly Symbiosis School of Banking Management)	MBA (Banking and Finance)
13	Symbiosis Institute of Business Management, Hyderabad (SIBM, Hyderabad)	MBA
14	Symbiosis School of Sports Sciences (SSSS, Pune)	MBA (Sports Management)
15	Symbiosis Institute of Business Management, Nagpur (SIBM, Nagpur)	MBA MBA (Food & Agri - Business Management)

The Institutes and Programmes for which SNAP test is not mandatory

Sr.	Name of the Institute	Name of the Programmes
1	Symbiosis Law School (SLS-Pune)	LL.M.
2	Symbiosis Law School (SLS-NOIDA)	LL.M.
3	Symbiosis Law School (SLS-Nagpur)	LL.M.
4	Symbiosis Law School (SLS-Hyderabad)	LL.M.
5	Symbiosis Institute of Health Sciences (SIHS)	M.Sc. (Medical Technology)
		MPH
		M.Sc. (Nutrition & Dietetics)
6	Symbiosis College of Nursing (SCON)	M.Sc. (Nursing)
7	Symbiosis School of Biological Sciences (SSBS)	M.Sc. (Biotechnology)
8	Symbiosis Institute of Media & Communication, Pune (SIMC-Pune)	M.A. (Mass Communication)
9	Symbiosis School of Economics (SSE)	M.Sc. (Economics)
10	Symbiosis Institute of Technology (SIT)	M.Tech. (CAD & AM)
		M.Tech. (E & TCE)
		M.Tech. (CSE)
		M.Tech.(G&ST)
11	Symbiosis School of International Studies (SSIS)	M.A. (IS)
12	Symbiosis Institute of Geoinformatics (SIG)	M.Sc. (Geo-informatics)
		M.Sc. (Data Science & Spatial Analytics)
13	Symbiosis Statistical Institute (SSI)	M.Sc (Applied Statistics)
14	Symbiosis Institute of Computer Studies & Research (SICSR, Pune)	M.Sc. (Computer Applications)

Candidate aspiring to do higher studies at Symbiosis International (Deemed University) needs to do the following.

SNAP Test 2021 will be conducted on three different dates. Please note these dates and the respective test timings carefully:

Dates of SNAP Test 2021	Time
19 December 2021 (Sunday)	1400 hours – 1500 hours
08 January 2022 (Saturday)	1000 hours – 1100 hours
16 January 2022 (Sunday)	1000 hours – 1100 hours

A candidate can appear for a maximum of two tests for SNAP 2021. If a candidate appears for two tests, the higher score will be considered for final percentile calculation and there will be no normalization. A rigorous process that has been statistically tested will be administered to ensure that unique types of questions are framed under a specific topic across the question papers. Normal spread will ensure that there is no unfair advantage to candidates who opt for any specific test / multiple tests. This will ensure normalisation of the spread of questions across sections. Furthermore, the question papers will be normalised for level of difficulty across all three sets. No correspondence regarding this will be entertained.

SNAP Test registration process

1. Register online on the website snaptest.org (from August 31 to 27 November 2021).

Note: Any Changes in the online application form (except name, date of birth, category and test city preferences) will be entertained only up to the closing date of Registration i.e. November 27, 2021. No changes shall be permitted after closing date under any circumstances.

2. Upload your latest scanned colour passport size photo at the time of online registration for SNAP Test. (Your photograph should not be more than three months old)
3. Ensure that the information you have filled is accurate.

***No changes in name, date of birth, category and test city requests will be entertained once candidate completes his/her SNAP Online Test 2021 payment.**

Modes of payment for SNAP test

The candidate may pay through

- i) Billdesk Payment Gateway
- ii) Easebuzz Payment Gateway
- iii) Indian Bank Payment Gateway
- iv) Demand Draft.

Pay the SNAP Test registration fee of INR1950/- per test from August 31, 2021 to November 27, 2021 as per the instructions mentioned on the website for Payment of SNAP Test registration fee.

NOTE - SNAP Test registration fee and programme registration fee of the Institute is nonrefundable and non-transferable.

4. PAYMENT THROUGH DEMAND DRAFT:

Submit a Demand Draft (DD) of INR 1950/- per test from any Nationalized Bank in favour of “**Symbiosis Test Secretariat**” payable at Pune.

Choose the mode of Payment as ‘DD Payment’ in “Make Payment” Tab. Take a print of the payment advice form, fill in the DD Details, sign and send it along with the DD to the Symbiosis Test Secretariat only at,

Symbiosis Test Secretariat

Symbiosis International University

Gram: Lavale, Tal: Mulshi, Dist.: Pune – 412115

Phone: 020-61936226/7

The Symbiosis Test Secretariat (STS) will authenticate the details of Demand Draft and will send you an email confirming the payment. Only after the realisation of payment, would you be able to view your Admit Card.

NOTE: SNAP Test fee and programme registration fee of the Institute is nonrefundable and non-transferable.

Note:

1. Please note that Symbiosis Test Secretariat will not be responsible for non delivery on any delay on the part of courier / postal services.

Demand Draft(s) should reach the Symbiosis Test Secretariat by 5:00 pm on November 27, 2021. Demand Drafts reaching after this will not be considered and will be returned to the respective candidates.

2. It is also mandatory to pay the registration fee of the desired programme(s) before the closing date of programme registration fee payment of that/those programme(s). The said fee must be paid through the SNAP website only (snaptest.org).
3. For disputes between a candidate and the STS, the candidate should first send an email to registrar@siu.edu.in with details about her/his grievance. If the candidate is not satisfied with the decision of the Registrar, s/he can appeal to the Ombudsman of the University. Information regarding the same is available on <https://siu.edu.in/student-affairs.php>. All dispute between the candidate and STS in this regard are subject to the legal jurisdiction of Pune.

4. Any attempt to impersonate or indulge in any malpractice, identified at any stage of the admission process would disqualify the candidate from the admission processes to all PG programmes of Symbiosis International (Deemed University) and may also lead to appropriate legal action as deemed fit.
5. SNAP Test 2021 Score will be valid only for admission to select programmes of SIU for the academic year 2022-23. Admissions to the select programmes at SIU are strictly based on merit, assessment of individual performance in SNAP and other processes prescribed by the University. (Note – SNAP Result will be declared on February 01, 2022 on snaptest.org and will be available till March 02, 2022).

Cities where SNAP Test 2021 will be conducted

SNAP Test 2021 will be conducted in 94 cities all over India.

1	Agra	33	Gangtok - Bardang	65	Mumbai
2	Ahmedabad	34	Guntur	66	Mysuru
3	Ajmer	35	Guwahati	67	Nagpur
4	Aligarh	36	Gwalior	68	Nashik
5	Ambala	37	Hisar	69	Navi Mumbai
6	Amravati	38	Hooghly	70	Palghar
7	Amritsar	39	Howrah	71	Panipat
8	Anand	40	Hubballi	72	Panjim - Mapusa
9	Asansol	41	Hyderabad	73	Patiala
10	Aurangabad	42	Indore	74	Patna
11	Bareilly	43	Jabalpur	75	Portblair
12	Belagavi (Belgaum)	44	Jaipur	76	Prayagraj
13	Bengaluru	45	Jalandhar	77	Pune

22	Dehradun	54	Kolkata	86	Surat
23	Delhi	55	Kota	87	Thane-Kalyan-Dombivli
24	Gurugram	56	Kottayam	88	Thiruvananthapuram
25	Faridabad	57	Kozhikode	89	Thrissur
26	Ghaziabad	58	Kurnool	90	Udaipur
27	Greater Noida	59	Lucknow	91	Vadodara
28	Noida	60	Ludhiana	92	Varanasi
29	Dhanbad	61	Madurai	93	Vijayawada
30	Dibrugarh	62	Mangaluru(Mangalore)	94	Visakhapatnam
31	Ernakulam - Kochi	63	Meerut		
32	Gandhinagar	64	Moradabad		

Note – No request for a change of test date or test city will be entertained once a candidate has paid the SNAP Test registration fee. Test City and Test Date are allocated on a first come first serve basis. The earlier you pay, the higher are your chances to obtain a test date and test city of your choice. The Test Centre and its address will be printed on the Admit Card. (The Admit Card will be live on SNAP website snaptest.org from 04 December 2021 till the test date).

The Test Centre and its address will be printed on the Admit Card. (The Admit Card will be live on SNAP website snaptest.org from 04 December 2021 till the test date). STS reserves the right to change or allot a city other than the one requested by the candidate in the event of the requested city not being available for any reason.

While all efforts will be made to ensure that a candidate gets a test city as per her/his preferences, however, in some exceptional circumstances, a different test city in nearby area may be allotted. Computer based testing is a proven and reliable process that is administered to tens of millions of people each year. As with paper and pencil testing, or virtually every other human endeavour, a very small number of problems could occur that might prevent a test from being delivered and/or a result from being generated. In the unlikely event this does occur, every effort will be made to correct the problem, up to and including the administration of another test.

Procedure of Programme Payment

A candidate desirous to submit his candidature to select PG programmes, is also required to complete the payment process of desired programme before the closing date of payment of the same. Payment towards the programmes must be made through the SNAP website only (snaptest.org). After making the payment for SNAP Entrance Test, proceed to complete the online registration form (Part II) for Programme (s) registration and the respective institute(s). A candidate is required to make separate non-refundable payment of Rs.1000/- per programme per institute at this stage.

If candidates want to pay programme payment through Demand Draft, make Demand Draft of Rs. 1000/- (per programme)

Note: - Institute programme payment is non-refundable.

Sr.	Name of the Institute	Programmes
1	Symbiosis Institute of Business Management (SIBM, Pune)	MBA
		MBA (Innovation and Entrepreneurship)
		MBA (Leadership and Strategy)

		MBA (Food & Agri - Business Management)

Note:

Even after the closing date of SNAP test registration fee payment, a candidate may still pay the programme(s) registration fee through SNAP website till the closing date of the same.

An Institute may offer more than one programme. A candidate should ensure that the preferred programme(s) is / are selected and the programme registration fee is paid for before the closing date.

Different programmes may have different closing date for programme registration fee payment. A candidate should visit the website of the concerned Institute(s) to check the same.

An NRI candidate (graduated from a recognised university in India) after having applied for SNAP 2019 has the option of consideration of his candidature as national student or under NRI category. In case a NRI candidate chooses to apply under NRI category, he will have to further register and apply through Symbiosis Center for International Education. For more information, please visit www.scie.ac.in

Important: OCI/ PIO/ Foreign National/ NRI candidates (having passed graduation from a recognised foreign university) are exempted from appearing for SNAP and have to apply through Symbiosis Center for International Education (www.scie.ac.in).

Any attempt to impersonate or indulge in any malpractice, identified at any stage of the admission process would disqualify the candidate from the admission processes to all MBA programmes of Symbiosis International (Deemed University) and may also lead to appropriate legal action as deemed fit.

Reservation Policy of SIU

Reservation Policy

Following will be the reservation policy for admission to any programme (offered by any Institute) of SIU (except Symbiosis Institute of Management Studies, which has a separate policy#)

a. Within Sanctioned Intake

1] Scheduled Castes Candidates: (15% of seats within the sanctioned intake)

The University has provided for reservation to the extent of 15 % for all its academic programmes to Scheduled Castes Candidates, as defined under Article 341 of the Constitution.

2] Scheduled Tribes Candidates: (7.5% of seats within the sanctioned intake)

The University has provided for reservation to the extent of 7.5 % for all its academic programmes to Scheduled Tribes Candidates, as defined under Article 342 of the Constitution.

3] Differently Abled Candidates: (3% of seats within the sanctioned intake)

In compliance to the Government directives on Disability Guidelines issued by the Office of the Chief Commissioner for persons with disabilities vide Ministry of Social Justice and Empowerment, New Delhi notification no. 16-18/97 on 1st June 2001, The Rights of Persons with Disabilities Act, 2016 dated 27th December 2016 and University Grants Commission Notification No. F.6-1/2006 (CPP-II/SCT) dated 30/09/2009, the University has made provision of reserving 3% seats for Differently Abled Category (DAC) candidates in all its Constituents.

The types of disabilities covered are: -

- (i) Vision Impairment
- (ii) Hearing Impairment
- (iii) Locomotors Disabilities
- (iv) Mental Retardation
- (v) Multiple Disabilities
- (vi) Dyslexia

4] Children/ Wards of Defence personnel / Defence Special Category:

Children / Wards of Defence personnel means children/ wards of those Defence Personnel who are serving / retired Defence personnel from Army, Navy, Air Force. Retired Defence personnel are those who fall in the category of ex-servicemen as laid down in Ministry of Defence letter no. 36035/5/85- Est (SCT) dated 14 April 1987. It also includes children of Defence personnel, who died while in service or after retirement

The University in terms of the provisions of Memorandum of Association (MoA) between Symbiosis and Ministry of Defence, Govt. of India dated 10th July, 2000 provides for reservations up to the extent of 90% for Master of Business Administration programme of Symbiosis Institute of Management Studies (SIMS), comprising of 80 % for Children/ Wards of Defence personnel and 10 % for Special Defence Category. The University also provides 5 % reservation within the sanctioned intake for Children/ Wards of Defence Personnel in Constituents as listed below:-

- (i) Master of Business Administration (International Business) programme conducted by Symbiosis Institute of International Business (SIIB), Pune
- (ii) Master of Business Administration (Digital and Telecom Management) programme conducted by Symbiosis Institute of Digital & Telecom Management (SIDTM), Pune
- (iii) Master of Business Administration (Information Technology Business Management) programme conducted by Symbiosis Centre for Information Technology (SCIT), Pune
- (iv) Master of Business Administration (Information Technology) programme conducted by Symbiosis Institute of Computer Studies & Research (SICSR), Pune

Note: A candidate who is interested to apply under the category "Children/ Wards of Defence Personnel" for any of the abovementioned programmes, should select the category "Children/ Wards of Defence Personnel" for each programme separately.

5] Domiciled: (25% of seats within the sanctioned intake- Only in case of Constituents at Off-Campus center, Nagpur)

In accordance with Clause A of Schedule C of the Lease Deed signed between Nagpur Municipal Corporation, Nagpur and Symbiosis, Pune on 4th September, 2017, the University has reserved 25% seats against the approved intake in each programme offered at the Off-campus Centre of the University at Nagpur for Nagpur Domiciled candidates.

The definition for Nagpur Domicile is:

The meaning of 'Nagpur Domiciled' candidate, for admission to the above-mentioned Institute only, is a person, who is domiciled in Nagpur for a period of five years as on the date of commencement of the academic year, and who has graduated from or is appearing for the qualifying examination of Nagpur University before admission to the programme. For more information visit Institute website (www.sibmnagpur.edu.in).

*** The definition for Defence Personnel is:**

The term Defence Personnel would mean only those serving / retired Defence personnel from Army, Navy, Air Force. Retired defence personnel are those who fall in the category of ex-servicemen as laid down in Ministry of Defence letter no 36035/5/85- Estt (SCT) dated 14 April 1987. It includes defence personnel who died while in service or after retirement.

Note - A candidate who is interested to apply under the category "Children / Wards of Defence Personnel" for any of the above-mentioned programme(s), should select the category "Children / Wards of Defence Personnel" for each programme separately.

b. SUPERNUMERARY QUOTA (Over and above the sanctioned intake)

In addition to the above reservations, the University also admits candidates under Supernumerary Quota, as follows: -

- (1) Kashmiri Migrants and Kashmiri Pandits/ Kashmiri Hindu Families (Non-Migrants) living in Kashmir valley: 02 (two) seats per programme.
- (2) International candidates: 20% of the approved sanctioned intake [International candidates includes viz. Foreign National (FN), Persons of Indian Origin (PIO), Overseas Citizen of India (OCI) & Non-Resident Indian (NRI)].

The percentage of reservations and the existence of the categories in the reservations are subjected to vary from time to time.

A candidate applying under any of the reserved category (Scheduled Caste / Scheduled Tribes / Differently Abled / Kashmiri Migrants & Kashmiri Pandits / Kashmiri Hindu Families (Non- Migrants) living in Kashmiri Valley) are mandatorily required to submit relevant document issued by competent authority. Any participation at any stage of admission process by such candidate is purely provisional and will always be subject to verification and authentication of such relevant document.

In case a candidate falls under more than one of the above categories (eg. Scheduled Caste as well as Differently Abled or any other combination), he would need to select any one Category (i.e. either Scheduled Caste OR Differently Abled in the case of example mentioned above) at the time of filling up the SNAP registration form. The category selected by the candidate at the time of filling the registration form will be considered to be her/his category for the entire admission process and her/his benefits and entitlements shall be according to such selected category. S/he will not be able to claim benefit under the other category/ies at any stage of admission on any account whatsoever.

A candidate belonging to any reserved category should note the eligibility requirements carefully before applying. While it is the endeavour of SIU that a candidate belonging to SC/ST/DA category joins a programme as per the SIU norms, s/he has to meet the minimum eligibility criteria. A certain minimum level of performance

in SNAP test is required to be considered for the subsequent admission process.

Please also note that if any information provided by the candidate in respect of her/his category is found to be incorrect, the University shall have right to cancel the candidature of the candidate at any stage of the admission process. Instances of any incorrect information or process violation detected at any stage of the selection process will lead to immediate disqualification of the candidate from the selection process and he/she will not be allowed to appear for SNAP in the future. If such instances go undetected during the current selection process but are detected in subsequent years, such disqualification will take place with retrospective effect.

*** Differently Abled Category (DAC) at SIU**

In compliance to Government directives on disability guidelines issued by the office of the Chief Commissioner for Persons with Disabilities vide Ministry of Social Justice & Empowerment, New Delhi notification no. 16-18/97 dated 01st June 2001 and University Grants Commission Notification No. F.6-1/2006 (CPP-II/SCT) dated 30/09/2009, SIU has made provision of reserving 3% seats for Differently Abled Category (DAC) candidates in all the programmes offered by all the Institutes of SIU.

The types of disabilities covered are:-

- | | |
|----------------------------|-----------------------|
| a) Vision Impairment | b) Hearing Impairment |
| c) Locomotors Disabilities | d) Mental Retardation |
| e) Multiple Disabilities | f) Dyslexia |

A candidate claiming admission under DAC will be provisionally admitted under the said category. Thereafter, the candidate will be required to obtain an **'Authentication Certificate'**. The candidate will have to get the disability certificate authenticated by **Medical Board of Symbiosis University Hospital and Research Centre (SUHRC)**. Once the certificate is found authentic and correct by the Medical Board, SUHRC, his/her eligibility will be certified under the DA category.

*Differently Abled (DA) candidate means a candidate having any of the disabilities in accordance with the Persons with Disabilities Act – 1995 and as per revised Gazette of India Registered no: DL – (N)04/0007/2003-16 dated December 28,2016. The candidate will have to get the disability certificate authenticated by **Medical Board of Symbiosis University Hospital and Research Centre (SUHRC)**. Once the certificate is found authentic and correct by the Medical Board, SUHRC, his/her eligibility will be certified under the DA category. Process to be followed for Differently Abled Candidates (DAC):

A Differently Abled category candidate is requested to upload his/her Medical Certificate issued by a competent authority at the time of registration for ascertaining percentage of the disability. The candidate failing to do this will be considered under the Open Category.

Note – If a candidate selects Differently Abled Category in the Registration form and s/he requires scribe/writer facility please note SIU will not be providing scribe/writer. The candidate has to make her/his own arrangement for scribe/writer. The qualification of scribe/writer should be maximum Class XII passed. Candidate should send the request to info@snaptest.org in case scribe/writer is required.

During the test, as per SIU Examination norms, a Differently Abled Candidate is provided with 20 minutes of compensatory time for every 60 minutes of test.

For Symbiosis Institute of Management Studies (SIMS): As per MoU with Ministry of Defence clause no. 13 sub clause (d) **The term Defence Personnel would mean only those serving / retired Defence Personnel from the Army, Navy and Air Force who fall in the category of ex-serviceman as laid down vide Ministry of Defence Letter no. 36034/5/85 -Estt (SCT) dated 14th April, 1987.**

Reservation of Seats within the intake is:

- **Defence Category- General:** 80% seats for dependents (Children / Ward / Spouse) of Defence personnel. (as per merit)
- **Defence category- Special:** 10% seats for dependents (Children / Ward / Spouse) of Defence personnel a) killed in action (war, counter insurgency or war like operation), or b) disabled in action (war, counter insurgency or war like operation), with more than 50% disability, or c) who have died while in service, death being attributable to military service. (as per merit)
- **Open/Industry Category:** 10% seats are in open category to civilian candidates under open or sponsored / recommended by the Industry (as per merit).

Reservation of Seats over and above intake:

Officers of Armed Forces on Study Leave as authorised by respective Services HQs are granted automatic admission subject to meeting eligibility criteria.

The students must have studied Mathematics/ Statistics during Standard XII.</p> <p>Candidates appearing for final year examinations can also apply, but their admission will be subject to obtaining a minimum of 50% marks or equivalent grade in the qualifying examination.</p> <p>A candidate who has completed qualifying qualification from any Foreign University must obtain an equivalence certificate from Association of Indian Universities (AIU).</p>

Disclaimer

The candidate is advised to check the eligibility criteria for the desired programme(s). SIU / STS / Institute will not be responsible, if the candidate applies for programme(s) for which s/he is not eligible.

SNAP Test 2021 Structure

Nature of Question Paper / Topics and Marks Allotted

Section	Questions	Marks Per Correct Answer	Total Marks
General English: Reading Comprehension, Verbal Reasoning, Verbal Ability	15	1	15
Analytical & Logical Reasoning	25	1	25
Quantitative, Data Interpretation & Data Sufficiency	20	1	20
Total	60		60

- ✓ Please note that the SNAP Test 2021 will be a computer-based test.
- ✓ SNAP Test duration is of 60 minutes.
- ✓ Date: 19 December 2021; Time: 14.00 hours – 15.00 hours
- ✓ Date: 08 January 2022; Time: 10.00 hours – 11.00 hours
- ✓ Date: 16 January 2022; Time: 10.00 hours – 11.00 hours
- ✓ SNAP Test is an objective test. Each question has four responses Candidate should choose an appropriate response.
- ✓ Each wrong answer attracts 25% negative marks.
- ✓ **A candidate can appear for a maximum of two tests for SNAP 2021. If a candidate appears for two tests, the higher score will be considered for final percentile calculation and there will be no normalization. A rigorous process that has been statistically tested will be administered to ensure that unique types of questions are framed under a specific topic across the question papers. Normal spread will ensure that there is no unfair advantage to candidates who opt for any specific test / multiple tests. This will ensure normalisation of the spread of questions across sections. Furthermore, the question papers will be normalised for level of difficulty across all three sets. No correspondence regarding this will be entertained.**
- ✓ Any malpractice / use of unfair means will lead to your disqualification from the admission process of SIU. Instances of any incorrect information or process violation detected at any stage of the selection process will lead to immediate disqualification of the candidate from the selection process and he/she will not be allowed to appear for SNAP in the future. If such instances go undetected during the current selection process but are detected in subsequent years, such disqualification will take place with retrospective effect.

Important Instructions regarding Admit Card

1. **SNAP Test** Admit Card should be printed from the SNAP website [snaptest.org] Admit Card will be available from 04, December 2021 (Saturday).
 2. Please ensure that your latest passport size, colour photograph is pasted on the Admit Card at the place provided for before appearing for the test (Your photograph should not be more than three months old)
 3. Admit Card along with Photo Identity proof should be carried to the Test Centre at the time of the test. An acceptable photo identity is any one of the following:
 - Passport.
 - Driving license.
 - Voter ID Card.

- Pan Card
 - AADHAR Card (UID)
4. **An authorized person will verify and authenticate your Admit Card against the photo-ID on the day of the test. Please preserve this authenticated Admit Card for further admission processes (GE-PIWAT).**
 5. The candidate should note that an authenticated Admit Card is an important document without which the s/he will not be permitted to appear for further selection processes of SIU. **If the Authenticated Admit card is lost, a duplicate Admit Card will not be issued.** It should be retained till the admission process is over.
 6. **A request for a change of the test city will NOT be entertained once a candidate has paid SNAP Test registration fee.**
 7. The candidate is advised to locate allocated test center at least a day in advance to avoid any issue on the day of the test.
 8. Travel and staying (if applicable) arrangements will need to be done by the candidate.

Important guidelines regarding SNAP Test 2021

1. The candidate is required to report at the Test Centre 2 hours prior to the start of the test to undergo, admit card and ID proof verification.
2. Candidate will not be allowed to enter the test centre premises after start of the test.
3. Duration of the test is 60 minutes. (excluding Differently Abled candidates compensatory time is 20 minutes per hour.)
4. Cell phones, calculators, watch calculators, alarm clocks, digital watches with built in calculators / memory or any electronics gadgets will not be allowed in the test hall.
5. The Test Invigilator will check your Admit Card and ID proof and authenticate the same.
6. Duration of the test is 60 minutes. The candidate may attempt any section in any order.
7. Candidates has to seated in test hall for the entire duration of the test.
8. **The candidate found using any unfair means will forfeit her/his chance of being considered for admission and will be debarred from receiving SNAP Test scores.**
9. The scores published by the STS shall be final and shall not be subject to any appeal or revaluation.
10. A Differently Abled category candidate is requested to contact STS with scanned copies of her/his Medical Certificate for ascertaining percentage of the disability. (email: info@snaptest.org). The candidate failing to do this will be considered under the Open Category.

Note :- If a candidate selects Differently Abled Category in the Registration form and s/he requires scribe/writer facility please note SIU will not be providing scribe/writer. The candidate has to make her/his own arrangement for scribe/writer. The qualification of scribe/writer should be maximum Class XII passed. Candidate should send the request to info@snaptest.org in case scribe/writer is required.

Shortlisting and Selection Process

Shortlisting for Group Exercise, Personal Interaction and Writing Ability Test (GE-PIWAT):

A candidate will be shortlisted for further admission process (GE-PIWAT) based on her/his overall SNAP Percentile. Please check the respective Institute website for information and dates of GE-PIWAT.

The further admission process is conducted separately for each programme by each Institute. The cut-off for shortlisting is also calculated separately for each programme. Based on her/his overall SNAP percentile, a particular candidate may get shortlisted for more than one programme. In such a scenario the candidate is expected to participate in the GE-PIWAT for each programme separately.

****Disclaimer:**

It is mandatory to attend all components / tests of GE-PIWAT to be eligible for admission to any PG programme. Only the candidate who attends all components / tests of selection process (GE-PIWAT) shall be considered as eligible for generation of merit / wait / reject list. The candidate who remains absent for any one of the component / tests will be considered as ineligible for selection process of any of the MBA programmes of SIU.

Merit List Declaration and Admission

Merit list will be based on the following parameters:

Weightage for Final Merit List				
SNAP Score (out of 60, scaled down to 50 marks)	Group Exercise (GE)	Personal Interaction (PI)	Writing Ability Test (WAT)	Total
50	10	30	10	100

Category-wise cut off for Merit List and Wait List will be displayed on the website of the respective Institutes. Wait list movement will depend upon the vacant seats available.

Please note that this admission is provisional and will be confirmed on payment of fees on or before the due date and subject to fulfilment of eligibility conditions of the respective programme(s) and in accordance with the rules of the SIU.

The candidate is urged to note that no donation or capitation fee is required to be paid for admission to any programme offered by any Institute of SIU. The candidate is cautioned against falling prey to any such assurance / offer by any individual or outside agency.

Admission Process for International Students

To assist students with their application to Symbiosis International (Deemed University), a detailed stepwise procedure is available on the official website at www.scie.ac.in where students can avail the user friendly online application.

The application will be considered and authenticated only after SCIE receives full payment towards application fee.

Foreign National students will pay the application fee along with the administrative fee after the receipt of pre offer letter.

Fees remitted must be exclusive of bank charges.

Category

- **Foreign National (FN):** A student is eligible to apply as a Foreign National (FN) if he/she is a citizen of any country other than India and holds a foreign passport.
- **Overseas Citizenship of India (OCI):** A student is eligible to apply as OCI if he/she is granted with Overseas Citizenship of India and has an OCI card.
- **Person of Indian Origin (PIO):** A student is eligible to apply as a Person of Indian Origin (PIO) if he/she has a PIO card, and is a citizen of a country other than India.

[As per the Government of India Notification dated 9th January 2015, the existing Persons of Indian Origin card holder registered as such shall be deemed to be Overseas Citizens of India card holders (OCI).]

English Proficiency Test is mandatory for the foreign nationals / OCI / PIO students. Student has an option to either appear for IELTS (conducted by British Council) or IEELA (conducted by Symbiosis). The minimum score required for IELTS is 6 and for IEELA band 4.

- **Non Resident Indian (NRI):** A student is eligible to apply as a Non Resident Indian (NRI) if he/she is an Indian National and has appeared for the 12th examination (equivalent to the Indian 12th) or graduation outside India. It is mandatory for one of the two qualifying examinations to be given outside India.

Recognition of Board and University

Admissions are in conformity with the guidelines set by the Association of Indian Universities and the Statutory Bodies of India like the Indian Nursing Council, All India Council for Technical Education, Bar Council of India, etc. Only candidates who have the requisite qualification from foreign universities or Boards of Higher Education accredited and recognized by the Association of Indian Universities (AIU), Govt. of India, New Delhi are eligible to apply at Symbiosis institutes for admission. If required, candidates will be asked to obtain the 'eligibility certificate/equivalency certificate' from the Equivalence branch, Association of Indian Universities (AIU), New Delhi on the given below address:

Association of Indian Universities
AIU House,
16 Kotla Marg, New Delhi – 110 002
Tel No: +91 – 11 – 23230059
Fax No: +91 – 11 – 23232131
Email: info@aiuweb.org
Website: <http://www.aiuweb.org>

Eligibility

Prospective students must have completed full time 3 years Bachelor Degree program from any statutory University with minimum 50% marks at graduate level.

In case of Engineering Stream, the prospective students must have completed full time 4 years Bachelor Degree program from any statutory University with minimum 50% marks at graduate level.

Students appearing for their final year can apply but their admission will be subject to obtaining a minimum of 50% marks at the qualifying examination.

Note:

- Students having backlogs / fail in their final results are not eligible for admission.
- **Each program has specific eligibility criteria; please check the respective institute information for the same on the website.**
- The admission to the program is subject to fulfillment of the specific eligibility criteria.
- It is the responsibility of the student to ascertain whether they possess the requisite qualifications for admission.

- Having completed the application and paid the application fee does not mean acceptance of eligibility.
- Final eligibility for admission will be decided by Symbiosis International (Deemed University) after submission of all the required documents.

Documents to upload at the time of online application

- 10+2 or equivalent Mark sheet.
- Bachelor Degree Mark sheets (Semester wise / Year wise).
- Photocopy of Valid Passport
- Statement of Purpose
- 2 Letters of Recommendation in original
- IELTS Score Card / Proof of IELTS registration (Not applicable to NRI students)
- Work Experience (If applicable)

Document Verification & Evaluation

When online application reaches SCIE along with the payment of Application fee and all the required documents, SCIE will verify uploaded documents and check the requisite qualifications for admission. Application will be forwarded to the Admission Committee for Evaluation. The Admission Committee will shortlist the applications based on the following criteria:

Symbiosis International (Deemed University) is happy to accept Symbiosis National Aptitude (SNAP) - conducted by Symbiosis International (Deemed University), (www.snaptest.org) or GMAT for postgraduate admissions. These are not mandatory requirements, NRI students with SNAP or GMAT score will secure extra weightage of 10%.

Admission Criteria:

For NRI Students

Graduation Transcripts - 80% weightage

Entrance Test (SNAP/GMAT) - 10% weightage

Statement of Purpose - 5% weightage

Two Letters of Recommendation - 5% weightage

Students applying under the NRI category **are NOT required** to appear for the English Proficiency Test (IELA/IELTS Examination).

For FN/PIO/OCI Students:

Graduation Transcripts - 90% weightage

Statement of Purpose - 5% weightage

Two Letters of Recommendation - 5% weightage

Students applying as FN/PIO/OCI **are required** to appear for the English Proficiency Test (IELTS/IELA examination)

A final verification of original documents will be done at the time of joining.

Please Note: Foreign National students will pay the application fee along with the administrative fee after the receipt of pre offer letter.

Merit List

After evaluation by Admission Committee, SCIE will send an email informing about the status of your admission. You will receive an offer letter through email depending on evaluations done on your application. Once you receive an offer letter, you need to confirm your intention of joining the said program by making a payment of administrative fee and part payment of annual academic fee within stipulated period mentioned in the offer letter.

Administrative & Part Payment of Annual Academic Fee:

1. *USD equivalent to INR 40,000/- towards administrative fee (Non-refundable).

This includes eligibility, medical, insurance, admin and processing charges.

(*50% concession has been given to the Foreign National Students on Administrative Fees)

2. USD equivalent to INR 65,000/- towards part payment of annual academic fee and institute deposit (refundable) To make this payment, you will have to log on to [https:// scieaccounts.isinfo.com/PG](https://scieaccounts.isinfo.com/PG) Student Admission with your 'SCIE ID' and 'Password'. Accordingly follow Payment instructions mentioned in the link. Kindly ensure that this payment is to be made within the stipulated date mentioned in the offer letter. The balance payment of annual academic fee is to be paid on or before the date of reporting. Applicants who fail to make the payment within stipulated date will not be able to secure a provisional admission to 'Symbiosis International (Deemed University)' and their seat will be offered to the next applicant in the Waitlist.

Provisional Admission Letter

SCIE will issue a "Provisional Admission Letter" to the foreign national students who require the Student Visa, only after receipt of administrative and part payment of academic fee. Applicant can use this letter as a supporting document while applying for his/her student visa at the Indian Mission in his/her country.

Note:

The Visa should be Student Visa and should mention the name of “Symbiosis International (Deemed University)”. Any other type of visa is invalid and final admission will not be granted to students who do not have a valid visa. For the interview at the Indian Embassy make sure that you carry relevant documents to prove how you intend to finance your education in India.

Reporting Mail

On confirmation of the receipt of administrative fee and part payment of academic fee, applicant will be considered as ‘Provisionally Admitted’ to Symbiosis International (Deemed University). Subsequently, SCIE will send the letter regarding the formalities to be completed at the time of reporting.

The student provisionally admitted to Pune campus have to report to SCIE and the student provisionally admitted to out of Pune campus will have to report to their respective institutes on the dates mentioned in the prospectus to complete the reporting formalities. Kindly check the respective institute information in the prospectus or SCIE website for specific reporting date to SCIE and the respective institute.

Reporting Formalities

1. Medical Test

International students will have to undergo a medical examination. Medical check-up will be conducted at Symbiosis Centre for Health Care (SCHC) within the Campus. Collect the Medical Test Form for Medical Check-up. After undergoing medical test submit the counterfoil of the Medical Test form.

2. Payment Confirmation

Take the confirmation of Fee details from Accounts Department. Pay the balance amount or short fall if any.

3. Eligibility Formalities

The clearance of the Eligibility is an essential factor for admission to any program of Symbiosis International (Deemed University) (SIU). The admission will be provisional till the clearance of the same. The student is liable to fill the online Eligibility form and submit all the necessary documents mentioned above as per the category. Few documents which are not possible to be submitted at the time of reporting must reach at SCIE latest by 31st August. Students who fail to submit the documents within the stipulated date will not be allowed to appear for the semester I examination. They may have to forfeit the academic fee and may lose an academic year or face cancellation of admission (as per SIU rules)

4. Submission & Verification of all the required documents with originals

The students are advised to carry all original documents along with 2 sets of self-attested photocopies.

Documents required from Foreign Nationals/ PIO/ OCI:

- Mark sheet of 12th Std./equivalent
- Semester wise/ Year wise Bachelor Degree Mark sheet
- Passing/ Provisional/Degree Certificate of the University
- English Proficiency Test Result (IELA/IELTS)
- Migration certificate in original (in case graduation from an Indian University)
- Transfer certificate in original (in case graduation from an Indian University)
- Change of Name Certificate by Govt. Gazette (if applicable)
- Equivalence Certificate (if applicable)
- Experience Certificate (if applicable)
- Passport
- PIO card (only for PIO students)
- OCI Card (only for OCI students)
- Citizen card (only in case of Nepali nationals)
- Valid VISA (applicable for Foreign National except Nepal & Bhutan students)
- Valid Residential Permit (applicable for Foreign National except Nepal & Bhutan students)
- Gap certificate (applicable for students with the gap of one year or more) *
- Medical Undertaking*
- Anti-Ragging Affidavit by Student*
- Anti-Ragging Affidavit by Parent*
- Indemnification Undertaking by Student*
- Indemnification Undertaking by Parent*

(Note: *You can download documents from Payment Login link <http://scieaccounts.ishinfo.com> / PG Student Admission)

Documents required from NRI:

- Mark sheet of 12th Std./equivalent
- Semester wise/ Year wise Bachelor Degree Mark sheet

- Passing/ Provisional/Degree Certificate of the University
- Migration certificate in original (in case graduation from an Indian University)
- Transfer certificate in original (in case graduation from an Indian University)
- Change of Name Certificate by Govt. Gazette (if applicable)
- Equivalence Certificate (if applicable)
- Experience Certificate (if applicable)
- Passport
- Gap certificate (applicable for students with the gap of one year or more)*
- Medical Undertaking*
- Anti-Ragging Affidavit by Student*
- Anti-Ragging Affidavit by Parent*
- Indemnification Undertaking by Student*
- Indemnification Undertaking by Parent*

(Note: *You can download documents from Payment Login link <http://scieaccounts.ishinfo.com>/PG Student Admission)

Please ensure you carry all original documents for verification including passport

5. Joining Letter to respective institutes (Applicable to Pune Campus)

Before you proceed to your respective institute ensure that you have collected the Joining Letter duly signed and stamped. Submit your 'Joining Letter' to the International Students' Coordinator of your institute and complete the remaining formalities at the institute like payment of hostel fee, mess fee, uniform fee, etc. which are not included in annual academic fee.

Payment Information

Important Points to be noted

- Except students from Nepal and Bhutan, it is mandatory for all the students to make all the transactions in USD currency.
- The payment has to be made in USD equivalent of the amount published in INR value.
- Authentication of all the payments will be made only after its realization in SIU account.
- Incomplete details of the payment (either through SWIFT/ RTGS/ NEFT) will not be entertained.
- The application fee, IELA fee and administrative fee is not refundable.
- Kindly note that currency exchange rate for all the transactions will be at actuals and student will have to bear all applicable transaction charges or card

payment charges.

- The applicant must upload the SWIFT/NEFT/RTGS transaction copy and fill the transaction details in the payment window of online registration portal.
- The bank details are available in the payment window of online registration portal.

For more information about payment, you can contact us on +91 020 25925266.

- Application Fee (Non-Refundable): Foreign National (FN): USD equivalent to INR 5,000/- (As per SIU internationalization mission) Non Resident Indian (NRI): USD equivalent to INR 9,000/- Overseas Citizen of India (OCI): USD equivalent to INR 9,000/- Person of Indian Origin (PIO): USD equivalent to INR 9,000/-
- International English Language Assessment (IELA) Examination: US Dollars equivalent to INR 3,575/- (Non Refundable) Students enrolling for the 'International English Language Assessment' exam will have to pay the 'IELA examination fee'.

During the Online Application, the system will prompt you about IELA details and accordingly, at the time of payment this fee will be added along with your 'Application fee'. Note - Your application will be considered and authenticated only after SCIE receives full payment.

Administrative and part payment of Annual Academic fee:

*INR 40,000/-towards the Administrative fees and INR 65,000/-towards the Part Payment of Annual Academic fee which includes institute deposit (refundable).

*50% concession has been given to the Foreign National Students on Administrative Fees After assessing and evaluating the application, SCIE will send an offer letter to selected candidates. Once the candidate receives the offer letter, he/she will need to confirm his/her intention of joining the said program by making a payment of USD equivalent to INR 1,05,000/- In case of Foreign National students, SCIE will issue a Provisional Admission Letter (PAL) only after receiving this payment to enable candidates to apply for a visa.

Note –

Pre-Induction Charges (if any) and 'Administrative fee' are non-refundable. Modes of payment: Once you complete your Online Application, the system will prompt you to select the mode of payment and accordingly it will guide you through the procedure.

1. Online Payment:

You can make your payment by using an International Credit / Debit Card.

2. Offline Payment:

A. NEFT/RTGS Transfer: (Only For Nepalese and Bhutanese Students)

Students who wish to make any of their payments through NEFT/RTGS transfer must approach a bank and request for a NEFT/RTGS transfer. Please mention Student's Name and SCIE ID while making the transaction.

Please ensure the student upload the bank transaction copy and fill the transaction details in the payment window of online registration portal along with the UTR number.

The bank details are available in the payment window of online registration portal.

B. Swift Transfer: (Applicable to All Students, Except Nepalese and Bhutanese)

Students who wish to make any of their payments through Swift transfer must approach a bank in their home country and request for a Swift transfer. Please mention Student's name and SCIE ID while making the transaction. Students to ensure that they upload the bank transaction copy and fill the transaction details in the payment window of online registration portal.

SIU scholarship:

Number of Scholarships

- One Partial (50%) Academic Scholarship for a Post Graduate Program at any Institute of SIU
- One Full (100%) Academic Scholarship for an Under Graduate Program at any Institute of SIU
- One Partial (50%) Academic Scholarship for an Under Graduate Program at any Institute of SIU
- Two Partial (25%) Academic Scholarships for an Under Graduate Program at any Institute of SIU

Apart from these scholarships, Symbiosis would offer 30% concession/scholarship on academic fees for all African students wishing to pursue a course at any institute of Symbiosis International University. This scheme has been initiated under the 'Educate Africa' programme with a view to strengthening relations between India and Africa.

The student must also bear all additional costs including hostel fees, mess fees application fee, administrative fees, IELA, exam fee, etc.

Deserving foreign national students are eligible to apply.

The student must have the final result of the last qualifying examination at the time of applying for the scholarship.

The student must:

- Hold a valid foreign passport.
- Have obtained more than 75% as a qualifying grade in 12th Std. Those appeared for final exams and awaiting final results should submit predicted results (in case of Undergraduate programs).
- Have obtained more than 60% as a qualifying grade in Graduation (in case of Postgraduate programs).
- Have appeared for an English Proficiency Test conducted by British Council (IELTS) with a minimum score of 6 or the IELA Test with a minimum band of 3.
- Fulfill the specific eligibility criteria (if any) of the desired program. (Please log on to <http://www.scie.ac.in/admissions/post-graduate/pg-basic-eligibility>)

EXCEPTIONS:

This policy does not cover the following categories:

- Indian, NRI, OCI and PIO students
- International Students on short term programs
- Doctoral programs
- Part time programs

SELECTION CRITERIA

The following criteria will be applicable for evaluating applications:

- Academic Transcripts to support the record of sustained academic excellence.
- Letter of Recommendation from the Ministry of Higher Education of the respective Country/ The Embassy/High Commission of the Country in India
- Statement of Purpose
- Specific Eligibility Criteria: Students must verify and satisfy the specific eligibility for a program for which he/she is applying including English language requirement.

*Please note Applications without the recommendation of the Ministry of Higher Education of the Country/ The Embassy/High Commission of the Country in India will not be entertained under any circumstances.

EXAMINATIONS:

Programme: The programmes conducted by the University follow semester/ annual pattern. A programme means a set of pre-defined courses selected from the Course Catalogue and approved by the Academic Council of the University. Successful completion of the courses will lead to the award of a Degree or Diploma e.g. Master of Business Administration.

Programme Outcome: Programme outcome represents broad statements that incorporate many areas of inter-related knowledge and skills developed over the duration of the programme through a wide range of courses and experiences.

Course Catalogue: A set of approved courses that includes the course objectives, syllabi, pedagogy and assessment approaches.

Course: A course means individual subject that would be included from the Course catalogue to become part of the pre-defined courses of a programme e.g. Marketing Management

Audit Course: Audit courses are the courses which are offered as additional/ optional learning opportunities over and above the programme requirements. They shall not exceed 10% of the semester credits in which it is offered and will be reflected as 'Pass' grade courses (only if, completed successfully) and would not contribute to the GPA/ CGPA.

Course Outcome: Course Outcome are statements clearly describing the meaningful, observable and measurable knowledge, skills and/ or dispositions that students will learn in this course.

Credit: A credit is defined as follows:

- a) 1 Credit = 12 hours of face to face contact sessions including continuous assessment as per SIU norms: not exceeding 2 hours* + 3 hours for continuous assessment linked to experiential learning.
- b) 1 Credit = 30 hours of Laboratory or Studio or practical hours
- c) 1 Credit = 60 hours of Internship/ Project/ Dissertation
- d) For courses which employ combination of practical and theory, the practical hour be converted to contact hours in the ratio of 1:2 meaning 1 face to face contact hour = 2 hours of practical (Lab and/ or Studio hours)

Each credit is assessed for 50 marks at the PG level and 25 marks at the UG level, unless otherwise explicitly mentioned by the respective statutory councils.

Term: A term in semester pattern means one semester and in annual pattern means one year.

Semester: A semester consists of a minimum of 90 days of teaching-learning and requires about five months to complete. Any programme of 2 years duration will have 4 semesters, any programme of 3 years duration will have 6 semesters, any programme of 4 years duration will have 8 semesters and the programme of 5 years duration will have 10 semesters.

Term Not Granted (TNG): Minimum 75% attendance in aggregate is mandatory for all the students to be eligible to appear for the term end examination of all courses of the term. If the aggregate attendance and attendance in each and every course is below 75% then the student will not be granted the permission to appear for the term-end examination.

Course Not Granted (CNG): If a student falls in TNG category (i.e. aggregate attendance is less than 75%), then the CNG rule is applied, by checking course wise attendance. In the course/ s where the student has more than 75% attendance, he/ she may be allowed to appear for the examination and the remaining courses are termed as 'Course Not granted'.

Assessment: The assessment includes continuous and term-end assessment. Continuous assessment in general, is formative while the term-end assessment is summative in nature.

Term-End Evaluation: At the end of every term the University shall conduct 'Term-end' examination, under its supervision and jurisdiction.

Continuous Assessment: The University has adopted the policy of continuous assessment, which shall be carried out by the respective constituents in accordance with the rules and regulations of the University. Continuous assessment aims at multi-level assessment and may include components like class room/ online test, surprise tests, open book test, research essay, assignments, quizzes, case studies, practical, presentations, viva and others as approved by the Board of Studies of the respective Faculty. All the components of assessment should be spread across the term. Award of marks for attendance should be strictly avoided.

The number of minimum components of Continuous Assessment shall be $(n+1)$ where 'n' stands for number of credits.

Time slot for University Examinations:

External Marks	Duration of Examination	Compensatory Time in case of Writer
Less than 40	1 hour	20 min.
40 to less than 60	1 hour and 30 minutes	30 min.
60 to less than 80	2 hour and 30 minutes	50 min.
80 and more than 80	3 hours	60 min.

Marking system for Symbiosis College of Nursing:

As per the requirement of Nursing Council, the following rules shall apply –

- A student must have minimum of 80% attendance (irrespective of the kind of absence) in theory and practical in each course for appearing University examination.
- A student must have 100% attendance in each of the practical areas before award of degree.
- Minimum pass marks shall be 50% in each of the theory and practical examination separately.
- Time duration for the Term End examination shall be as per INC Guidelines
- A candidate can take maximum three attempts per course inclusive of first attempt with a condition that he / she completes the course successfully within the maximum period allowed.
- The maximum period to complete the programme successfully should not exceed 8 years for 4 years programme and 4 years for 2 years programme.
- If a student fails in either theory or practical paper he/she has to re-appear for both the papers (Theory and practical).
- All practical examinations must be held in the respective clinical areas with one internal and one external examiner.
- Maximum number of students for practical examination should not exceed 20 per day.
- The candidate, in spite of failing in more than two courses he/she can be promoted to next year except for the final year. To get promoted into the final year the student has to pass in all courses of previous years.

- Internal and External assessment ratio is 25:75.
- Transcript in the format prescribed by the Nursing Council shall be provided by the Constituent.

Award of Class as per INC Rules & Regulations:

Percentage Range	Division
50%	Pass in each of the head (Theory & Practical)
50.01 to 59.99%	Second Division
60.00 to 74.99%	First Division
75% and above	Distinction

Choice Based Credit System (CBCS): Cumulative Grade Point Average (CGPA) System for Academic Programmes:

- All programmes of University shall follow the total credits as recommended by Board of Studies and approved by the Academic Council and will adhere to the distribution of continuous assessment and Term End Examination prescribed in the approved programme structure.
- Audit courses shall not be considered for computation of GPA/ CGPA. The grade P (Pass) will be printed on the grade sheet only if the student passes the course. This course is evaluated 100% on a continuous basis.
- **Relative grading:** The grading of students will be done based on the relative performance of the students compared to the class. Continuous Assessment, Term End Examination and Practical (if any) will be separate heads of passing. Passing in a course means securing 40% of absolute marks in each head. Separate grade points will be calculated for Continuous Assessment, Term End Examinations and practical (if any). The weighted average of these components will be the grade point for the course.
- **Grading on absolute performance:** Evaluation based on absolute marks may be applied for the courses Project/Dissertation/Thesis/Internship. Absolute grading shall be applicable for all the courses where the student number is 15 or less in each course.
- **Re-evaluation:** In case of re-evaluation, the scores obtained will be fitted as per the original range of marks of the grades.
- **Backlog Examinations:** In backlog examination the marks secured will be fitted back into the earlier distribution i.e. original range of marks of the grades.
- **Calculation of GPA for Semester and Overall CGPA:** The Grade Point Average for the semester will be calculated by taking the weighted average of the course grade points.

The weights will be defined as per the credit points they carry. Similarly, the CGPA for the programme will be calculated by taking the weighted average of the semester grade points where the total credits for the semester will act as the weight. The formula is as below:

$$\text{CGPA} = \frac{\{(GPA \text{ of Sem. I}) (\text{Credit Points of Sem. I}) + (GPA \text{ of Sem. II}) (\text{Credit Points of Sem. II}) + (GPA \text{ of Sem. III}) (\text{Credit Points of Sem. III}) + (GPA \text{ of Sem. IV}) (\text{Credit Points of Sem. IV})\}}{\{\text{Total Credit Points}\}}$$

- CGPA will be calculated up to two decimal points
- **Conversion of CGPA to percentage marks:**
Percentage = CGPA / 10 * 100
- There is no provision to appear in examination to improve marks or grade.
- **Standard of passing:** A student has to pass Continuous Assessments, Term End Examinations and/or Practical (as applicable) separately i.e. obtain minimum GP of 4.00. GP less than 4.00 will be treated as grade F (fail).
- **Award of Degree/Diploma:** A student (UG/PG) will be awarded the degree only if he/she has a CGPA of minimum 4.00 on the completion of programme and has cleared Integrated Disaster Management Programme. Publishing a Research Paper in recommended journal viz. Scopus/Web of Science indexed is mandatory for award of degree for Post Graduate students admitted from Batches 2019.

Calculation of Grade Points corresponding to nine grades based on relative grading:

The grade points corresponding to nine grades will be as follows:

Letter Grade	Proportion	Grade Point
O (Outstanding)	Top 3%	10
A+ (Excellent)	12%	9
A (Very Good)	21%	8
B+ (Good)	28%	7
B (Above Average)	21%	6
C (Average)	12%	5
P (Pass)	Bottom 3%	4
F (Fail)		0
AB (Absent)		0

Allowed To Keep Terms (ATKT) Rules:

A student will attend classes of all the years with his / her batch. The following rule will be applicable as per the total number of semesters in a programme:

ATKT rule for 2 and 2 ½ Year Programme

He/ she cannot appear for Term End Examination of **Semester-3** if he/ she has CGPA less than 4.00 up to **Semester-1**.

He/ she cannot appear for Term End Examination of **Semester-4** if he/ she has CGPA less than 4.00 up to **Semester-2**.

He/ she cannot appear for Term End Examination of **Semester-5** if he/ she has CGPA less than 4.00 up to **Semester-3**.

However, a student who is eligible to appear for a later semester will also be permitted to appear for all the previous semesters irrespective of the ATKT rule applicable to that semester. (e.g.: A student having CGPA less than 4 at the end of Semester - 1, but having CGPA greater than 4 at the end of Semester - 2 will be eligible to appear for Term End Examinations of Semester - 3 and Semester - 4)

The ATKT rules will not be applicable post the minimum duration of the programme is over i.e. the student can appear for any semester backlogs during the extended validity of the programme.

Validity of Terms for Post Graduate Degree Programmes:

Students admitted to the post graduate degree programmes of the University, are allowed to keep term for a period of one year from the date of admission beyond the normal period of the programme, i.e. a student joining two years programme must complete the programme in three years from the date of admission.

Expiry of Validity

Students who are not able to complete their programme within the stipulated period will have to take fresh admission to the programme as per the prevalent rules and his/ her performance at the examinations and the terms kept earlier will be treated as null and void.

Student Affairs

CODE OF CONDUCT

Article I: PREAMBLE

The student code of conduct [Code] is established to foster and protect the core missions of the Symbiosis International University, Pune, to foster the scholarly and civic development of the University's students in a safe and secure learning environment, and to protect the people, properties and processes that support the University and its missions. However, the establishment and maintenance of a community where there is freedom to teach and to learn is dependent on maintaining an appropriate sense of order that allows for the pursuit of these objectives in an environment that is both safe and free of invidious disruption. Rules and regulations are necessary to mark the boundaries of this needed order.

Article 2: APPLICABILITY

The Code is applicable to all students, which includes all persons taking programmes at various constituent institutes /departments of the University, either fulltime or part-time, pursuing undergraduate, graduate, professional studies. Persons who withdraw after allegedly violating the Code, who are not officially enrolled for a particular semester or term, but have a continuing relationship with the University, or who have been notified of their acceptance for admission are considered as "students". The Code applies to all locations of the University.

Article 3: JURISDICTION

The Code applies to the on-campus conduct of all students at all the location / campus of the University. The code also applies to the off-campus conduct of students in direct connection with:

- A. Academic course requirements or any credit bearing experiences, such as internships, field trips, study abroad / student exchange;
- B. Any activity supporting pursuit of a degree, such as research at another institution or a professional practice assignment;
- C. Any activity sponsored, conducted, or authorized by the university or by registered students organizations;
- D. Any activity that causes substantial destruction of property belonging to the university or members of the university community or causes serious harm to the health or safety of members of the university community; or
- E. Any activity in which a police report has been filed, a summons or indictment has been issued, or an arrest has occurred for any act or omission. Students continue to be subject to the laws of the land while at the University, and violations of those laws may also constitute violations of the code. In such instances, the University may proceed with University disciplinary action under the code independently of any criminal proceeding involving the same conduct and may impose sanctions for violation of the code even if such criminal proceeding is not yet resolved.

Article 4: RESPONSIBILITIES OF STUDENTS

Students are members of the University community and citizens of the state. As citizens, students are responsible to the community of which they are a part, and, as students, they are responsible to the academic community of the University. Admission to the university carries with it the presumption that students will conduct themselves as responsible members of the academic community. As a condition of enrollment, all students assume responsibility to observe standards of conduct that will contribute to the pursuit of academic

goal and to the welfare of the academic community. They are expected to practice high standards of academic and professional honesty and integrity and also to respect the rights, privileges, and property of other members of the academic community and the Society. They should refrain from any conduct that would interfere with university functions or endanger the health, welfare, or safety of other persons. As a citizen of State, a student should not discriminate on the basis of race, color, creed, age, religion, gender, national or ethnic origin, marital status, sexual preference, physical disability, or any other legally protected status. They should at all times conduct themselves in a manner, which is not prejudicial to any law of the land. Their conduct should aim to achieve the meaning, mandate and manifestation as enshrined in the Constitution of India.

Article 5: DISCIPLINARY MISCONDUCT

Any student found to have committed or to have attempted to commit the following misconduct is subject to appropriate disciplinary action under this Code. The instances of misconduct are not to be interpreted as all-inclusive of situations in which disciplinary action will be invoked. These instances are illustrative, and the University reserves the right to take disciplinary action in appropriate circumstances not set out in this article. The illustrative list of misconduct is as follows (Not exhaustive):

DMC1: Academic Misconduct-Academic Misconduct means plagiarizing; cheating on assignments or examinations.

DMC IF al: Cheating: Cheating: The act of obtaining or attempting to obtain credit for work by use of dishonest, deceptive, or fraudulent means

DMC 1[111: Plagiarism: The act of taking ideas, words, or specific substances of another and offering them as one's own.

DMC 2 : Disruptive conduct - conduct that intentionally and substantially obstructs or disrupts teaching or freedom of movement or other lawful activities on university premises or in connection with any university-sponsored event or activity;

DMC 3: Discrimination - Engaging in verbal or physical behavior directed at an individual or group based on origin, race, creed, gender, religious beliefs, or sexual orientation that, according to a person of reasonable sensibilities, is likely to create an intimidating or demeaning environment that impedes the access of other students, faculty and staff to the educational benefits available to them. It also includes wearing articles of clothing with derogatory, racist discriminatory, patently offensive, profane, sexually explicit, or graphic messages either in words or pictures, which demonstrate bias or discrimination against any individual or group within the University.

DMC. 4: Falsification - Falsification means willfully providing University offices or officials with false, misleading, or incomplete information; forging or altering official University records or documents or conspiring with or inducing others to forge or alter University records or documents.

DMC 5: Refusal to Identify - Refusal to identify or falsely identifying one's self when requested by an authorized University official.

DMC 6: Illegal or Unauthorized Possession or Use of Weapons - Illegal or unauthorized possession or use of weapons means possessing or using weapons or articles or substances usable as weapons, including, but not limited to, firearms, incendiary devices, explosives, and dangerous biological or chemical agents.

DMC 7: Illegal or Unauthorized Possession or Use of Drugs or Alcohol, Smoking - Symbiosis strongly supports the goals of "Drug / Alcohol / Smoking Free Campuses". It is policy of Symbiosis that no student shall distribute, possess, or use illegal drugs, a controlled substance, on its premises. Possession of paraphernalia associated with the illegal use, possession, or manufacture of a controlled substance is also prohibited. It is also the Policy of University that smoking is prohibited in all the campuses of Symbiosis. A student should not indulge in abetting, aiding, instigating or causing any of acts of commission / omission related to illegal use, possession, delivery or manufacture of a controlled substance. A student shall not also enter the Symbiosis Campus, under influence of alcohol or any prohibited substance.

DMC 8: Unauthorized Access and Use of property & facilities - Unauthorized access means accessing without authorization University property, facilities, services, or information systems, or obtaining or providing to another person the means of such unauthorized access, including, but not limited to, using or providing without authorization keys, access cards, or access codes.

DMC 9: Act of Violence, Threatening, Harassing, or Assaultive Conduct - Act of Violence, Threatening, harassing, or assaultive conduct means engaging in conduct that has caused injury to other residents of the campus, endangers or threatens to endanger the health, safety, or welfare of another person, including, but not limited to, threatening, harassing, or assaultive.

DMC 10: Theft, Property Damage, and Vandalism

- Theft, property damage, and vandalism include theft or embezzlement of, damage to, destruction of, unauthorized possession of, or wrongful sale or gift of property.

DMC 11: Recording of Images without Knowledge

- Using electronic or other means to make a video or photographic record of any person in a location where there is a reasonable expectation of privacy without the person's prior knowledge, when such a recording is likely to cause injury, distress, or damage to reputation. This includes, but is not limited to, taking video or photographic images in shower/locker rooms, residence hall rooms, and restrooms. The storing, sharing, and/ or distributing of such unauthorized records by any means is also prohibited.

DMC 12: Causing Disrepute to other students -

Engaging or inciting other students to engage by any means whatsoever and performing or attempting to perform an act, which bring disrepute to other students / faculty of the University.

DMC 13: Failure to comply with university or any other authority

- Failure to comply with legitimate directives of authorized university officials, law enforcement agency in the performance of their duties or violation of the terms of a disciplinary sanction.

DMC 14: Ragging

- Any act which amounts to ragging in any form as defined under the Maharashtra Prohibition of Ragging Act, 1999 and also under the UGC Prohibition of Ragging Regulations, 2009.

DMC 15: Illegal Contracts

- Students are prohibited from entering into verbal or written agreements or contracts that purport to bind, obligate, or create liability of any kind for University. The University will hold all such students individually liable for any financial or legal consequences or damages that may result from such unauthorized actions.

DMC 16: Abuse of Electronic Communication

- Using University or personal telecommunications, data communication networks for illegal or improper purposes or in violation of University regulations and policies, or related laws.

DMC 17: Media Contact

- Students are expressly prohibited from speaking on behalf of, or for, University with any media organization or publication, or from inviting the same to any University-owned or operated property, facility, or even without the express written permission of the Office of University Communications.

DMC 18: Organization and Event Registration

- A Student or group of Students shall not form any organization, society or organize any event or collect any fund or subscription without the specific written permission of the University.

DMC 19: Presenting False Testimony

- Knowingly making false statements regarding a disciplinary matter before, during or after the disciplinary adjudication process.

DMC 20: Violation of University rules

- Violation of other published university regulations, policies, or rules, or violations of law. These university regulations, policies, or rules include, but are not limited to, those rules, which regulate dress code, which regulate submission of assignments, which regulate examinations, which prohibit the misuse of library, misuse of computing resources, miscues of laboratory, which regulate acts which amounts to sexual harassment, rules for student and hostel rules and regulations.

Article 5 (a): Grievance Redressal Committee of Institute:

Every Institute/Department shall constitute a Grievance Redressal Committee to address grievances of students. The students should be informed about the existence of such a committee, the members and the procedure of submitting grievances. Constitution of Grievance Redressal Committee: The committee shall be constituted by the Vice Chancellor and shall have following members:

- i. Professor / Associate Professor-Chairperson
- ii. Three Senior Faculty members on rotation basis nominated by Vice Chancellor -Member
- iii. A student representing the college nominated based on the academic merit- Special Invitee
- iv. Administrative Officer / Office Superintendent (Convener of the meetings) Procedure:

- The aggrieved student would submit in writing his/her grievance to the Administrative Officer/ Office Superintendent.
- The Administrative Officer/ Office Superintendent would convene a meeting of members within five days of receiving the complaint.
- The report of the committee must be submitted to the Director within 2 working days of the meeting.
- The decision taken would be communicated the student within further 3 days working days.
- Further if the student is aggrieved by the decision of the Grievance Redressal Committee he/she may appeal to the Ombudsman within 6 working days. The details of the same are uploaded on the website of the university.

Procedure in redressal of grievances by Ombudsman and Grievance Redressal Committee:-

- 1) Each institution shall establish a registry, headed by Administrative Officer / Office Superintendent where any aggrieved student may make an application seeking redressal of grievance.
- 2) The address of the registry shall be published on the notice board and placed on the website of the Institute/Department.
- 3) On receipt of an application by the registry, Administrative Officer / Office Superintendent shall inform the Ombudsman or the Grievance Redressal Committee, and shall immediately provide a copy of application to the institute for providing reply to the aggrieved student within seven days.
- 4) The Ombudsman or the Grievance Redressal Committee shall fix a date for hearing the complaint which shall be communicated to the institute and the aggrieved student either in writing or electronically.
- 5) An aggrieved student may appear in person.
- 6) The Ombudsman or the Grievance Redressal Committee shall ensure disposal of every application as early as possible as and not later than a month of receipt of the grievance.
- 7) The institution shall co-operate with the ombudsman or the Grievance Redressal Committee, in redressal of grievances.
- 8) On the conclusion of proceedings, the Ombudsman or the Grievance Redressal Committee shall pass order, with reasons for order, to redress the grievance.
- 9) Every order shall be provided to the aggrieved student and the institute shall be placed on the website of the institute.
- 10) The institute shall comply with the order of the ombudsman or the Grievance Redressal Committee. In case of any false or frivolous complaint, the ombudsman may order appropriate action against the complainant/student.

Article 6: HEARING AND APPEALS

Any student charged with violation of the Code shall have the opportunity to receive a fair hearing. To safeguard the rights of students, the Vice Chancellor shall ensure that there is an appeal procedure to govern the alleged violations of this policy. The appeals procedure shall provide both substantive and procedural fairness for the student alleged to have violated the Code and shall provide for resolution of cases within a reasonable period of time.

Composition;

- The Vice - Chancellor-Chairman
- The Associate Dean - Student Affairs
- The Registrar
- The Faculty Member (Female) Other than the institute from where the students submits grievance.
- The Campus Administrator - Lavale Campus.

Article 7: PUNISHMENT AND PENALTIES

One or more of the following punishments may be taken when a student has been found to have violated the student code of conduct:

1. Warning: A written letter of reprimand resulting from a student's misconduct.
2. Suspension: Suspension is a sanction that terminates the student's enrollment at the university for a specified period of time.
3. Monetary Fines: Monetary Fines is a sanction in which a student is required to deposit amount as penalty or any amount deposited by him is forfeited or adjusted, resulting from misconduct. It also include Restitution which means making compensation for loss, injury, or damage.
4. Confiscation. Confiscation means confiscation of goods used or possessed in violation of University regulations.
5. Restriction of Privileges - Restriction of privileges means the denial or restriction of specified privileges, including, but not limited to, access to a student facilities, placement programmes, university events for a defined period of time.
6. Withholding of Diploma or Degree. Withholding of diploma or degree means the withholding of diploma or degree otherwise earned for a defined period of time or until the completion of assigned sanctions.
7. Rusticate: Rustication is a sanction which permanently separates a student from the university without opportunity to re-enroll in the future. Other sanctions: Other appropriate sanctions may be imposed by the Competent Authority of the University singularly or in combination with any of the above-listed sanctions.

Anti-Ragging Measures at Symbiosis International (Deemed University)

- I. Any conduct by any student or students whether by words spoken or written or by act which has the effect of teasing, treating or handling with rudeness a fresher or any other student
- II. Indulging in rowdy or indiscipline activities by any student or students which causes or is likely to cause annoyance, hardship, physical or psychological harm or to raise fear or apprehension thereof in any fresher or any other student
- III. Asking any student to do any act which such student will not in the ordinary course do and which has the effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student
- IV. Any act by senior student that prevents, disrupts or disturbs the regular academic activity of any other student or a fresher
- V. Exploiting the service of a fresher or any other student for completing the academic tasks assigned to an individual or a group of students
- VI. Any act of financial extortion or forceful expenditure burden put on a fresher or any other student by students
- VII. Any act of physical abuse including all variants of it: sexual abuse, homosexual assaults, stripping, forcing obscene and lewd acts, gestures, causing bodily harm or any other danger to health or person
- VIII. Any act or abuse by spoken words, email, post, public insults which would also include deriving perverted pleasure, vicarious or sadistic thrill from activity or passively participating in the discomfiture to fresher or any other student
- IX. Any act that affects the mental health and self-confidence of a fresher or any other student with or without an intent to derive a sadistic pleasure or showing off power, authority or superiority by a student over any fresher or any other student. Symbiosis International (Deemed University) ensures that a congenial and welcoming environment is given to the freshers in its all constituent institutes.

To achieve this objective following committees have been formed by the University as per UGC Regulation 2009:

University Anti Ragging Committee

Anti-Ragging Squad at Institute level

University Monitoring Cell

- Mentoring Cells are constituted by all the constituent Institutes of the University at the end of each academic year. The Anti-Ragging Committee may punish a student found guilty of ragging one or more of the following punishments:
- Suspension from attending classes and academic privileges
- Withholding/withdrawing scholarship / fellowship and other benefits
- Debarring from appearing in any test/examination or other evaluation process
- Withholding results
- Debarring from representing the institution in any regional, national or international meet, tournament, youth festival, etc.
- Suspension/expulsion from the hostel
- Cancellation of admission
- Rustication from the institution for period ranging from one to four semesters
- Expulsion from the institution and consequent debarring from admission
- to any other institution for a specified period Provided that where the persons committing or abetting the act of ragging are not identified, the institution shall resort to collective punishment

The same shall also apply to visitors. In case of a violation, strict disciplinary action amounting to rustication from the hostel / institute will be taken as per the rules and the code of conduct.

There is a strict code of conduct practised at all Symbiosis Hostels. Students wishing to stay at any Symbiosis Hostel will have to abide by the code of conduct. Ragging in any form is strictly prohibited in all Symbiosis campuses as well as hostels.

Health, Recreation & Sports

About the SCHC

The Symbiosis Centre of Health Care (SCHC) was established on 14th June 1997 as an 'In-house Health Care Unit' of Symbiosis. Under the Health Promoting University (HPU) initiative of the Symbiosis International (Deemed University), SCHC undertakes a host of preventive, promotive & curative healthcare services for the students and staff of the Symbiosis family. The vision of SCHC is 'Envisioning a state of positive health in the community' and its mission statement is 'To promote health & wellness amongst students, staff and community'.

It is operational at all the campuses of Symbiosis across India.

Promotive health care facilities:

1. Health Promotion Program: With an aim to spread health awareness and promote positive health amongst students, interactive sessions are organized by subject experts on various healthcare related issues.
2. Campus Wellness Advisory Committee (CWAC) has been constituted at all campuses of Symbiosis. The frequency of conduct of CWAC is two times per semester. The objectives of the CWAC are:
 - ✓ To establish and review the student communications strategy for health & wellness services
 - ✓ To review all health & wellness policies and make recommendations accordingly
 - ✓ To advise management on aspects related to students & staff health & wellness
 - ✓ To serve as a forum for all stakeholders to voice their concerns on various issues related to health & wellness.

3. Campus inspection is conducted once a year and assessment of catering establishments on campus is conducted three times in a year.

Preventive health care facilities:

1. Annual Health Checkup (AHC) of the students/ staff of Symbiosis is conducted and health records are maintained electronically. The comprehensive health check-up comprises clinical examination from different disciplines (Physician, Ophthalmologist, ENT specialist & Dentist) & basic Lab investigations (Haemogram & Urine examination).
2. Pre-employment Check-up: Before joining Symbiosis, every prospective candidate is required to complete the process of Pre-Employment health check-up at Symbiosis Centre of Health Care.
3. Health Check-up of food handlers at catering establishments of Symbiosis is conducted annually and before joining the catering establishments.

Curative health care facilities:

1. SCHC Out Patient Department (OPD): Primary care is provided by medical officers. Patients/ students/ staff can be referred to a specialist/ consultant for treatment as per their condition.

2. Campus Medical Officer is available on call 24 X 7. Patients are also referred to multi-specialty hospitals if required. Contact numbers of campus medical officers are:

University Sports Board

Every human being has a fundamental right of access to physical education and sports, which are essential for the full development of his/her personality. The freedom to develop physical, intellectual and moral powers through physical education and sports must be guaranteed both within the educational system and in other aspects of social life. Symbiosis today is already known for its excellence in education and we aim to transform the same in sports.

University Sports Board, SIU has been entrusted with twin objectives of promoting health and wellness amongst student, staff and community and promoting sports, achieving sporting excellence at the National and International level. Apart from being a means of entertainment and physical fitness, University Sports Board have also played a great role in generation of the spirit of healthy competition and bonding within the community. Sports play a key role in development of personality of the youth. In fact, sports should be a way of life. I call upon the youth to make sports an integral part of their life.

The role of the University Sports Board is to create the infrastructure and promote capacity building for broad-basing sports as well as for achieving excellence. Keeping in view the growing demands for advanced infrastructure, equipment and scientific support, University Sports Board has taken several initiatives and is providing the necessary assistance to sportspersons by way of training and equipment support as well as sports scholarship / cash incentives for boosting student's morale.

Objective:

- To promote excellence in sports by encouraging participation in National and International championships in large numbers.
- To create a culture of sports by imbibing higher moral and ethical values, spirit of comradeship and the desire to excel.
- To annually organize inter institute competitions in specified games and sports for the students
- To organize annual events for mass participation of students and staff with a focus on health and wellness
- To provide equal opportunities and encouragement to all students and staff for participation in physical activity and sports at all levels.
- To offer sports scholarship, prizes and other awards to outstanding athletes and sportsmen and women
- To create, develop and maintain sports infrastructure
- To get associated and affiliated to recognized Sports Associations and Federations

Rules for Refund of Fees and Non-Retention of Original Certificates

The UGC has vide its Notification dated October 2018 issued an elaborative guidelines on 'REFUND OF FEES AND NON-RETENTION OF ORIGINAL CERTIFICATES'

1. APPLICABILITY AND ENFORCEMENT:

- i. It shall be applicable to Undergraduate, Postgraduate, Research Degree, Diploma and Certificate Programmes offered by Symbiosis International (Deemed University).
- ii. It shall come into force with immediate effect and shall have regulatory force on extent as well as future grievances over issues and matters covered herein.

2. VERIFICATION AND NON-RETENTION OF STUDENTS' ACADEMIC AND PERSONAL TESTIMONIALS:

- i. None of the Constituent Institute/ Department shall insist upon a student to submit the original academic and personal certificates and testimonials like Mark Sheets, School Leaving Certificates and all other such documents at the time of submitting application form.
- ii. Students shall be allowed to submit self-attested documents such as Mark Sheets, Birth Certificates etc. for all purposes of administrative requirements.
- iii. The office shall verify the original certificates and testimonials before the finalization of the process of admission of the students in his / her presence and return them immediately after satisfying about their authenticity and veracity, keeping the attested copies for office records.
- iv. At any stage, if there is a need of any other kind of documents the self-attested copies be accepted and physical verification of originals be undertaken in the presence of student. Such

verified originals certificates and testimonials shall be immediately returned to the student.

- v. None of the Constituent Institute/ Department shall keep certificates and testimonials of any student into institutional custody under any circumstances or pretexts, as it is strictly prohibited for it is a coercive tactic which can be misused for black mailing students who wish to withdraw admission from the Institute for better prospects or other compulsions.
- vi. In case of any suspicion over the authenticity or genuineness of the testimonials, the reference may be made to the University or the Board which issued certificates to the student and the admission be subjected to the authentication, but original certificates shall not be retained under any circumstances.

3. RULES FOR REFUND OF FEES:

Rules for Remittance and Refund of Fees and other students centric issues were revised on the basis of UGC Notification No.F.No.1-3/2016 (CPPPI/DU) dated July 11, 2016 and and the notification issued on 6th December, 2016.

Now the UGC has issued a Notification on Refund of fees and Non-Retention of Original Certificates' in October 2018. Therefore, the Rules on refund of fees and non-retention of original certificates' have been revised as under:

4. PROCEDURE:

CANCELLATION/ WITHDRAWAL OF ADMISSION:

- i. A student shall apply for cancellation of admission in the prescribed format to the Constituent Institute / Department.
- ii. The Constituent Institute/ Department after following due procedure will cancel the admission of the applicant and shall refund fees to the student within 15 days from the date of his / her application.

iii. The Constituent Institute/ Department shall cancel the admission of the student in the following situations:-

1. Non - payment of fees for more than 1 semester.
2. Non - reporting to the institute for more than 30 days, without prior intimation in writing to the concern authority

5. PART A:

REFUND OF FEES (ACADEMIC AND NON-TUITION INCLUDING HOSTEL AND MESS):

If a student applies to withdraw/ cancel his/ her admission from the programme of study in which he/ she is enrolled, the Constituent Institute/ Department concerned shall follow the following five-tier system for the refund of fees remitted by the student.

S. No.	Percentage of Refund of fees*	Point of time when notice of withdrawal of admission is received in the HEI
(1)	100%	15 days or more before the formally-notified last date of admission
(2)	90%	Less than 15 days before the formally-notified last date of admission
(3)	80%	15 days or less after the formally- notified last date of admission
(4)	50%	30 days or less, but more than 15 days, after formally-notified last date of admission
(5)	00%	More than 30 days after formally-notified last date of admission

NOTE:*

- i. In case of (1) in the table above, the University shall deduct an amount not more than 5% of the fees paid by the student, subject to a maximum of Rs. 5,000/- as processing charges from the refundable amount.

ii. Fees shall be refunded by the University to an eligible student within fifteen days from the date of receiving a written application from him/ her in this regard.

iii. In case of (2) in the table above, the University shall deduct an amount of 10% of the academic fees paid by the student as processing charges.

6. LAST DATE OF ADMISSION:

For the purpose of refund of Fees, the last date of admission will be considered as one day prior to the date of commencement of programme.

7. MEDICAL INSURANCE:

Medical Insurance premium of the student is deposited to the Insurance Company, immediately after the student obtains provisional admission. Hence, this amount is NON REFUNDABLE.

In case the student's admission is cancelled for reasons what so ever, he/she will continue to draw all benefits under the said insurance scheme for the period insured (policy year). Students may contact Symbiosis Centre of Health Care (SCHC) at 9552525015 (24 X 7) for any query / assistance.

8. REFUND OF DEPOSIT:

- i. Refund of Institution deposits shall be subject to such deductions as may be necessary on account of any damage to the property of the Institution concerned such as breakages to laboratory equipment, assets such as computers, gadgets etc., loss of library books for which the student would be responsible.
- ii. Refund of the Hostel deposit shall be subject to such deductions as may be necessary on account of any damage to the property of the Institution concerned such as fans, cupboards, glass panes, tables, chairs etc. for which the student would be responsible.

9. REFUND OF FEES IN OTHER CASES:

- i. In case, admission of student is cancelled on account of disciplinary action or violation of Anti Ragging Regulations or Substance Abuse or breach of Code of Conduct or any other Rules & Regulations of the University, No Refund of fees is permissible. Only the respective deposits would be refunded to the student.
- ii. In case, admission of student is cancelled on account of ineligibility, the refund of fees (academic and non-tuition including hostel and mess) will be on prorata basis.
- iii. In any other case which is not covered in these rules, the decision would be taken by the Vice Chancellor.

10. TRANSFER OF FEES IN CASE OF TRANSFER OF ADMISSION TO ANOTHER CONSTITUENT/ DEPARTMENT OF SIU:

1. In case student applies for transfer of admission from one constituent of SIU to another constituent of SIU, the transfer application shall be processed and if approved by the University; the transfer of fees shall be as under:
 - i. If the student applies for transfer of admission to another Constituent Institute/ Department of the University before commencement of the programme, then

100% fees shall be transferred to the other Constituent Institute/ Department. In case, the programme fees are different, then the student will have to pay the difference in the fees or else the amount will be adjusted in the next instalment/ refunded to the student.

- ii. If the student applies for transfer of admission to another Constituent Institute/ Department of the University, after commencement of the programme, then the proportionate amount of academic, hostel and mess fees shall be deducted and remaining amount after deduction shall be transferred to the other Constituent Institute/ Department. In case, the programme fees are different, then the student will have to pay the difference in the fees or else the amount will be adjusted in the next instalment/ refunded to the student.

2. If the student applies for transfer of admission to another constituent of the University and his/ her transfer is approved by the University then the first constituent from where the student has been transferred will hand over certificates/ documents to the student, to enable him/ her to submit the documents /certificates in the other constituent.

PART B:**11. NON REFUNDABLE FEES**

- i. Insurance Premium
- ii. International English Language Assessment (IELA) Test fees (Applicable to Foreign Nationals only)
- iii. Registration/ Administrative Fees

12. GRIEVANCE REDRESSAL MECHANISM (GRM):

- i. The Constituent Institutes/Departments shall mandatorily have a “Grievance Redressal Mechanism” (GRM) as mandated by UGC (Grievance Redressal) Regulations, 2012, as amended from time to time, to address and effectively resolve complaints, representations and grievances related to any of the issues mentioned in this Notification.
- ii. The GRM shall be available on University website.

- iii. The University shall ensure that all grievances received are addressed as deemed fit within 30 days.

13. MISCELLANEOUS:

- i. The students shall not be insisted to purchase the institutional prospectus any time during the programme of study, as purchasing prospectus shall be the personal choice of the student. Student can access information from institutional website, if he/ she so desires. It shall be mandatory for all Constituent Institutes / Departments to update their website covering all details.
- ii. Constituent Institutes / Departments shall charge fees in advance only for the semester/ year in which a student is to engage in academic activities. Collecting advance fees for entire programme of study or for more than one semester/ year in which a student is enrolled is restricted.

Dr. Ramakrishnan Raman
Director

Director Profile:

Dr. R Raman has a blend of corporate and academic experience. He started his career with Godrej and Boyce and then ventured into the area of consultancy with 'The Leading-Edge Consulting Services'. His passion for academics led him into teaching assignment at Vellore Institute of Technology. Carleton University's Sprott School of Business, Canada, gave him the platform for global exposure in teaching Information Technology while he was handling the teaching assignment with Kohinoor Business School. He also had consulting assignments as an Information Technology Architect with the Kohinoor group of companies for various verticals including Real Estate, Hotels, Hospitals, Education and Power Generation. He also taught at S. P. Jain Institute of Management and Research Mumbai.

Dr. Raman is a Computer Science and Engineering graduate from Madras University. He completed his MBA in Information Systems from the same University. He furthered his education by completing his Postgraduate Diploma in Software Marketing, M.Phil. (Management) and Ph.D. in Information Technology Enabled Services Strategy. He is a Six Sigma Green Belt and Six Sigma Black Belt Certified by RABQSA (Registrar Accreditation Board Quality Society of Australasia). He is also an Accredited Management Teacher, (a prestigious national recognition conferred by AIMA) and Green IT certified by ISEB.

His teaching and research areas include Management Information Systems, Six Sigma for Business, IT Infrastructure Management, Market Research, IT Project Management, Management of Information Technology Enabled Services and Green IT. He has published his research findings in several refereed journals and presented several papers in various national and International conferences.

Institute Profile:

Symbiosis Institute of Business Management, Pune is a premier B-School of India recognized for its excellence in academics, high quality management programme and its valuable contributions to the industry, society, and students. The institute was established in the year 1978 and currently offers the following programs:

- A two-year full-time MBA programme with specializations in Marketing, Finance, Operations, Human Resources and Data Analytics (Admission through SNAP)
- A two-year full-time MBA programme in Innovation and Entrepreneurship (Admission through SNAP)
- MBA (Executive) programme for the working professional offered during the weekends
- Executive Post Graduate Diploma programmes/ Management Development Programmes (MDPs) for corporates, as per the requirements of the corporate houses

The essential strong pillars of SIBM Pune are its illustrious alumni, exemplary students, outstanding full-time faculty, numerous visiting faculty members from the corporate and industry and dedicated staff. SIBM Pune is a student driven institute. The students' councils comprise nine teams.

Programme Profile:

Name of the Programme:

- **Master of Business Administration**

The two-year full-time residential MBA is SIBM Pune's flagship programme, spread across four semesters, offering specializations in Marketing, Human Resource Management, Finance and Operations Management. The structure of the programme is designed to give students the best in industry exposure and a nurturing classroom environment, to help them become the leaders of tomorrow, in the specialization of their choice.

- **Master of Business Administration (Innovation and Entrepreneurship)**

The Government of India has declared 2010-20 as 'India's Decade of Innovation' and the industry is increasingly expecting its employees to have an entrepreneurial mindset. In addition, there is also an increase in the number of management graduates eventually taking the entrepreneurial plunge. It is becoming increasingly clear that managers who can conceive and execute innovative projects that add to the organisations' top and bottom lines will only be put in the leadership pipeline.

Since there are no institutes in India providing an MBA programme combining innovation and entrepreneurship/intrapreneurship, there is a huge opportunity for Symbiosis to fill this space. Moreover, the Diploma in Innovation Corporate Entrepreneurship (DICE) which SIBM Pune has been successfully running is a case in point to suggest that there would be takers for this programme both from the student side as well as from the industry side.

To sum up, sufficient demand exists for such an MBA programme and SIBM is also ready with a suitable programme based on its two-year experience of running DICE.

Duration:

- **Master of Business Administration:** 2-year Full-Time Residential Programme
- **Master of Business Administration (Innovation and Entrepreneurship):** 2-year Full-Time Residential Programme

Intake:

- **Master of Business Administration:** 180 seats
- **Master of Business Administration (Innovation and Entrepreneurship):** 60 seats

Orientation and Pedagogy:

SIBM Pune conducts its Orientation Programme in a novel way. The very first day of the programme is made special for the students. After the opening address by the Director, the students are divided into teams. Each team is assigned to faculty members, who take the students through a series of interesting ice-breaking sessions and team building exercises for the rest of the day. The day ends with a group task for the next day. On the second day the teams are expected to perform on stage. The stage performance is divided into parts: academic and cultural performance.

The next two days are generally devoted to outbound activities leading to development of team building and problem-solving skills. The last two days are for sessions by corporate executives as well as entrepreneurs, preferably from the alumni pool.

The Pedagogy at SIBM Pune is a mix of many methodologies. Apart from the usual chalk & talk, there is a conscious effort to make the sessions interactive by using case studies and references of latest developments in the relevant field. In addition, students are encouraged to undertake multiple projects to hone their research and analytical skills. Latest tools and techniques like Business Simulations are used, wherever possible. Ample amount of guest lectures is organized by inviting leading corporate executives, especially from the alumni pool. In fact, SIBM Pune has consistently received Awards for excellent industry interaction. Students are also encouraged to write success stories of illustrious alumni, which the college publishes in the form of books. Field visits are also a regular feature.

Dr. Asmita Chitnis
Director

Director Profile:

Dr. Asmita Chitnis is a Post Graduate in Statistics and holds a PhD degree in the field of Operations Management. She started her career with the National Institute of Bank Management (NIBM) as a researcher and worked on different projects of Reserve Bank of India (RBI) during this tenure. She has more than 30 years of academic and corporate training experience to her credit. Dr. Chitnis has been associated with the National Institute of Bank Management (NIBM), National Insurance Academy (NIA), Open University of British Columbia (OUBC), and many more as an Educator and Marker. Her research interests include Performance Evaluation, Benchmarking, Forecasting, etc. and have published no. of papers in these fields of management.

Institute Profile:

Established in 1992, Symbiosis Institute of International Business (SIIB) is a constituent of Symbiosis International (Deemed) University (SIU) and is one of the highly acclaimed business schools in the country. It has been recognized as a B-School that provides budding entrepreneurs and managers with the foresight to tackle the sweeping changes of the liberalized and globalized Indian economy. The motto of the institution has always been to adapt to 'Global Business Challenges' which it has successfully done for the last twenty-nine years. SIIB is one of the few institutes under SIU imparting education in 3 diverse areas namely; International Business, Agri-business and Energy and Environment. This diversity is the core strength of SIIB. With several International academic as well as corporate collaborations to its credit, SIIB is a true guiding force that facilitates students to get equipped for the International business environment. In an increasingly globalized world, SIIB is ahead of the curve with Internationalization, Ethical and value-based learning, Promotion of health & wellness, Development of Global Competencies, Knowledge generation, dissemination.

At SIIB, the students get an excellent opportunity to interact with the best in the industry during various management events organized by the Institute and through guest lectures, workshops, industry visits, live projects, and a mandatory two months summer internship. This constant interaction with industry keeps the students updated about the latest industry trends and ensures overall personality development. The institute can boast of 100% placements in companies encompassing a variety of sectors like Consulting, Banking, IT, Manufacturing, Logistics, HR, Agri-Input, Sustainability, Power, Renewable Energy, etc.

The Institute has several international academic collaborations with overseas Universities like Berlin School of Economics & Law [BSEL], Germany, Hochschule Bremen University of Applied Sciences, Germany, Munich University of Applied Sciences, Germany, Flensburg University of Applied Sciences, Germany, Dauphine University, Paris to name a few; apart from its collaborations with KPMG, Bloomberg, SAP, etc.

We are proud to state that, SIIB is the first campus in the country to be part of the Smart Campus Cloud Network (SCCN) to measure and monitor the total energy consumption of the institute using a cloud-based real-time wireless system.

Programs Profile

Name of the Programme(s):

- **Master of Business Administration (International Business):**
(Specializations: Marketing, Finance, Supply Chain Management & HR)
 - ✓ Counted amongst the league of top MBA schools in India, SIIB's flagship programme is the MBA in International Business. The MBA-International Business is an intensive, two-year, residential, post-graduate degree programme, specifically designed for a rewarding career in global business management. This programme is a unique blend of theories and practices that prepares students for domestic markets as well as business on a global platform.
 - ✓ The International Business courses such as Export and Import Management, Global Strategic management, Trade Finance and Forex Risk Management, Advanced Strategic Management, Foreign languages, etc., make this programme truly unique and aligning to trends in the International business discipline.
 - ✓ Students, who enter the portals of the Institute, come from diverse academic backgrounds such as engineering, economics, mathematics, chartered accountancy, IT, commerce, etc., and provide a vibrant tone to the programme. The first semester serves as a churning crucible and creates the basis for understanding business management. Students are brought together on a level playing field before the introduction of specializations in the second semester.
 - ✓ Symbiosis Institute of International Business (SIIB) offers an elective system wherein a student can opt for major courses in any one functional area of specialization (Marketing, Finance, Supply Chain Management, and Human Resource). The semester pattern followed by SIIB ensures that the subjects are covered in detail and every course that is taught, is understood and assessed thoroughly.
- **Master of Business Administration (Agri Business)**
 - ✓ Agriculture and allied sectors like forestry and fishing accounts from a significant part of the GDP and continues to be the mainstay of the Indian economy. Food security is a growing need of society and mankind and much emphasis is laid on commercializing agricultural production. Hence, adequate production, distribution of food, food security has lately become a global concern.
 - ✓ Agriculture has long been seen as a sector with tremendous potential in India. In the last few years, the sector has seen an unprecedented gain with many government and private sector initiatives. The, changing global norms and increased global competitiveness invite a tremendous need for professional courses in Agribusiness Management and makes it one of the most challenging and exciting sectors to be in, either as a professional or as an entrepreneur. The MBA-Agribusiness program is thus a response to this growing need for professionals, who can contribute to, and engineer the agribusiness revolution. SIIB is recognized as one of the top institutes for imparting an industry-relevant course in Agri Business Management in India.
 - ✓ The MBA-Agri Business programme broadly covers Marketing (emphasis on rural marketing and retail management), Finance (emphasis on microfinance, commodity trading and lending and risk management), Supply Chain Management (logistics in retail), and Taxation. It also focuses on the relevant and applicable fields of Agriculture and WTO, Agri-export-import and Agricultural Finance. Moreover, at SIIB, a student pursuing an MBA in Agri Business possesses a high level of decision-making skills and can go out confidently into the demanding and dynamic world of Agri Business Management.
- **Master of Business Administration (Energy and Environment)**
 - ✓ Energy, the essential resource behind every economic activity is intrinsically as well as extrinsically linked with nature in satisfying the world's basic needs. The management of this relationship between the energy sector and the ecological environment has become increasingly complex due to a paradigm shift in our

SIIB Leadership Series – L to R: Dr. Asmita Chitnis – Director SIIB, Dr. Prince Augustin, EVP- Group Human Capital and Leadership Development, Mahindra & Mahindra, Dr. Vidya Yeravdekar - Pro Chancellor – SIU and Principal Director, Symbiosis Society, Dr. Juergen Morhard, Consul General of the Federal Republic of Germany, Mr. Ranjan Mathai, Former Foreign Secretary, Govt. of India and Dr. Rajani Gupte -Vice Chancellor, SIU.

perspective and outlook. These are global issues and have found a prominent place in all recent global debates like climate change, resource management, energy security, etc.

- ✓ The MBA in Energy and Environment programme is a niche domain that is currently offering a lot of opportunities waiting to be tapped in the areas of Sustainable development. As an Institute of International Business, SIIB believes that strengthening one's capacity and building it in this emerging sector is critical. Therefore, the Institute has taken this initiative to create young professionals who can be an asset to organizations in this crucial expertise area. These unique two years in Energy, Environment and sustainability programme, focuses exclusively on the Energy and Environment sector, in the national as well as global context and addresses the current needs of the industry. The primary objective of this programme is to equip aspiring global managers with managerial, economic, legal, political and relevant technical competence. The programme also serves as a base for providing the crucial link between the world of technology, business and sustainable development.
- ✓ The programme provides a judicious blend of theory and practice and prepares the students to meet contemporary global needs. The programme has been designed in such a way that it imparts the knowledge of general management and at the same time encompasses sectors namely power, renewable energy, energy efficiency, oil and gas, climate change and sustainable development, green buildings, corporate sustainability, global standards and environmental management, etc.
- ✓ A student pursuing his MBA in Energy and Environment will be able to deal effectively in energy audits, offer solutions in energy conservation and management, ESG sustainability standards, LCA renewable energy business and finance, etc.

Duration of the Programme(s):

- **Master of Business Administration (International Business):** 2-year Full-Time Residential Programme

Orientation and Pedagogy:

The approach adopted at SIB seeks to empower the students to harness their potential strengths and to emerge as positive, well-informed and confident individuals.

The design of the courses is rigorous, requiring an intensive application. The quantum of activities including continuous evaluation, self-study, assignments, numerous group and individual projects and presentations, deadlines for assignments ensure that time management skills are developed.

There is a fine blend of theoretical and practical inputs through faculty drawn from the industry, to ensure that students are industry-ready in their chosen functional areas.

Active participation in various activities ensures excellent people management and organizational skills. Organization of regular guest lectures and workshops by industry practitioners help enhance industry student interactions. Live projects and group exercises as an internal part of the course work brings in much-desired relevance to the learning process. Student-driven co-curricular and extra-curricular activities give enormous opportunities for out of class learning. Service-learning is inculcated through focused involvement in Institutional Social responsibility related activities.

Installments	1,05,000	5,79,600	4,95,000		
Last date of payment	At the time of acceptance of 'Offer Letter' (USD equivalent to INR)	At the time of Reporting to SCIE	25-Nov-2022	25-Jun-2023	25-Nov-2023

50% Concession to be given only to the Foreign National students on Administrative Fees.

* Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

** Hostel and Mess Fees for the subsequent year would be communicated before commencement of the next academic year.

* Few seats are reserved as Discretionary Quota Seats. Only students with high academic record and with good entrance test scores are considered for Discretionary Quota Seats. The fees for Discretionary Quota seats will be double the academic fees of open category as approved by the Fee Structure Committee, to be paid to the institute by way of online transfer/demand draft. No donation or capitation fee is charged for admission to any program at any institute of SIU. Once admission is taken in Discretionary Quota, the fees applicable to Discretionary Quota will have to be paid by the student for the entire duration of the programme.

Programme Structure:

Master of Business Administration (International Business)

(Specializations: Marketing, Finance, Supply Chain Management & HR)

* Subject to change

Semester : I

Core Courses

- Economics for Managers
- Export Import Management
- Advanced Data Driven Decision Making

- Business Communication
- Business Statistics
- Corporate Governance and Ethics
- Essentials of Marketing Management
- Financial Accounting
- Global Business Environment
- Human Resource Management
- Supply Chain Management
- Research Methodology
- Well for Life

Electives

- Basic German I
- Basic French I
- Basic Spanish I
- Basic Japanese I

Semester : II

Core Courses

- Financial Management
- Trade Finance and Forex Risk Management
- Cost Accounting
- ERP-Business Process Integration
- Global Strategic Management
- Operations Research
- Organizational Behaviour
- Project Management
- Sales Force and Channel Management

- Marketing Research
- Flexi-Credit Course
- Integrated Disaster Management

Electives

- Basic German II
- Basic French II
- Basic Spanish II
- Basic Japanese II

Electives: Finance

- Security Analysis and Portfolio Management
- Financial Risk Management

Electives :Human Resource

- Employment Related Laws
- Talent Acquisition

Electives :Marketing

- Services Marketing
- Consumer Behaviour

Electives :Supply Chain

- Advanced Supply Chain Management
- Materials Management

Semester: III

Core Courses

- Internship
- Advanced Strategic Management
- Business Analytics
- Six Sigma
- Research Publication

Electives: Finance

- Financial Statement Analysis
- Business Statistics with R
- International Finance
- Flexi-Credit Course
- Financial Modeling
- Corporate Valuation
- Commercial Banking
- Marketing of Financial Services
- Insurance Management
- Advanced Project Finance Structuring
- Financial Econometrics
- Fixed Income Markets
- Wealth Management

Electives: Human Resource

- Financial Statement Analysis
- Business Statistics with R
- International Human Resource Management
- Flexi-Credit Course
- Talent Management
- Learning and Development
- Performance Management System
- HRD Instruments
- Technology in HR /SAP HR/ People Soft
- HR Analytics
- Organizational Development and Change
- Industrial Relations

SIIB Students at Surya Shibir during Outbound session

Electives: Marketing

- International Marketing
- Flexi-Credit Course
- Digital Marketing
- Marketing Strategy
- Customer Relationship Management
- Marketing Models
- Brand Management
- Pricing
- Business to Business Marketing
- Retail Marketing
- Financial Statement Analysis
- Product Management
- Business Statistics with R

Electives: Supply Chain

- Financial Statement Analysis
- Business Statistics with R
- International Logistics
- Flexi-Credit Course
- Retail Distribution and Logistics
- Service Operations Management
- Supply Chain Performance Measurement
- Advanced Operations Research
- Management of Operations
- International Commercial Law
- Advanced Project Management

- Procurement Management
- Advanced Operations Management

Semester: IV Core Courses

- Dissertation
- Project

Electives :Finance

- Direct Taxation
- Financial Engineering and Analytics
- Mergers and Acquisitions
- Investment Banking
- Risk Analytics
- Behavioral Finance

Electives: Human Resource

- International Commercial Law
- Leadership and Capacity Building
- Organizational Theory, Design and Structure
- Social Media in Human Resource Management
- Coaching, Counselling and Mentoring
- HRD Audit and Scorecard

Electives: Marketing

- Marketing Analytics
- Sustainable Marketing
- Marketing Innovation
- International Commercial Law
- Marketing of Financial Services
- Marketing in Emerging Economies

Electives :Supply Chain

- Operations Planning and Scheduling
- Sustainable Supply Chain
- Technology in Supply Chain
- Warehouse Management
- Supply Chain Risk and Reliability Management

Master of Business Administration (Agri Business)

* Subject to change

Semester : I

Core Courses

- Agricultural Economics
- Marketing Management
- Advanced Data Driven Decision Making
- Basics of Financial Management
- Business Communication
- Human Resource Management
- Strategic Management
- Business Statistics
- Introduction to Agriculture
- Agri Supply Chain Management

Dr. Pratima Sheorey
Director

Director Profile:

Dr. Pratima Sheorey has an MBA in Marketing from the University of Pune and a Ph.D. from Symbiosis International (Deemed University). She has more than 25 years of experience in the academic and corporate sectors. She has worked with ORG-MARG (now AC Nielsen), the Hero Group and others in the corporate sector and has been a faculty at various institutes of Symbiosis International (Deemed University). She has worked in the area of Market Research, Training & Consulting and Business Development. Dr. Pratima has trained executives in many organizations in India and abroad in various behavioural and functional programmes like Service Orientation, Selling Skills, Creativity and Innovation etc. across all levels. She has been instrumental in guiding her students in various national and international student competitions where they have won accolades for the institution. She has published many papers in reputed journals and participated in Indian and International conferences. Dr. Pratima is an editor and reviewer with many journals and publications like Pearson Education. She is serving on many important committees such as a member of: the Asia Pacific Advisory Council for AACSB, HR/IR Committee of MCCIA, Academic Council of SIU, Board of Studies of Management at SIU, Post Graduate Admissions Committee of SIU etc. She is a regular visiting faculty at Telecom Ecole De Management, Paris. Her research interests are Customer Engagement, Experiential Marketing, Consumer Behaviour, Value Creation, and Education Management.

Institute Profile:

SYMBIOSIS CENTRE FOR MANAGEMENT & HUMAN RESOURCE DEVELOPMENT (SCMHRD) is a premier institute honing world class leaders and entrepreneurs. Established in 1993, SCMHRD's MBA program is one of the most prestigious programs in India. It is the first B-School in Pune and one amongst the 14 B-Schools in India and only 5% B-Schools in the world to have been accorded the prestigious AACSB Accreditation.

SCMHRD specializes in producing quality talent in the fields of HR, Marketing, Finance, Operations & Supply Chain, Strategy, Innovation & Entrepreneurship, Infrastructure Development and Management and Business Analytics. The institute believes that wholesome knowledge can be gained through experience and practical learning. Hence the intense academic curriculum is designed such that it prepares students to deliver their best.

Apart from academic excellence, the institute also focuses on equipping the students with the latest technical competencies used in the corporate world. It also provides opportunities to develop their leadership and entrepreneurship skills through various student activities and institute initiatives. Association with National Entrepreneurship Network is one such initiative to breed young entrepreneurs.

SCMHRD has become one of the trusted names in the industry for delivering quality at workplace. This is evident from SCMHRD's track record of placing its students in most sought-after companies every year. Our unique learning approach combined with the focus on holistic development gives an edge to SCMHRD students and prepares them for the challenging life ahead.

Internationalization at SCMHRD

The process of internationalization is rooted in the DNA of Symbiosis International University (SIU). At SCMHRD (a constituent of SIU), the process of internationalization has received due weightage.

SCMHRD encourages International student and faculty exchange programs along with collaborative faculty research with International Universities. In its endeavour to make a mark in the international institutes, SCMHRD has got itself AACSB accredited. AACSB (The Association to Advance Collegiate Schools of Business International), is a voluntary, non-governmental accrediting agency that oversees the standardization of collegiate schools of business and accounting nationwide. SCMHRD hopes to achieve a full circle in terms of internationalization by getting AACSB accredited.

The students at SCMHRD are exposed to the internationalization process through various summer programs, semester exchange programs and by participating in the workshops and sessions conducted by eminent international faculty members from reputed B-schools like The Liverpool Business School, Telecom-De-Ecole, Berlin School of Economics and Law, Leeds Beckett University, University of Wolverhampton and many more. Additionally, SCMHRD was the chosen destination by Asia Foundation to host 27 students from Afghanistan. The institute is fortunate to have an exchange student from Berlin School Economics and Law and one student availing the prestigious DAAD scholarship.

The faculty at SCMHRD foster global outlook by participating as visiting faculty and research scholars at various International Business schools like Telecom-De-Ecole, Nottingham Trent University, Deakin University to name a few. Amidst the pandemic too SCMHRD faculty has been successful in collaborating with Valais-Wallis University of Applied Sciences & Arts Western Switzerland to conduct experiential learning sessions on Leading Multicultural Project teams with students from both the institutes. While this was a teaching learning collaboration, there has been collaborations on the research front too which have materialized in securing international collaborations for the Annual Research conference hosted by SCMHRD.

Programs Profile

Name of the Programme(s)

- **Master of Business Administration**

MBA at SCMHRD goes beyond the traditionally tried and tested methods to instill in students a complete entrepreneurial mindset. The MBA curriculum equips students with tools to lead and manage in today's ever-changing business landscape. The focus is not just on the underlying theory, but how to apply cutting-edge concepts to real and relevant business problems. The MBA Programme provides a distinctive business school education that blends cutting-edge research and industry practice to give students precisely the right inputs for unlimited professional and personal development. SCMHRD is committed to providing students with an education that lasts and evolves over a lifetime.

- **Master of Business Administration (Infrastructure Development and Management)**

SCMHRD's unique programme MBA - Infrastructure Development and Management, aims to build capabilities to make Infrastructure happen. The course content blends SCMHRD's proven legacy of management education and a curriculum that has been designed by industry experts. The course is exhaustively designed to deal with various issues and challenges in the development of infrastructure in India. At the same time, it provides a strong grounding in general managerial aspects like business strategies, supply chain management and business laws. Students are given opportunities to specialize in select functional and sectoral areas.

- **Master of Business Administration (Business Analytics)**

The programme is built on a solid foundation of programming in R - the de facto standard for statistical computing and analysis. Students are also given a strong grounding in using SPSS and SAS with various add-on packages. Data mining tools like Weka and data visualization software like Tableau feature strongly in the programme. The courses are designed and taught in a way that will give an appreciation for various functions encountered in a real-life business situation. Students get hands on learning about how the processes with respect to Marketing, Risk, Operations, HR, and Finance are interlinked.

Duration of the Programme(s):

- **Master of Business Administration:** 2 year Full-Time Residential Programme

Orientation and Pedagogy:

“The great aim of education is not knowledge but action.”

- Herbert Spencer

The pedagogy at SCMHRD is a concoction of learning techniques that prepare the students for real-world challenges. Classroom lectures at SCMHRD are never a monologue but always a discussion as the students are encouraged to question the common practices and come up with innovative solutions. They are made aware of the different verticals of many industries through Guest Lectures where they get a chance to learn and interact with leaders from various corporate fields. This helps in broadening their perspective and gives them a glimpse of what the corporate world holds for them.

SCMHRD follows a unique way to help its students get acquainted with their batchmates by organizing an outbound learning program. A lot of team-building exercises are conducted in order to remind them that the first order of action is working together, before working to win. On the very first day, as part of the induction programme, students have a session with the Director and heads of various departments who walk them through what SCMHRD has in store for them. Students are also briefed about the importance of gender sensitization in the development of an individual.

Language is not only a medium of communication but also a channel to build relationships and nurture friendships. “Vasudhaiva Kutumbakam”, which means “The world is one family” is entirely true in the post-globalization era. This intensifies the need for future business leaders to be well-versed in at least one foreign language. At SCMHRD, students are given an opportunity to learn foreign languages, thereby preparing them to be world-class leaders.

Students are given remote access to relevant databases and a plethora of online library resources to enable strengthen their academic insights. Each student at SCMHRD is given access to Coursera courses which help along with the prescribed eBooks and articles for a better understanding of the courses. Along with their full-time degree, students are able to acquire certificates of accomplishment for various courses from reputed foreign universities through the Coursera platform. Regular tests, assignments, individual and group projects, and competitions keep students on their toes. Case study discussions, simulations, presentations, live projects, summer internships, participation in various committees enable holistic development in students.

Since SCMHRD is accredited by AACSB the right pedagogy and also adequate learning is emphasised upon. This is ensuring by following a process of **Assurance of Learning (AoL)**.

Assurance of Learning (AoL)

Assurance of Learning (AoL) is an ongoing process with continuous improvement at its core. The purpose of AoL is to determine whether or not the learning in the curriculum has produced the desired learning goals. Acquisition of the knowledge and skills takes place throughout the program curriculum, whereas measurement takes place at a predetermined point. At SCMHRD each course in the program has been mapped with the different program level learning goals and assessed via various assessment components. And measurement may reveal attainment or failure to attain a student learning outcome that took place throughout several courses. The purpose of assessment is to enhance the educational experience of students and identify areas where we can better prepare them for professional careers.

Brig. Dr. Rajiv Divekar (Retd)
Director

Director Profile:

Brig (Dr.) Rajiv Divekar is the Director of Symbiosis Institute of Management Studies, Pune for the last 12 years. He was Head of Faculty Strategic and Operational Studies at Army War College, Faculty member in Defence Strategic Studies at Defence Services Staff College, Wellington.

He has done his PhD from Symbiosis International University. He is a M. Phil from D A V V University and MSc from Madras University. A Gold medallist in BE (civil), he has done his MBA specializing in Human Resource Management. He has rich experience of strategy, planning, logistics and human resource management based on his service with multinational team as United Nations Forces in Somalia and Lebanon.

He has served in Kargil and Leh on the Line of Control where he was responsible for the Logistics and Supply Chain Management of soldiers located on posts at 17000- 22000 feet in the Siachen Glacier. After 34 years of service in the Army, he left voluntarily and joined Symbiosis Institute of Management Studies as Director.

Brig. (Dr.) Rajiv Divekar is a professor in faculty of Management specialising in HR Strategy & Leadership. He has a large number of publications in National & International Journals & also in Scopus listed Journals. He is a charter Member of the All India Management Association.

Brig. Divekar is on the Academic council & Board of Studies at SIU. He is also the chairman of the SIU NAAC committee. SIU got an A grade & a score of 3.58 in the last NAAC review under his chairmanship.

Institute Profile:

Symbiosis Institute of Management Studies (SIMS) set up in 1993 is a premier Management Institute ranked amongst the top B Schools in India. SIMS is a constituent of the prestigious Symbiosis International (Deemed University) and is the only MBA institute of its kind in India and a shining example of PPP (Public Private Partnership) between Symbiosis and Government of India - Ministry of Defence since 2002. Its flagship full time 2-year MBA course is primarily for Defence Personnel and their Dependents with some seats for Civilian candidates. This ideal mix of defence dependents and civilians brings out the best in both and ensures holistic development. SIMS has an ergonomically designed and ideally located campus in the heart of Pune. It provides secure residential accommodation to over 600 girl and boy students, state of the art facilities and infrastructure. It is truly a "Home away from Home".

SIMS is an ISO 9001:2015 quality certified management institute. It is one of the three institutes in complete Western India which is an accredited 'Centre for Corporate Governance' of the 'National Foundation of Corporate Governance' (established by Ministry of Corporate Affairs and CII) and one of the few recognised as a centre for Entrepreneurship by Department of Science and Technology. SIMS encourages, promotes entrepreneurial activities, and is approved as Business Incubator by Ministry of MSME. SIMS has 8 Bloomberg Terminals which facilitate student learning by enabling them to get live financial and economic data of companies across the globe. SIMS also subscribes to numerous e-learning resources including various journal, online case study, industry, economics and e-books databases amongst others.

SIMS has academic collaborations with Leeds Beckett University, UK; Hochschule Bremen University of Applied Sciences, Germany; Berlin School of Economics & Law, Germany & IESEG School of Management, France for various academic programmes. SIMS has association with CFA Institute University Affiliation Programme where 4 SIMS students get scholarships each year from CFA institute. SIMS also has an MOU with BSE Brokers' forum for visits and lectures. SIMS also runs a 30 months MBA Executive course as part time programme for working executives looking for enhancement in their career. SIMS has conducted customised programmes for Standard Chartered Bank, Bajaj Allianz, CTS, Indian Navy and John Deere Pvt Ltd. SIMS regularly conducts "Independent Directors Course" for senior officers of Defence Services on behalf of Directorate General of Resettlement, Ministry of Defence. Latest Rankings of SIMS are as follows: -

- SIMS is ranked No.3 Top Leading B-Schools of Super Excellence in India by CSR- GHRDC B-school Survey, 2020
- SIMS is ranked No.3 in the state of Maharashtra amongst Private institutes in India by CSR-GHRDC B-school Survey, 2020

SIMS faculty are amongst the best and have many research publications in top rated research journals to their credit. SIMS has numerous live projects, consulting assignments and development programmes for Corporates. SIMS breeds achievers and leaders. SIMS students have made a mark winning numerous B School Competitions, presenting papers in various research conferences and publishing research articles and research papers in various research journals. SIMS boasts of a very large, active and dedicated alumni network. SIMS alumni have broken into the glass ceiling and are CEOs, CFOs and many have turned entrepreneurs.

SIMS has an enviable placement record and it offers an excellent return on investment in terms of the placement packages. Top Companies such as Deloitte, JP Morgan Chase, Credit Suisse, Infosys, TCS, Gartner, ICICI, HDFC, GE, Eaton Tech, Marsh, Mother Dairy, SBI, Religare Securities, Bajaj Allianz, Tata Motors, Tally Solutions, WNS, etc. are some of the loyal recruiters of SIMS student managers.

SIMS is a B School which creates leaders who "Make a Difference". Come and be a part of SIMS, become a leader and "Make a Difference".

Programs Profile:

Name of the Programme: Master Business Administration

- **Master of Business Administration**

The specializations in major/minor mode offered includes

- Marketing
- Finance
- Operations and Supply Chain Management
- Human Resource Management.

Marketing - The curriculum focuses on leadership and executive management development in order to provide students with the skills and qualifications necessary to successfully target market strategies, consumer behaviour, market research and product management.

Finance - The finance specialization is designed to provide a means for students to gain exposure to five major areas in the field of finance namely corporate finance, financial institutions, investments, insurance and personal financial planning including modules on portfolio management, financial analysis, decision making and international financial management.

Human Resource Management - The program prepares students with skills, knowledge and strategic perspectives that are essential in effective management of people resources. This program provides the student with an in-depth knowledge of current HR practices and industrial relations.

Orientation 2019 SIMS

Operations and SCM - The Operations and Supply Chain Management curriculum focuses on the design and management of the processes by which products are manufactured and services are delivered to customers. The core course provides an overview of the field and Critical processes that enable service delivery systems, supply chain, and quality improvement efforts.

Orientation and Pedagogy:

Orientation is an integral part of SIMS. It is a credit course in the programme structure which is placed as an Experiential Course It prepares the new MBA students for a life of professional manager & equips them with the strength to deal with the challenges it presents. The duration of orientation programme ranges from 2- 3 weeks. The programme starts as soon as students report to college in June. The overall orientation structure is divided in two parts - academic & extracurricular.

In Academic; students attend lectures that covers the basics of subjects for the 1st semester like Accounting, Economics & Business Communication and major topics on Excel and Statistics. The students also attend various guest lectures that range from motivational talks to choosing the right specialization.

The extra-curricular focuses on inculcating good habits. During the orientation the day starts at the early morning. All the students attend basic exercises followed by activities like yoga, sports, dance which focuses on stamina & importance of good health. It also focusses on the Management Games and also the Musical Programme which is a source of stress buster. It focusses on ISR activity which shows the concerned towards the society as extension programme and also Swachh Bharat as a responsibility towards the society.

In the evening students are given assignments to work on. The aim of such assignments is to emphasize on self-learning & peer-learning.

The orientation, even though hectic; equips SIMS students with leadership capabilities, time management, multi-tasking & importance of goal-setting - all the qualities, that SIMS Alumni are known for in the Industry.

Prof. Abhijit Chirputkar
Director

Director Profile:

Dr. Abhijit Chirputkar is presently the Director at Symbiosis Institute of Digital and Telecom Management (Formerly SITM) which is a constituent of Symbiosis International (Deemed University) (SIU). He is a rank holder in M.Com. at the University of Pune. He is a Chartered Accountant and before joining Symbiosis, he was a practicing Chartered Accountant and Certified Information Systems Auditor. He furthered his education in finance and completed a program of Masters in Business Finance from ICAI. He holds Ph.D. from Symbiosis International (Deemed University) (SIU) in the area of Bank Audit and Assurance. He has consulting experience of more than ten years in the areas of Finance, Audit and Assurance, Taxation. He was a visiting faculty in prestigious management and professional institutes and delivered lectures in the areas of accounting, finance, and taxation. He has more than 20 years of teaching experience including corporate training. He has written more than 50 articles, papers, case studies, and chapters in books. He has presented papers at national and international conferences including IIM-A. He has received IPR in the area of telecom assurance. He is a member of The Institute of Chartered Accountants of India and ISACA (USA).

Institute Profile:

Symbiosis Institute of Digital & Telecom Management (SIDTM) (Formerly SITM) was established in the year 1996. We are the pioneers in the field of Telecom Management education in the entire SAARC region. The institute was established in 1996 following National Telecom Policy and liberalization in this sector. SIDTM has always been ranked amongst top MBA institutes in India.

2012: Best Domain-Specific B-School (Bloomberg - UTV)

2014: Top B-Schools for Excellence in India (Competition Success Review)

2015: National Award for Excellence in Telecom (World CSR day & Stars of the Industry Group)

2015: Best B-Schools for Eminence in India (Competition Success Review)

2016: SITM ranked 9th in by CSR in the category of B School of Eminence

2017: Telecom Lead Tech Institute Award in July 2017

2018: Ranked 11th in top private B -School in West Zone by The Week

2019: Ranked 10th in top private B -School in West Zone by The Week

2020: Ranked 11th in the top private B-School in West Zone, Top 21st in India by The Week and Ranked 9th in the West Zone and 13th Top Eminent Private B-School by GHRDC

To guide and usher the telecom industry into the next wave of growth, the Government of India 2018 announced the National Digital Communications Policy (NDCP) which was earlier known as National Telecom Policy. According to the NDPC, Digital India is already unfolding. India's digital profile and footprint are one of the fastest-growing in the world. With over a billion mobile phones and digital identities and half a billion internet users, India's mobile data consumption is already the highest in the world. At the current pace of digitization and digitalization, it is estimated that India's digital economy has the potential to reach one trillion USD by 2025. In view of the changes

in this ecosystem and the changes in policy, the institute name is changed from Symbiosis Institute of Telecom Management to Symbiosis Institute of Digital and Telecom Management and the program now offered is M.B.A. in Digital and Telecom Management.

At SIDTM, we focus on Digital and Telecom management. The curriculum consists of core management subjects and is applied to digital technology management through case studies. "Technology Management" courses include business or managerial aspects of digital, telecom, and information communication technologies and also emerging areas such as Analytics, Internet of Things (IoT), Financial Technologies, Smart devices, Cloud Infrastructure, Data center, Cybersecurity, Mobile applications, Digital Marketing, and Blockchain, etc.

SIDTM has over 2600+ alumni who are making their mark in the industry as Business and Technical Consultants, Network Managers, Project Leaders, Business Development Managers to name a few. Many of our senior alumni are holding senior management positions such as CEO, Director, Vice President, Head of business units and functional areas, Country Managers, and Entrepreneurs. Apart from the telecom sector, alumni are contributing to the Digital Technologies domain cutting across industries and sectors such as Media and entertainment, Banking, Consulting, Fintech, IT and ITES, etc. A sizeable number of alumni are working for large MNCs and are based in various regions across the globe.

SIDTM is a constituent of Symbiosis International University (SIU) established under Section 3 of the UGC Act 1956, by notification No. F 9-12/2001-U 3 of the Government of India.

Programs Profile:

Name of the Programme:

- **Master of Business Administration (Digital & Telecom Management)**

Dual Specialization in:

- Marketing & Finance
- Systems & Finance
- Analytics & Finance

Duration of the Programme(s):

- **Master of Business Administration (Digital & Telecom Management):** 2 Years Full-Time Residential Programme

Intake:

- **Master of Business Administration (Digital & Telecom Management):** 150 seats

Dual Specialization in:

- ✓ Marketing & Finance: 60 seats
- ✓ Systems & Finance: 60 seats
- ✓ Analytics & Finance: 30 seats

Eligibility:

- **Master of Business Administration (Digital & Telecom Management)**
 - ✓ Candidate should be Graduate from any recognized University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% or equivalent grade for Scheduled Caste/ Scheduled

Induction 2019

Grudge 2019

Tribes).

- ✓ Candidates appearing for final year examinations can also apply, but their admission will be subject to obtaining a minimum of 50% marks or equivalent grade (45% or equivalent grade for Scheduled Caste/ Scheduled Tribes).
- ✓ A candidate who has completed qualifying qualification from any Foreign University must obtain an equivalence certificate from Association of Indian Universities (AIU).

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Admission Process:

- **Master of Business Administration (Digital & Telecom Management)**

- ✓ Symbiosis National Aptitude Test (SNAP Test) is the gateway for Post Graduate Programmes of Symbiosis International (Deemed University).
- ✓ Candidates should register and pay for SNAP Test & separate institute program wise registration fees. For more details and registration, please visit <http://www.snaptest.org>
- ✓ In the SNAP Test, candidate is judged on General English, Current Affairs, Quantitative Aptitude and Analytical & Logical Reasoning. If shortlisted, he/she should attend the GE-PIWAT process which is conducted by the institute.

Reservation of Seats: As per University norms.

Disclaimer:

These dates are tentative and are subject to change. Any changes will be reflected on institute website: www.sidtm.edu.in

Orientation and Pedagogy:

The institute believes in techno-managerial aspects of the business. The learning is student centric and experiential in nature. It includes;

- ✓ **Classroom Training:** The spirit of classroom teaching encompasses the fundamentals of theoretical and conceptual learning. It extends its traditional boundaries into the world of interactive learning through case studies, assignments, quizzes, and mock presentations by the students.
- ✓ **Group Learning:** The students are grouped into syndicates, which encourages a free exchange of ideas. We strongly believe that syndicate learning is vital for creativity. This activity encourages students to understand group dynamics and then perform in groups.
- ✓ **Dynamic Curriculum:** The course structure, academic curriculum, and examination process is continuously upgraded. To address the existing needs of the industry and following the academic portfolio, SIDTM has a "Program Review Committee" consisting of senior management professionals from industry, alumni, and

Inauguration of Communique 18 International Telecom Seminar by Mr. Edwin Moses, Group Vice President – Oracle

The creative Quotient with ideas worth spreading

academicians.

- ✓ **Guest Lectures:** Guest Lectures offer students a chance to interact with professionals not only from the IT and Telecom industry but also from various other fields. Their inputs enable our students to get insights into the corporate world.
- ✓ **Simulations:** Simulations are used in a few courses to get overall exposure to various aspects of learning. The simulations include telecom simulation, network simulation, and business simulations. It becomes a part of experiential learning.
- ✓ **Lab Teaching:** The lab is extensively used for a few courses such as network, analytics. SIDTM has an IBM Analytics Lab, CISCO Lab, and Amazon Web Services Lab for cloud, UiPath Lab for robotics. It is also a part of experiential learning.
- ✓ **Workshops:** The inputs from the speakers in the guest lectures are contributed by the industry leaders on a wide range of topics involving managerial, technical, and personality development which expands the horizon of knowledge. This process yields the much-needed inputs for adding a value proposition to the portfolio of a student at SIDTM.
- ✓ **Summer Projects:** The Summer Internship at SIDTM is for a period of 8 to 10 weeks starting generally in the first week of April after the Second Semester. During the internship, students are required to be with the Industry on a full-time basis. The students prepare a detailed project report which describes the entire gamut of activities covered during their internship with the industry as well as the skills that they acquire while working with them. This is an integral part of the curriculum and the student is evaluated for the same. At SIDTM we cater to majorly seven verticals.
- ✓ **Research Projects:** To inspire thought and initiate the in-depth study in various areas of business and technology, a research project is allotted to each syndicate. This project is conducted for over 10 months. The research project primarily relates to the techno-managerial aspects of the business. It involves studying the technical aspects along with business issues and commercial viability.
- ✓ **Industry Projects:** In a few cases, due to industry-institute collaborations students can undertake live projects under the mentorship of faculty members.
- ✓ **Industrial Visit:** The students are expected to visit industries in the telecom sector as a part of the learning process.
- ✓ **Internationalization:** As a part of internationalization, students are allowed to visit foreign Universities / Institutes as per SIU guidelines. The students are given credit change as per SIU rules.

50% Concession to be given only to the Foreign National students on Administrative Fees.

* Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

** Hostel and Mess Fees for the subsequent year would be communicated before commencement of the next academic year.

* Few seats are reserved as Discretionary Quota Seats. Only students with high academic record and with good entrance test scores are considered for Discretionary Quota Seats. The fees for Discretionary Quota seats will be double the academic fees of open category as approved by the Fee Structure Committee, to be paid to the institute by way of online transfer/demand draft. No donation or capitation fee is charged for admission to any program at any institute of SIU. Once admission is taken in Discretionary Quota, the fees applicable to Discretionary Quota will have to be paid by the student for the entire duration of the programme.

Programme Structure:

Master of Business Administration (Digital & Telecom Management)

* Subject to change

Semester : I

Core Courses

- Business Communication
- Business Statistics
- Essentials of Marketing Management
- Information Systems for Telecom Business
- Network Concepts and Components
- Principles and Practices of Management
- Managerial Economics
- Introduction to Telecom Technologies
- Internet-of-Things
- Operations Research
- Research Methodology
- Spreadsheets for Managers
- Integrated Disaster Management

Electives: Finance

- Introduction to Financial Markets and Institutions
- Cost Accounting
- Financial Accounting

Semester : II

Core Courses

- Project
- Wireless Technologies
- Governance Risk and Compliance
- Introduction to Business Intelligence
- Managing Pre-Sales
- Strategic Management
- Macroeconomics for Managers
- Visual Analytics
- Environmental Law and Governance

Electives: Finance

- Basics of Financial Management
- Legal and Taxation Aspect
- Management Accounting

Electives: System

- ICT Architectures and Frameworks
- Cloud-based Solution Architecture
- IT Strategy

Electives: Marketing

- Consumer Behaviour
- Marketing Research
- Product Management

Electives: Analytics

- Advanced Programming in Python
- Business Analytics
- Data Mining for Decision Making

Semester : III

Core Courses

- Project
- Services and Technology Trends in Telecom (STTT)
- Digital Transformation
- Operation Support Systems and Business Support Systems Framework (OSS/BSS)
- Flexi-Credit Course
- Digital Risk Management
- Research Publication

Electives

- Information Security Management
- Descriptive Business Analytics in Telecom
- ITIL Foundation
- General Data Protection Regulation (GDPR)
- Internal Audit

Electives: Finance

- Management of Financial Technologies
- Business Modeling and Planning

Electives: System

- Regulatory Aspects of Telecom (RAT)
- Digital Forensics
- Advanced Cloud-Based Solution Architecture

Electives: Marketing

- Services Marketing
- Brand Management
- Digital Marketing

Electives: Analytics

- Social Media Analytics
- Telecom Analytics
- Applications of AI and ML in Telecom

Semester: IV

Core Courses

- Project
- Entrepreneurship
- Well for Life

Electives: Finance

- Advanced Corporate Finance

Electives: System

- ICT Consulting

Electives: Marketing

- Supply Chain Management

Electives: Analytics

- Advanced Big Data Analytics in Telecom

Prof. Dr. Vandana Sonwaney
Director

Director Profile

Dr. Vandana Sonwaney, founding member and Director of Symbiosis Institute of Operations Management, shifted to academics 27 years back after 12 years of corporate experience in Electronic, FMCG and Services sector with profiles in brand liquidation, logistics service enhancement, S&OP and SCM and Consulting.

Her exemplary work in curriculum development focused on continually evolving competency requirements of the industry, culminating into shaping a niche Institute in field of Operations management that SIOM stands conceitedly today and speedily evolving into a center of operations excellence. Under her leadership, SIOM bagged “Best Industry Interface” and “Best Industry oriented curriculum” every year since 2009. SIOM also received the “The prestigious Education Excellence Award 2018” by Confederation of International Accreditation Commission forum in Delhi.

Dr. Vandana is a recipient of “Distinguished Service Award” for her contribution to fostering Management Research; she received the “Indian Leadership Award” for Education Excellence by All India Achievers foundation New Delhi and the “Outstanding B School Director Award” in 2019.

Dr. Vandana is currently on the CII Maharashtra task force for Manufacturing and Innovation and also a Co Convener of Industry -Institute collaboration at CII North West Maharashtra Zone. She is on the National Advisory Board of Small and Medium Enterprises Chamber of India.

Dr Vandana acts as an Independent Director on the Company Boards. She is a member on the Board of Symbiosis International Deemed University.

Her keen drive for competency building, technology oriented and corporate linked learning systems has been the game changer for SIOM and Industry alike. With the vision of empowering & leading Operations Excellence for industry & community at large, she pledges to fuel transformation & leadership competencies to medium & small firms in a constructive way.

Institute Profile:

Symbiosis Institute of Operations Management (SIOM) is one of the premier business schools in India affiliated to Symbiosis International (Deemed) University, (SIU) Pune. Since its inception SIOM has laid its emphasis on operation excellence and has carved out a comfortable niche in the area. SIOM, exclusively for ENGINEERS, is the India’s only Institute dedicated to Operations Management, constituted with a vision of Empowering and Leading Operations Excellence, with the understanding that industry hires talent with a vision for world class excellence, atop the current competitive markets. Business today is driven by technology. Understanding the breadth and depth of this area; the advent of SIOM aims towards World Class Management Programs with emphasis on Operations Management.

SIOMMBA programme in Operations is striving relentlessly to equip and shape engineers into outstanding “Techno-Business” leaders. The MBA - Operations Management program at SIOM arms each engineer with vital skills and knowledge necessary to design, manage, analyse, and improve the operations systems in any industry, anywhere.

The institute boasts of competencies and expertise of its students in SCM, Business Process Management, Business Analytics, Project Management, Quality Management, Demand Planning Management, Enterprise Solutions (ERP), Logistics, Manufacturing and Operations Research. Efforts are taken to infuse the latest technological trends in the Industry and hence, IOT, Block chain, Artificial Intelligence, Machine learning and Analytics have been woven strategically in the curriculum. Continuous updating of curriculum with the consent of corporate mentors and keeping abreast with the latest has been the trend at SIOM. This quest for the best paved way for several laurels like “B-School with the Best Industry related Curriculum in Operations Management”, “B-School Excellence Award for Innovative, Modern and Industry related Curriculum B School” “Award for Industry related curriculum in Operations, Business School with Best Academic input (Syllabus) in Operations & Manufacturing, Procurement Excellence Awards and many more since its inception every year by reputable Institutions.

Other than imparting the best of curriculum the Institute carefully chooses workshops and certifications for developing expertise and competencies like the Six Sigma Black Belt Certification by KPMG, SAP modules, under the SAP University Alliance Program, APICS Supply Chain / Demand Management / Operations Strategy, Supply Chain Models and International Logistics workshop every year. Realizing the fact that along with the niche expertise in operations overall understanding of Business Integration would only contribute to further building competencies in the allied domain, SIOM introduced electives in functional areas of Finance, Marketing, Human Resource, Project and Information Technology but with the focus of Operations.

This industry orientation has attracted companies like Deloitte, Mckinsey, PwC, Amazon, 3M, IBM, BOSCH, Cummins, Tata motors, GE, Phillips ITC, Godrej, Novartis, VmWare, KPMG Accenture and other leading corporates from different sectors like Manufacturing, Consulting, BFSI, IT/ITes, FMCG, Retail, Logistics, Retail, Mining, Pharmaceuticals and Infrastructure to participate in the placement process.

Programme Profile:

Name of the Programme:

The SIOM Operations Management specialization empowers each engineer with sharp engineering and scientific capabilities along with smart business management disciplines. The students are dressed to tackle planning, development, and implementation tribulations that their organization might confront. The curriculum deals with topics such as supply chain management, project management, technology management, modelling dynamic systems, and quality management.

- **Master of Business Administration (Operations Management)**

MBA (Operations Management) is designed exclusively for Engineers to meet the needs of operations expertise and competencies in diverse sectors of economy viz. Manufacturing, Service, IT, FMCG, E Commerce and Consulting. The objective is to develop amongst the students, in-depth strategic understanding of operations systems, their components, contributions, and interactions with other functional areas and the analytical tools necessary to address both strategic and tactical issues especially catering to the dynamic global business

Welcome Address by Dr. Vandana Sonwaney, Director, SIOM

Disclaimer:

These dates are tentative and are subject to change. Any changes will be reflected on institute website: www.siom.in

Orientation and Pedagogy:

MBA (Operations Management) is designed exclusively for Engineers to meet the needs of diverse sectors of economy. The course is oriented to fill in the void of operations competencies needed to successfully drive businesses through the complex dynamics of the global economies.

Briefly, SIOM is an Institute that is dedicated to the creation of operation managers who are proficient at improving an organization's operational performance by minimizing 'defects' in the manufacturing and service-related processes. Inspired by the motto of the institution 'Empowering and leading Operations excellence for Industry excellence and community wellbeing', engineers who step out of the SIOM portals and stride into the corporate world, prove to be prized assets for modern day organizations. The sectors open for career in operations are Manufacturing, Consulting Firms, Retail, Financial Institutions, Transportation and Logistics, Construction, Information Technology and Hospitality. Students are equipped to attract strategic job profiles in Process Improvement and Management, Developing, Implementing and forecasting strategies, Supply chain network designing and Optimization, Supplier demand management, Procurement, Demand forecasting, Quality Management, SCM Consulting, Process Improvement, Client Service Manager, and many more given the capacities and expertise gained during the course. Highly advanced and Industry relevant state-of-the-art course with balanced understanding of technical-analytical and organizational-behavioural aspects of the market makes this program unique.

In the light of COVID 19 outbreak, where students are yet to join SIOM on campus, online mode of teaching is being followed till further orders from Govt. of India /Govt. of Maharashtra. As per the SIU guidelines courses are delivered 100% in ONLINE mode. Microsoft Teams is the official platform used for all academic sessions and activities.

On campus academic sessions and pedagogy is as follows:

Regular sessions: These are regular classroom sessions on courses listed in the SIU approved programme structure for which a fortnightly schedule is communicated to all students through the portal.

Project Based Wlearning: Live Projects are sought from the Industry for which students register and appear for the selection process. Selected students then complete the project as a module in lieu of the some subjects. Apart from these students are required to do projects, assignments, for certain core and elective subjects, as per course plan prepared by respective faculty. Projects will also be undertaken as a part of the Consulting Club. The objective is to inculcate research capability & practical insights and problem solving of the subject within the student.

SAP-ERP: SIOM under University Alliance Programme with SAP ACC from Victoria University, Australia provides in house SAP-ERP training to students through SAP trained faculties on various modules

Six Sigma: All students undergo Six Sigma training through theory & practical sessions with live projects which is evaluated by KPMG experts to earn Lean Six Sigma Black Belt Certification.

It is crucial that students equip themselves with prior reading based on the course plan of each course for effective learning experience. The course plan suggests delivery mechanism of course along with pre reads, case studies, presentations, which students are required to go through before-hand. Absence of this may lead to compulsory library hours for the students

Co-curricular Learning Activities:

Value added and enrichment courses are offered through various platforms. These form an important supplementary part of mainstream learning. Students are expected to participate and attend all such sessions.

Workshops: Workshops for skills development or in-depth inputs of subjects which may or may not be a part of the course structure are organized

Guest Lectures / CEO Meets: Heads of Corporate / CEOs of companies are invited to share their experiences with the students to impart practical insights and relevance of subjects

Institute events are hosted to create industry-academia interaction platforms like HR Summit, Tattv which help students to get real life learning from industry experts

Industry visits: Industry visits are arranged during Semester. Every student visits at least one company to give them an exposure to the Manufacturing / Operations / Retail / Service / Quality sectors / Industries in and around Nashik.

Outward Bound Learning (OBL): OBL is to foster learning and camaraderie through management games and simulations in natural surroundings

Community outreach projects: Students are assigned a specific and time bound community project as a 1 credit course to enhance sensitivity towards the societal environment in which we live and imbibe citizenship values

International Research conference: The conferences invite academicians, research scholars, and corporate professionals to present innovative ideas and concepts through their research papers that support and justify the operations excellence in the management of supply chain that is considered to be interdisciplinary. The conference features keynote speeches and Panel discussions from industry and academia experts.

Address by Chief Guest Dr. Vidya Yeravdekar, Hon. Prochancellor, SIDU & Principal Director, Symbiosis Society

Address by Chief Guest Dr. Rajani Gupte, Vice Chancellor, Symbiosis International Deemed University

- Data Driven Decision Making
- Financial Accounting
- Research Methodology
- Executive Business Communication
- Integrated Disaster Management

Semester : II

Core Courses

- Advanced Statistics
- Advanced Operations Research
- Operations Planning and Scheduling
- Supply Chain Analytics
- Financial Management
- Human Resource Management
- Global Business Environment
- Strategic Management
- Six Sigma
- Advanced Data Driven Decision Making
- Business Simulation
- Corporate Social Responsibility Project-I

Electives

- Entrepreneurship
- Business and Social Impact Management
- Lean Management
- Warehouse Management
- Service Operations Management
- Theory of Constraints
- Project Based Learning - I

Semester : III

Core Courses

- Operations Strategy and Control
- International Logistics
- Leadership and Capacity Building
- Blockchain Technology for Operations & SCM
- Business Analytics
- ERP-Business Process Integration
- Managing Digital Transformation
- Corporate Social Responsibility Project-II
- Summer Internship Project
- Business Transformation and Organizational Turnaround
- Flexi-Credit Course
- Research Publication

Electives

- Supply Chain Strategy
- Sustainable Supply Chain
- Consumer Behaviour
- Infrastructure Project Management
- ERP - SCM
- IT Consulting

- Project Quality Management
- Strategic Cost Management
- Operations in Financial Services
- Taxation
- Marketing Analytics
- Innovation Management
- Security Analysis and Portfolio Management
- Project Based Learning - II

Semester : IV

Core Courses

- E-Business Operations
- Legal Aspects of Business
- Six Sigma Project

Electives

- Social Media and Web Analytics
- Trade Finance and FOREX Management
- HR Scorecard and Analytics
- Financial Econometrics

Dr. Madhvi Sethi
Director

Director Profile:

Dr. Madhvi Sethi completed her post-doctoral fellowship from Indian School of Business (ISB), Hyderabad after doing her Doctorate in the area of financial markets. Her research interests lie in the areas of financial markets, financial economics, mergers and acquisitions and capital structure decisions. She has presented papers in several international and national conferences. Her research papers have been published in various peer-reviewed journals in India and abroad. She has co-authored a book titled “Indian Business Groups: Strategy and Performance” which has been published by Cambridge University Press, India. Her co-authored cases are available on Harvard Business Publishing and Ivey Publishing.

Dr. Sethi has been appointed as the Research Mentor for SIBM-Bengaluru by Symbiosis International (Deemed University), Pune. She has been involved in corporate programmes conducted at Wipro and Infosys where she has been teaching executives at different management levels. Dr. Madhvi Sethi has been invited to deliver guest sessions at Nottingham Business School, Nottingham Trent University (UK) and Gabelli School of Business, Fordham University (NY). She has also been an adjunct Faculty with School of International Business and Entrepreneurship, Steinbeis University, Germany.

Institute Profile:

Ever since its inception in 2008, Symbiosis Institute of Business Management, Bengaluru has been striving to achieve excellence in imparting Management Education. The Institute believes that the demand from the corporate is for “techno managers” who embrace technology and analytics while excelling in their domain areas. The dynamic curriculum and rigorous academic practices at SIBM Bengaluru incorporate this industry expectation into a teaching-learning process.

Management education is expected to provide the skills, knowledge and experience to make sound decisions in a complex and ever-changing business environment. SIBM Bengaluru envisions a Management Education with a “Quantitative Difference” by focusing on data analytics across all programmes. At SIBM, Bengaluru the decision-making skills of the students are enhanced with the use of Harvard cases, simulations and core curriculum. Technology has been further integrated into the curriculum with an all-encompassing learning management system and flipped classroom model. Data driven decision making skills are imparted by including training on software applications like R, Python and Tableau. The Institute hosts a diverse set of databases like Bloomberg, CMIE Prowess etc to facilitate access to financial and economic data for robust analysis.

Management Education provided at SIBM Bengaluru is based on the SEAT (Sustainability, Ethics, Analytics and Technology) philosophy. Through this philosophy we aim to create managers who not only excel in areas of analytics and the underlying technology, but at the same time are conscious of both ethical issues and sustainability needs of the planet.

We have a proprietary model called “SC-IE-NCE” that forms the basis of curriculum development. We combine the Student Competence (SC) with Industry Expectations (IE) and arrive at New Courses or Enhancements (NCE). Our curriculum goes through two levels of scrutiny – one through our own internal Board of Studies comprising of

Industry Experts, Faculty and Alumni and another through the Board of Studies of the University.

The Institute firmly maintains that learning goes beyond the classroom and organises regular student-industry interaction through guest sessions and corporate events. Industry interface is further strengthened by live projects and summer internship programmes. Continuous and close interaction between Academia and industry has intensified the trend of getting SIBM-B students' industry ready. Incorporation of industry feedback into curriculum and teaching learning process help us in successfully bridging the gap between industry expectations and graduate outcomes. The dividend for successful integration of industry expectations has been paid off in the form of diversified placement profiles and better packages.

Vibrant student committees and clubs complement the programme by providing a platform for the students to nurture their leadership skills. Apart from training the students to acquire the knowledge and skills to excel in their professional lives, the institute also focusses on developing the right values and attitudes among the students through various social responsibility activities.

Erudite and accomplished faculty members at SIBM Bengaluru spearhead the process of transforming students into techno managers. Our faculty team consists of a unique blend of professionals with rich industry experience and research accomplishments. They hail from top B-Schools in the country including IIMs, ISB etc.

Programme Profile:

Name of the Programme(s)

- **Master of Business Administration (MBA)**

The MBA Program at Symbiosis Institute of Business Management Bengaluru (SIBM-B) aims to mould and groom future business leaders.

The first year of the MBA program is divided into two semesters comprising of the foundation subjects of management such as Economics, Accounting, Statistics, Strategy, Marketing, Operations, Organizational Behaviour, Finance, Human Resource Management and others. At the end of the first year, the students go for SIP (Summer Internship Program) for the duration of 8 weeks. It offers an opportunity to students to get an exposure to the corporate world and to put their learnings into practice.

The second year of the program (comprising of third and fourth semesters) offers students a chance to specialize in their area of interest. The specializations offered are Finance, Marketing, Operations and Human Resource Management. Apart from the specializations, students are also encouraged to choose electives outside one's area of specialization.

- **Master of Business Administration (Quantitative Finance)**

MBA in Quantitative Finance (MBA QF) is an offspring of the 'Quant Revolution' led by Mr. Jim Simons that disrupted the financial markets in 1980s. The revolution was brought about when a group of scientists started applying techniques such as stochastic calculus and probability theory, once reserved for advanced scientific research, into the area of option pricing & financial modelling and found a way to beat Wall-Street emphatically. This led to the genesis of Quantitative Finance – a field that combines Finance & Advanced Math & Stats like never before. The financial markets generate a vast volume of data on a daily basis. Due to this, quantitative skills have become more important for executives to understand the models and to make right predictions. At SIBM-B, huge emphasis is placed on the usage of real-time data to make the learning holistic. The right technological

UTOPIA - International Student Fest (31st July 2018)

ALCHEMY - The Management Conclave (14th and 15th September, 2018).

infrastructure is in place and is equipped with multiple Bloomberg Terminals with 24/7 access, online databases like EBSCO, Emerald, Jstor, CMIE Prowess etc. to facilitate the same. There is also a Data Lab with platforms like R, SPSS, Tableau & Python for incisive data analysis.

- **Master of Business Administration (Business Analytics)**

The big data and data analytics industry will be a multi-billion industry by 2023. In 2017 itself, a McKinsey report stated that a shortage of millions of data and business analysts is keeping the modern business enterprise machine away from peak performance. With the tsunami of data generated on a daily basis, executives have to incorporate IT skills into their arsenal to take well informed decisions. The MBA programme in Business Analytics (MBA BA) at SIBM Bengaluru, empowers managers to take data driven decisions and steer the business in a successful direction. Business management and analytics is an unbeatable combination that has made modern enterprises more competitive and has streamlined their decision making. An MBA(BA) graduate will develop expertise in several data analytics tools to derive insights to solve a myriad of business problems. This requires end to end knowledge of platforms like R, Python, SPSS – all of which are present at the data lab at SIBM B. The institute also boasts of Bloomberg terminals and online research databases like EBSCO, Emerald, Jstor, and Prowess.

Duration:

- **Master of Business Administration:** 2-year Full-Time Residential Programme

Dr. Manisha Ketkar
Director

Director Profile

Dr. Manisha Ketkar, Director and Professor, Symbiosis School of Banking & Finance is a Commerce graduate and a Fellow Cost Accountant (FCMA). She has also done her Master's in Business Studies (MBS) from the University of Pune.

She has done her PhD in 'Study of supply risk management practices' with Symbiosis International (Deemed University) under the guidance of Dr. O.S.Vaidya from IIM Lucknow. Dr. Ketkar has presented papers in International Conferences and also has published papers to her credit.

Dr. Ketkar has 30 years of experience. She has handled the operations of a business unit of a pharmaceutical multinational for over 16 years before her passion for teaching made her join Symbiosis in 2006. Her areas of expertise are Cost & Management Accounting and Supply Chain Management.

Dr. Ketkar is acknowledged for her interactive teaching approach. Along with academics, she is also known for her innovative approach to improvements, from student related matters to process reengineering.

Institute Profile

Symbiosis School of Banking & Finance was established in the year 2010 to address the growing demand for trained workforce in the Banking and Financial Services Sector. Given that a strong and resilient banking system is critical for fuelling and sustaining growth, the importance of having industry-ready manpower cannot be over-emphasized. This programme - MBA (Banking and Finance) has been designed to provide the necessary education and skill-sets to equip students to innovate, manage, lead and take on the challenges of this increasingly complex and dynamic sector. SSBF is committed to providing an environment that facilitates learning and development of well-rounded personalities such that they leave the portals of the institute as industry-ready professionals.

The exponential growth of the banking and financial sector in this competitive era has opened up varied career roles. Starting from the Financial and Business Analytics to Assets Management, today the students have numerous options to choose from. SSBF changes its programme structure regularly making it even more industry relevant based on inputs from industry experts. Our MBA also offers in depth knowledge, encompassing the multiple aspects of the Banking, Financial Service and Insurance (BFSI) industry. We focus more on – inculcating adaptability in students, making them lifelong learners.

During the pandemic the teaching is conducted through synchronous and asynchronous mode, both, to ensure flexibility in learning along with doubt clearing sessions. The evaluations are conducted in an online mode through various online platforms and the Term End exam is an online proctored exam.

In order to ensure that the students are ready to take up the challenges posed by the corporate sector, SSBF also incorporates industry relevant certifications such as CCRA recognized by the RBI, Bloomberg Market Concept and NISM certifications etc. as a part of its curriculum. To facilitate students in getting an industry exposure, they have to mandatorily undergo an internship of two months with a bank, NBFC or a corporate house. To hone the research and analytical skills, students also undertake a dissertation project where they work on a topic of their interest

under the guidance of a faculty mentor. The students are also encouraged and trained to write Research Papers and publish them in renowned journals.

Guest lectures by international faculties are also arranged regularly to broaden the outlook of the students. In order to inculcate the spirit of teamwork and improve their leadership skills students have to be a member of at least one committee like Institute Social Responsibility (ISR), Corporate Interface Team (CIT), E-Cell, Public Relations, Sports, Alumni and Placement to name a few. Students are also encouraged to participate in various extracurricular activities, Institute Social Responsibilities (ISR) activities, cultural and sports events to develop personality and grow personally and professionally. Mock Group Discussions – Personal Interviews are arranged for the students which are conducted by industry experts. Special sessions on Interview and Soft Skills are also arranged. SSBF encourages students to appear for examinations of Reserve Bank of India (RBI) and various other Government institutions to give substantial contribution in the growth of our country. Students are encouraged to pursue professional courses such as CFA, FRM and CFP.

Symbiosis School of Banking and Finance (SSBF) is proud to announce that almost every year 100% placement of eligible students is achieved.

Several esteemed organizations like JP Morgan & Chase, Crisil, BNY Mellon, IDFC First Bank etc. offer various roles like Analyst, Management Trainee, Relationship Manager, Wealth Management, Credit Manager, Operation, and Retail Branch Banking in the BFSI Domain.

Similarly, various organizations like JP Morgan Chase, CRISIL, RBI and other public sector banks offer summer internships with various roles.

Programme Profile

Name of the Programme:

- **Master of Business Administration (Banking and Finance)**

The MBA (Banking and Finance) program is designed with an objective to disseminate relevant knowledge and provide skills to students such that they function effectively in the challenging environment of the Banking, Finance and Insurance (BFSI) sector. The programme develops future BFSI leaders with requisite skills through robust curriculum and collaborative initiatives to excel in the dynamic global environment.

Orientation and Pedagogy:

The classroom environment is interactive where participative learning permits a free flow of ideas between faculty & students. Members of the faculty facilitate this by adopting a wide variety of teaching - learning methods such as group discussion, case studies, presentations, analytical sessions, seminars & formal lectures. Wherever applicable the theory is amply complemented through simulations and experiential learning and in a nutshell provides an excellent platform for honing management and leadership skills.

Banking and Finance being a specialized domain the role of faculty members becomes instrumental for the students' academic and professional progress. The role of faculty in a class room is more of a facilitator role imparting and building the theoretical foundation of the field and stimulating learners to think critically in practice. Student exchange programs with international universities like Berlin School of Economics and Law (BSEL)- Germany, Macquarie University-Australia, Leibniz University-Hannover, University of Bremen-Germany, Steinbeis University-Germany, Nanyang Technological University- Singapore also enable students to get an international exposure and become internationally acclimatized. Semester exchange programs empowers students to multifaceted learning approaches and generates interest in cross cultural and global issues unleashing them to new knowledge horizons.

Faculty at SSBF are qualified and experienced academicians. Most of the faculty members served in the industry who are committed to excellence in teaching and research. The faculty cohort is a healthy mix of both academicians and ex bankers which give the students the best of both: theory and practical experience.

Courses are taught by means of numerous pedagogies for assessing the student's depth of understanding and decision making. Active learnings, collaborative learning and experiential learning is emphasized at SSBF thus the teaching methods include Role plays, Case Studies, Field Work, Scenario Analysis. Various activities are conducted by faculty with the help of students such as financial literacy workshops for undergraduate students of other institutes, live projects, simulations, problem solving exercises, participate in competitions, field visits, research paper discussions, article / report writing, financial and statistical lab activities. Usage of online resources is an integral part of the curriculum.

Blended learning integrates theoretical and practical applications through digital tools: R software, SPSS, Bloomberg, Capitaline and GIEOM which enhances the learning experience. Online collaborative platforms are embedded in the curriculum for providing technology enabled learning environments and developing non-cognitive competencies. SSBF has partnered with AIWMI to offer the prestigious global certification-Certified Credit Research Analyst (CCRA™) which is recommended by RBI. Apart from this, various other certifications like Certified Investment Research Analyst (CIRA™), Certified Private Banking Manager (CPBM™) are also offered. These are comprehensive global level education programs designed to give an expert level understanding of banking, credit markets and other varied aspects in the finance domain. SSBF has partnered with GIEOM, Banking solutions platform for providing application-based learning. They are embedded in the curriculum as a teaching learning pedagogy and evaluations.

Faculty members invite industry experts during their classroom session to provide the practical applications of the theoretical concepts. These methodologies have increased the academic rigor and have proven effective in disseminating and integrating knowledge amongst the learners. Industry academia interface exposes the students to apply the knowledge acquired in classroom to the real-life situations and keeping them updated on the latest developments in the domain.

The institute has a healthy faculty student ratio. Beyond classroom faculty is a mentor to the students, effective mentoring results into rewarding experience for both faculty and students. The focus of mentoring at SSBF is on psychological support, advancement in the academic career and professional development of mentee.

Dr. Shirang Altekar
Director

Director Profile:

Prof. (Dr.) Shirang Altekar holds a Ph.D. in Consumer Behaviour. He is also an alumnus of the Symbiosis Institute of Business Management, Pune, a top B - School in India, from where he did his Master's in Business Administration, with Marketing as his area of specialization. He has extensive knowledge of technical and non-technical areas of business and has been involved in running businesses at the strategic level. He comes with an industry background of 23 years, and has academic experience of 15 years, with over 10 years' experience as a Director. He has worked in a consulting, advisory and learning and development capacity with several corporates in the FMCG, Insurance, Manufacturing, Chemical, Pharmaceutical and Aviation Sectors. His love for academics and a desire to give back to his Alma Mater coincided with a planned shift to academics in 2006. Dr. Altekar also holds a degree in Law. He was the Chairman of the Curriculum Evaluation Committee and the Academic Audit Committee of the Symbiosis International (Deemed University) (SIU) for 2 years.

Prof. Altekar has served on several Committees of Symbiosis and the Symbiosis International (Deemed University). He is a member of the Academic Council as well as the Board of Studies of the University. He Chairs the Board of Studies Sub - Committee on General Management. He is also a member of the Board of University Development, SIU. In the past he has also been nominated on the Departmental Promotions Committee and the Post Membership Academic Committee of the Institute of Company Secretaries of India, a statutory body formed under an Act of Parliament. He has also been nominated on a Task Force Committee by the Ministry of Youth Affairs and Sports for driving Excellence in Sports Universities. Prof. Altekar has also been a member of the Higher Education Committee of the Indo French Chamber of Commerce and Industry for a few years, and is currently the Vice Chairman of the Committee.

Prof. Altekar has been invited to lecture at prestigious institutions like the Higher Command Wing, Army War College, MHOW, as well as the UGC Academic Staff College, Jawaharlal Nehru University. He has been instrumental in bringing to his students some of the best practices in industry, to enhance and supplement their academic inputs, and is highly acknowledged as a Teacher and a Learning and Development expert.

He was the Director of SCMS Noida for 8 years, and is widely credited with having brought it up to feature in the top 25 BBA Institutes in India in 2018. Today, he heads Symbiosis Institute of Business Management, (the flagship brand of Symbiosis) in Nagpur. Currently, he also holds charge of Symbiosis Centre for Corporate Education, Nagpur, and has founded, and held charge of Symbiosis Centre for Skill Development, Nagpur, from April 2019 to June 2021.

From April, 2019, till 31st March, 2021, he was also entrusted the additional responsibility of founding and establishing Symbiosis Centre for Management Studies, Nagpur.

Institute Profile:

Symbiosis Institute of Business Management, Nagpur is a Constituent of Symbiosis International (Deemed University), (SIU). An off-campus institute of SIU, SIBM Nagpur has been established with the aim of imparting world-class education to students and transforming them into top notch business leaders. It will offer, to begin with, a two years' full time MBA program with an option to specialize in Marketing, Finance, Operations or Human Resource. The Institute will later on add additional programs after taking due approvals from SIU.

Being part of huge 75-acre beautiful Campus, SIBM-Nagpur has state-of-the-art infrastructure and world class facilities for all-round development of students. The MBA program is fully residential, with excellent hostel facilities, including wi - fi and air conditioning.

SIBM- Nagpur has the unique advantage for being situated in the upcoming educational hub of Maharashtra and in the vicinity of MIHAN Project of Government of Maharashtra, with a huge Special Economic Zone alongside. These projects are expected to house various export-oriented units like I.T. industries, gems and jewellery, garments, electronic goods, pharmaceuticals, processed foods and many other types of industries. Students will get enormous opportunities for internships, and live projects. Proper Placement assistance is offered to the students, and Placements for the first batch initially started on a very promising note, with the highest package offered being ₹ 12.00 lakhs. However, the pandemic did affect Final Placements to a certain degree. The Institute however rebounded strongly, and Placements for Summer Internships were excellent, with students selected in very good corporates. Placements for the current year have started well, with the highest PPO received at ₹ 13.2 lakhs.

The Institute was originally to start with an approved intake of 120 seats, which was later enhanced to 180. 25% seats are reserved for Nagpur domiciled candidates. The Institute for the year 2021-22 has met with an outstanding response from students. It offers 4 specializations: Marketing Management, Financial Management, Human Resource Management, Logistics and Supply Chain Management. From Academic Year 2022-23, it will also offer Business Analytics as a 5th specialization.

From the Academic Year 2022-23, SIBM Nagpur will offer an additional program, MBA (Food and Agri Business Management) with an intake of 30 seats. This is a specialized program, and the proposed launch has been enthusiastically received already. This program will focus on the business operations of both Food and Agri Business Sectors, which are widely perceived as ones offering a

From the year 2022-23, it will also offer a Post Graduate Diploma in Aviation Logistics, with an intake of 30 seats, as also Master of Business Administration (Executive) with an intake of 60 seats. These have been approved by the Board of Management of the University, the Institute is awaiting formal approval for the launch of the same.

The Institute offers regular corporate interactions and is also being supported strongly by senior SIBM alumni. SIBM – N also conducts Management Development Programs for reputed corporates, and has recently tied up with a Mini Ratna Company of the Government of India for training programs for 2 years. More such collaborations are in the pipeline. The Institute is also offering Consulting Services and Commissioned Research to Corporates.

Prof. Dr. Jatinderkumar R. Saini
Professor & Director

Director Profile

PhD (Computer Sci.), MCA [Gold Medals & Univ. 1st rank in all 3 years], BSc (Computer Sci.) [Silver Medal], Recipient of DAAD Fellowship (Germany), FIETE, MISTE, MISG, MISCA, MISRS, Joint Secretary & Executive Committee Member, ISRS, Pune Chapter (2021-23), Joint Treasurer & Executive Committee Member, IETE, Vadodara Chapter (2016-18), Joint Secretary & Webmaster & Executive Committee Member, ISG, Vadodara Chapter (2014-2019), Managing Committee Member, CSI, Vadodara Chapter (2016-17), IBM Certified Database Associate - DB2, IBM Certified Associate Developer - RAD, BULATS Certified [CEFR/ALTE C1/4], CPT Certified [CEFR/ALTE C1/4], LASSIB White Belt Certified.

A distinguished and established academician, researcher and administrator, Prof. Dr. Jatinderkumar R. Saini was awarded PhD in Computer Science in 2009. He has nearly 190 research publications including those published by Elsevier, Taylor & Francis, ACM, Springer, IEEE and InderScience. He has papers with Thomson Reuters Impact Factor journals, nearly 70 Scopus and nearly 60 Web of Science (WoS) indexed published/in-progress papers and best paper awards by AICTE, IEEE, S4DS, ISTE, etc. With more than 625 citations, h-index of 13 and i10 index of 19, his papers have been cited in more than 50 countries by publications included in Elsevier, ACM, Springer, Taylor & Francis, IEEE, Hindawi, Sage, Wiley, ACL, IET, IOS Press, World Scientific, Palgrave Macmillan, IOP Publications, PubMed, etc. including by world's top-notch as well as 1st ranked International Journals with WoS Impact Factors of 8.746, 7.596, 5.122, 5.101 and 3.928.

Dr. Saini has reviewed for esteemed and high Thomson Reuters Impact Factor journals published by Elsevier, ACM, IEEE, Springer, Emerald, Sage, Frontiers, PeerJ, Wiley, World Scientific, De Gruyter, IGI, ActaPress and InderScience, to name a few. He is also acting as an editorial/reviewer board member for journals with very high Thomson Reuters Impact Factors, including IEEE Transactions and ACM Transactions journals. Additionally, he has also reviewed papers and chaired sessions for various international conferences, both in and outside India. He has been four times awarded with outstanding reviewer certificate by Thomson Reuters Impact Factor bearing International Journal. Dr. Saini has been named among top 1% Computer Science reviewers in the world by Thomson Reuters continuously for two years, i.e., 2018 and 2019. Ten candidates have been awarded PhD and seven more are currently pursuing their doctoral research work under his guidance. He is working as a Co-Principal Investigator in ISRO, Ahmedabad sponsored research project of Rs. 9 Lakh and 2 years. He was selected and invited as a guest faculty at BSEL, Berlin and is a recipient of DAAD fellowship for visiting Germany.

Prior to joining SICSR, Dr. Saini was working as a State Government University endorsed Professor and Director. His vast experience comprises of working also as HoD, University Coordinator, Director of AB Innovation Sankul and Zonal Exam Coordinator for entire South Gujarat under the State government's Gujarat Technological University, Ahmedabad. In the year 2005, he secured first position in the written test and later in the interview (panel comprised of IIM-A dignitaries) too at State level and had a distinct opportunity of working with Gujarat Secretariat, Gandhinagar for the ambitious e-governance project of Govt. of Gujarat as well as the coveted privilege of working in the Cyber Security domain at one of the only four licensed certifying authorities under Ministry of Information Technology, Govt. of India.

Dr. Saini is included in the Marquis Who's Who in the World, USA since 2012. His lectures have been live

broadcasted at national level and available online as part of NCTEL too. He has completed nearly 50 international MOOC course certifications and professional and specialization certifications as well, almost all with distinction, through various universities of highest repute like Massachusetts Institute of Technology (MIT), University of Texas at Austin, Stanford University, Rice University, Johns Hopkins University, The Pennsylvania State University, Case Western Reserve University, The Ohio State University, University of Rochester, to name a few.

Institute Profile

Symbiosis Institute of Computer Studies and Research (SICSR), a constituent of Symbiosis International (Deemed University), and established in 1985, aims at building future leaders for the Information Technology (IT) industry worldwide by imparting world class IT education to them. We offer state-of-art information technology education for building leading-edge and innovative IT applications. The fundamental principles on which we lean on are to use IT in all that we do so that our students are technology savvy and are practicing what they learn namely the use of IT to solve business problems. IT is a rapidly changing field where new concepts and technologies are constantly emerging and are leading to the development of new products and innovative applications. IT also plays a vital role in development of next generation technologies in other disciplines. IT has become a critical tool for economic, business and social development and will play a pivotal and catalytic role in a nation's progress.

We are on the forefront in realizing the vision of our Founder and Chancellor, Honourable Dr. S. B. Mujumdar Sir, to be a true International University, promoting diversity with students from various countries in the Under Graduate and Post Graduate Courses in IT and Management.

We offer a complete portfolio of IT education programs, including undergraduate programs Bachelor of Business Administration (Information Technology) and Bachelor of Computer Applications, full-time post-graduate programs Master of Business Administration (Information Technology), Master of Business Administration (Digital Transformation) and Master of Science (Computer Applications).

We focus on the holistic development of students by providing them opportunities to participate in academic as well as co-curricular and extra-curricular activities. We have several clubs such as orators' club, theatre club, music club, dance club, tech club, art club and photography club.

In the AY 2020-21, SICSR was ranked no.1 amongst the 'Top BCA Colleges of India' and ranked no.2 amongst the 'Top BBA Colleges in India' for the BBA-IT program with first rank in Western Region according to GHRDC Times Annual Survey Report 2020.

The BCA programme of SICSR was ranked no.2 in 2020 by India Today and BBA (IT) programme of SICSR was ranked under top 10 institution by the India Today ranking.

SICSR was ranked 14th by competition success review under top B School of Eminence in India for 2020.

IEEE Student Chapter established affordable agriculture lab at SICSR, various other activates are conducted through SICSR ACM Student chapter and SICSR Google Developer Student Club.

The students imparted MSCIT training to underprivileged students studying at ZP Schools at Nande village

The students imparted MSCIT training to underprivileged students studying at ZP Schools at Mutha village

Programme Profile:

Name of the Programme:

- **Master of Business Administration - Information Technology (MBA-IT)**

- ✓ To prepare students in applications of information technologies to deliver software solutions.
- ✓ The program focuses on Imparting training in latest technologies, Exposure to best business practices, Building team leadership qualities and management skills
- ✓ As programme relates to current professional practice and the work place, the students are best suited for entry-level positions as Application Programmer: Using latest methodologies, development tools, languages. Business Analyst: Business development, Pre-sales, Selection & Implementation of software solutions. Quality Analyst: Implementation of enterprise level quality models, design / implementation of software development processes, testing and technical documentation

- **Master of Business Administration - Digital transformation (MBA-DT)**

- ✓ To prepare students to lead and drive digital transformation initiatives for the business.
- ✓ To make students understand best operational and strategic management technology drivers for the business processes.
- ✓ To enable students to lead business transformation initiatives by understanding applications of leading technologies including AI, Cloud, Business Intelligence, and Data visualization for the organisations.
- ✓ To prepare students to understand and design digital business models

- **Master of Science - Computer Applications (M.Sc.-CA)**

This programme will equip students with knowledge highly relevant to emerging technologies. This programme aims to provide a comprehensive framework for understanding by integrating theoretical foundations with extensive practical work in the labs and hands-on experience.

The programme offers following areas of specializations:

- Software Development
- Data Science
- System Security

Duration:

- **Master of Business Administration - Information Technology:** 2-year Full-Time Residential Programme
- **Master of Business Administration - Digital Transformation:** 2-year Full-Time Residential Programme
- **Master of Science - Computer Applications:** 2-year Full-Time Residential Programme

Intake:

- **Master of Business Administration - Information Technology:** 60 seats
- **Master of Business Administration - Digital transformation:** 30 seats
- **Master of Science - Computer Applications:**

Eligibility:

- **Master of Business Administration - Information Technology**
 - ✓ Graduate from any recognized University/Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste/Scheduled Tribes)
- **Master of Business Administration - Digital transformation**
 - ✓ Graduate from any recognized University/Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste/Scheduled Tribes)
- **Master of Science - Computer Applications**
 - ✓ Graduate from any recognised University /Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste/Scheduled Tribes).

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Dr. Jane Knight with faculty members of SICSIR at the time of discussion regarding challenges and implementation levels of the internationalization activities conducted at the institute.

Admission Process:

- **Master of Business Administration - Information Technology (MBA-IT)**
- **Master of Business Administration - Digital transformation (MBA-DT)**
 - ✓ Fill the SNAP Application Form
 - ✓ SNAP Fees payment
 - ✓ Register for the institute (SICSR)
 - ✓ Programme-wise fees payment for GE-PIWAT
 - ✓ Download the SNAP admit card
 - ✓ Appear for the SNAP exam
 - ✓ Check the SNAP result
 - ✓ Book your slot for the GE-PIWAT process for SICSR
 - ✓ Appear for the Group Exercise, Personal Interaction and Written Ability test (GE-PIWAT) process
 - ✓ Merit list will be displayed
 - ✓ Admission will be confirmed after payment is made
- **Master of Science - Computer Applications (M.Sc.-CA)**
 - ✓ Visit website www.sicsr.ac.in
 - ✓ Register online for MSc (CA) by filling up the online registration form available under Non-SNAP application.
 - ✓ Payment of Registration Fees
 - ✓ Book the slot for the personal Interaction (PI) process
 - ✓ Appear for the personal Interaction (PI) process
 - ✓ Merit list will be displayed
 - ✓ Admission will be confirmed after the payment is made

Reservation of Seats: As per University norms.

Important Dates:

- **Master of Business Administration - Information Technology (MBA-IT)**
- **Master of Business Administration - Digital transformation (MBA-DT)**

Details	Date
Programme Registration Begins	August 31, 2021
Last Date of Payment of Registration Fees	November 27, 2021
Admit Card Live on	December 04, 2021
SNAP 2021 Entrance Test (Computer Based Test)	December 19, 2021 January 08, 2022 January 16, 2022
Announcement of Result SNAP 2021	February 01, 2022
Last date to apply for Institute	February 3, 2022
Declaration of shortlist for GEPIWAT	February 10, 2022
Dates of GEPIWAT Process	Between February 19, 2022 and February 27, 2022
Declaration of First Merit List	March 9, 2022
Programme Commencement	June 2, 2022

- **Master of Science - Computer Applications (M.Sc.-CA)**

Details	Date
Programme Registration Begins	October 05, 2021
Programme Registration Closes	May 20, 2022
Entrance Test	NA
Test Result	NA
Declaration of Shortlist for PI	May 27, 2022
Date of PI Process	Between June 4, 2022 to June 12, 2022
Declaration of First Merit List	June 20, 2022
Programme Commencement	July 5, 2022

Disclaimer:

These dates are tentative and are subject to change. Any changes will be reflected on institute website: www.sicsr.ac.in

Orientation and Pedagogy:

SICSR's approach to teaching includes a combination of lectures, class discussion, group work, and self-study and has developed e-learning portal using MOODLE, for blended learning evaluation and continuous evaluation of students.

Fee Structure

Approved Fee Structure for batch 2022-2024 in the Academic year 2022-2023

Programme Fees For Master of Business Administration (Information Technology) (Indian Students)	Amount in ₹
Academic Fees (Per Annum) *	4,46,000
Institute Deposit (Refundable)	20,000

Programme Fees For Master of Master of Business Administration (Digital Transformation) (Indian Students)	Amount in ₹
Academic Fees (Per Annum) *	5,50,000
Institute Deposit (Refundable)	20,000

Programme Fees For Master of Science (Computer Applications) (Indian Students)	Amount in ₹
Academic Fees (Per Annum) *	4,10,000
Institute Deposit (Refundable)	20,000

Programme Fees For Master of Business Administration (Information Technology) (International Students)	USD equivalent to INR
Academic Fees (Per Annum) *	6,70,000
Institute Deposit (Refundable)	20,000
Administrative Fees (Non Refundable)	40,000

Programme Fees For Master of Business Administration (Digital Transformation) (International Students)	USD equivalent to INR
Academic Fees (Per Annum) *	8,25,000
Institute Deposit (Refundable)	20,000
Administrative Fees (Non Refundable)	40,000

Programme Fees For Master of Science (Computer Applications) (International Students)	USD equivalent to INR
Academic Fees (Per Annum) *	6,15,000
Institute Deposit (Refundable)	20,000
Administrative Fees (Non Refundable)	40,000

Hostel and Mess Fees for Indian & International Students. (Subject to change in campus and accommodation type wise, e.g. Single Sharing, Twin Sharing, Triple Sharing, Four Sharing, Dormitory) (The fees indicated herein are for Model colony Campus)	Amount in ₹ (For Indian Students)	USD equivalent to INR (For International Students)
Mess Fees (Per Annum) *	78,000	78,000
Hostel Deposit (Refundable)	15,000	15,000
Hostel Fees (Different, Subject to Sharing, Per Annum) *		
Three Sharing	92,200	92,200

* Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

Installments for Master of Business Administration (Information Technology) (Indian Students)	1st Year (Amount in ₹)		2nd Year (Amount in ₹)	
	1st Installment	2nd Installment	3rd Instalment	4th Instalment
Academic Fees (Per Annum)	2,23,000	2,23,000	2,23,000	2,23,000
Institute Deposit (Refundable)	20,000	-	-	-
Hostel Deposit (Refundable)	15,000	-	-	-
Hostel Fees (Per Annum)	92,200	-	**	-
Mess Fees (Per Annum)	78,000	-	**	-
Installments	4,28,200	2,23,000		
Last date of payment	At the time of Admission	25-Nov-2022	25-Jun-2023	25-Nov-2023

* Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

** Hostel and Mess Fees for the subsequent year would be communicated before commencement of the next academic year.

Installments for Master of Business Administration (Digital Transformation) (Indian Students)	1st Year (Amount in ₹)		2nd Year (Amount in ₹)	
	1st Installment	2nd Installment	3rd Instalment	4th Instalment
Academic Fees (Per Annum)	2,75,000	2,75,000	2,75,000	2,75,000
Institute Deposit (Refundable)	20,000	-	-	-
Hostel Deposit (Refundable)	15,000	-	-	-
Hostel Fees (Per Annum)	92,200	-	**	-
Mess Fees (Per Annum)	78,000	-	**	-
Installments	4,80,200	2,75,000		
Last date of payment	At the time of Admission	25-Nov-2022	25-Jun-2023	25-Nov-2023

* Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

** Hostel and Mess Fees for the subsequent year would be communicated before commencement of the next academic year.

Installments for Master of Science (Computer Applications) (Indian Students)	1st Year (Amount in ₹)		2nd Year (Amount in ₹)	
	1st Installment	2nd Installment	3rd Instalment	4th Instalment
Academic Fees (Per Annum)	2,05,000	2,05,000	2,05,000	2,05,000
Institute Deposit (Refundable)	20,000	-	-	-
Hostel Deposit (Refundable)	15,000	-	-	-
Hostel Fees (Per Annum)	92,200	-	**	-
Mess Fees (Per Annum)	78,000	-	**	-
Installments	4,10,200	2,05,000		
Last date of payment	At the time of Admission	25-Nov-2022	25-Jun-2023	25-Nov-2023

** Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

** Hostel and Mess Fees for the subsequent year would be communicated before commencement of the next academic year.

* Few seats are reserved as Discretionary Quota Seats. Only students with high academic record and with good entrance test scores are considered for Discretionary Quota Seats. The fees for Discretionary Quota seats will be double the academic fees of open category as approved by the Fee Structure Committee, to be paid to the institute by way of online transfer/demand draft. No donation or capitation fee is charged for admission to any program at any institute of SIU. Once admission is taken in Discretionary Quota, the fees applicable to Discretionary Quota will have to be paid by the student for the entire duration of the programme.

Japanese students at the time of their industrial visit at Pune

Programme Structure:

Master of Business Administration - Information Technology

* Subject to change

Semester : I

Core Courses

- Financial Management
- Human Resource Management
- Marketing Management
- Operations Management
- Microeconomics
- Business Statistics
- Data Driven Decision Making
- Financial Accounting
- Research Methodology
- Supply Chain Management
- R Programming

Electives

- Doing Business in India
- Indian Ethos and Values for Management
- Indian Film Industry: A Business Perspective

Electives: Marketing

- Sales Force and Channel Management
- Consumer Behaviour and Insights

Electives: Human Resource

- Labour Laws
- Learning and Development

Electives: Finance

- Financial Econometrics
- Introduction to Financial Markets and Institutions

Electives: Operations and Supply Chain Management

- Materials Management
- Quality Management

Semester : II

Core Courses

- Organizational Behaviour
- Macroeconomics
- Business Analytics for Marketing
- Legal Aspects of Business
- Management Accounting
- Management Information Systems
- Operations Research
- Project Management
- Cloud and Big Data
- Integrated Disaster Management

Electives: Marketing

- Integrated Marketing Communication
- Rural Marketing
- Marketing Research

Electives: Human Resource

- Industrial Relations
- Compensation and Reward Management
- Talent Management

Electives: Finance

- Corporate Valuation
- Financial Modeling
- Security Analysis and Portfolio Management

Electives: Operations and Supply Chain Management

- Logistics Management
- Service Operations Management
- Supply Chain Risk and Reliability Management

Semester : III

Core Courses

- Summer Internship
- Strategic Management
- Data Visualization and modeling
- Design Thinking
- Research Publication

Electives: Marketing

- Brand Management
- Business to Business Marketing
- Digital Marketing
- Retail Marketing
- Services Marketing
- Customer Relationship Management

Electives: Human Resource

- Organizational Development and Change
- Performance Management System
- Assessment Centres and HRD Instruments
- HR Analytics
- Technology in HR /SAP HR/ People Soft
- Leadership and Capacity Building

Electives: Finance

- Derivative Markets
- Fixed Income Markets
- Mergers and Acquisitions
- Financial Engineering and Analytics
- Financial Risk Management
- International Finance

Electives: Operations and Supply Chain Management

- Lean Six Sigma
- Operations Strategy and Control
- Theory of Constraints
- ERP Modules and their Integration
- Outsourcing and IT Delivery Models
- Procurement Management

Semester : IV

Core Courses

- Business Simulation
- Business Transformation and Organizational Turnaround
- Conflict and Negotiation
- Corporate Governance and Ethics
- Project

Electives: Marketing

- International Marketing

Electives: Human Resource

- International Human Resource Management

Electives: Finance

- Investment Banking

Electives: Operations and Supply Chain Management

- Enterprise Risk Management

Master of Business Administration - Digital transformation

*** Subject to change**

Semester : I

Core Courses

- Business Analytics
- Financial Management
- Digital Marketing
- Business Agile Practices
- Digital Business Models
- Electronic Customer Relationship Management
- Business Statistics
- Research Methodology
- Internet of Things
- Web Design Technologies
- Operations Research
- Integrated Disaster Management

Semester : II

Core Courses

- Flexi-Credit Course
- Enterprise Resource Planning and Supply Chain Management
- Cloud Applications for Business Processes

- Project Management
- Talent Acquisition and Retention
- Data Management and Visualization
- Blockchain and It's Applications
- Digital transformation in Health Care

Electives

- DevOps Services
- Data Analysis Using Python
- AI Applications in Business

Semester : III

Electives :Software Development

- Flexi-Credit Course
- Business Intelligence
- Digital Branding and Promotion with Social Media
- Digital Audit and Quality Control
- Digital Transformation Frameworks
- Smart Industries and Digital Trends

- International Business and Global Strategy
- System Dynamics
- Flexi-Credit Course
- Regulatory Perspectives for Digital Business
- Research Publication

Electives

- Big Data Analytics
- Applied Data Analytics with Python
- Applications of Augmented Reality and Technology Trends
- GRC and Industry Standards

Semester : IV

Core Courses

- Industry Internship

Master of Science - Computer Applications

* Subject to change

Semester : I

Core Courses

- Design of Content Management System
- Fundamentals of Computer Networking
- Design and Analysis of Algorithms
- Relational Database Management System
- Best Programming Practices
- Introduction to Operating System
- Introduction to Python
- Cyber Security
- Research Methodology

Semester : II

Core Courses

- Big Data: Systems, Programming and Management
- DevOps
- Dissertation
- Integrated Disaster Management
- Scripting Language

Electives: Software Development

- Object Oriented Analysis Design
- Software Project Management
- NOSQL Databases
- Data Warehousing
- R Programming
- Android Technologies
- Linux Scripting
- Software Verification and Validation
- Flexi-Credit Course
- Foundation Web Technology

Electives: System Security

- Software Verification and Validation
- Network Operations, Design, Optimization and Management
- Cryptography
- Database and Application Security
- Security Standards
- Web Application Security
- IT Audit and Risk Management
- secure software engineering
- Network Security Testing
- Flexi-Credit Course

Electives: Data Science

- Software Project Management
- NOSQL Databases
- Data Warehousing
- R Programming
- Linux Scripting
- Computation Methods
- Data Analysis Using Python
- Data Analysis and Visualization
- Fuzzy Logic
- Flexi-Credit Course

Semester : III

Core Courses

- Research Publication

Electives: Software Development

- Software Architectures
- Web UI and Content Management
- Pilot Project
- Data Mining and Algorithms
- Software Quality Models

- Flexi-Credit Course
- Network Programming
- Cloud Programming using Web Services
- Systems Programming

Electives: System Security

- IoT and Hardware Security
- Software Defined Networking
- Pilot Project
- Vulnerability Assessment and Penetration Testing
- Security Management Practices
- Information System Audit
- Computer Forensics - Detection and Prevention of IT Frauds
- Virtualization and Security
- Identity and Access Management
- Flexi-Credit Course

Electives: Data Science

- Pilot Project
- Cloud Programming using Web Services
- Image Processing
- Machine Learning Algorithms
- Text Analytics
- Data Science for IOT
- Artificial Neural Network and Deep Learning
- Natural Language Processing
- Flexi-Credit Course

Semester : IV

Core Courses

- Industry Internship

Please visit www.sicsr.ac.in for information related to:

- Teaching Faculty including educational qualification(s) and teaching experience
- Learning Resources
- Physical and Academic Infrastructure Facilities
- Co-Curricular and Extra Curricular Activities
- Hostel Accommodation
- Health Care Services

A Mentoring Session was organized by SICSR Pune for all students and willing aspirants of Grace Hopper Celebration 2019 (Orlando as well as Bangalore). This session was also joined by outstation students virtually through Facebook and Instagram Live.

Dr. Dhanya Pramod
Director

Director Profile:

Dr. Dhanya Pramod is currently the Director of Symbiosis Centre for Information Technology and the Dean-Faculty of Computer Studies, Symbiosis International (Deemed University). She is a post graduate in Computer Science from Pondicherry central university and completed her doctoral degree from Symbiosis International University. Dr. Dhanya also holds a master's degree in Management. She has a strong academic foundation and was the First Rank holder of University at undergraduate level and Gold medalist at post graduate level. She pursued multiple job portfolios with blend of experience including industry, research, academics and administration. The experience with Wipro Technologies R&D division gave her good exposure to research in the areas of network protocols and security. She has published research papers in several refereed journals which are indexed in Web of Science, ABDC, SCOPUS and presented papers in conferences of international repute. She is also editorial board member and reviewer of reputed journals. Her expertise includes Information Security Management and Data science and was instrumental in designing curriculum in such niche areas that meets global standards and is a member of Board of Studies of reputed universities. She has co-authored and published case studies in IT and Management in Case Centre (ECCH) and PMI and has several research grants to her credit. She also has two Indian patents and two international patents filed. Her current professional association includes ISACA (Academic Advocate-Student chapter) and IACSIT Singapore (senior member). She is the recipient of several awards for her contribution to education. She is the recipient of several awards for her contribution to education.

Institute Profile:

SCIT is a top-notch IT Business School under the aegis of Symbiosis International University. SCIT emphasizes on the holistic development of its students and has been setting the legacy of potential leaders in the Information Technology arena. With the classical theories at the back bone, adaptation and incorporation of the latest information technologies into the curriculum has been the very essence, making the entire course structure one of its kind. The institute follows an innovative teaching and learning methodology and also provides state-of-the-art computer labs, platform for peer learning and opportunities to learn management in real time.

Programme Profile:

Name of the Programme:

- **Master of Business Administration (Information Technology Business Management):**

MBA Information Technology Business Management (ITBM) aims at developing management professionals for IT businesses and its specialized streams. The program builds management skills and reinforces IT skills to create leaders, managers & entrepreneurs in IT products & services domain. This program will also enable students to gain in depth knowledge in any one of the niche areas such as Information Security Management (ISM), IT Infrastructure Management (ITIM), Software Solutions Management (SSM), Systems (SYS) and Data Science (DS).

- **Master of Business Administration (Data Sciences and Data Analytics):**

MBA Data Sciences and Data Analytics (DS & DA) aims at developing management professionals for Data Sciences and Data Analytics stream. The program will enable students to approach data using scientific methods. This program will develop the ability to think about the real problems that need to be solved, not to simply find technical solutions. Students will learn the theory behind the tools, which in turn will make you a more versatile data scientist. Data Sciences and Data Analytics will enable the candidates gain analytics competencies and hands on the tools used in data sciences thereby preparing them for business and techno-functional roles in data sciences and analytics projects.

Duration:

- **Master of Business Administration (Information Technology Business Management):** 2-year Full-Time Residential Programme
- **Master of Business Administration (Data Sciences and Data Analytics):** 2-year Full-Time Residential Programme

Intake:

- **Master of Business Administration (Information Technology Business Management):** 180 seats
- **Master of Business Administration (Data Sciences and Data Analytics):** 60 seats

Eligibility:

- **Master of Business Administration (Information Technology Business Management):**

- ✓ Graduate from any recognised University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste / Scheduled Tribes).

- **Master of Business Administration (Data Sciences and Data Analytics):**

- ✓ Graduate from any recognised University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste / Scheduled Tribes).

Grand Alumni Meet - 2019

National Seminar 2018

No donation or capitation fee is charged for admission to any program at any institute of SIU. Once admission is taken in Discretionary Quota, the fees applicable to Discretionary Quota will have to be paid by the student for the entire duration of the programme.

YOGA DAY CELEBRATIONS: 2019

Programme Structure:

Master of Business Administration (Information Technology Business Management)

* Subject to change

Semester: I

Core Courses

- Business Process Management
- Business Statistics
- Essentials of Marketing Management
- Financial Statement Analysis
- Information Risk Management
- IT for BFSI Domain
- IT Infrastructure Essentials
- Principles and Practices of Management
- Requirements Management
- Research Methodology
- Integrated Disaster Management

Electives: Information Security Management

- Database and Application Security
- Platform and Network Security

Electives: IT Infrastructure Management

- Advanced Network Protocols
- Cloud Computing

Electives: Software Solutions Management

- Quality Solution Design
- Software Development Methodologies
- Advance Solution Design

Electives: Systems

- Software Quality Management
- ERP - FICO Configuration

Electives: Data Science

- Data Management
- Multivariate Data Analysis

Semester : II

Core Courses

- Basics of Financial Management
- Business Analytics
- Human Resource Management
- IT Infrastructure Library
- IT Strategy
- Project Management
- Strategic Management
- Managerial Economics
- Pilot Project
- Internet of Things
- Flexi-Credit Course
- Computing Tools
- IT Audit

Electives: Information Security Management

- Access Control and VAPT
- GRC and Industry Standards

Electives: IT Infrastructure Management

- Software Defined Networking
- Storage Systems
- Global Information Infrastructure Policy and Challenges

Electives: Software Solutions Management

- Application Portfolio Management
- Enterprise Architecture
- Software Estimation and Costing

Electives: Systems

- System Dynamics Simulation
- Business Process Integration in SAP S/4 HANA

Electives: Data Science

- Machine learning
- Predictive Analytics

Semester : III

Core Courses

- Summer Internship
- Entrepreneurship
- Managing Pre-Sales
- IT Consulting
- Sustainability Standards - Application, Analysis and Reporting
- Industry 4.0
- Block Chain Technology
- Flexi-Credit Course
- Research Publication

Electives: Information Security Management

- Computer Forensics - Detection and Prevention of IT Frauds
- Resilience Management, BCP and CRM

Electives: IT Infrastructure Management

- Network Operations, Design, Optimization and Management
- NextGen Intelligence Enterprise Infrastructure
- Pervasive and Ubiquitous Computing

Electives: Software Solutions Management

- Business Solutions Development (Design Case Studies)
- DevOps Services

Electives: Systems

- Digital Transformation
- Trends in SCM and CRM Technologies

Electives: Data Science

- Social Media Analytics
- Big Data Analytics

Semester : IV

Core Courses

- Corporate Governance and Ethics
- Data Visualization and modeling
- Services Marketing
- Legal Aspects of IT Business
- Flexi-Credit Course

Electives: Information Security Management

- Cyber Intelligence
- IoT and Hardware Security

Electives: IT Infrastructure Management

- Data Centre Infrastructure Management
- Smart IT Infrastructure

Electives: Software Solutions Management

- Service Oriented Computing
- Technology Management

Electives: Systems

- Global IT Delivery Models
- IT Products

Electives: Data Science

- Analytics Applications
- Domain specific Analytics Project

Master of Business Administration (Data Sciences and Data Analytics)

* Subject to change

Semester: I

Core Courses

- Basics of Financial Management
- Business Statistics
- Data Mining
- Data preparation and Data management
- Principles and Practices of Management
- Operations Research and Optimization Techniques
- Research Methodology
- Domain Study (Manufacturing and Logistics)
- Mathematics Foundation
- Integrated Disaster Management

Electives

- Advance Data Mining
- Cloud Computing
- Machine learning
- Text Analytics

Semester : II

Core Courses

- Advance data organization
- Advanced Business Statistics for Decision Making
- Data Visualization and modeling
- Essentials of Marketing Management

- Predictive Analytics
- Strategic Management
- Managerial Economics
- Domain Study (BFSI)
- Financial Analytics

Electives: Data Analytics

- Big Data Analytics
- Marketing Analytics
- Software analytics

Electives: Artificial Intelligence

- Deep learning
- Artificial Intelligence
- Cognitive Computing

Semester : III

Core Courses

- Industry Internship
- Data Protection and Privacy
- Design Thinking
- Entrepreneurship
- Human Resource Management
- Domain Study (Retail)
- Research Publication

Electives: Data Analytics

- Flexi-Credit Course
- Fraud Detection Analytics
- Insurance Analytics

- Social Media and Web Analytics
- Supply chain & operations analytics

Electives: Artificial Intelligence

- Reinforcement Learning
- Computer Vision
- Human Computer Interaction
- Flexi-Credit Course

Semester : IV

Core Courses

- Corporate Governance and Ethics
- Sustainability Standards - Application, Analysis and Reporting
- Capstone Project and Defence
- Flexi-Credit Course

Electives

- Customer analytics
- Cyber Security Analytics
- Energy analytics
- Healthcare analytics
- HR Analytics
- IoT analytics

Dr. Rajiv Yeravdekar

Director

Dean, Faculty of Health & Biological Sciences, SIU

Director Profile:

Dr. Rajiv Yeravdekar has completed his Masters in Obstetrics & Gynecology from B. J. Medical College, Pune & was awarded the Gold Medal for his outstanding academic performance. He has been awarded Ph.D. under the Faculty of Management by Savitribai Phule University, Pune.

He was invited by the Ministry of Health, Sultanate of Oman from 1992 - 1996, where his work was highly appreciated. On completion of this assignment, Dr. Rajiv conceptualized & established the Faculty of Health Sciences at the Symbiosis International University (SIU), Pune which provides on campus healthcare services, offers academic programmes pertinent to the health care sector & undertakes community-oriented health care research projects.

He is Member of various Governmental bodies including MCI, Central Supervisory Board, Maharashtra Medical Council, Maharashtra Nursing Council, Consultancy Development Center, DSIR etc. & professional organizations like FICCI, NATHEALTH etc.

Dr. Rajiv is championing the concept of Health Promoting Higher Educational Institutes in India. He is a Member of the Steering group of International Health Promoting Universities and Colleges, the working group of UGC to bring out policy on Health Promoting University & the Fit India Movement Campaign Committee, MHRD, Gol. He has been nominated on the WHO Project on Development of Health and Wellness Assessment Index for Higher Educational Institutions in India.

Dr Rajiv has been nominated by Hon'ble Governor of Maharashtra and Chancellor of the Universities in the State as the Chancellor's Nominee on the 'Senate of the Maharashtra University of Health Sciences' (MUHS).

Dr. Rajiv has contributed a number of articles in various national and international journals. As a member of various national bodies, Dr Rajiv has contributed to policy formulation and regulatory mechanisms influencing healthcare delivery and medical / nursing education nationally.

Institute Profile:

Symbiosis Institute of Health Sciences (SIHS), is a constituent of the prestigious Symbiosis International University. SIHS has conceptualized & implemented a group of professional up-gradation programmes meant to equip the healthcare professional with the appropriate tools in order to survive this age of fierce competition and specialization. The SIHS encourages a symbiosis of thought, word & action of all such professionals who would address the all-important issues of health in its totality. Through its unique, innovative, career-oriented programmes, SIHS plans to raise a cadre of professionals who would ensure delivery of optimum health care services.

Programme Profile:

Name of the Programme:

- **Master of Business Administration (Hospital and Healthcare Management)**

To develop and groom top class healthcare management professionals with in-depth knowledge and expertise suited to the various organizations in the field of healthcare globally. "A break through event in the history of Symbiosis International University where MBA (Hospital & Healthcare Management) achieved international placement in the very first year of its inception" The two-year full time residential programme offers electives in Pharmaceutical management, Healthcare IT and Healthcare Insurance and focuses on equipping students with the knowledge and skills required for the management of healthcare organizations. Be it Hospitals, Pharmaceuticals, IT, Insurance, Clinical research, Equipment, Manufacturing, Public healthcare establishment, Consultancies, NGOs, Wellness industry and others as may evolve. The programme aims at adopting a synergistic blend of academic knowledge and practical intricacies of the field to create professional's adept at identifying practical problems and using time tested and emerging managerial techniques to arrive at the most appropriate solutions.

- **Master of Public Health**

The two-year full-time master degree in Master of Public Health with electives in-CIS in health, Hospital management, Leadership and Capacity building and NGO management is focused on equipping students with knowledge and skills required for public health department.

- **Master of Science (Medical Technology)**

As technology advances and better investigative and treatment options are introduced, the need for professionals equipped to handle newer diagnostic modalities are on the rise. The ever changing & ever-expanding horizon of the health care sector demands formal training programmes in all its allied areas. The diagnostics sector, today is witnessing a tremendous growth in terms of volume and sophistication. With increasing advances and super specialization, the scope for tomorrow's technologists does not remain limited to just routine tests. Advanced complex instrumentation & equipment require technocrats not only to operate but also to care & maintain them as well. These experts have to possess a strong scientific foundation & be able to perform at a much higher level than the traditionally trained technicians of the past. The students thus trained in the technological aspects of medical care with a good scientific foundation will be in a position to competently assist the Physician or Surgeon, especially in high-tech medical procedures to cater to the health care industry globally.

SPECIALIZATIONS

The programme offers specializations in the following areas: -

- ✓ **Cardiac Care Technology:** The Cardiac Care Technologist is responsible for direct and indirect patient care, haemo-dynamic monitoring, equipment set up and operation. They assist the physician during cardiac procedures and assume responsibility for completion of other cardiac lab functions.
- ✓ **Respiratory Therapy:** The Respiratory Therapist is a key member of the medical team, specializing in diagnostics, treatments and procedures in the care of patients with respiratory problems. They evaluate, treat, and care for patients with breathing disorders.
- ✓ **Dialysis & Renal Technology:** Dialysis Technologists operate machines that remove waste and excess fluids from the blood of patients whose kidneys can no longer carry out those functions satisfactorily. The programme is designed to provide competencies & technical skills necessary in the field of dialysis.
- ✓ **Imaging Sciences Technology:** Imaging Sciences Technologists are health professionals who facilitate diagnosis and management through the creation of medical imaging modalities like X-ray, Ultrasound, Magnetic Resonance and Computed Tomography.
- ✓ **Clinical Lab. Technology:** Clinical Lab. Technology is concerned with the analysis of biological specimens to support diagnosis and treatment of disease. Laboratory Technologists perform a full range of laboratory tests, the information of which influences the medical treatment a patient will receive.

- ✓ **Operation Theatre and Anaesthesia Technology:** The Operation Theatre and Anaesthesia Technologist is responsible for direct and indirect patient care, equipment set up, Pre, Intra & Post-operative procedures.
- **Master of Science (Nutrition and Dietetics)**
Symbiosis Institute of Health Sciences (SIHS) offers a two-year full-time M.Sc. Nutrition and Dietetics Programme. Admissions are open for the academic year 2022-2024. The programme currently offers specializations such as Public Health Nutrition, Clinical Nutrition and Dietetics and Nutrigenomics. The specializations would provide focused and tailored programme in the specific areas to equip the students with mandatory skills that are currently needed for their academic and career prospects.

Duration:

- **Master of Business Administration (Hospital and Healthcare Management):** 2 Years Full Time Programme
- **Master of Public Health:** 2-year Full-Time Residential Programme
- **Master of Science (Medical Technology):** 2-year Full-Time Residential Programme
- **Master of Science (Nutrition and Dietetics):** 2-year Full-Time Residential Programme

Intake:

- **Master of Business Administration (Hospital and Healthcare Management):** 120 seats
- **Master of Public Health:** 20 seats
- **Master of Science (Medical Technology):** 30 seats
- **Master of Science (Nutrition and Dietetics):** 60 seats

Eligibility:

- **Master of Business Administration (Hospital and Healthcare Management)**
 - ✓ Candidate should be Graduate from any recognized University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% or equivalent grade for Scheduled Caste/ Scheduled Tribes).
- **Master of Public Health**
 - ✓ Graduate from any recognized University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Castes/ Scheduled Tribes)
- **Master of Science (Medical Technology)**
 - ✓ **Cardiac Care:** Graduate from any statutory university with B.Sc. degree in Medical Technology with Cardiac Technology as specialization or equivalent from a recognized university/ Institution of National Importance. OR Bachelors in Life Sciences from a recognized University / Institution of National Importance and diploma / certificate Programme in Cardiac Technology /minimum one year of work experience in the department of Cardiology from a reputed institute / related field OR Bachelors in Medicine / Ayurveda / Homeopathy / Unani / Physiotherapy / Nursing from a recognized University / Institution of National Importance.
 - ✓ **Respiratory Therapy:** Graduate from any statutory university with B.Sc. degree in Medical Technology with Respiratory Therapy as specialization or equivalent from a recognized university/ Institution of National Importance. OR Bachelors in Life Sciences from a recognized University / Institution of National Importance and diploma/ certificate Programme in Respiratory Therapy / Technology /minimum one year of work experience in the department of Respiratory Care from a reputed institute / related field OR Bachelors in Medicine / Ayurveda / Homeopathy / Unani / Physiotherapy / Nursing from a recognized University / Institution of National Importance.
 - ✓ **Imaging Sciences:** Graduate from any statutory university with B.Sc. degree in Medical Technology with

Imaging Sciences as specialization or equivalent from a recognized university/ Institution of National Importance OR Bachelors in Physics or Life Sciences as major or equivalent from recognized university / Institution of National Importance with diploma/ certificate Programme in Imaging Sciences /minimum one year of work experience in the department of Radiology from a reputed institute / related field OR Bachelors in Medicine / Ayurveda / Homeopathy / Unani from a recognized University / Institution of National Importance.

- ✓ **Clinical Laboratory:** Graduate from any statutory university with B.Sc. degree in Medical Technology with Clinical Laboratory Technology as specialization/ Clinical Laboratory Science or equivalent from a recognized university/ Institution of National Importance OR Bachelors in Life Sciences or equivalent from recognized university / Institution of National Importance with diploma / certificate Programme in Clinical Laboratory /minimum one year of work experience in the department of Clinical laboratory from a reputed institute / related field OR Bachelors in Medicine / Ayurveda / Homeopathy / Unani from a recognized University / Institution of National Importance.
 - ✓ **Dialysis and Renal Technology :** Graduate from any statutory university with B.Sc. degree in Medical Technology with Dialysis as specialization or equivalent from a recognized university/ Institution of National Importance OR Bachelors in Life Sciences or equivalent from recognized university / Institution of National Importance with diploma/ certificate Programme in Dialysis/Renal Technology / minimum one year of work experience in the department of Dialysis/ Renal Sciences from a reputed institute / related field OR Bachelors in Medicine / Ayurveda / Homeopathy / Unani / Physiotherapy / Nursing from a recognized University / Institution of National Importance.
 - ✓ **OT and Anaesthesia Technology:** Graduate from any statutory university with B.Sc. degree in Medical Technology with OT & / Anaesthesia as specialization or equivalent from a recognized university/ Institution of National Importance OR Bachelors in Life Sciences or equivalent from recognized university / Institution of National Importance with diploma/ certificate Programme in OT/Anaesthesia Technology / minimum one year of work experience in the department of OT/Anaesthesia Technology from a reputed institute / related field OR Bachelors in Medicine / Ayurveda / Homeopathy / Unani / Physiotherapy / Nursing from a recognized University or / Institution of National Importance.
- **Master of Science (Nutrition and Dietetics)**
 - ✓ Graduate in Life Sciences / Home Sciences / Health Sciences and any other Biological sciences from any recognized University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste / Scheduled Tribes).

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Blood
Donation
Drive 2019

Admission Process:

- **Master of Business Administration (Hospital and Healthcare Management)**

Symbiosis International University has from this year brought the complete admission process under one umbrella. The process has been completely revamped. A simplified streamlined process which is candidate friendly, convenient, advantageous and economical to a candidate has been brought in for the Academic Year 2022-24. Symbiosis International University will conduct the complete process centrally under its aegis.

SALIENT FEATURES OF THE ADMISSION PROCESS:

- Single registration process for all MBA programs at all institutes of SIU
- Personal Interaction and Writing Ability Test (PI-WAT) process for all MBA programs at respective institutes.
- SNAP Test Score + Academic Profile Score will form the basis for short listing candidates for Group Exercise, Personal Interaction and Writing Ability Test (PI-WAT)
- Academic Profile Score will be computed on the basis of weights assigned to academic performance in 10th Std., 12th Std. and Graduation
- Selection process comprises of Group Exercise (GE), Personal Interaction (PI) and Written Ability Test (WAT).

- **Master of Public Health**

Admissions are done through Non-SNAP. Aspirants who have done paid registration appear for Personal Interaction and Written Ability Test.

- **Master of Science (Medical Technology)**

STEP I: Online registration to M.Sc. Medical Technology programme*: Complete the online registration by filling the online registration form and making online payment of registration charges. Registration charges are Rs.1250/-

STEP II: You will be called for Entrance exam & Personal Interaction and Written Ability Test (PI-WAT)

STEP III: Selection will be intimated to the candidate through email.

STEP IV: Admission process will be completed after the verification of all the submitted documents and payment of 1st instalment of academic fees.

* for registration visit the website- www.sihspune.org

- **Master of Science (Nutrition and Dietetics)**

Step 1: Online Registration on www.sihspune.org

Step 2: Screening for Eligibility (Graduate in Life Sciences / Home Sciences / Health Sciences and any other Biological sciences from any recognized University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste / Scheduled Tribes).

Step 3: Personal Interaction with shortlisted candidates (No written exam) (Criteria for evaluation: Undergraduate academic score, general aptitude, subject knowledge, communication skills and extra-curricular achievement)

Step 4: Declaration of merit list on www.sihspune.org

Reservation of Seats: As per University norms.

Programme Registration Begins	August 31, 2021
Last Date of Payment of Registration Fees	November 27, 2021
Admit Card Live on	December 04, 2021
SNAP 2021 Entrance Test (Computer Based Test)	December 19, 2021 January 08, 2022 January 16, 2022
Announcement of Result SNAP 2021	February 01, 2022
Last date to apply for Institute	January 15, 2022
Declaration of shortlist for GEPIWAT	February 10, 2022
Dates of GEPIWAT Process	February 24, 2022 February 25, 2022 February 26, 2022
Declaration of First Merit List	March 08, 2022
Programme Commencement	June 07, 2022

• **Master of Public Health**

Details	Date
Programme Registration	Begins 21st of March 2022; Monday
Programme Registration	Closes 1st August 2022; Monday
Entrance Test	NA
Test Result	NA
Declaration of shortlist for GEPIWAT	NA
Date of PI WAT Process	12 to 15 July 2022
Declaration of First Merit List	22 July 2022; Tuesday
Programme Commencement	9th August 2022; Tuesday

- **Master of Science (Medical Technology)**

Details	Date
Programme Registration Begins	Monday, 21st March 2022
Programme Registration Closes	Monday, 1st August 2022
Entrance Test, Personal Interaction & Written Ability Test (PI-WAT)	Rolling Entrance Test, Personal Interaction & Written Ability Test (PI-WAT) starting from Tuesday, 7th June to Tuesday 28th June 2022
Declaration of First Merit list	Friday, 17th June 2022
Programme Commencement	Tuesday, 9th August 2022

- **Master of Science (Nutrition and Dietetics)**

Details	Date
Programme Registration Begins	21st March 2022
Programme Registration Closes	30th June 2022
Date of PIWAT process	4th, 5th, 6th July 2022
Declaration of First Merit List	8th July 2022
Programme Commencement	20th July 2022

Disclaimer:

These dates are tentative and are subject to change. Any changes will be reflected on institute website: www.sihspune.org

Orientation and Pedagogy:

- **Master of Business Administration (Hospital and Healthcare Management)**

The MBA (HHM) program is formatted such that apart from the classroom didactic lectures, students spend a substantial amount of their learning time in various healthcare delivery related set ups where they get experience of actual hands on practical training. During the period of study, students will be required to complete a number of case studies as also complete a project pertaining to Hospital/Healthcare management under the supervision of guide. Eminent guest faculty further enriches the course content. Innovative teaching methods and sessions which contribute to all round personality development in addition to academic excellence and practical competences.

- **Master of Public Health**

MPH program leverages the advantage of 6 faculties at SIU beyond the core Faculty of Health Sciences viz. Faculty of Humanities and Social Sciences, Faculty of Management, Faculty of Law, Faculty of Engineering, Faculty of Information Technology and Faculty of Media, Communication and Design. Curriculum of the MPH program @ SIU is a mix of courses specific to each faculty to attain knowledge, competencies and skill sets (including values) involving diverse and innovative pedagogies and instructional designs to develop a competency driven MPH program with emphasis on problem solving, case-based learning which will help produce MPH graduates for the 21st century. One of the hallmarks of the program is its research rigor & intensity. The emphasis would be to impart transformative learning. MPH has an important component of experiential learning where SCOPE and SUHRC facilities play a significant role.

- **Master of Science (Medical Technology)**

The program is formatted such that apart from the classroom didactic lectures, students spend a substantial amount of their learning time in various departments of Symbiosis University Hospital and Research Centre (SUHRC) as per their specialization. The program includes two years of rigorous 'hands-on' development of skills and competencies in the hospital & the associated healthcare organizations. They are exposed to actual hands on practical training under the mentorship of experienced healthcare professionals. The pedagogy includes synchronous & asynchronous mode of academic delivery, discussions, case studies and presentations, which will enhance the calibre of students and make them aware of international standards, latest developments and knowledge levels in their chosen modality of expertise.

During the two years, the student will be undertaking research in the specialization of choice under the guidance of mentor. As part of the audit course titled "Research Publication," each student is mentored for research, which aids in the development of their research skills. Students are given opportunities to attend conferences that focuses on their professional and personal skills development. Students are trained to be efficient professionally in diverse opportunities like academics, research, industry, hospitals, entrepreneurship etc. Students also participate actively in a number of co-curricular & extra-curricular activities that develop their self-confidence and ability to realize his/her full potential.

The student also pursues Summer Internships, 'On-Job Training' (OJT) with the Healthcare Industry, Hospitals - Private & Government, Healthcare organizations, Medical Equipment companies, Diagnostic centres & Research Institutes, providing them with a direct exposure to the Healthcare Industry for better opportunities. Eminent guest faculty further enriches the course content. Innovative teaching methods and sessions contribute to all round personality development in addition to academic excellence and practical competencies.

- **Master of Science (Nutrition and Dietetics)**

The programme offers 2 years training on skills and competencies required in hospital and community settings to support student professional development. Students are provided with hands on trainings on food analysis, biochemical analysis, nutrigenomics laboratory techniques, and food microbial analysis.

The pedagogy includes synchronous & asynchronous mode of academic delivery, discussions, case studies and presentations, which will enhance the calibre of students and make them aware of international standards, latest developments and knowledge levels in their chosen fields of expertise.

Opportunities for internships are available at Symbiosis University Hospital and Research Center (SUHRC) or Symbiosis Community Outreach Programme and Extension (SCOPE). Also, opportunities are provided in Hospitals - Private & Government, NGOs, Food industries & Research Institutes, to provide exposure to the on the job training.

During the two years, the student will undertake research in the specialization of choice under the guidance of a mentor. The students are expected to public a manuscript before their graduation.

Fee Structure

Approved Fee Structure for batch 2022-2024 in the Academic year 2022-2023

Programme Fees For Master of Business Administration - Hospital & Healthcare Management (Indian Students)	Amount in ₹
Academic Fees (Per Annum)	5,17,000
Institute Deposit (Refundable)	20,000

Programme Fees For Master of Science (Medical Technology) (Indian Students)	Amount in ₹
Academic Fees (Per Annum)	2,20,000
Institute Deposit (Refundable)	20,000

Programme Fees For Master of Public Health (Indian Students)	Amount in ₹
Academic Fees (Per Annum)	2,50,000
Institute Deposit (Refundable)	20,000

Programme Fees For Master of Science (Nutrition & Dietetics) (Indian Students)	Amount in ₹
Academic Fees (Per Annum)	2,20,000
Institute Deposit (Refundable)	20,000

Programme Fees For Master of Business Administration - Hospital & healthcare Management (International Students)	USD equivalent to INR
Academic Fees (Per Annum)	7,75,000
Institute Deposit (Refundable)	20,000
Administrative Fees (Non Refundable)	40,000

Programme Fees For Master of Science (Medical Technology) (International Students)	USD equivalent to INR
Academic Fees (Per Annum) *	3,30,000
Administrative Fees (Non Refundable)	40,000
Institute Deposit (Refundable)	20,000

Programme Fees For Master of Public Health (International Students)	USD equivalent to INR
Academic Fees (Per Annum)	3,75,000
Administrative Fees (Non Refundable)	40,000
Institute Deposit (Refundable)	20,000

Programme Fees For Master of Science Nutrition & Dietetics (International Students)	USD equivalent to INR
Academic Fees (Per Annum)	3,30,000
Administrative Fees (Non Refundable)	40,000
Institute Deposit (Refundable)	20,000

Hostel and Mess Fees:

Hostel and Mess Fees for Indian & International Students. (Subject to change in campus and accommodation type wise, e.g. Twin Sharing, Triple Sharing etc) (The fees indicated herein are for Lavale Hill Base Campus)	Amount in ₹ (For Indian Students)	USD equivalent to INR (For International Students)
Mess Fees (Per Annum) *	78,000	78,000
Hostel Deposit (Refundable)	15,000	15,000
Hostel Fees (Different, Subject to Sharing, Per Annum) *		
Three Sharing	1,14,900	1,14,900
Dormitory	62,400	62,400

* Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

Installments for Master of Business Administration - Hospital & Healthcare Management (Indian Students)	1st Year (Amount in ₹)		2nd Year (Amount in ₹)	
	1st Installment	2nd Installment	3rd Instalment	4th Instalment
Academic Fees (Per Annum)	2,58,500	2,58,500	2,58,500	2,58,500
Institute Deposit (Refundable)	20,000	-	-	-
Hostel Deposit (Refundable)	15,000	-	-	-
Hostel Fees (Per Annum)	1,14,900	-	**	-
Mess Fees (Per Annum)	78,000	-	**	-
Installments	4,86,400	2,58,500	-	-
Last date of payment	At the time of Admission	25-Nov-2022	25-Jun-2023	25-Nov-2023

* Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

** Hostel and Mess Fees for the subsequent year would be communicated before commencement of the next academic year.

* Few seats are reserved as Discretionary Quota Seats. Only students with high academic record and with good entrance test scores are considered for Discretionary Quota Seats. The fees for Discretionary Quota seats will be double the academic fees of open category as approved by the Fee Structure Committee, to be paid to the institute by way of online transfer/demand draft. No donation or capitation fee is charged for admission to any program at any institute of SIU. Once admission is taken in Discretionary Quota, the fees applicable to Discretionary Quota will have to be paid by the student for the entire duration of the programme.

Programme Structure:

Master of Business Administration (Hospital and Healthcare Management)

* Subject to change

Semester : I

Core Courses

- Biostatistics & Basic Epidemiology
- Business Communication
- Entrepreneurship
- Financial Accounting
- Fundamentals of Hospital Planning and Engineering Issues
- Human Resource Management
- IT Applications for Healthcare
- Materials Management

- Organizational Behaviour
- Planning & Management of Hospital Clinical Services
- Planning & Management of Hospital Supportive Services
- Principles and Practices of Management
- Research Methodology
- Advanced Excel
- Creativity & Innovation
- Integrated Disaster Management

- Essentials of Marketing Management
- Health Regulatory Environment
- Management Accounting
- MIS for Hospitals
- Quality & Accreditation in Healthcare Sector
- Study Report : Public health Sector Undertakings / Healthcare Govt. agencies
- Conceptualization & Management of Events - I
- Operations Research

Semester: II

Core Courses

- An Overview of Health Insurance
- An Overview of Pharmaceutical Sector
- Business Statistics

Electives

- An Overview of Clinical Research
- Writing a Research Proposal: RM III

Semester : III**Core Courses**

- Summer internship programme
- Business Analytics
- Community Health
- Conceptualization and Management of Events - II
- Health Economics
- Introduction to Financial Management
- Operations Research
- Organisation & Administration of Super Speciality Hospitals
- Project Management
- Service Operations Management
- Strategic Management
- Talent Management
- National Health Programme
- Research Publication

Master of Public Health*** Subject to change****Semester I****Core Courses**

- Environment Health
- Occupational Health
- Research Methodology
- Epidemiology-I
- Introduction to Public Health
- Biostatistics for Public Health - I
- Society, Culture and Health

Semester II**Core Courses**

- Communicable Diseases
- Non-Communicable Diseases
- Biostatistics for Public Health-II
- OB & HRM
- Epidemiology-II

Electives

- Healthcare Insurance -1
- Healthcare IT-1
- Pharmaceutical Management 1
- Business Modeling and Planning
- Information Technology & Intellectual Property
- Introduction to Business Intelligence

Semester : IV**Core Courses**

- Corporate Governance and Ethics

- Dissertation
- Industrial Regulatory Environment
- Emerging Trends in Healthcare Sector
- Global Health Systems
- Non Profit Sector in Healthcare

Electives

- Basic French I
- Basic German I
- Healthcare Insurance 2
- Healthcare IT-2
- Pharmaceutical Management 2

- Medical Anthropology and Bioethics

- Project Management
- Non Profit Sector in Healthcare
- Integrated Disaster Management

Semester III**Core Courses**

- Summer Internship Project
- Public Health Law and Ethics
- Maternal & Child Health (MCH)
- Public Health Information System
- Public Health Nutrition
- Demography and Vital Statistics
- Health Policies for Public Health and Medical Care
- Mass Communication theories and Practices
- Research Publication

Semester IV**Core Courses**

- Dissertation
- Project
- Public Healthcare Communication Strategy
- Global Health
- Hospital Management

Electives (Choose Any Two) CBCS*

- Health GIS
- Leadership and Capacity Building

Master of Science (Medical Technology)

* Subject to change

Semester : I

Core Courses

- Biostatistics & Basic Epidemiology
- Research Methodology
- Teaching Methodology - I

Electives

- IT Applications for Allied Health Care
- Medical Physics

Electives: Cardiac Care

- Cardiology Basics and Chest Roentgenogram
- Etiopathogenesis of Heart Disease
- Electro-Physiology, ECG and Stress Test Technique
- Development of Cardiovascular System and Circulation (Fetal, Neonatal & Adult)

Electives: Respiratory Therapy

- Advanced Respiratory Therapy-I
- Cardiopulmonary Diseases
- Basic Sciences (Anatomy and Physiology)
- Cardiopulmonary Pharmacology

Electives: Clinical Laboratory

- Systemic Bacteriology
- Biochemistry
- Clinical Pathology
- Parasitology

Electives: Operation Theatre & Anesthesia Technology

- Anesthetic Fitness Criteria and Pre Surgery Checklist
- Infection Control in Operation Theatre

- Pre-Anesthetic Patient Assessment
- Patient Preparation
- Pre-Operative Patient Investigation

Electives: Dialysis & Renal Technology

- Aetio-Pathology of Renal Disease
- Renal Pharmacology
- Water Treatment
- Renal Anatomy and Physiology

Electives: Imaging Sciences

- Imaging Equipment (I) -X-Ray and Mammography
- Radiation Physics and Protection
- Radiographic Photography
- Applied Physics in Medical Imaging

Semester : II

Core Courses

- Review of Literature
- Business Statistics
- Pathology and Case Presentation-I
- Principles and Practices of Management
- Teaching Methodology -II
- Integrated Disaster Management

Electives

- Computer Language
- Emerging Trends in Allied Health Care

Electives: Cardiac Care

- Clinical Cardiology
- Echocardiography and Peripheral Doppler - I
- Biomedical Instrumentation in Cardiac Care

Electives: Respiratory Therapy

- Advanced Respiratory Therapy-II
- Critical Care Medicine-I
- Biomedical Instrumentation in Respiratory Therapy

Electives: Clinical Laboratory

- Clinical Haematology
- Diagnostic Microbiology
- Instrumentation in Clinical Laboratory

Electives: Operation Theatre & Anesthesia Technology

- Safety Measures in Operation Theatre
- Techniques in Anesthesia
- Anesthetic Agents
- Biomedical Instrumentation in OT and Anesthesia

Electives: Dialysis & Renal Technology

- Clinical Nephrology
- Theory and Principles of Haemodialysis
- Dialysis Equipment

Electives: Imaging Sciences

- Image Interpretation (X-Ray and Mammography)
- Imaging Equipment (II)- Computed Tomography (CT)
- Imaging Equipment and Techniques in Ultrasonography (USG)
- Techniques in X-Ray and Mammography

Semester : III

Core Courses

- Pathology and Case Presentation-II
- Summer Internship
- Hospital Information System
- Teaching Methodology -III
- Research Publication

Electives

- Community Project
- Innovation and Entrepreneurship

Electives: Cardiac Care

- Cardiac Catheterization
- Cardiac Pacemakers and Cardioverter Defibrillators

- Echocardiography and Peripheral Doppler-II
- Applied Management in Cardiac Care Unit

Electives: Respiratory Therapy

- Critical Care Medicine-II
- Advanced Respiratory Therapy-III
- Applied Management in Respiratory Therapy Unit
- Cardiopulmonary Rehabilitation
- Emergency Medical Services-I

Electives: Clinical Laboratory

- Blood Banking
- Clinical Biochemistry
- Virology and Mycology
- Applied Management in Clinical Laboratory

Electives: Operation Theatre & Anaesthesia Technology

- Procedures in Thoracic and Cardiac OT
- Applied Management in OT and Anaesthesia Unit
- Procedures in Abdomen, Obstetric, Gynaecology and Urology (OBGY & URO)OT
- Procedures in Ear, Nose, Throat (ENT), Ophthalmic and Paediatric OT
- Procedures on Neuro OT

Electives: Dialysis & Renal Technology

- Investigations in Renal Diseases
- Patient Care in Renal Technology
- Theory and Principles of Peritoneal Dialysis
- Applied Management in Renal Care Unit

Electives: Imaging Sciences

- Techniques in Magnetic Resonance Imaging (MRI)
- Applied Management in Radiology Unit
- Cross-Sectional Anatomy (CT, MRI)
- Imaging Equipment (III)-Magnetic Resonance Imaging (MRI)
- Techniques in Computed Tomography (CT)

Semester : IV

Core Courses

- Dissertation
- On Job Training
- Pathology and Case Presentation-III
- Telemedicine Technology
- Teaching Methodology -IV

Electives: Cardiac Care

- Intensive Cardiac Care Unit (ICCU) and Cardiopulmonary Resuscitation (CPR)
- Peripheral Catheterization
- Quality Assurance, Standardization and Accreditation (Cardiac Care)
- Recent Advances in Cardiology

Electives: Respiratory Therapy

- Emergency Medical Services-II
- Neonatal and Pediatric Respiratory Care
- Critical Care Medicine-III
- Quality Assurance, Standardization and Accreditation (Respiratory Therapy)

Electives: Clinical Laboratory

- Newer Diagnostic Techniques
- Immunology
- Cytology

- Histopathology
- Quality Assurance Standardization and Accreditation (Clinical Laboratory)

Electives: Operation Theatre & Anesthesia Technology

- Critical Care Services
- Procedures in Orthopedic and Trauma Care
- Quality Assurance, Standardization and Accreditation (OT and Anaesthesia)
- Recovery Room and Day Care
- Transfusion and IV Therapy

Electives: Dialysis & Renal Technology

- Recent Advances in Renal Technology
- Theory and Principles of other Renal Procedures
- Quality Assurance, Standardization and Accreditation (Dialysis and Renal Technology)

Electives: Imaging Sciences

- Advances in Medical Imaging
- Calibration and Quality Control in Computerized Tomography (CT) & Magnetic Resonance Imaging (MRI)
- Picture Archiving and Communications System (PACS) and Radiology Information System (RIS) & Teleradiology
- Quality Assurance, Standardization and Accreditation (Imaging Sciences)
- Special Investigations and Techniques

Master of Science (Nutrition and Dietetics)

* Subject to change

Semester: I

Core Courses

- Biostatistics
- Food Quality and Safety
- Nutrition through Life Cycle and Meal Management
- Nutritional Biochemistry
- Physiology
- Principles of Human Nutrition
- Research Methodology

Semester: II

Core Courses

- Flexi-Credit Course
- Nutritional Epidemiology
- Integrated Disaster Management

Electives

- Entrepreneurship in the Food Industry
- Flexi-Credit Course

Electives :Public Health Nutrition

- Lifestyle Disease Management
- Nutrition Education and Health Promotion
- Public Health Nutrition
- Social Determinants of Nutrition and Health

Electives :Clinical Nutrition and Dietetics

- Medical Nutrition Therapy - I
- Medical Nutrition Therapy Practical - I
- Nutrition Care Process
- Nutrition Education and Counselling
- Sports Physiology and Nutrition

Electives :Nutrigenomics

- Cell and Molecular Biology
- Genetics
- Medical Nutrition Therapy - I
- Medical Nutrition Therapy Practical - I

Semester: III

Core Courses

- Research Publication

Electives :Public Health Nutrition

- Biostatistics - II
- Global Nutrition
- Maternal and Child Nutrition
- Nutrition during Emergencies and Challenging Conditions
- Nutrition Policy and Advocacy
- Public Health Nutrition - Field Training
- Programme Planning and Management

Electives :Clinical Nutrition and Dietetics

- Medical Nutrition Therapy - II
- Medical Nutrition Therapy Practical - II
- Nutraceuticals and Functional Foods
- Nutrition Therapy in Critical Care
- Pediatric and Geriatric Nutrition
- Food Service Management and Entrepreneurship

- Nutrition Therapy in Critical Care-Practical
- Research Applications in Clinical Nutrition and Dietetics

Electives :Nutrigenomics

- Genomics, Proteomics and Bioinformatics
- Laboratory Techniques - II
- Medical Nutrition Therapy - II
- Medical Nutrition Therapy Practical - II
- Nutraceuticals and Functional Foods
- Precision Medicine
- Nutrition Therapy in Critical Care

Semester: IV

Electives :Public Health Nutrition

- Public Health Nutrition Dissertation
- Public Health Nutrition Internship

Electives :Clinical Nutrition and Dietetics

- Clinical Nutrition and Dietetics Dissertation
- Clinical Nutrition and Dietetics Internship

Electives :Nutrigenomics

- Nutrigenomics Dissertation
- Nutrigenomics Internship

Dr. Nayana Nimkar
Director

Director Profile:

Dr. Nayana Nimkar is currently the Director at Symbiosis School of Sports Sciences at Symbiosis International University Pune. She holds a Doctorate in Physical Education from Mumbai University and has previously worked as a PhD Guide with Savitribai Phule University of Pune (SPPU). She holds three master's degrees from Pune University in (M.Ed.) Education, (M.Ed.) Physical Education and (M.Phil.) Education. She has also completed 5 credits from Springfield University Massachusetts, in USA (1981) in 'Psychology of Sports' (under the MS Sports Program).

She has represented the state in several sports at various reputable levels in her earlier times. She has worked on several National committees like the Steering committee for Sports of the 11th and 12th Planning Commission of Government of India, she has also worked for NAAC (National Assessment and Accreditation Council) and NCTE (National Council for Teacher Education) as a peer committee member. She has represented India on professional bodies like ACESS (Asian Council for exercise and Sports Science) and NAPERSS (National Association for Physical Education and Sport Sciences). She has been a keynote speaker in several conferences and has several publications to her credit.

Her academic and administrative experience is of 38 years, which started with Maharashtriyā Mandal's Chandrasekhar Agashe College in Pune, which she headed for 20+ years. She also held prestigious positions as Director, Board of College and University Development (SPPU) and as founder HOD of the Department of Physical Education (SPPU) where she was awarded the Best Principal's award.

When asked about the source of her energy and enthusiasm, she says "...making fitness and physical education a part of the routine of a common man is my real source of inspiration and my relentless drive towards excellence". This is so much in consonance with the 'Fit India Movement', which was launched a couple of years back by our Prime Minister. The urge to contribute to the field of sports, be it sports management, sports science, sports technology or making sports available for the not so privileged is what drives Dr. Nayana Nimkar to run the Symbiosis School of Sports Sciences with the ultimate zeal and definitive purpose.

Institute Profile:

Symbiosis has embarked into a niche area, that of Sports Sciences by establishing the Symbiosis School of Sports Sciences (SSSS) in 2016. SSSS offers a two years full-time MBA programme in Sports Management, the options being specialization in Sports Marketing, Event Management (Sports) and Sports Technology. The objective of Symbiosis School of Sports Sciences is to impart skills and knowledge to create future managers, leaders and entrepreneurs in the Sports Industry. Till date it has already created a force of managers and leaders ready to take on leading positions in the sporting industry and many of them are making their way wonderfully through this upcoming industry.

The main reasons for so many success stories of students from SSSS within such short span of time are the multitude of unique activities conducted by SSSS which are the key differentiators between SSSS and other education institutions, which include the following –

- ✓ SSSS Sports Science Conference: This has been conducted every year since the inception of the institute, the main objective of which is to provide a platform for students to interact with the stalwarts of the sports industry, exposure to recent scientific research and developments and a solid networking platform for students, faculties and management of the institute.
- ✓ Global Immersion Program: SSSS has collaborated with premier global sports management institutes to provide a global exposure to SSSS students in the field of sports through education and peer interaction. Developed countries are ahead of the Indian curve in the field of sports and this global exposure creates a certain level of awareness of best global practices in the sports industry to the budding managers at SSSS.
- ✓ World Football Summit, Spain: SSSS has in the past facilitated their students to attend the World Football Summit held in Spain to not only give a true fan moment to the football follower but also help them provide a glimpse at the economics behind the operation of such a global summit, to explore new sports ventures and start-ups, the sporting culture and the consumer behaviour of a hardcore sporting fan of a developed nation like Spain.
- ✓ Collaboration with Global Sports Wearable Technology Provider: SSSS has tied up with the topmost technology provider of sports wearable technology which provides a real-time generation of player performance data to the analysts, who can then understand the effectiveness of data-based decisions-making instead of traditional/ biased methods.
- ✓ Prestigious Internships: SSSS has been able to provide its students work-experience in the form of internships at the best places in the sports industry like Khelo India, Sports Authority of India, Under-19 FIFA World Cup, Sports Interactive et al to learn and enhance their practical knowledge and provide them insights into the qualities and skill sets required in addition to the knowledge to be an effective contributor to the sports world.
- ✓ Social Responsibility Initiatives: Sports in India is still at a nascent stage and a lot of grassroots development initiatives are required to bring to surface the talent in the country. Many times, in the past such talent has come to the forefront from the humble backgrounds of small villages. SSSS understands the importance and potential of this and thus encourages its students to conduct projects in nearby villages to help and create awareness about sports and also provide sporting facilities for encouraging local talent to greater heights.
- ✓ Other initiatives: Apart from the above SSSS also conducts Sporting Events at University level, Mock Auctions and Business Plan Competitions to prepare the students not just for sports but in general develop an all-round management perspective and personality of the students over a period of two years, to take on the top-most jobs or even to be smart, tech-savvy and dynamic entrepreneurs for the coming times.
- ✓ Internationalization- SSSS promotes sharing of academic and research best practices through interactions with the diverse education systems. The school conducts Master Classes by Leeds Beckett University which is the leading University in the field of Sport in UK. The exchange of ideas and knowledge acquisition help the students develop into global citizens.
- ✓ Industry Connect- SSSS regularly conducts sessions by the stalwarts in the sports industry who share their experiences on the global sports ecosystem, discuss new opportunities and innovations that are improving data collection, fan experience, and athletic performance and training. Apart from this, SSSS also invites alumni to interact with the students and share their learnings in the industry.

**Programme Profile:****Name of the Programme:**

- **Master of Business Administration (Sports Management)**

Specializations – Event Management, Technology in Sports and Sports Marketing

Duration:

- **Master of Business Administration (Sports Management):** 2-year Full-Time Residential Programme

Orientation and Pedagogy :

At SSSS, we help our students learn how to learn and to think critically about both content and process. For teaching and learning to be relevant and effective, we focus on learning instead of teaching, on the process of learning rather than its product. Further, we include relevant industry experience, and involve participation in the practices of the community of sport management.

Industry immersed faculty expose students to contemporary issues in sport management and allows them to debate and critically examine existing practices within the sports industry. The methods include case studies, simulation exercises, class room presentations, Group discussions, Seminars and experiential learning for developing real-world skills such as critical thinking and analysis. The curriculum is progressive and continuously evolving, and provides the structure for the provision of quality learning, it comprises of high quality, relevant and appropriate 'content' and contributes to the development of competence if the students.

Dr. Ruchi Kher Jaggi
Director

Director Profile:

Ruchi Kher Jaggi, PhD, is Professor and Director of Symbiosis Institute of Media and Communication, and Dean of the Faculty of Media and Communication, Symbiosis International (Deemed University), Pune, India. She has been working in higher education for two decades now. Her research interests include media representations, popular culture analysis, media and children, television studies, journalism studies, media literacy, streaming platforms and emerging discourses of identity on the new media. Ruchi is also a recipient of a research grant on a project on Interactive Documentaries USA under USIEF's U.S.-India 21st Century Knowledge Initiative awards. She has also been awarded the 'Woman Leadership Award' in 2017 and 2019, respectively. Ruchi is the Vice-Chair of the Media Education Research Section of the International Association of Media and Communication Research (IAMCR). She is also the Vice-President of the Indian Association of Media and Communication Educators (IAMCE). She has significant international experience having travelled for academic conferences and projects to different countries besides being the resource person on media studies for many international students who pursue short courses as part of the international student exchange programme at Symbiosis International (Deemed University), Pune.

Institute Profile:

With a legacy of over 30 years, Symbiosis Institute of Media and Communication (SIMC) is the country's top post-graduate institute in the media and communication space. SIMC boasts of a laudable curriculum, with timely upgrades to the course content. It offers the right academic-industry interface, equipping students with the relevant industry-related skills.

Orientation and Pedagogy:

SIMC endeavours to create capable and qualified media professionals to suit the dynamism of the media and communications business with its Masters in Business Administration course. The business is continuously evolving and to ensure our students are well versed to excel in this dynamic world, classroom sessions are aided by live case studies. The students are constantly encouraged to engage themselves in industry projects.

The institute endeavours to keep pace with the times with an evolving programme structure. The courses and the content therein are constantly updated to ensure contemporariness. This is done through a regular system of feedback from internal as well as industry stakeholders and mentors. The syllabus now includes courses in upcoming platforms, the latest technologies and innovations, and their relation with the business of media and communications. The now, almost ubiquitous digital is embedded in almost every course across the specializations viz., Brand Communication, Public Relations, Media Management, and Marketing & Media Analytics.

The dynamics of the industry and evolving job descriptions encouraged SIMC to offer a host of common courses to all students spanning the various facets of the business. Additionally, from the batch of 2021-23, the specializations are being offered as major and minor to broaden the scope of learning for students and enable them to become well-rounded professionals.

For a more holistic grounding, students are encouraged to develop a research mindset under the guidance of experts who elaborate on research and its advancements in specialized domains.

Senior industry professionals and SIMC's alumni form a key part of SIMC's pedagogy. They are involved not only in feedback and up-gradation of the course, but also take courses, mentor students and share their knowledge through seminars and symposia.

All in all, with an experienced faculty pool, rich infrastructure and industry interaction, the delivery of the media communication courses is crisp and well defined that provides foundational and experiential knowledge of the media industry.

Dr. (Mrs.) Shashikala Gurpur, Fulbright Scholar

B.Sc., LL.B., LL.M., NET, Ph.D., PG Diploma in German, RBP (Hindi),
CTM (Competent Toastmaster),
Director, Symbiosis Law School, Pune
Dean, Faculty of Law, Symbiosis International (Deemed University)
Board of Management Member, SIU
Former Member, Law Commission of India

Director Profile:

Prof. Dr. Shashikala Gurpur is an accomplished academician, passionate researcher, toastmaster and a Fulbright Scholar. She holds a Ph.D. in International Law from University of Mysore, Karnataka State Government Award, Gold Medal for topping in LL.M and was the AHRB Visiting Fellow, Edinburgh Law School, UK (2004), selected for Fulbright-Nehru Administrators Seminar, 2011. She has an impressive career with a wide range of impactful experiences in teaching, research, NGO and industry. She is continuing with Symbiosis Law School since 2007 and is a pioneer in EU Legal Studies in India. She has presented at more than 325 invited lectures, workshops and seminars in prestigious Universities, conferences and forums across the globe. She has more than 32 years of work experience in academia and corporate combined. Her teaching experience includes tenures at the National Law School of India University, Bengaluru (NLSIU), Manipal Institute of Communication (MAHE, Manipal) and University College Cork, Ireland. Her teaching and research interests encompass Jurisprudence, Media Law, International Law, Human Rights, Research Methodology, Feminist Legal Studies, Biotechnology Law, Law and Social Transformation besides having guided more than 100 Master's and 12 Ph.D. awarded students and currently guiding 8 doctoral research students. Dr. Gurpur has 78 research papers, 2 co-authored books and 15 book chapters to her credit and 6 magazine articles. She has presented at more than 328 invited lectures, workshops and seminars across India, Thailand, US, UK, Ireland, Germany, Australia, Canada and UAE.

Dr. Shashikala Gurpur is the recipient of several distinct honors, awards and recognition for her contribution in legal education, gender sensitization and community outreach programmes. In recognition of her contributions to the Indian legal academia, she was listed in the book '100 Legal Luminaries of India', by LexisNexis. Dr. Gurpur has recently been conferred with the prestigious Annual Kittur Rani Chennamma Award, by the Government of Karnataka, India in 2018, for her work towards the empowerment of women. Dr. Gurpur and her SLS Pune Team were applauded for their achievements in the areas of internationalization by being awarded 'Excellence in Internationalization of Education' by FICCI, conferring the 7th FICCI Higher Education Excellence Awards-2021. Dr. Shashikala Gurpur is one of the few in India to hold the coveted Jean Monnet Chair on EU Climate Justice Law, Governance, Management and Policy.

Dr. Shashikala Gurpur was a Member of Law Commission of India, Ministry of Law and Justice, Govt. of India (in 2010-12) and is currently a member on Curriculum Development Committee. In addition, she is a Life Member of Indian Law Institute, Member, CDC, Bar Council of India and a distinguished member of the editorial board of The Cyberlaw University International e-journal. She has recently been nominated as a member of The MCCIA Corporate Legislation Committee where she will share her expertise to set a forum that provides curated legal assistance to industries and help guide members in creating awareness on the latest policy changes concerning the industries. Dr. Gurpur is also a member of the International Advisory Board of the Centre for Common Law in Europe, UCD Sutherland School, Ireland to facilitate creation of a research platform whose outreach extends to universities/research centres located in other common law jurisdictions. She has been awarded the honorary membership of Association of Young International Criminal Lawyers (YICL). She also has annual membership of Member of Asian Law Institute (ASLI), Faculty of Law, NUS, Singapore

Dr Gurpur has conducted numerous Gender training, Media literacy, Science literacy and Legal literacy in vernacular

languages since 1991 and has impacted the lives of more than one lakh women in the states of Karnataka and Maharashtra. Dr Gurpur is a part of several community legal service initiatives, community radios, NGO's, pastoral organisations, women's committees, Panchayats and self-help groups in Kerala.

Dr. Shashikala Gurpur, alongside leadership at SLSP, contributed to the Law Scholar Fraternity at Symbiosis International (Deemed University) especially for the law schools under its banner in Noida, Hyderabad and Nagpur. She is applauded for her efforts for incorporation of academic quality, innovative latest legal research in curriculum, interactions with judges, lawyers and interdisciplinary legal experts for delivery of lectures, new projects and grants from national and international agencies and rapport with the industry and legal systems of India. The internationalization efforts include European Research Grants, impressive number of international collaborations with universities across the world, students and faculty exchange, international Research Projects like EURASIA, 21st Teach Skills Project, Project on climate change ILFM, DAAD and Erasmus grants, membership with International bodies such as IALS (International Association of Law Schools), ASLI (Asian Law Institute), IUCN and GAJE.

Institute Profile:

Symbiosis Law School, Pune (SLS, Pune) stands for excellence in legal education and is nestled in the city of Pune (popularly known as the Oxford of the East, with the glorious heritage of being the capital of the Peshwas). Symbiosis Law School, Pune piloted and enriched by the vision of Dr. S.B. Mujumdar, was established in 1977 under the illustrious banner of Symbiosis Society. SLS, Pune endeavors to secure all-round contribution for the betterment of the field of Law, to create world-class professionals, to produce committed academicians and law reformers, to train justice dispensers and invigorate community crusaders and, to create a strong watershed of new and upcoming expertise in law relating to business and corporate matters.

Symbiosis Law School Pune was conferred Gold Star Award by Bar Council of India in 2013. SLS Pune is at Rank 1 in 7th FICCI Higher Education Excellence Awards 2021 as the 'Excellence in Internationalization of Higher Education', at Rank 1 in CSR-GHRDC 2021 as the 'Top Supreme Law Schools', at Rank 9 in NIRF India Ranking: Law 2021, at Rank 1 India Today Ranking 2021 as 'Top10 Private Law Colleges in India' consistently in 2021, 2020, 2019, 2018 and at Rank 1 in The Week-Hansa Research Survey 2021. SLS Pune is also declared as the Best College Award in IPTSE 2021.

This stature is attained through its various programs such as 5-year integrated Undergraduate Programs like Bachelor of Arts and Bachelor of Laws [BA. LL.B. (Hons.)] and Bachelor of Business Administration and Bachelor of Laws [BBA. LL.B. (Hons.)], 3-year LL.B. and One-year LL.M program with 8 specializations. SLS, Pune also successfully administers one Diploma Program in International Business Law & Corporate Laws in India (DIBL & CLI) along with certificate courses like Certificate in Asian Legal Studies (CALS) and Certificate in European Union Legal Studies (CEULS). The curriculum and pedagogy are designed around the latest quality initiatives in legal education (including recommendations of the Carnegie Report, USA) combining skill, knowledge and values. These are imparted through multi-talented, qualified, competent and enthusiastic faculty members. These efforts are reciprocated by the participation of all the stakeholders including the members of the Bar and Bench, Corporate Sector and International Experts.

SLSP has established Symbiosis Centre for Advanced Legal Studies and Research (SCALSAR). It is the centre-stage for research, quality publications, government interface, host scholars in residence, undertakes interdisciplinary legal studies and research projects, training teachers and designing training modules. It has 3 research clusters: Science Technology Innovation Law, Rule of Law in Context and Comparative Law. Every year SCALSAR organizes

Law Day & Justice Y. V. Chandrachud Memorial Public Lecture, 2019

L-R: Justice Phanasalkar (Retd.), Judge, Bombay High Court, Dr. Shashikala Gurpur, Director, SLS, Pune, Dean, Faculty of Law, Dr. S. B. Mujumdar, Chancellor, SI(DU)

Two-Day Regional Workshop on the Biodiversity Act, 2002 held on 18th & 19th

January, 2019 - Dr. Shashikala Gurpur, Director, Symbiosis Law School, Pune, Dean, Faculty of Law, SIU addressing the gathering at the workshop

Workshop on practical aspects of EU Funding Proposal Application and Academic Project Management on 10th, 11th, 13th & 14th SEPTEMBER, 2019 - (L-R: Dr. Bindu Ronald, Dy. Director (Academics), Prof. Mirko Varano, Senior Advisor International Projects, KTH Royal Institute of Technology, University Administration International Relations Office, Stockholm, Sweden, Prof. Christofer Fredriksson, Independent Consultant, International Relations Coordinator & Program Advisor, Stockholm University of Arts, Stockholm, Sweden, Dr. Urvashi Rathod, Director SCRI, Dr. Shashikala Gurpur, Director, SLS, Pune, Dean, Faculty of Law, SIU, Prof. Anita Patankar, Director, SSLA, Pune)

an International Research Conference which has become popular as SYMROLIC representing Rule of Law with Indian and Global perspectives, aligning it with the SIU's vision of an interdisciplinary conference and connecting to different fields such as that of Innovation, Science, Technology, Human Behaviour, Global Policy and Governance

In the last one year, the Centre has published more than 23 research papers in SCOPUS listed journals and 29 in WoS indexed journals by the SLS Pune faculty members and some PG / PhD students, now totalling upto 498 publications. Currently SCALSAR has undertaken 2 ICSSR Impress Major Projects and 2 Minor Research Projects in pure legal as well as interdisciplinary research areas. Balancing the social agenda, the community legal care centre of SLS Pune is engaged in the Prison Advocacy program of Mumbai High Court through Prison Clinic, collaborates with District Legal Aid Services Authority and has clinics in villages and inner city.

SLS, Pune has several impressive active international collaborations across prestigious international universities such as, Berlin School of Economics and Law, Leibniz University, Hannover Brunswick European Law School, Ostfalia University of Applied Sciences, Germany, University College Cork, Ireland, NUI Galway, Ireland, University College Dublin, Ireland, Sofia University, Bulgaria, Jagiellonian University, Poland, Masaryk University, Czech Republic, Penn State University, USA, UNH School of Law, USA, Deakin University, Australia, University of Johannesburg, South Africa, National University of Singapore and many others. In the year 2021 SLS Pune has proactively engaged with Arizona University, New Hampshire University, Washburn University, Seattle university, Pepperdine University, Waikato University, Bristol university, Vienna University of Economics and Business and Shastri-Indo-Canadian Institute etc. The collaboration has facilitated student-faculty mobility, participation in summer school, organization of conferences, guest sessions, webinars and research projects. SLS Pune has showcased a strong research culture along with an internationalization agenda that has resulted in successful project applications under Erasmus + program of EU. SLS, Pune had the unique distinction of being the only Indian partner with the Erasmus Mundus Global Consortium of Law Schools since 2008. SLS, Pune has been the recipient of four Erasmus+ CBHE KA2 under EU projects namely EURASIA, 21 Teach Skills Training, Climate Change Policy and Law, International Law and Forced Migration Studies.

EURASIA project aims to develop the capacity of faculty members in India and China in relation to European Studies by enhancing faculty mobility, developing courses focused on European Studies and incorporating the best practices of European and Asian Universities. Under Eurasia project, SLS Pune has developed 28 courses related to EU studies which have been incorporated into program structures of BA/BBA LLB(hons), LLB as electives while in LLM as a unique specialization in European Legal Studies (EU Law and International Law)*. SLS, Pune is a consortium partner to undertake the '21st Century Teach Skills project' and is related to 'Teacher Training with specialization on Life and IT skills'. As a part of this project SLS Pune has developed a 10 ECTS Course on 'Critical Thinking Skills' and 'Collaborative Problem-Solving Skills'. SLS, Pune under SIU has begun new projects namely 'Curricula development on Climate Change Policy and Law' along with consortium partners and also a project in Development of a Master level programme under the project of International Law and Forced Migration Studies'. SLS Pune under the aggies of SIU has been a part of DAAD -a New Passage to India with Berlin School of Economics and Law that facilitates faculty exchange. SLS Pune is also a project partner in 'DET-Network.

It has the institutional membership of some of the best international bodies recognized globally such as, the membership of IALS (International Association of Law Schools), ASLI (Asian Law Institute), IUCN and GAJE.

On the National front, SLS Pune has undertaken the following projects under the Indian Council of Social Science

Research related to 'Law Trafficking and Disasters-tracing the interlinkages' ; 'Law Gender and Disasters-case study of Bundelkhand' ..SLS Pune has been instrumental in influencing the new transformations in Criminal Justice Systems in India via submitting recommendations to the Ministry of Home Affairs. SLS Pune is also involved in research consultancy for Dr. Veerappa Moily.

At SLS, Pune one experiences a world class law school challenging itself year by year soaring to new heights in excellence and quality. Students of Symbiosis Law School Pune have been consistently participating and winning in various International Moot Court Competitions. Oxford Price Media Law Moot Court Competition 2021 ,25th Annual Stetson Environment Law Moot Competitions,13th NUJS- Herbert Smith Freehills, National Corporate Law Moot Court Competition 2021,1st National Virtual Moot Court Competition, Argue Action, 2021, Winners of the Global Rounds at the Foreign Direct Investment International Arbitration Moot 2021, etc.

SLS Pune offered academic enrichment to the students through guest sessions delivered by International speakers under the IALS Distinguished Speaker Program and Eurasia Distinguished Speaker Program, through Model United Nations, Moot Courts, National Youth Parliament, International Conferences , Symposiums and round table discussions.

Students can avail scholarships such as the Government of India's SC/ST Top Class Education Scholarships, Ministry of Social Welfare, Govt. of India, New Delhi.

The Career & Professional Development Cell

The Career & Professional Development Cell functions as the primary facilitatory body for the process of professional development and constructive employment for our students. The broad objectives of the cell are campus recruitment, training and development and internship opportunities. The Cell works throughout the year to implement and execute the processes of Campus Recruitments, Internships, Training and Development, Industry & Alumni Relations and Entrepreneurial development. With years of experience, the cell has developed a wide array of networks ranging from litigation firms, corporate firms, solicitors, private practitioners, to governmental commissions and agencies. The Career & Professional Development Cell has been tirelessly facilitating the professional development of our students and has been successful in attaining the aforementioned goals by providing our students with the best opportunities. The LLM students are also provided with intensive training and guidance for NET, Civil Services, Judiciary Examination etc.

The Alumni Cell

The Alumni Cell of Symbiosis Law School, Pune is a voluntary student body working under the guidance of Director, Symbiosis Law School Pune and Dean Faculty of Law Symbiosis International (Deemed University). The Cell continuously undertakes to strengthen the relations of the alumni of SLS Pune. It has been instrumental in organising the Annual Alumni Meet, regular guest lectures by distinguished alumni in the campus, publishing the annual yearbook 'Alumni Nexus'. SLS Pune is the proud alma mater to illustrious alumni such as Varuna Agarwal (UPSC AIR-38), Sharmistha Dutta (AIR2 CDSE), Vineet Dhanda Assistant Solicitor General of India, Chhattisgarh's Additional Advocate General Mr. Saurabh Ajay Gupta , Mr. Shashwat Sachdev who won the national Award for the Best Music Direction (Background Music) for Uri: The Surgical Strike, Justice Revati Mohite-Dere, Judge, Bombay High Court amongst other law firm and corporate firm leaders. SLS, Pune endeavours to secure all-round contribution to the betterment in the field of Law, to create world-class professionals, to produce committed academicians and law reformers, to train justice dispensers and invigorate community crusaders and, to create a strong watershed of new and upcoming expertise in law relating to business and corporate matters.

Programme Profile:

Name of the Programme:

SLS, Pune offered 2-year LL.M program from 2003-2013. It is one of the pioneer institutions in the country to initiate the One-Year LL.M Programme in 2013 offering 8 specializations. The post-graduate programme is offered through the Center for Postgraduate Legal Studies (CPLS), with an objective to create research-centric intellectuals and academicians. There is an emphasis on an interdisciplinary approach in the study of law and research orientation underlining the relevance of research methodology with utmost technical precision and scientific sophistication. The students have an option of a cafeteria approach in terms of specialization, cross specialization courses combining innovation, cutting edge legal acumen and theoretical insights.

With emphasis on research and publication under the umbrella of SCALSAR (Symbiosis Center for Advanced Legal Studies and Research), faculty and students are engaged in publishing the results of their research. The SCALSAR publishes Symbiosis Contemporary Law Journal (SCLJ) and Symbiosis Student Law Review (SSLR) with LexisNexis. It has compiled around 530 abstracts of LL.M dissertations in interdisciplinary areas highlighting confluence of law and other disciplines. The success reflects in a large number of students entering corporate sector, Law firms, academics, higher research, army and judicial services.

A) Specializations offered:

- 1) Business and Corporate Law
- 2) Constitutional Law and Administrative Law
- 3) Innovation, Technology and Intellectual Property Law
- 4) Criminal Law and Security Law
- 5) Human Rights Law

Admission to LL.M (One Year) is offered through Symbiosis All India Admission Test (AIAT), which consists of:

4.1 AIAT (Online Home Proctored Test): This comprises of objective and subjective written tests to assess the teaching aptitude, research aptitude, legal aptitude and basic legal knowledge. It includes questions from the following areas: Research Methodology, Legal Reasoning, Legal Aptitude, Jurisprudence, Constitutional Law, IPC, Public International Law, Human Rights, Corporate Law (Contract Act, Companies Act, etc.), Family Law and Environmental Law- Weightage 70%.

There will be a time limit to answer the questions. Once the time limit is crossed, the candidate will lose the opportunity to answer the questions. An answer given by a candidate will be locked so that the candidate will not be able to change the answer. The candidate needs to ensure that the answer is recorded within the stipulated time limit.

Date for AIAT (Online Home Proctored Test): The AIAT will be conducted on Last week of May 2022 OR First week of June 2022.

4.2 Online Personal Interaction (PI): Personal Interaction is intended to test the Personal Attributes, Fitment, Work Experience, Publications, and Statement of Purpose of a candidate - Weightage 30%.

There will be different dates for PI of SLS Pune, SLS NOIDA, SLS Nagpur, and SLS Hyderabad. Please visit the websites of respective institutes.

A) Schedule of Online PI: PI will be conducted online on different dates for SLS Pune, SLS NOIDA, SLS Nagpur, and SLS HYD. Shortlisted candidates will receive a link and instructions 30 minutes prior to the schedule of online PI.

B) Schedule for SLS Pune Online PI (Personal Interaction): SLS Pune will conduct Online PI (Personal Interaction) as updated on the website. For the PI of other institutes, please visit the website of respective institutions.

B) Time for PI: Each candidate will get a maximum of 10 minutes for PI. The candidate needs to be ready at the given time without any excuse by following the instructions given by SLS Pune.

Note: You are requested to upload a Statement of Purpose (SOP), not more than 250 words, and two references (one page each) from the Head/Supervisor/Professor of your Institute/College and other relevant documents as per the schedule provided by the institute.

Candidates need to keep original documents including the SOP and reference letters for the PI of each institute.

C) Arrangement for PC/Laptop and internet connectivity for the Online AIAT & PI: Candidates are required to make the necessary arrangement of PC/Laptop along with camera and internet connectivity at their end. SLS Pune will not be responsible for any technical issues/glitch at the end of the candidate.

For DA (Differently Abled) candidates, separate instructions will be issued.

Negative marking: There will be no negative marking for AIAT and PI.

4.3 Verification of Educational Qualification Documents and Eligibility: Selected candidates need to submit educational qualification documents as per the directions of SLS Pune/SIU. If any candidate fails to submit the documents at the time of verification and for eligibility purposes, admission of the same candidate stands cancelled.

4.4 Refund Policy: In case of cancellation of admission or non-fulfilment of eligibility criterion, the candidate may apply online for a refund of tuition fees and deposit. The refund will be made as per the refund policy of SIU.

5. PREPARATION OF MERIT LIST & ALLOTMENT OF SPECIALIZATION FOR SLS PUNE:

5.1 Steps for preparation of merit list/s:

Step 1: Generic Merit List:

5.1.1 Process of preparation of first merit list:

Preparation of consolidated/generic merit list: A consolidated/generic merit list will be prepared as per the AIAT score and total intake for open and other reserved categories.

Hypothetical Example : If there are a total 50 seats for the open category, the institute will add around 20% to 30% extra i.e. $50+13=63$ and prepare the consolidated/generic merit list of 63 candidates from the open category. These 63 candidates will be selected based upon their AIAT score irrespective of their preferred specialization.

Step 2: Allocation of specialization: -

5.1.2 Allotment of the specialization to the candidates selected in consolidated/generic merit list: The candidate, who is selected in the consolidated/generic merit list, will be allotted a particular specialization depending on:

(a) The marks scored in AIAT;

(b) The preferences of specializations provided by the candidate while filling out the registration form for AIAT.

Allocation of the specialization will be based upon the cut-off marks of the concerned specialization as determined from the merit list and the number of seats in each specialization. The total number of seats shall be equally divided among all the offered specializations in a particular academic year.

*Note: The offering of a specialization in a particular academic year will be subject to minimum 5 admissions in the concerned specialization group.

5.2 Process of allotment of specialization to the candidates selected in consolidated/generic merit list:

After the preparation of consolidated/generic merit list, the institute will start allotting the specialization for each candidate from consolidated/generic merit list based upon their marks in AIAT and preferences selected by the candidates. The Institute will start with the first candidate. He/she will be given his/her first specialization. In this hypothetical example, the process will go on till the 10 seats for open category are filled for each specialization. If a candidate has selected "Business & Corporate Law" as his/her first preference and 10 seats are filled in "Business & Corporate Law", the institute will allot his/her second preferred specialization according to his/her marks in AIAT. The candidate will not be allotted his/her first specialization i.e., "Business and Corporate Law" because 10 seats allotted to Business and Corporate Law are exhausted. He/She will be allotted his/her second preference. If the 10 seats for the course selected as 2nd preference are also full, the institute will allot third or fourth preference provided by the candidate while filling out the registration form.

Kindly note, in case a candidate does not fall within the merit list of any 4 of his/her preferred specializations according to his/her AIAT marks, the institute has the discretion to allot an appropriate specialization to the candidate from the remaining available specializations.

5.3 Subsequent to the allotment of specialization, a specialization-wise merit list shall be published and offer letter shall be sent to the merit listed candidates.

5.4 The Institution shall provide admissions in all the specializations as per the merit, however, the waitlist number of the candidate is subject to variation as per rule no. 5.5.2 of One Year LL.M Admission Process & Rules, 2020. Therefore, no wait list number will be provided/assigned to the waitlisted candidates.

5.5 Process of preparation of second merit list:

After the last date for admission as per the first merit list, the institute will check the total admitted candidates and based upon the seats available in each specialization, the following process will be followed:

5.5.1 Forfeiture and deemed for forfeiture: If a candidate is offered first preference in first merit list but has not taken the admission:

The candidate who has not taken admission after offering his/her first preference of specialization (refuses or does not take admission) within the stipulated period will forfeit his/her claim of admission. It means his/her candidature will not be considered for second and subsequent merit lists. No email or any communication for negotiating or requesting change in admission shall be admissible. It cannot be raised as a ground for holding the seat or right to admission.

Hypothetical Example: If Mr./Ms. "A" is offered his/her preference -1 in the first merit list, but he/she didn't take admission before deadline of the admission for the first merit list and requested more information or change of specialization, Mr./Ms. "A" will not be considered for second merit list. Since, Mr./Ms. "A" has not taken admission after offering his/her first preference given by him/her; he/she will forfeit his/her claim of admission in second and subsequent merit lists.

The above logic will be applied while preparing the second & the subsequent merit list.

5.5.2 If a candidate is offered second, third or fourth preference in the first merit list but he/she has not taken the admission:

If a candidate is offered admission in his/her second/third/fourth preference but he/she does not take the

admission at SLS Pune, the candidate will be waitlisted and will be considered for second merit list subject to availability of seats. In the second merit list, allotment of specialization will be done according to seats available in the specializations, his/her AIAT score and preference of specialization given by him/her at the time of registration.

5.5.2.1 The following process will be followed for the allotment of specialization:

- a. If a candidate is allotted his/her fourth preference and has not taken the admission, he/she will be waitlisted and his/her candidature will be considered for first, second and third preference.
- b. If a candidate is allotted his/her third preference and has not taken the admission, he/she will be waitlisted and his/her candidature will be considered for first and second preference. His/her candidature will not be considered for third and fourth preference.
- c. If a candidate is allotted his/her second preference and has not taken the admission, he/she will be waitlisted and his/her candidature will be considered for first preference. His/her candidature will not be considered for second, third and fourth preference.

5.5.3 If a candidate is offered second/third or fourth preference in the first merit list and has taken the admission at SLS Pune:

If a candidate is offered his/her second/third or fourth preference in the first merit list and has taken admission at SLS Pune, the candidate will be given the option to change the specialization.

5.5.3.1 Process for change of specialization after taking admission at SLS Pune:

- The admitted candidate may make an application within the stipulated time to change his/her specialization.
- The application for change in specialization will be considered keeping in view:
 - a) the candidate's score in AIAT.
 - b) cut-off marks of the concerned specialization in subsequent merit list;
 - c) the number of vacant seats in the concerned specialization.

5.5.4 If a candidate is offered first/second/third or fourth preference in first or any other merit list and has taken admission at SLS Pune and cancelled the admission subsequently:

If a candidate has taken admission in any specialization and cancelled the admission for whatever reason, the said candidate will forfeit his/her claim of the admission in subsequent merit lists.

6. DATE & REGISTRATION FEE:

AIAT-Online Home Proctored Test: Common AIAT for SLS, Pune, SLS NOIDA, SLS Nagpur and SLS Hyderabad.

Date for AIAT (WS+PI)- Online Home Proctored Test*: Last week of May 2022 OR First week of June 2022.

Registration Fee: Rs. 1950/- for AIAT Plus Rs.1000/- each for every institution applied (E.g. if a candidate applies for SLS, Pune and SLS, NOIDA then he/she will pay a total of Rs. 3950/- {Rs. 1950(AIAT) + Rs. 1000/-(SLS, Pune)+ Rs. 1000/- (SLS, NOIDA)}

Note: - No travelling or other expenses will be paid for the Online AIAT & PI.

Orientation and Pedagogy:

The methodology is essentially learner-centered and research-oriented, strengthening students in reflective and critical thinking skills along with value-orientation. Predominantly, the seminar method is used in a convergent manner, along with the lecture method. These include the Class Room Presentations, Group Discussions, Seminars, Case Studies, Socratic Method, Project-Based Method, Computer Assisted Learning and Experiential Learning through internship.

The curriculum and pedagogy are designed around the latest quality initiatives in legal education. These efforts are reciprocated by the participation of all the stakeholders including the members of the bar and bench, corporate sector, govt. and international experts.

Dr. Sonopant G. Joshi
Director

Director Profile:

Dr. Sonopant G. Joshi – M.Sc. (N), M.Sc. (DM), Ph.D. has qualified P.B.B.Sc. (N) from Institute of Nursing Education J. J. Hospital, Mumbai. He completed his Doctorate in Management from Tilak Maharashtra University. He is an alumnus of Bharati Vidyapeeth Deemed University where he completed his masters in Community Health Nursing and a master's degree in Disaster Management. He has a commendable 32 years of rich teaching and admin experience. Dr. Joshi is one of the trained NAAC assessors and is the Member Secretary of the Institutional Ethics Committee – Symbiosis International University. He also is a visiting professor at the Kent State University, USA. He is a crucial member of professional bodies like Asian Association of Agricultural Medicine and Rural Health India (AAAMRHI), Indian Association of Occupational Health Nursing (IAOHN), Trained Nurses Association of India and the Society of Midwives India (SOMI). He has been awarded with prestigious honors like the Best Researcher Award by the Trained Nurses Association of India – 2020; The Scroll of Honor at the International Conference - Dubai –2017 and the Gold medal of Bombay Ambulance College – Mumbai – Specialist Instructors Course in First Aid –1998. Dr. Joshi is a Reviewer & Editorial Board Member of National/International Journals and has to his credit many SCOPUS indexed publications. He has written chapters in books published by IGI Global publication. He has written book titled 'Disaster Management for Health Care Professionals', which is popular among Nursing and Management students. He has published 35 research papers in various National and International Journals of High repute among these his 18 papers are in SCOPUS indexed journals. He was invited as a speaker at an International Conference in LONDON where he spoke on 'Challenges of Higher Education in India' in Oct 2018. He has completed funded research project in 2019. He is life member of various professional organizations. Presently he is also a Ph.D. supervisor of Symbiosis International University under public Health domain with 08 Ph.D. scholars including 02 International research scholars under his guidance.

Institute Profile:

Symbiosis College of Nursing (SCON) was established in the year 2007 with an aim to create leaders in the nursing profession by providing unique, innovative Programme that are responsive to the market needs. SCON is recognized by Indian Nursing Council, New Delhi and Maharashtra Nursing Council, Mumbai & affiliated to Symbiosis International (Deemed University). The programme offered by SCON ensures numerous career avenues for a graduate and postgraduate nurse in the healthcare industry across the world. SCON is associated with its state-of-the-art parent hospital to provide necessary 'hands-on' clinical and para-clinical experience necessary for the students pursuing hospital based academic Programmes. Symbiosis College of Nursing thus aims to create a benchmark in nursing education in India. The overall aim of nursing programme is to prepare a graduate nurse to work as a frontline worker in the clinical, community areas, research facilities & educational arena.

Symbiosis College of Nursing (SCON) is attached to the parent hospital - Symbiosis University Hospital & Research Centre (SUHRC) as per the Resolution No. A2: BoM: 09.09.2020.

Programme Profile:

Name of the Programme:

- **Master of Science in Nursing (M.Sc. Nursing)**

Specialties offered:

- Medical Surgical Nursing
- Obstetrics and Gynaecological Nursing
- Mental Health (Psychiatric) Nursing
- Community Health Nursing

Duration:

- **Master of Science in Nursing (M.Sc. Nursing)** : 2-year Full-Time Residential Programme

Intake:

- **Master of Science in Nursing (M.Sc. Nursing)** : 25 seats

Specialties offered:

- Medical Surgical Nursing – 05 Seats
- Obstetrics and Gynaecological Nursing – 05 Seats
- Mental Health (Psychiatric) Nursing – 10 Seats
- Community Health Nursing – 05 Seats

Eligibility:

- **Master of Science in Nursing (M.Sc. Nursing)**

- The candidate should be a Registered Nurse and Registered Midwife or equivalent with any State Nursing Registration Council.
- The minimum educational qualification shall be the passing of: B.Sc. Nursing / B.Sc. (Hons.) Nursing / Post Basic B.Sc. Nursing with minimum of 55% aggregate marks from an institution which is recognized by Indian Nursing Council.
- Minimum one year of work experience after B.Sc. Nursing.
- Minimum one year of work experience before or after Post Basic B.Sc. Nursing.
- Candidate should be medically fit.
- 5% relaxation of marks for SC/ST candidates

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Admission Process:

- **Master of Science in Nursing (M.Sc. Nursing)**

As per Indian Nursing Council requirements

Selection Process:

- 1) College level Entrance Test
- 2) Personal Interview (PI)

Dr. Arun Jamkar Former Vice Chancellor MUHS at the Inauguration of Workshop on Research Methodology

3) Written Aptitude Test (WAT)

Documents required at the time of Admission

- Certificate of passing the qualifying examination.
- Mark list of 10th, 12th standard and qualifying examination.
- Transfer Certificate or School Leaving Certificate.
- Requisite Caste certificate issued by the competent authority, if applying for admission against reserved category.

Orientation and pedagogy

Orientation to the programme is offered during Induction programme for a period of two days. The programme is divided into Theory and Clinical blocks.

Theory

It is mandatory for the students to attend the classes in the college as well as at clinical field as per the course structure.

- Lectures,
- Lecture cum demonstration,
- Seminars,
- Discussions,
- Panel discussion,
- Field visits,
- Research Projects
- Online lectures using Microsoft teams, google meet, zoom, schoology etc.,
- Programme instructions is used in providing teaching learning experience.

Clinical Field:

Students are expected to write patient-oriented assignments as outlined in the Programme Structure. Teaching pedagogies used in the clinical area for training are:

- Simulation
- Bed side clinics
- Case presentations
- Case studies
- Procedure demonstrations
- Projects
- OSCE

International Womens Day at YCM Hospital

Teaching and learning Resources:

- Computers
- Smart board
- Laptop
- LCD Projector
- Podium microphone
- Hand mike
- Printer
- Movable and fixed notice boards
- White boards
- Nursing Laboratories
- SCHS: Skill based and competency driven centre to align with the National agenda of skill development for quality education and skill development.

Library detail

SCON is a splendid learning resource center. It includes books, journals, projects reports and dissertation, periodicals, CDs and DVDs

PG students conducting training Programme for ASHA workers in collaboration with Mukul Madhav Foundation (MMF)

Library services:

Circulation	Home Lending Services (Computerized Book lending) 1. Students – 2 books for 7 days 2. Faculty / Staff/ Ph.D. Students: 05 books for 15 days
Inter Library Loan (ILL):	Inter library loan service is provided to Faculty members of Symbiosis Institutes located at various places.
Current Awareness Service:	Information about any current news on particular field of library will be informed by the librarian time to time
New Arrival Alert:	Latest books acquired in the library will be displayed on the New arrival board of the library.
Net based services:	Scan copy of required book chapter & question paper will be sent to all students on the group Email ID.
Online Public Access Catalogue (OPAC) link:	http://symbiosis-koha.informindia.co.in
Bibliography compilation:	Book List available on OPAC according to books rack number wise & Subject wise is available for easy search of a particular book and is user friendly
Reference Service	The Library maintains a separate reference collection consisting of encyclopaedias, dictionaries, handbooks, CD -ROMs, etc. All books are arranged according to specialization subjects.
Other Services	<ul style="list-style-type: none"> • Reading Hall with IT Zone facility /Wi-Fi Facility • Reprography • Previews year scan Question Papers bank.
E-Journal (Subscribed by Institute)	Name of Journal: Journal of Health Management. Link: http://jhm.sagepub.com

Fee Structure:

Approved Fee Structure for batch 2022-2024 in the Academic year 2022-2023

Programme Fees For Master of Science (Nursing) (Indian Students)	Amount in ₹
Academic Fees (Per Annum)	1,26,000
Institute Deposit (Refundable)	10,000

Programme Fees For Master of Science (Nursing) (International Students)	USD equivalent to INR
Academic Fees (Per Annum)	1,90,000
Administrative Fees (Non Refundable)	40,000
Institute Deposit (Refundable)	10,000

Installments for Master of Science (Nursing) (Indian Students)	1st Year (Amount in ₹)			2nd Year (Amount in ₹)		
	1st Installment	2nd Installment	3rd Installment	4th Instalment	5th Instalment	6th Instalment
Academic Fees (Per Annum)	42,000	42,000	42,000	42,000	42,000	42,000
Institute Deposit (Refundable)	10,000	-	-	-	-	-
Installments	52,000	42,000	42,000			
Last date of payment	At the time of Admission	1-Dec-2022	1-Feb-2023	25-Aug-2023	7-Nov-2023	15-Jan-2024

Installments for Master of Science (Nursing) (International Students)	1st Year (USD equivalent to INR)			2nd Year (USD equivalent to INR)		
	1st Installment	2nd Installment	3rd Installment	4th Instalment	5th Instalment	6th Instalment
Administrative Fees (Non Refundable) #	40,000	-	-	-	-	-
Academic Fees (Per Annum)	55,000	20,000	1,15,000	76,000	57,000	57,000
Institute Deposit (Refundable)	10,000	-	-	-	-	-
Installments	1,05,000	20,000	1,15,000			
Last date of payment	At the time of acceptance of 'Offer Letter' (USD equivalent to INR)	At the time of Reporting to SCIE	1-Feb-2023	25-Aug-2023	7-Nov-2023	15-Jan-2024

50% Concession to be given only to the Foreign National students on Administrative Fees.

* Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

** Hostel and Mess Fees for the subsequent year would be communicated before commencement of the next academic year.

UG and PG students organized a farewell party for the outgoing UG & PG Batches

Hostel and Mess Fees:

Hostel and Mess Fees for Indian & International Students. (Subject to change in campus and accommodation type wise, e.g. Twin Sharing, Triple Sharing etc) (The fees indicated herein are for Lavale Hill Base Campus)	Amount in ₹ (For Indian Students)	USD equivalent to INR (For International Students)
Mess Fees (Per Annum) *	78,000	78,000
Hostel Deposit (Refundable)	15,000	15,000
Hostel Fees (Different, Subject to Sharing, Per Annum) *		
Three Sharing	1,14,900	1,14,900
Dormitory	62,400	62,400

* Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

* Few seats are reserved as Discretionary Quota Seats. Only students with high academic record and with good entrance test scores are considered for Discretionary Quota Seats. The fees for Discretionary Quota seats will be double the academic fees of open category as approved by the Fee Structure Committee, to be paid to the institute by way of online transfer/demand draft. No donation or capitation fee is charged for admission to any program at any institute of SIU. Once admission is taken in Discretionary Quota, the fees applicable to Discretionary Quota will have to be paid by the student for the entire duration of the programme.

Programme Structure:

Master of Science in Nursing (M.Sc. Nursing)

* Subject to change

Year I

- Nursing Education (Theory)
- Nursing Education (Practical)
- Advance Nursing Practice
- Nursing Research & Statistics

Clinical Specialty – I (Choose any one specialization)

Specialization :Medical Surgical Nursing

- Clinical Speciality -I Medical Surgical Nursing (Theory)
- Clinical Speciality -I Medical Surgical Nursing-(Practical)

Specialization :Obstetric & Gynecological Nursing

- Clinical Speciality -I Obstetric & Gynecological Nursing (Theory)
- Clinical Speciality -I Obstetric & Gynecological Nursing (Practical)

Specialization :Mental Health(Psychiatric) Nursing

- Clinical Speciality -I Mental Health (Psychiatric) Nursing (Theory)
- Clinical Speciality -I Mental Health (Psychiatric) Nursing (Practical)

Specialization :Community Health Nursing

- Clinical Speciality -I Community Health Nursing (Theory)
- Clinical Speciality -I Community Health Nursing (Practical)
- Integrated Disaster Management

1. Students has to continue with the same specialization opted in Year I

2. There are 7 sub specialties in Medical Surgical Nursing as mentioned below
cardio Vascular & Thoracic Nursing, Critical Care Nursing, Oncology Nursing, Neuroscience Nursing, Orthopedic Nursing, Gastro-enterology Nursing.

Year II

Inter Institute Course (Choose any one course)

- Basic French II
- Basic German II

Clinical Specialty –II (Choose any one Specialization)

Specialization :Medical Surgical Nursing

- Clinical Speciality -II Medical Surgical Nursing (Theory)
- Clinical Speciality -II Medical Surgical Nursing (Practical)

Specialization :Obstetric & Gynecological Nursing

- Clinical Speciality -II Obstetric & Gynecological Nursing (Theory)
- Clinical Speciality -II Obstetric & Gynecological Nursing (Practical)

Specialization :Mental Health (Psychiatric)Nursing

- Clinical Speciality -II Mental Health (Psychiatric) Nursing (Theory)
- Clinical Speciality -II Mental Health (Psychiatric) Nursing (Practical)

Specialization :Community Health Nursing

- Clinical Speciality -II Community Health Nursing (Theory)
- Clinical Speciality -II Community Health Nursing(Practical)

Note:

Students have to maintain log book for each activity during the course of study.

ASSESSMENT

Year I

- Nursing Education (Theory)

Dr. Anuradha Vaidya
Officiating Director

Director Profile:

Dr. Anuradha Vaidya began her research career after receiving a Master's degree in Health Sciences from the University of Pune after which she got an opportunity to work at National Centre for Cell Science (NCCS) in the field of Stem Cell Biology. Immediately after receiving a doctoral degree, Dr. Vaidya got affiliated with the brand "Symbiosis". She has been associated with SSBS since its establishment in August 2011. In August 2021, Dr. Vaidya completed a decade at SSBS, and on 8th November 2021, she was appointed as the Officiating Director of SSBS.

Dr. Anuradha Vaidya's current research focuses on understanding the microenvironment-mediated regulation of hematopoietic stem cells (HSCs) and the potential use of the mesenchymal stromal cell (MSC) secretome as "cell free biologics" in the treatment of neurodegenerative disorders. This is an extension of her Ph.D. work during which she showed that the HSCs are regulated intrinsically by the activation of p44/42 mitogen-activated protein kinase (MAPK) pathway that is crucial to its proliferation; whereas the extrinsic regulation of HSCs is mediated via its intercellular communication with the MSCs and that constitutive activation of the AKT signalling pathway in MSCs has a detrimental effect on the HSCs. Since her line of work is in stem cells, Dr. Vaidya is also affiliated with the Symbiosis Centre for Stem Cell Research (SCSCR).

Dr. Vaidya has now been entrusted with the challenging role of "Officiating Director" of SSBS. She is a member of National and International societies such Indian Society of Cell Biology and International Society for Stem Cell Research. She is also a member of various academic, ethical, and safety committees within and outside of SIU. She has been serving as an Editor and Reviewer for many International peer-reviewed journals. She has also published several research articles in reputed journals such as Stem Cell Reviews and Reports, Regenerative Medicine, Stem Cells, Cryobiology, etc., and is currently involved in guiding and mentoring doctoral and dissertation students. She believes that SSBS possesses the attributes (Infrastructure, Experienced faculty members, Research areas aligned with National guidelines, Geographical location, Quality of students, and Support of Management) to evolve as one of the premier Life Science's institutes of India!

Institute Profile:

Symbiosis School of Biological Sciences (SSBS) (formerly Symbiosis School of Biomedical Sciences) was established as a new initiative of Symbiosis International University (SIU) in 2011 under the Faculty of Health and Biomedical Sciences (now Faculty of Health Sciences) to address the need for a School devoted to training, research and development in the field of Biological Sciences. We offer M.Sc. and Ph.D. programmes in Biotechnology. The current research focus of the institute is on contemporary areas such as Genomics, Proteomics & Bioinformatics, Stem Cell Biology, Antibiotic Resistance, Food Biotechnology, Avian Virology, Biotransformation of Xenobiotics, Quorum Sensing, Nanotechnology and Metabolic diseases which are aligned with the major Government funding agencies.

Our goal is to carry out biological research of highest caliber through global cooperation and to develop knowledge-rich highly skilled human resource.

Programme Profile:

Name of the Programme:

- **Master of Science (Biotechnology)**

M.Sc. Biotechnology is an interdisciplinary programme offering courses in Stem Cell Biology, Bioprocess Engineering, Recombinant DNA Technology, Bioanalytical Techniques, Genomics, Bioinformatics, and Biostatistics. The programme also emphasizes understanding of fundamental principles through courses in Biochemistry, Cell Biology, Molecular Biology, Genetics, Microbiology, Virology, and Immunology. The skill-based programme incorporates Research Project as an integral component that provides an opportunity for the students to get trained in independently drafting a hypothesis, designing a research project, and performing laboratory experiments followed by data analysis coupled with an opportunity to publish. The programme also has a provision for a one-year research project as a separate “stream” within MSc Biotechnology program with the sole objective of skilling in contemporary areas to work towards a good research publication to confer an edge over similar programs in the country.

Duration:

- **Master of Science (Biotechnology):** 2 Years Full Time Programme

Intake:

- **Master of Science (Biotechnology):** 40 seats

Eligibility:

- **Master of Science (Biotechnology)**

- ✓ Graduate in Life Sciences/ Health Sciences/ Biotechnology/ any other Biological Sciences OR Graduate of Engineering in Biotechnology/ Graduate of Technology in Biotechnology from any recognized University/ Institution of National Importance and must have obtained a minimum of 50% marks or equivalent grade (45% or equivalent grade for Scheduled Caste/ Scheduled Tribes) at graduation

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Admission Process:

- **Master of Business Administration**

Personal Interaction with shortlisted candidates (No written exam)

(Criteria for evaluation: Undergraduate academic score, general aptitude, subject knowledge, communication skills and extra-curricular achievement)

Reservation of Seats: As per University norms.

*Panache Cultural
Programme October 2018*

Test Result*	NA
Declaration of shortlist for GEPIWAT*	NA
Date of GEPIWAT Process	23 May to 27 May 2022
Declaration of First Merit List	1st June 2022
Programme Commencement	4th July 2022

* (If applicable)

Disclaimer:

These dates are tentative and are subject to change. Any changes will be reflected on institute website: www.ssbs.edu.in

Orientation and Pedagogy:

A week-long induction programme is organized for the new batch of students wherein guest speakers are invited to share their expertise, knowledge and experience in their respective fields. Students are exposed to emerging trends and career opportunities available in biotechnology.

A series of informative lectures are also organised for the students by in-house University faculties which include orientation to student welfare policies, wellness and recreation facilities as well as health care services, biodiversity at SIU. This induction program also includes various lectures on personality enhancement and soft skills training. Students are given a bird's eye view of their course curricula.

At Symbiosis School of Biological Sciences pedagogy involves a combination of lectures, assignments, case studies and presentations with special emphasis on laboratory practical's and hands-on training. Industry and field visits too are given a special emphasis. Additionally, classroom sessions are planned on current scientific topics or path breaking research to encourage open ended discussions. Students undertake research projects as a part of the curriculum and in many cases are able to publish papers in Scopus Indexed journals. This activity is undertaken either at SSBS or at leading research organisations/industries across the country. Towards the end of the course the institute offers a "finishing school" as well as focused training enabling students to pass NET, SET, JRFship examinations of various organizations.

Fee Structure

Approved Fee Structure for batch 2022-2024 in the Academic year 2022-2023

Programme Fees For Master of Science- Biotechnology (Indian Students)	Amount in ₹
Academic Fees (Per Annum)	2,20,000
Institute Deposit (Refundable)	20,000

Programme Fees For Master of Science- Biotechnology - By Research (Indian Students)	Amount in ₹
Academic Fees (Per Annum)	2,20,000
Institute Deposit (Refundable)	20,000

Programme Fees For Master of Science- Biotechnology (International Students)	USD equivalent to INR
Academic Fees (Per Annum)	3,30,000
Administrative Fees (Non Refundable)	40,000

Once admission is taken in Discretionary Quota, the fees applicable to Discretionary Quota will have to be paid by the student for the entire duration of the programme.

Programme Structure:

Master of Science (Biotechnology)

* Subject to change

Semester: I

Core Courses

- Mathematical Economics
- Public Economics
- Advanced Macroeconomics I
- Advanced Microeconomics I
- Advanced Econometrics I
- Research Methodology and Software Application Package I

Semester: II

Core Courses

- Advanced Macroeconomics II
- Advanced Microeconomics II
- Advanced Econometrics II
- Growth and Development
- Research Methodology and Software Application Package II
- Integrated Disaster Management

Semester: III

Core Courses

- Internship
- Research Publication

Electives :Development Studies

- Development Experience
- Markets and Institutional Framework of Development
- Urban Economic Development
- Flexi-Credit Course
- Trade, Aid and Development

Electives :International Trade

- International Trade Policy
- Open Macroeconomics
- Pure Theory of Trade
- International Political Economy and Trade
- Trade and Environment

Electives :Urban Development

- Urban Finance
- GIS and Problem Solving in the Urban India Context
- Urban Demography
- Urban Governance
- Urban Land Economics
- Urban Planning and Development

Electives :Finance

- Financial Economics
- Security Analysis and Portfolio Management
- Derivative Markets
- Financial Modeling

Semester: IV

Core Courses

- Dissertation

Electives :Development Studies

- Human Development
- Rural Development
- Theories and Models of Development and Distribution

Electives :International Trade

- International Capital Market and Finance
- International Organizations and Regional Cooperation in Trade
- Multinational Trade: Procedures and Laws
- Trade Finance

Electives :Urban Development

- Urban Development Experiences
- Urban Poverty, Migration and Sustainable Livelihoods
- Urban Energy and Environment
- Urban Mobility
- Urban Solid Waste Management
- Urban Water and Sanitation

Electives :Finance

- International Capital Market and Finance
- Financial Risk Management
- Actuarial Economics
- Behavioral Finance
- Corporate Finance
- Introduction to Micro Finance

Dr. Jyoti Chandiramani

Director, Symbiosis School of Economics
Dean, Faculty of Humanities and Social Sciences – SIU

Direct Profile:

Prof Jyoti Chandiramani has over 35 years of experience in teaching, institution building, administration, and research. Presently, she teaches Urban Economic Development and Urban Mobility at the Masters level.

Dr Chandiramani has conducted more than 50 Management Development Programmes (MDP) for the corporate over the years. She has been a core founder member of the Symbiosis Centre for Liberal Arts. In 2007, she was awarded a short-term scholarship at the University of DePauw, Indianapolis – to study Liberal Arts Education. In 2013, she was a part of the Indian delegation to Pakistan for the Tenth South Asian Economic Students Meet (SAESM) at Lahore University of Management Sciences, and she has been conferred with the ICongo instituted Gold Karmaveer Chakra and the Rex Karmaveer Global Fellowship in Delhi, for her contributions to the field of education in 2015. In 2016, she was invited to the 5th ASEM Rectors' Conference as a Mentor for the Students' Forum (ARC5), organized by Charles University in Prague and the Asia-Europe Foundation (ASEF). Prof Jyoti has been a member of the Working Group on "City Governance and Smart Cities" – Niti Aayog in 2017; in 2018 she was invited to Macquarie University to deliver seminar lectures.

Prof. Jyoti Chandiramani's research interests lie in the urban economic development and international economic cooperation. To this effect, she focuses her research in areas such as Urban Infrastructure, Urban Transport, Urban Poverty and is presently working on Pune centric cases. She has a number of research papers to her credit and has worked on research projects funded by National Bank for Agriculture and Rural Development (NABARD) and others. She is also a research guide to a number of PhD scholars. Besides writing a couple of textbooks, and publishing research papers in reputed journals, she has jointly edited a book with Ramanath Jha on 'Perspectives in Urban Development: Issues in Infrastructure, Planning, and Governance.'

Institute Profile:

Established in 2008, Symbiosis School of Economics has over the span of 13 years designed its progression following the ARPIE model (Academics – Research – Placements – Internationalization – Enhanced Engagements).

Academics: The growing institution has demonstrated a discernible record of success, offering two programmes:

- ✓ B.Sc. (Economics) Honours
- ✓ M.Sc. Economics with specializations in International Trade, Development Studies, Urban Development and Finance.

SSE has two very active centers to cater to specific needs of the students and faculty members. The Centre for Quantitative Learning and Applications (CQLA) facilitates advanced level data analysis and statistical software training (SAS, SPSS, STATA, R, and other statistical and econometric software) for the students. The Centre for Academic Writing (CAW) supports students in the academic writing of essays, papers and reports of various types. CAW also publishes an annual journal – *Oeconomica Scriptis* – a compilation of outstanding academic writings of the students.

Research: The school prepares its student community with strong research methods (both quantitative and qualitative), software applications, along with a final semester dissertation, which is mandatory at both, the

Bachelor's and Master's programmes. With more than 60 publications, the school has actively engaged on varied research projects with NABARD, Chest Research Foundation, INHAF, Sulochana Thapar Foundation, etc., working closely on rural, urban, trade and development issues.

Placements: Our 1500+ alumni, have been accepted to pursue academics at the leading institutions in India – like Indira Gandhi Institute for Development and Research, Gokhale Institute of Politics and Economics, Delhi School of Economics, Jawaharlal National University, Madras School of Economics, Indian Institute of Technology (Powai, Bombay), Centre for Development Studies (Trivandrum), Indian Institute of Management (Ahmedabad, Bangalore, and Indore), Tata Institute of Social Sciences (Mumbai) and across reputed International Universities such as Johns Hopkins University, Columbia University, Boston University, University of Rochester, National University Singapore, London School of Economics, Warwick University, St Andrew's University, to name a few.

The programmes' rigour equips our students with employable skills in economic analysis, data analytics, market research, economic research and business intelligence, which has helped our students to be recruited by renowned organizations such as Deloitte, Ernst and Young, ZS Associates, CMIE, RIS, IIHS, CRISIL, ICICI Bank, IndusInd Bank, Vodafone, Markets and Markets, Public Affairs Centre (PAC), Research and Development Initiatives (RDI), and many more.

It is evident that through the interdisciplinary flavours, the curricula prepares our students for careers in a wide range of sectors and professions. Despite the demanding environment, there is ample scope for creativity, originality and students' initiatives. The journey of academic pursuits is ever-evolving and will always include different perspectives and recommendations from all our stakeholders – this is the key to making the learning experience increasingly relevant and meaningful.

Internationalization: Symbiosis International (Deemed University) having more than 60 MOUs with leading international universities, has helped SSE facilitate strong linkages with respect to students and faculty exchange, working towards collaborative research and benchmarking our courses and programmes to international requirements.

Enhanced Engagements: SSE is closely associated with Niti Aayog, and other leading think tanks like Research and Information Systems (RIS), ICRIER, UNDP, INHAF, Shyam Chi Aai Foundation, SOFOSH, CII, Cogencis, IDOBRO, TIES, Yunus Centre (Yunus Social Business, Bangalore), Piramal Foundation and many more.

Given the framework, this very niche institute seeks to develop intellectual discipline, critical and analytical bents of mind and a skill-set that makes our students prepared for academia and industry, alike. We at SSE, achieve these goals in an educational environment committed to excellence and academic freedom. While the programmes are rigorous and the pedagogies are designed to make the student learn experientially, as well as, through the traditional techniques, the curricular and co-curricular and extra-curricular inputs, SSE seeks to nurture and develop the intellectual and professional competencies for successful careers that inspire inclusivity, sustainability, innovation, leadership and pragmatism into problem-solving at local and global levels.

Programme Profile:

Name of the Programme:

- **Master of Science (Economics)**

- (specializations in International Trade, Development Studies, Urban Development and Finance)**

- ✓ The M.Sc. Economics programme is interdisciplinary in nature. The programme seeks to develop intellectual discipline, critical and analytical thinking with a view to groom passionate individuals capable of taking up responsibility. We have a highly rigorous and relevant curriculum, catering to the dynamic nature of global markets. We, at SSE, strive hard to create an enabling framework to facilitate the smooth translation of skills to jobs.

- ✓ The diverse pool of students is selected through a highly comprehensive screening process across India. The applicants hail from varied academic backgrounds like economics, commerce, mathematics, statistics, management, science, engineering, marketing, etc., and, bring to the table a diversity of thoughts, and perspectives. We look forward to a batch of students every year with proven excellence in academia and in extracurricular activities. The student community, together with the knowledge ethic embedded at SSE, ensures that they are prepared to take on roles as managers, economists, statisticians, analysts and entrepreneurs.
- ✓ SSE adopts innovative and proactive teaching pedagogy with emphasis on holistic developments of individuals. The coursework has been designed to acclimatize students to the rigors of a highly competitive workplace. Inherent with the coursework is a system of Continuous Evaluation (CE) that provides critical evaluation of a candidate's performance from time to time. The curricula place a lot of importance on intensive application-based research and analysis. Further, to strengthen the skill set, the students undergo workshops where they are trained to handle and implement data packages and software like SPSS, STATA, R, Python, etc.
- ✓ As part of the programme, all students are required to complete a two-month industry internship. The objective of the internship is to give students the opportunity to experience real world applications of theories they have studied. At the end of the two years, students are well prepared to face the challenges of academia, research, business and industry.

Duration:

- **Master of Science (Economics):** 2 Years Full Time Programme

Intake:

- **Master of Science (Economics):** 60 seats

Eligibility:

- **Master of Science (Economics)**
 - ✓ Graduate from any recognized University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste / Scheduled Tribes).

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Admission Process:

- **Master of Science (Economics)**
Through Personal Interaction (PI)

Reservation of Seats: As per University norms.

Important Dates:

Details	Date
Programme Registration Begins	6th December 2021
Programme Registration Closes	30th April 2022
Entrance Test*	Not Applicable
Test Result*	Not Applicable
Declaration of shortlist for PI*	4th May 2022
Date of PI Process	1st, 2nd, 3rd June 2022
Declaration of First Merit List	15th June 2022

Ms. Shivali Lawale
Director

Director Profile:

Prior to joining the Symbiosis School of International Studies, Ms. Lawale, worked for over more than a decade at the United Nations Educational, Scientific Cultural Organisation (UNESCO) Headquarters in Paris, France. She has worked in the capacity of Programme Specialist on two of the UN's priority programmes in education and international development – Education for All and Education for Sustainable Development. These programmes covered a variety of contemporary issues like peace and conflict, human rights, climate change and gender issues, among others. She has also taught the post-graduate programme in French studies at the University of Pune. Ms. Lawale has an M. Phil in International Cooperation in Education and Training from the Sorbonne University and an M.A. in International Relations from the prestigious Sciences Po, Paris. She also has an M.A. and M.Phil. in French studies from Pondicherry University. She has authored articles on education and sustainable development that have been published in international journals and publications and has presented papers at prestigious international conferences like the biennial International Conference on Education and Development, UK, and the Human Development and Capability Association (HDCA) annual conferences. She is also member of the HDCA, an association that was established in 2004 by Prof. Amartya Sen and Prof. Martha Nussbaum. Areas of Interest: Indo-French relations, Indo-EU relations; development cooperation; educational cooperation and issues related to Sustainable Development.

Institute Profile:

Symbiosis School of International Studies (SSIS) endeavours to provide a platform for teaching and research in international relations, with an emphasis on India and its role in global affairs. Set up in consonance with the broader vision of Symbiosis Society, which is “to integrate with the world”, SSIS strives to constantly engage in scholarly pursuits in an environment of intellectual fellowship, aimed at the academic enrichment of the entire community. The discipline of International Studies (IS) positions itself at the cross-roads where the dominant cultural, economic, political and social issues that exercise an influence on the national, regional and international agenda converge. A Master's programme in International Studies encourages students to relate theoretical concepts to specific, relevant world issues and challenges in international affairs today.

Programme Profile:

Name of the Programme:

- **Master of Arts (International Studies)**

The M.A. (International Studies) programme offered by SSIS seeks to equip students with knowledge and skills pertinent to address the 21st century global challenges. While engaging with topics on peace, conflict, justice, rights, development, global commons, environment, cooperation, governance, diplomacy and so on, the emphasis is on developing critical thinking to come up with tangible alternatives to address the unresolved issues. The holistic nature of courses offered under the M.A. (International Studies) programme provides students with the lens to critically examine and understand contemporary issues based on a multi-disciplinary approach. The specialization offered under the course on Area Studies fosters scholarship of the region informed by a deeper understanding of an interconnected and interdependent world. The choice of regions offered includes –Europe/ USA and Asia. The students are also offered a choice of foreign language as part of Area Studies course (e.g. French/ Spanish/ Chinese/ Arabic). For the choice of both the region and the foreign language to take off, there has to be a minimum enrolment of ten students. The curriculum includes mandatory internship that prepares students for careers with CSOs, NGOs, international organizations, think tanks, civil services, media, academia, consultancies and financial institutions. Our faculty members are a good blend of prominent academicians, active researchers and practitioners, attesting to the belief that the best pedagogy comes from a mix of theory and praxis. The students benefit from the contributions of different types of practitioners of international relations, whether they are from diplomacy, the corporates, the think-tanks or international organizations. The diverse background of both the faculty and the postgraduate students makes for a cosmopolitan and enriching environment.

Duration:

- **Master of Arts (International Studies):** 2-year Full-Time Programme

Intake:

- **Master of Arts (International Studies):** 30 seats

Eligibility:

- **Master of Arts (International Studies)**

- ✓ Candidate should be a Graduate from any statutory university with a minimum of 50% marks (45% for SC and ST) at the graduation level.
- ✓ Candidates appearing for final year examination can also apply, but their admission will be subject to obtaining a minimum of 50% marks (45% for SC and ST) in the qualifying examination
- ✓ A candidate who has completed qualifying qualification from any Foreign Board/ University must obtain an equivalence certificate from Association of Indian Universities (AIU).

International Relations Conference 2018 Shaping A New Strategic Culture for India - Inaugural Ceremony IRC 2018 : L-R, Dr. Rajani Gupte (VC, SIU), Amb. (Retd.) Talmiz Ahmad (Ram Sathe Chair in International Studies, SIU), Dr. S. B. Mujumdar (Chancellor, SIU), Shri Vijay Gokhale (Foreign Secretary, MEA, India), Dr. Vidya Yeravdekar (Pro-Chancellor, SIU), Ms. Shivali Lawale (Director, SSIS).

*Key Address by Shri Vijay Gokhale
(Foreign Secretary, MEA, India)*

Mr. Pukhraj Singh, Cyber Intelligence Analyst at National Technical Research Organization (NTRO)

Mr. Jayadeva Ranade, President of the Center for China Analysis and Strategies

Commemorating 26/11 and 13/2: Building a Resilient Future : The students of the Symbiosis School of International Studies (SSIS) organized a day-long event, themed "Commemorating 26/ 11 and 13/2: Building a Resilient Future", on 13th February 2019 at the Symbiosis Viman-Nagar new campus. The backdrop of this event were the 26/ 11 and 13/2 attacks in Mumbai and Pune German Bakery, respectively, with an emphasis on the two broad themes of building resilience and countering violent extremism. The chief guests were Mr. Pukhraj Singh, Cyber intelligence analyst at National Technical Research Organization (NTRO) and Mr. Jayadeva Ranade, President of the Center for China Analysis and Strategies (CCAS). The students of SSIS also held an art exhibition wherein photographs, posters and art were on display which illustrated resilience and triggered the viewers to revisit the two unforgettable days.

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Admission Process:

- **Master of Arts (International Studies)**

Personal Interaction (PI) is the selection process for the M.A. (International Studies) course offered by Symbiosis School of International Studies (SSIS). After successful online registration and payment of fee, subject to fulfilment of admission criteria, shortlisted candidates would be notified of the call for PI via email. Given the pandemic, the PI is conducted virtually.

Reservation of Seats: As per University norms.

Orientation and Pedagogy

Faculty is encouraged to employ a number of methods of instruction across physical and virtual teaching learning platforms. Consistent with the University’s quality assurance and enhancement practices, each method is designed to ensure that the students derive maximum benefit from the lectures and seminars, and that they use the self - study time to its full advantage. Given the diversity of the subject, the programme is taught through a mixed

pedagogical approach, combining exposure to both IR theory and praxis. Emphasis is laid on hands-on training in the workings of contemporary diplomacy and international negotiations through simulations, case studies and audio visuals. The courses are designed to nurture critical analysis skills (written and oral), soft skills, intercultural skills and e- competencies in the students to enable them to play professional, constructive or leadership roles at the national, regional and international level. The pedagogy is by lecture/seminar format, small group work, and simulations as appropriate. Students are encouraged to work both independently, and as part of a group. The programme also allows students to manage an online research portal, Indian Review of Global Affairs, which will become a base of mid-to-long range policy- relevant issues and challenges. This will further hone skills and encourage the participation of youth in new age research via the use of new media such as podcasts, photo-essays/ photo- journalism, interviews and video- series.

Fee Structure:

Prof. Sharvari Shukla
Director

Director Profile:

Sharvari has been a Bio-statistician at various research institutes and advisor for pharmaceutical companies and hospitals. Her interest in translating research into practice led her to undergo training in epidemiology, epigenetics and clinical trials. She handles various national and international funded projects. Recently she received grant from DST under EDA scheme on big data analytics and SERB under METRICS rapid response call on COVID-19 data. Sharvari Shukla works with a team of epidemiologists and clinical scientists investigating the fetal origins of cardiovascular disease and Type 2 diabetes. Her fields of expertise include longitudinal data analysis, modelling-simulation, big data analysis and artificial intelligence, clinical trials and research methodology. She has more than 60 research papers to her credits She also serves as reviewer for various international journals.

Institute Profile :

The major focus of the Symbiosis Statistical Institute (SSI) is to train students to translate and apply statistical knowledge to solve real-world problems in various inter-disciplinary domains. In today's innovative world new forces are shaping the analytics so education becomes very important for developing next generation creative thinkers and innovators. Masters of Science in Applied Statistics shall offer modules, which are application oriented that facilitates learning statistical methodologies and best practices in statistical analysis. The programme prepares students for career opportunities in different areas such as Pharma, Insurance, Finance, Automobile, Information Technology and many other sectors that will entail market research, forecasting and predictive analysis. It will also provide opportunities for students to be gainfully employed with National and International Research Institutes, Research laboratory, Academia, Non-Governmental Organizations, Consulting, and Doctoral Studies among other opportunities.

Programme Profile:

Name of the Programme:

- **Masters of Science in Applied Statistics**

The programme prepares students for career opportunities in varied domain industries ranging from IT, finance, marketing, media, retail, banking, medical etc. There are several job options within the Analytics industries like Gaming, Fraud detection, Pattern Recognition, Strategic management, Risk management etc. and many other sectors that will entail market research, forecasting and predictive analysis. It will also provide opportunities for students to be gainfully employed with National and International Research Institutes, Research Laboratory, Academia, Non-Governmental Organizations, Consulting and Doctoral Studies among other opportunities.

Duration:

- **Masters of Science in Applied Statistics:** 2 Years Full Time

Intake:

- **Masters of Science in Applied Statistics:** 45 seats

Eligibility:

- **Masters of Science in Applied Statistics**

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Admission Process:

- **Masters of Science in Applied Statistics**

- ✓ Academic record with minimum 50 percent (45% for SC/ST) at graduation level.
- ✓ Performance at the 'Writing Aptitude Test (Technical and Academic)' (WAT) and 'Personal Interaction' (PI) which will be conducted in Kolkata, Noida and Pune. WAT is a written test that will be scheduled along with a comprehensive Personal Interaction (PI).
- ✓ Writing Aptitude Test (Technical and Academic)- Essay type written test on a general topic to comprehend the writing skills of the candidate.
-Personal Interaction- Interaction with a panel of experts.

Reservation of Seats: As per University norms.

Important Dates:

Details	Date
Programme Registration Begins	19 November 2021
Programme Registration Closes	11 July 2022
Date of GEPIWAT Process	16 July 2022
Declaration of First Merit List	23 July 2022
Programme Commencement	8 August 2022

Disclaimer: These dates are tentative and are subject to change. Any changes will be reflected on institute website: www.ssi.edu.in

Orientation and Pedagogy:

Fundamentals of statistical methods with classroom sessions along with invited talks by industry expert. More focus on practical conducted through R, Python, IBM-SPSS, MINITAB, MATLAB and experiential learning by real time data analysis.

Deans Retreat for Faculty of Humanities and Social Sciences

Fee Structure:

Approved Fee Structure for batch 2022-2024 in the Academic year 2022-2023

Programme Fees For Master of Science (Applied Statistics) (Indian Students)	Amount in ₹
Academic Fees (Per Annum)	2,20,000
Institute Deposit (Refundable)	20,000

Programme Fees For Master of Science (Applied Statistics) (International Students)	USD equivalent to INR
Academic Fees (Per Annum)	3,30,000
Administrative Fees (Non Refundable)	40,000
Institute Deposit (Refundable)	20,000

Hostel and Mess Fees for Indian & International Students. (Subject to change in campus and accommodation type wise, e.g. Twin Sharing, Triple Sharing etc)(The fees indicated herein are for S.B.road Campus Only)	Amount in ₹ (For Indian Students)	USD equivalent to INR (For International Students)
Mess Fees (Per Annum) *	78,000	78,000
Hostel Deposit (Refundable)	15,000	15,000
Hostel Fees (Different, Subject to Sharing, Per Annum) *		
Twin Sharing	1,28,500	1,28,500
Three Sharing	92,200	92,200

* Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

National Mathematics Day Celebration

Installments for Programme Fees For Master of Science (Applied Statistics) (Indian Students)	1st Year (Amount in ₹)		2nd Year (Amount in ₹)	
	1st Installment	2nd Installment	3rd Instalment	4th Instalment
Academic Fees (Per Annum)	1,10,000	1,10,000	1,10,000	1,10,000
Institute Deposit (Refundable)	20,000	-	-	-
Hostel Deposit (Refundable)	15,000	-	-	-
Hostel Fees (Per Annum)	92,200	-	**	-
Mess Fees (Per Annum)	78,000	-	**	-
Installments	3,15,200	1,10,000		
Last date of payment	At the time of admission	25-Nov-2022	25-Jun-2023	25-Nov-2023

* Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

** Hostel and Mess Fees for the subsequent year would be communicated before commencement of the next academic year.

Installments for Programme Fees For Master of Science (Applied Statistics) (International Students)	1st Year (USD equivalent to INR)			2nd Year (USD equivalent to INR)	
	1st Installment	2nd Installment	3rd Installment	4th Instalment	5th Instalment
Administrative Fees (Non Refundable) #	40,000	-	-	-	-
Academic Fees (Per Annum)	45,000	1,00,000	1,85,000	1,65,000	1,65,000
Institute Deposit (Refundable)	20,000	-	-	-	-
Hostel Deposit (Refundable)	-	15,000	-	-	-
Hostel Fees (Per Annum)	-	92,200	-	**	-
Mess Fees (Per Annum)	-	78,000	-	**	-
Installments	1,05,000	2,85,200	1,85,000		
Last date of payment	At the time of acceptance of 'Offer Letter' (USD equivalent to INR)	At the time of Reporting to SCIE	25-Nov-2022	25-Jun-2023	25-Nov-2023

50% Concession to be given only to the Foreign National students on Administrative Fees.

* Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

** Hostel and Mess Fees for the subsequent year would be communicated before commencement of the next academic year.

* Few seats are reserved as Discretionary Quota Seats. Only students with high academic record and with good entrance test scores are considered for Discretionary Quota Seats. The fees for Discretionary Quota seats will be double the academic fees of open category as approved by the Fee Structure Committee, to be paid to the institute by way of online transfer/demand draft. No donation or capitation fee is charged for admission to any program at any institute of SIU. Once admission is taken in Discretionary Quota, the fees applicable to Discretionary Quota will have to be paid by the student for the entire duration of the programme.

Induction Program – For Batch 2018-20

Programme Structure:

Masters of Science in Applied Statistics

* Subject to change

Semester : I

Core Courses

- Probability Distributions
- Statistical Inference
- Stochastic Processes
- Sampling Theory
- Statistical Computing
- Research Methodology
- Integrated Disaster Management

Semester : II

Core Courses

- Probability Theory and Applications
- Linear Models
- Time Series Analysis
- Computer Intensive Statistical Methods

- Design of Experiments
- Multivariate Statistics-1

Semester : III

Core Courses

- Multivariate Statistical Analysis-2
- Statistical Learning and Data Mining
- Flexi-Credit Course
- Scientific and Report Writing
- Research Publication

Electives

- Flexi-Credit Course

Electives :Data Science

- Statistical Simulation
- Big Data Analytics

Electives :Industrial Statistics and Operations Research

- Stochastic Models in Finance
- Statistical Quality Control

Electives :Bio-Statistics and Data Analysis

- Survival Analysis
- Demography and Vital Statistics

Semester : IV

Core Courses

- Statistical Machine Learning
- Industry Project in Specialization
- Seminar

Please visit www.ssi.edu.in for information related to:

- Teaching Faculty including educational qualification(s) and teaching experience
- Learning Resources
- Physical and Academic Infrastructure Facilities
- Co-Curricular and Extra Curricular Activities
- Hostel Accommodation
- Health Care Services

Guest Lecture on Study Design by Prof Dr Truls from Duke University.

Hands on Training Program on Systematic Review and Meta Analysis

Induction Program for Batch 2019-21

Students participation in National Conference at Ahmednagar – On Recent Trends in Statistics.

Dr. Ketan Kotecha
Director and Dean SIT

Direct Profile:

Dr. Ketan Kotecha, PhD (IIT Bombay)

director@sitpune.edu.in

head@scaai.siu.edu.in

Professor, Computer Science & Engineering

Head, Symbiosis Centre for Applied Artificial Intelligence (SCAAI)

Dean, Faculty of Engineering, Symbiosis International (Deemed University)

Director, Symbiosis Institute of Technology

TEDx speaker 2015 | Author – Introduction to Critical Thinking (Macmillan)

Recipient of

- Erasmus + faculty mobility grants from European Union
- LEAP (Leadership for Academicians Programme) grant from MHRD Govt of India in collaboration with IIT Kharagpur and University of Cambridge UK, November 2019-Jan 2020.
- DUO- INDIA Professor fellowship under Asia - Europe Meeting (ASEM-DUO) with Brunel University, UK, 2020.
- Two Research grants worth INR 1.66 crores under Promotion of Academic and Research Collaboration (SPARC) scheme by MHRD, Govt of India, in collaboration with Arizona State University USA and University of Queensland, Australia.
- Invite and sponsorship from Embassy of the United States of America to participate in US-India Higher Education Collaboration Workshop to be held in Washington D.C on April 2020 for establishing international partnerships for research and academic collaborations with India and USA.
- Invited as Editor for the prestigious Q1 Scopus journal PeerJ Computer Science considering his expertise in the domain of Artificial Intelligence. PeerJ - Profile - Ketan Kotecha

An advocate and practitioner of emotional intelligence in workplaces, Dr Ketan Kotecha is at the helm of the administrative, academic and entrepreneurship affairs of the Symbiosis International (Deemed University). His 25 years of extraordinary career saw him serving in the finest of the engineering colleges in various higher technical education leadership positions.

An avid researcher, he has various prestigious transnational projects under him. He is recipient of the projects worth INR 1.6 crores on AI for Credibility Analysis of Information and Explainable AI for Health care in collaboration with the Arizona State University, USA and the University of Queensland, Australia under Scheme for Promotion of Academic and Research Collaboration (SPARC) by MHRD, Gol respectively. He is also a team member for the nationwide initiative on "AI and deep learning Skill and Research named Leadingindia.ai initiative sponsored by Royal Academy of Engineering, UK under Newton Bhabha Fund.

A researcher - teacher of Deep learning, his interest areas are Artificial Intelligence, Computer Algorithms, Machine

Learning, Deep Learning Higher Order Thinking Skills, Critical Thinking and Ethics & Values.

His research work can also be seen at <https://scholar.google.co.in/citations?user=oNiEOgMAAAAJ&hl=en>

He has more than 100 papers published /presented at international conferences around the world, to his credit and 3 patents filed. He is Guide to doctoral students working on the various fields of Computer Engineering and especially in Machine Learning for PhD/M. Tech Degrees. His insightful articles on varying topics are also published in news dailies; CSI magazine; AIU University newsletter etc.

He was keynote speaker for events (recent ones) such as ACMA Technology Summit 2019, Pune; international conference on “Flexible Learning Pathways: Asia-Europe Conference on Lifelong Learning and the 2030 Agenda for Sustainable Development”, Hanoi, Vietnam; Artificial Intelligence & Data Analytics in Decision Making” at the 14th FICCI Higher Education Summit 2018. He was also a member of FICCI higher education delegation to S Korea in May 2019. He has also delivered a talk on Research directions for Artificial intelligence at various forums including at IIT Bombay.

Dr. Kotecha was founding Provost of Gujarat’s largest private university- Parul University. He was Director – Academic Development and Research Cell, Nirma University, Ahmedabad, where he also served as the Dean and Director of the Institute of Technology, Nirma University.

He was Governing Council Member of the USA based Global Engineering Dean’s Council – India Chapter and is also a member of National Advisory Council for Confederation of Indian Industry’s (CII) Engineering and Management Curriculum Restructuring Task Force. He is the member of Governing Council of various universities and member of Academic Council at few Universities. He was a Member of the Technical Advisory Committee of BRTS, Ahmedabad and is also a member of Metro–Link Express for Gandhinagar.

Dr. Kotecha is also an independent director of Gujarat Informatics nominated by Government of Gujarat.

A recipient of Erasmus + faculty mobility grants from European Union, Dr. Kotecha was invited by Wroclaw University of Science and Technology and Poznan University of technology, Poland for delivering sessions on Machine learning. He was a visiting expert to University of Pretoria, S. Africa. He was also invited and visited various countries like USA, Canada, Singapore, Hong Kong, S. Africa, Spain, Poland, Germany, Cz Republic, Switzerland, Argentina, China, Vietnam, and South Korea.

Dr. Kotecha is a pioneer in Education Technology, believes in drastic curriculum reforms and innovative teaching-learning practices. He is also a voracious reader and is passionate about travelling and indulging in good food.

Inauguration of Protathlitis March 2019

IEEE PuneCon 2018

Institute Profile:

Symbiosis Institute of Technology, a constituent of Symbiosis International University was established in the year, 2008 and currently offers B. Tech programmes in Civil Engineering, Computer Science and Engineering, Electronics & Telecommunication Engineering, Mechanical Engineering, Artificial Intelligence & Machine Learning and Robotics & Automation as well as M. Tech programmes.

Research Programmes

Research programmes leading to Ph. D. Degree were introduced in Faculty of Engineering of Symbiosis International University in 2010.

The Institute endeavours to provide quality technical education in line with the requirements of today's competitive industry and fast paced technological developments. The curriculum developed by the Institute lays a stress both on basics and latest developments. Realizing the fact that faculty is the most important resource, special efforts have been made to find, recruit and retain highly qualified and competent faculty. Infrastructure created and acquired by the Institute, like all other Symbiosis Institutes, is of a very high quality and includes multimedia classrooms, well equipped labs including software for CAD/CAM, simulations and other applications, well stocked modern library with digital media, auditorium, seminar halls, separate hostels for boys & girls and playgrounds.

The Institute provides an environment conducive for harnessing the potential of both faculty and students through systematic and effective planning and control of the teaching learning process, both within and outside the classroom. The basic teaching learning process is supplemented by organizing Techfest's, cultural programmes, sports competitions, industry-institute meets, guest lectures by renowned personalities and student exchange programmes with foreign universities.

The Institute has international collaborations for student and faculty exchange with Nanyang Technological University Singapore, Ingolstadt University Germany, Purdue School of Engineering, IUPUI Indianapolis USA and Leibniz University Hannover.

In an effort to realize the dream of Dr. S. B. Mujumdar Sir, Chancellor of SIU and creator of Symbiosis, of producing Gentlemen Engineers, the students are trained in liberal arts, performing arts, industrial history, human values and ethics and are offered to qualify a special diploma from SIBM and courses from other Symbiosis Institutes. Our Engineering students can take up subjects on product design, patents and copyrights and many other areas closely related to engineering. Students at SIT come from all parts of the country. This diversity coupled with their excellent schooling and family background creates an environment best suited for peer learning. They are ever eager to supplement their normal learning with carrying out technical projects, participation in contests, organizing events and so on.

Programme Profile:

Name of the Programme:

- **Master of Technology (Artificial Intelligence and Machine Learning)**
- **Master of Technology (Robotics and Automation)**
- **Master of Technology (Embedded Systems)**
- **Master of Technology (Geoinformatics and Surveying Technology)**

Duration:

- **Master of Technology (Artificial Intelligence and Machine Learning):** 2 Years Full Time Programme
- **Master of Technology (Robotics and Automation):** 2 Years Full Time Programme
- **Master of Technology (Embedded Systems):** 2 Years Full Time Programme
- **Master of Technology (Geoinformatics and Surveying Technology):** 2 Years Full Time Programme

Intake:

- **Master of Technology (Artificial Intelligence and Machine Learning):** 24 seats
- **Master of Technology (Robotics and Automation):** 18 seats
- **Master of Technology (Embedded Systems):** 18 seats
- **Master of Technology (Geoinformatics and Surveying Technology):** 18 seats

Eligibility:

- **Master of Technology (Artificial Intelligence and Machine Learning)**
- **Master of Technology (Robotics and Automation)**
- **Master of Technology (Embedded Systems)**
- **Master of Technology (Geoinformatics and Surveying Technology)**
 - ✓ Engineering Graduate (B.E./B.Tech.) in relevant disciplines with minimum of four years duration from any recognized University/Institution with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste/Scheduled Tribes).

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Admission Process:

- **Master of Technology (Artificial Intelligence and Machine Learning)**
- **Master of Technology (Robotics and Automation)**
- **Master of Technology (Embedded Systems)**
- **Master of Technology (Geoinformatics and Surveying Technology)**
 - ✓ GATE qualified students can apply based on valid GATE Score.
 - ✓ Non-GATE students will be required to appear for an entrance examination and based on the score, admission will be offered.
 - ✓ Selected GATE candidates will get teaching assistantship.

Reservation of Seats: As per University norms.

M Tech students Pratik Patil and Aayushi Mishra [Research Internship] at Ritsumeikan University Japan

Students performing in Annual Cultural Fest : REVERB 2018

Important Dates:

- **Master of Technology (Artificial Intelligence and Machine Learning)**
- **Master of Technology (Robotics and Automation)**
- **Master of Technology (Embedded Systems)**
- **Master of Technology (Geoinformatics and Surveying Technology)**

Details	Date*(Tentative)
Programme Registration Begins	9th March 2022, Wednesday
Programme Registration Closes	18th April 2022, Monday
Entrance Test	25th April 2022, Monday
Test Result	28th April 2022, Thursday
Programme Commencement	4th July 2022, Monday

Disclaimer:

These dates are tentative and are subject to change. Any changes will be reflected on institute website: www.sitpune.edu.in

Orientation and Pedagogy

a. Method of Instruction

The Institute employs a very effective and interactive teaching-learning process using most recent teaching aids including multimedia. The curriculum has been developed considering the present and future needs of industry and higher education. Teachers prepare detailed presentations, lab manuals and course files to ensure the effectiveness of teaching-learning process. A salient feature of the curriculum is a Dissertation Phase 1, Dissertation Phase 2 and Research Publication.

b. Industry Interface:

The institute ensures industrial participation in curriculum development, guest lectures by experts from Industry, student trainings and internships. In addition to these, several industrial visits are also arranged for students in order to give them an exposure on the practical solutions and industrial environment.

The Industry Institute Interaction Cell (IIIC) at Symbiosis Institute of Technology aims to get associated with Industry to develop strategies for creating a future talent pool compatible to the industry.

The objective of the IIIC is to reduce the gap between the Institute and Industry and to offer real time exposure on recent technologies to the students and faculty members. Along with that, this cell also aims to join hands with Industry to find the solutions of problems faced by the industry and assure symbiotic relationships for the benefit of both Institute and Industry.

We regularly organize following activities

- ✓ Arrange Guest lectures, Industry talks on advance and latest technology trends.
- ✓ Promote One Faculty- One Industry connect.

- ✓ Invite Industry executives and practicing engineers for possible collaboration in research and development of existing laboratories.
- ✓ Participation of experts from industries in curriculum development.
- ✓ Organize industrial visits for faculty members and students.
- ✓ Invite Industry to co-teach some part of the course.

Visits were made to some renowned companies like

- ✓ Spark Minda Technical Centre – SMIT, Chakan Pune
- ✓ KPIT Technologies Ltd, Hinjewadi, Pune
- ✓ Philips India Limited, Healthcare R&D Centre
- ✓ Volkswagen India Pvt. Ltd.
- ✓ ARAI, Kothrud Pune
- ✓ Bharat Forge
- ✓ KraftPowercon
- ✓ Persistent
- ✓ Tech Mahindra
- ✓ Mapro Industry
- ✓ 512 Army Base workshops
- ✓ General Electric
- ✓ Tata Motors

c. Research and Development

SIU started Ph.D. programme in Engineering from the academic year 2010-2011. Presently 233 students are pursuing their Ph.D. from faculty of Engineering. 47 students have been awarded Ph.D. till date. SIT has taken various initiatives to mobilize the available knowledge resources for research and innovative solutions. SIT operates in cooperation to identify and initiate applied as well as multi-disciplinary research projects, create and combine patentable Intellectual Property (IP) components, and work to deliver funded research projects.

Research equipment and facilities have been established at SIT to carry out high quality basic and applied research. Faculty members are motivated to send research proposals in emerging areas to funding agencies within India and abroad. They also have a large number of publications in referred journals (SCOPUS and Web of Science) and are actively engaged in publications. Many papers were presented by the faculty and students in conferences held in India and abroad. Faculty and students have published more than 218 papers in refereed journals in the year 2021, all of them are either in SCOPUS indexed or Web of Science journals. The undergraduate and graduate students also get an opportunity to work on some sub-areas of larger research problems as their major or minor projects. They also have published papers in referred journals. The Institute is in the process of augmenting necessary equipment and facilities in the identified research areas. Currently working on five externally funded research projects and seven SIU funded projects.

Dr. B B Ahuja Director College of Engineering February 2019

Industry Connect talk on Artificial Intelligence and Machine Learning by Mr. Pratap Sanap Aug 2018

FDP on Solar Photovoltaic Activities August 2018

Industry Connect Talk by Mr. Pradeep Bhargava Independent Director Persistence Systems February 2019

d. Internationalization

The International Cell of Symbiosis Institute of Technology headed by Dr. Meena Laad, oversees and coordinates all the International initiatives of the Institute under the umbrella of Symbiosis Centre for International Education (SCIE). The Cell strives to enrich the academic and cultural experience of its students.

Though due to pandemic, international mobility of the faculty and students were restricted but the Internationalization @ home was sustained through various other activities and students and faculty were given international educational experience. There were 16 distinguished faculties from abroad who were invited to conduct FDP/Invited Talks and teach. Dr. Pawan Lingaras from St Mary University, Canada, Dr. Razi Nalim, IUPUI (USA), Dr Kenneth Stanton, University college Dublin (Ireland), Dr Ecevit Bilgili, New Jersey Institute of Technology (USA) just to name a few. SIT faculty published 39 research papers in international journals, 5 international patents published, published books, contributed book chapters with international collaborations. SIT faculty have also submitted joint research proposals for grants with international partners. Nine faculty members from SIT were invited as distinguished / keynote speakers at various international conferences / forums. Many of them presented their research work in International conferences and attended workshops and seminars. There are seven distinguished professors from foreign universities inducted as co-supervisors along with SIT faculty as supervisors for Ph. D programme.

72 students of SIT participated in various International events such as Hackathon organized by University of Queensland, Harvard Project for Asian & International Relations (HPAIR) organized by Harvard University and more than 55 students participated in International webinars. Apart from the MoUs which were already signed, a new MoU with Loughborough University, UK was also signed.

MoUs for International collaborations

- Ingolstadt University, Germany
- Indiana University Purdue University, Indianapolis, U.S.A
- Nanyang Technological University, Singapore
- Leibniz University, Germany
- Berlin School of Law and Economics
- Telecom Ecole De Management, Paris
- University of Adelaide, Australia
- University of Malta, Malta
- King Mongkut's University, Thailand
- University of Malaya, Malaysia
- Ritsumeikan University, Japan
- Hanyang University, South Korea
- Western University, Canada
- RUDN University, Russia
- Loughborough University, UK

Admission of International Students

The process of International Student's Admissions at SCIE is designed taking into consideration the requirements and difficulties faced by International Students. The admissions are centralized for all the constituent institutes of Symbiosis International (Deemed University) and routed through this office. The online admission procedure

has made it accessible to each and every student from different parts of the world and in the comfort of their homes.

In addition, various support services like assistance for issues related to residence permit, orientation to the rules and regulation of the Institute, medical facilities available and other miscellaneous matters of importance and interest during their stay also provided.

e. Placements:

The Institute has a very well-organized placement and training cell. All the students of final year are prepared for campus interviews through special programs on technical and soft skills, which help them get prestigious jobs. Leading companies from a multitude of sectors participate in final placements offering sought after profiles with competitive packages. The recruiter portfolio comprised a healthy mix of recruiters from Core engineering, Software, IT, Finance, Digital marketing and fast-growing start-ups. Further some students, with their superlative efforts during internship were awarded PPOs by highly coveted companies.

Year 2020-21 marked the presence of more than 90 companies which include top IT recruiters like Microsoft, Acquia, IBM India Pvt Ltd, Tiaa Global Business Services(I) Pvt Ltd, Amazon, Persistent Systems Pvt Ltd, Hitachi Consulting Software Services Pvt Ltd, Tresvista, Bookmyshow, Emerson, Miniorange Security Software Pvt Ltd, Vertiv Energy Pvt Ltd, TSYS, Other recruiter companies of repute includes, Merkel Sokrati Technologies, Media.net, Betsol, World Fashion Exchange, Vodafone Intelligent Solutions Pvt Ltd, KPIT Technologies, Gomo group, eClerx, Griffyn Robotech, Tech Mahindra, Aranca, Fair Construct Construction Solutions Pvt Ltd, KSPG Automotive India Pvt Ltd, E2Open, Renishaw Meteorology Systems Pvt Ltd, Philips India, HDFC Bank etc.

The Placement process for 2022 batch of B.Tech and M.Tech students is in progress. Several companies of repute like Microsoft, Bajaj Finserv Health, Bajaj Market, Deloitte, Mindbody, Publicis Sapient, Mindstix, Miniorange, Gomo Group, Persistent Systems Pvt Ltd, Optumhad already been a part of the process & many more to come.

Fee Structure:

Approved Fee Structure for batch 2022-2024 in the Academic year 2022-2023

Programme Fees for 1) Master of Technology (Artificial Intelligence and Machine Learning) 2) Master of Technology (Embedded Systems) 3) M. Tech. (Robotics and Automation) (Indian Students)	Amount in ₹
Academic Fees (Per Annum)	1,85,000
Institute Deposit (Refundable)	20,000

Team EPIC with Dr K. Kotecha [Director] September 2018

M. Tech [Computer Science] students in the Laboratory

Convocation of M. Tech [Computer Science] students

Programme Fees for 1) Master of Technology (Artificial Intelligence and Machine Learning) 2) Master of Technology (Embedded Systems) 3) M. Tech. (Robotics and Automation) (International Students)	USD equivalent to INR
Academic Fees (Per Annum)	2,80,000
Administrative Fees (Non Refundable)	40,000
Institute Deposit (Refundable)	20,000

Hostel and Mess Fees for Indian & International Students. (Subject to change in campus and accommodation type wise, e.g. Twin Sharing, Triple Sharing etc) (The fees indicated herein are for Lavale Hill Base Campus Only)	Amount in ₹ (For Indian Students)	USD equivalent to INR (For International Students)
Mess Fees (Per Annum) *	78,000	78,000
Hostel Deposit (Refundable)	15,000	15,000
Hostel Fees (Different, Subject to Sharing, Per Annum) *		
Three Sharing	1,14,900	1,14,900
Four Sharing	84,300	84,300

* Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

Programme Fees for 1) Master of Technology (Artificial Intelligence and Machine Learning) 2) Master of Technology (Embedded Systems) 3) M. Tech. (Robotics and Automation) (Indian Students)	1st Year (Amount in ₹)		2nd Year (Amount in ₹)	
	1st Installment	2nd Installment	3rd Instalment	4th Instalment
Academic Fees (Per Annum)	92,500	92,500	92,500	92,500
Institute Deposit (Refundable)	20,000	-	-	-
Hostel Deposit (Refundable)	15,000	-	-	-
Hostel Fees (Per Annum)	1,14,900	-	**	-
Mess Fees (Per Annum)	78,000	-	**	-
Installments	3,20,400	92,500		
Last date of payment	At the time of Admission	25-Nov-2022	25-Jun-2023	25-Nov-2023

* Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

** Hostel and Mess Fees for the subsequent year would be communicated before commencement of the next academic year.

Programme Fees for 1) Master of Technology (Artificial Intelligence and Machine Learning) 2) Master of Technology (Embedded Systems) 3) M. Tech. (Robotics and Automation) (International Students)	1st Year (USD equivalent to INR)			2nd Year (USD equivalent to INR)	
	1st Installment	2nd Installment	3rd Installment	4th Instalment	5th Instalment
Administrative Fees (Non Refundable) #	40,000	-	-	-	-
Academic Fees (Per Annum)	45,000	75,000	1,60,000	1,40,000	1,40,000
Institute Deposit (Refundable)	20,000	-	-	-	-

Mess Fees (Per Annum)	-	78,000	-	**	-
Installments	1,05,000	2,82,900	1,60,000		
Last date of payment	At the time of acceptance of 'Offer Letter' (USD equivalent to INR)	At the time of Reporting to SCIE	25-Nov-2022	25-Jun-2023	25-Nov-2023

50% Concession to be given only to the Foreign National students on Administrative Fees.

* Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

** Hostel and Mess Fees for the subsequent year would be communicated before commencement of the next academic year.

* Few seats are reserved as Discretionary Quota Seats. Only students with high academic record and with good entrance test scores are considered for Discretionary Quota Seats. The fees for Discretionary Quota seats will be double the academic fees of open category as approved by the Fee Structure Committee, to be paid to the institute by way of online transfer/demand draft. No donation or capitation fee is charged for admission to any program at any institute of SIU. Once admission is taken in Discretionary Quota, the fees applicable to Discretionary Quota will have to be paid by the student for the entire duration of the programme.

Workshop on Arduino August 2019

Srujan series workshop on Artificial Intelligence & Machine Learning August 2018

Programme Structure:

Master of Technology (Artificial Intelligence and Machine Learning)

* Subject to change

Semester : I

Core Courses

- Programming in Python
- Maths for Data Science
- Supervised Machine Learning
- Supervised Machine Learning Lab
- Exploratory Data Analysis Lab
- Unsupervised Learning
- Unsupervised Learning Lab
- Research Methodology in engineering
- Deep Learning
- Deep Learning Lab
- Data Visualization Lab
- Applications and use cases of Machine Learning

Semester : II

Core Courses

- Cyber Security
- Flexi-Credit Course
- Generative Adversarial Networks
- Generative Adversarial Networks Lab
- Natural Language Processing
- Natural Language Processing Lab
- Computer Vision
- Computer Vision Lab
- Technical Communication Skills
- Optimization Techniques for Machine Learning
- Integrated Disaster Management

Electives

- Reinforcement Learning
- Responsible AI
- Multimodal AI
- Reinforcement Learning Lab
- Responsible AI Lab
- Multimodal AI Lab

Semester : III

Core Courses

- Dissertation Phase 1
- Flexi-Credit Course
- Research Publication

Semester : IV

Core Courses

- Dissertation Phase 2

Master of Technology (Robotics and Automation)

* Subject to change

Semester : I

Core Courses

- Programming Tools (Python)
- Research Methodology in engineering
- Advanced Computer Integrated Manufacturing
- Additive Manufacturing
- Additive Manufacturing Lab
- Industrial Robotics
- Robotics lab
- Mechatronics and IoT
- Mechatronics and IoT Lab
- Strategic Project Management

Electives

- Digital Manufacturing
- Signal Processing and Application
- Production Technology

Semester : II

Core Courses

- Industrial Internet of Things
- Flexi-Credit Course
- Machine Learning and Artificial Intelligence
- Machine Learning and Artificial Intelligence Lab
- Mechanisms and Robotics
- Mechanisms and Robotics Lab
- Autonomous Technology
- Modelling and Simulation Lab
- Technical Communication Skills
- Flexi-Credit Course
- Integrated Disaster Management

Electives

- PLC & SCADA
- Cyber Physical Security and cloud computing

- Machine Vision and Image Processing
- Smart Manufacturing and Digital Twins
- PLC Programming Lab
- Cyber Physical Security Lab
- Machine Vision and Image processing Lab
- Smart Manufacturing and Digital Twins Lab

Semester : III

Core Courses

- Dissertation Phase 1
- Flexi-Credit Course
- Research Publication

Semester: IV

Core Courses

- Dissertation Phase 2

Master of Technology (Embedded Systems)

* Subject to change

Semester : I

Core Courses

- Advanced Microcontroller Architecture and Programming
- Object Oriented Programming and Data Structures
- Digital Signal Processors
- Research Methodology in Engineering
- Cyber Security
- Advanced Microcontroller Architecture and Programming Laboratory
- Object Oriented Programming and Data Structures Laboratory

Electives

- Bio-Medical Signal Processing
- Embedded Wireless Sensor Network
- Bio-Medical Signal Processing Laboratory

- Embedded Wireless Sensor Network Laboratory
- Renewable Energy Management Systems
- Industrial Automation

Semester : II

Core Courses

- Model Based Development
- Flexi-Credit Course
- Embedded System Design
- Electric Vehicle Technology
- Model Based Development Laboratory
- Technical Communication Skills
- Integrated Disaster Management

Electives

- Machine Learning for Embedded Systems
- Internet of Things and Applications

- Image Processing and Computer Vision
- Machine Learning for Embedded Systems Laboratory
- Internet of Things and Applications Laboratory
- Image Processing and Computer Vision Laboratory
- Multi-core Architecture and Systems
- System on Chip Design
- Computational Algorithms

Semester : III

Core Courses

- Dissertation Phase 1
- Flexi-Credit Course
- Research Publication

Semester : IV

Core Courses

- Dissertation Phase 2

Master of Technology (Geoinformatics and Surveying Technology)

* Subject to change

Semester : I

Core Courses

- Applied Statistics
- Fundamentals of Remote Sensing
- Python for Geospatial Technology
- Digital Photogrammetry
- Fundamentals of Geographic Information Systems
- Global Navigation Satellite System
- Research Methodology in GIS
- Surveying & Cartography
- Digital Photogrammetry Lab
- Fundamentals of Geographic Information Systems Lab
- Fundamentals of Remote Sensing Lab
- Global Navigation Satellite System Lab

Semester : II

Core Courses

- Advanced Databases
- Spatial Modeling & Analysis
- Advance Python Programming for Spatial Analytics
- Digital Image Processing In RS
- Spatial Data Base Management
- Web GIS and Application Design
- Cyber Security
- Flexi-Credit Course
- Spatial Data Base Management Lab
- Spatial Modeling & Analysis Lab
- Web GIS and Application Design Lab
- Digital Image Processing In RS Lab
- Integrated Disaster Management

Electives

- Geoinformatics Applications in Natural Resource Management
- Geoinformatics Applications in Human Settlement
- Land Surveying
- GIS for Health Care Management
- Geospatial Application in Agriculture

- Geoinformatics applications in Facility and Utility management

Semester : III

Core Courses

- Research Paper Writing
- Dissertation Phase 1
- Flexi-Credit Course
- Research Publication

Semester : IV

Core Courses

- Dissertation Phase 2

* Subject to change

SYMBIOSIS INTERNATIONAL UNIVERSITY

**Symbiosis
Institute of
Geoinformatics
(SIG)**

SYMBIOSIS INSTITUTE OF GEOINFORMATICS (SIG)

Contact Details of Institute:

Symbiosis Institute of Geoinformatics

5th Floor, Atur Centre, Gokhale Cross Road,
Model Colony, Pune - 411016

Telephone Number - 020-25672841 / 43, 7709998185

Email: admissions@sig.ac.in, enquiry@sig.ac.in, info@sig.ac.in

Website: www.sig.ac.in

Dr. Tarun Pratap Singh
Director

Director Profile:

Dr. T.P. Singh has vast experience in the field of Geospatial Technology in India and abroad. He has started his career in Geospatial technology at the Indian Institute of Remote Sensing (ISRO), where he has worked on projects of national importance.

He has earned his Ph.D. degree in the area of satellite Image Classification techniques from the Indian Institute of Remote Sensing and HNB Garhwal Central University, Srinagar, and M.Phil in Geo-Engineering from College of Engineering, Vishakhapatnam.

Dr. Singh has received a Master's Degree in remote sensing from Pierre and Marie Curie University (UPMC), Paris University VI, France, and M.Sc. from the University of Lucknow in Environmental Science. He has received the European Professional Higher Post Graduate Diploma in Geoinformatics from GDTA (Institute under French Space Agency) in association with Paris University VI France, University of Lisbon, Portugal and Warsaw University of Technology Poland.

Dr. T.P. Singh has worked on LiDAR technology at the University of Freiburg, Germany, on Automatic feature extraction. Before taking an academic position at Symbiosis, he has served at different government centers.

Dr. Singh received Mahaveer Prasad Dewedi Special Achievement award on the work of Geospatial Technology. Dr. T.P. Singh is a member of many professional bodies. Dr. Singh is a Chairman of Indian Society of Geomatics, Pune Chapter. He is also secretary of the Indian Society of Remote Sensing Pune Chapter. Member of Sentinel Asia, Japan, Tsunami Group. He has been appointed as a member of the National Accreditation Assessment Committee (NAAC), Assessor committee for five years. Dr. Singh was invited by UNOOSA (United Nations Office for Outer Space Affairs) in 2018 in Austria to talk on Space Technology and Sustainable goals. He also edited many books in the field of Geospatial Technology, Climate Change, and Natural Resource Management and published several papers in peer-reviewed journals.

Institute's Profile:

SIG was launched in 2004, as an autonomous institute, with a vision to create a potential trained human resource to meet future industry and society demands of this newly developing technology and welfare of the society at large. Personalities from research, academia, and industry representatives assisted with a vision to formulate the program. In the year 2006, SIG became a constituent of Symbiosis International (Deemed University).

SIG has achieved many milestones in the past fifteen years, including recognition by the AICTE, UGC, warm-hearted response of the industry for placements, 100% placements of all eligible students since inception, and numerous accolades at the national and international meets.

It is noteworthy that Dr. S. B. Mujumdar launched an institute in this niche field in 2004 with a futuristic vision, while the Government of India has launched Digital India Smart Cities, Jal Shakti, which will not be completed without exploring the full potential of this new technological tool to full fill the mission. This indicates a long-term vision of the Founder, Director, and President of Symbiosis to explore future technology in the interest of society. Post

Graduate Degree Programmes of SIG are well defined. It involved a step-by-step introduction to the curriculum, good practice to give confidence to students, assignments, and projects for continuous evaluation of the student's progress, and industry interaction to expose students to the corporate world.

Apart from achieving competency in the technical field, value-added and human relations-based programmes alter the mindset and change the attitude of the individuals to achieve goals desired by the industry. The industry has much appreciated these.

Programme Profile:

Name of the Programme:

- **Master of Science (Geoinformatics)**
- **Master of Science (Data Science and Spatial Analytics)**

Duration :

- **Master of Science (Geoinformatics):** 2-year Full-Time Programme
- **Master of Science (Data Science and Spatial Analytics):** 2-year Full-Time Programme

Intake:

- **Master of Science (Geoinformatics):** 60 seats
- **Master of Science (Data Science and Spatial Analytics):** 40 seats

Eligibility:

- **Master of Science (Geoinformatics)**
 - ✓ Graduate in Engineering, IT, Science, Computer Science, Agriculture, Geography, Commerce & Management of any recognized university/institution of national importance with a minimum of 50% marks or equivalent grade (45% or equivalent grade for SC / ST).
 - ✓ Candidates appearing for final year examinations can also apply, but their admission will be subject to obtaining a minimum of 50% marks (45% for SC/ST) in the qualifying examination.
 - ✓ A candidate who has completed qualifying qualification from any Foreign University must obtain an equivalence certificate from the Association of Indian Universities (AIU).

Note: Graduates from Open Universities or students having a degree through a correspondence course are NOT eligible.

- **Master of Science (Data Science and Spatial Analytics)**
 - ✓ Graduate in Engineering, IT, Science, Computer Science, Computer Application or equivalent of any statutory / recognized university with 50% marks (45% for SC / ST).
 - ✓ A candidate who has completed qualifying qualification from any Foreign University must obtain an equivalence certificate from Association of Indian Universities (AIU).

Note: Graduates from Open Universities or students having a degree through a correspondence course are NOT eligible.

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Science Day

Admission Process:

- **Master of Science (Geoinformatics)**
- **Master of Science (Data Science and Spatial Analytics)**
 - ✓ Indian Students – Personal Interaction and Writing Ability Test
 - ✓ International Students: As per procedure prescribed by SCIE

Reservation of Seats: As per University norms.

Important Dates:

Details	Date
Programme Registration Begins	13 Oct 2021
Last date of Online registration	03rd Mar 2022
Last Date of payment of Registration fees	03rd Mar 2022
Announcement of Shortlist for WAT and Personal Interaction	03rd-04th Mar 2022
Online Personal Interaction & WAT at Pune	05th & 06th Mar 2022
Announcement of First Merit list	12 Mar 2021
Last date for payment of fees for candidates in the first merit list	27 Mar 2021
Programme Commencement	24 Jun 2022

Disclaimer:

These dates are tentative and are subject to change. Any changes will be reflected on institute website: www.sig.ac.in

Orientation and Pedagogy:

A week-long Orientation programme is conducted in the first week of their joining. This programme helps them as ice breaking session. It comprises of Stress Management, Time Management and Self-Management.

The Pedagogy used in conducting of M.Sc. programme is Classroom Sessions, Lab Sessions, Field Visits, Group Project, Guest Lectures and Internship. Students are also given a chance to work on live projects. All the Classrooms are ICT enabled. The Medium of teaching is English.

Fee Structure

Approved Fee Structure for batch 2022-2024 in the Academic year 2022-2023

Programme Fees For Master of Science (Geoinformatics) (Indian Students)	Amount in ₹
Academic Fees (Per Annum)	2,50,000
Institute Deposit (Refundable)	20,000

Programme Fees For Master of Science (Data Science & Spatial Analytics) (Indian Students)	Amount in ₹
Academic Fees (Per Annum)	2,50,000
Institute Deposit (Refundable)	20,000

Programme Fees For Master of Science (Geoinformatics) (International Students)	USD equivalent to INR
Academic Fees (Per Annum)	3,75,000
Institute Deposit (Refundable)	20,000
Administrative Fees (Non Refundable)	40,000

Programme Fees For Master of Science (Data Science & Spatial Analytics) (International Students)	USD equivalent to INR
Academic Fees (Per Annum)	3,75,000
Institute Deposit (Refundable)	20,000
Administrative Fees (Non Refundable)	40,000

Hostel and Mess Fees for Indian & International Students. (Subject to change in campus and accommodation type wise, e.g. Twin Sharing, Triple Sharing etc)(The fees indicated herein are for Model colony Campus Only)	Amount in ₹ (For Indian Students)	USD equivalent to INR (For International Students)
Mess Fees (Per Annum) *	78,000	78,000
Hostel Deposit (Refundable)	15,000	15,000
Hostel Fees (Different, Subject to Sharing, Per Annum) *		
Three Sharing	92,200	92,200

* Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

Three Days Orientation Programme

Installments for Master of Science (Geoinformatics) (Indian Students)	1st Year (Amount in ₹)		2nd Year (Amount in ₹)	
	1st Instalment	2nd Instalment	3rd Instalment	4th Instalment
Academic Fees (Per Annum)	1,25,000	1,25,000	1,25,000	1,25,000
Institute Deposit (Refundable)	20,000	-	-	-
Hostel Deposit (Refundable)	15,000	-	-	-
Hostel Fees (Per Annum)	92,200	-	**	-
Mess Fees (Per Annum)	78,000	-	**	-
Installments	3,30,200	1,25,000		
Last date of payment	At the time of Admission	25-Nov-2022	25-Jun-2023	25-Nov-2023

* Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

** Hostel and Mess Fees for the subsequent year would be communicated before commencement of the next academic year.

Installments for Master of Science (Data Science & Spatial Analytics) (Indian Students)	1st Year (Amount in ₹)		2nd Year (Amount in ₹)	
	1st Instalment	2nd Instalment	3rd Instalment	4th Instalment
Academic Fees (Per Annum)	1,25,000	1,25,000	1,25,000	1,25,000
Institute Deposit (Refundable)	20,000	-	-	-
Hostel Deposit (Refundable)	15,000	-	-	-
Hostel Fees (Per Annum)	92,200	-	**	-
Mess Fees (Per Annum)	78,000	-	**	-
Installments	3,30,200	1,25,000		
Last date of payment	At the time of Admission	25-Nov-2022	25-Jun-2023	25-Nov-2023

* Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

** Hostel and Mess Fees for the subsequent year would be communicated before commencement of the next academic year.

Installments for Master of Science (Geoinformatics) (International Students)	1st Year (USD equivalent to INR)			2nd Year (USD equivalent to INR)	
	1st Installment	2nd Installment	3rd Installment	4th Instalment	5th Instalment
Administrative Fees (Non Refundable) #	40,000	-	-	-	-
Academic Fees (Per Annum)	45,000	1,22,500	2,07,500	1,87,500	1,87,500
Institute Deposit (Refundable)	20,000	-	-	-	-
Hostel Deposit (Refundable)	-	15,000	-	-	-
Hostel Fees (Per Annum)	-	92,200	-	**	-
Mess Fees (Per Annum)	-	78,000	-	**	-
Installments	1,05,000	3,07,700	2,07,500		
Last date of payment	At the time of acceptance of 'Offer Letter' (USD equivalent to INR)	At the time of Reporting to SCIE	25-Nov-2022	25-Jun-2023	25-Nov-2023

50% Concession to be given only to the Foreign National students on Administrative Fees.

* Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

** Hostel and Mess Fees for the subsequent year would be communicated before commencement of the next academic year.

Programme Fees For Master of Science (Data Science & Spatial Analytics) (International Students)	1st Year (USD equivalent to INR)			2nd Year (USD equivalent to INR)

Installments	1,05,000	3,07,700	2,07,500		
Last date of payment	At the time of acceptance of 'Offer Letter' (USD equivalent to INR)	At the time of Reporting to SCIE	25-Nov-2022	25-Jun-2023	25-Nov-2023

50% Concession to be given only to the Foreign National students on Administrative Fees.

* Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

** Hostel and Mess Fees for the subsequent year would be communicated before commencement of the next academic year.

* Few seats are reserved as Discretionary Quota Seats. Only students with high academic record and with good entrance test scores are considered for Discretionary Quota Seats. The fees for Discretionary Quota seats will be double the academic fees of open category as approved by the Fee Structure Committee, to be paid to the institute by way of online transfer/demand draft. No donation or capitation fee is charged for admission to any program at any institute of SIU. Once admission is taken in Discretionary Quota, the fees applicable to Discretionary Quota will have to be paid by the student for the entire duration of the programme.

Social Activity – Tree Plantation by the students and staff at CME, Pune

Programme Structure:

Master of Science (Geoinformatics)

* Subject to change

Semester : I

Core Courses

- Principles of GIS
- Principles of Remote Sensing
- Applied Statistics
- Python for Geospatial Technology
- Computer Fundamental and Cyber security
- Research Methodology in GIS
- Surveying & Cartography
- Integrated Disaster Management

Semester : II

Core Courses

- Geo Image Processing
- Photogrammetry
- Advance Python Programming for Spatial Analytics
- Essentials of Internet and Web Technologies

- Global Navigation Satellite System
- Principles of Database Management System
- Spatial Analysis
- R for Spatial Science
- Programming for Enterprise GIS

Semester : III

Core Courses

- Summer Project
- GIS Application Design
- GIS Project Management
- Organizational Behaviour
- Business Communication
- Spatial Modeling
- Spatial Data Base Management
- Flexi-Credit Course
- Web GIS
- Flexi-Credit Course
- Research Publication

Electives

- Mobile GIS
- Geoinformatics Applications in Natural Resource Management
- Geoinformatics applications in Facility and Utility management
- Geospatial Application in Agriculture
- Application of Geospatial Technology in Urban Development
- Disaster Scenario mapping

Semester : IV

Core Courses

- Industry Project

Master of Science (Data Science and Spatial Analytics)

* Subject to change

Semester : I

Core Courses

- Data Mining and Algorithms
- Mathematics for Spatial Sciences
- Applied Statistics
- Introduction to Geospatial Technology
- Principles and Practices of Data Protection
- Python for Geospatial Technology
- Business Communication
- Research Methodology in GIS
- Integrated Disaster Management

Semester : II

Core Courses

- Programming for Spatial Sciences
- Spatial Big Data and Storage Analytics

- Machine learning
- Advance Python Programming for Spatial Analytics
- Image Analytics
- Cyber Security
- Spatial Data Base Management
- Data Driven Governance

Semester : III

Core Courses

- Spatial Modeling
- Summer Project
- Web Analytics
- Artificial Intelligence
- Flexi-Credit Course
- Predictive Analytics and Development
- Research Publication

Electives

- Deep learning
- System Dynamics Simulation
- IOT Spatial Analytics
- Spatial User Interface design and Implementation
- Data Driven Banking, Insurance and Finance
- Data Driven Forensics and Crime Investigation
- Data Driven Journalism
- Flexi-Credit Course

Semester : IV

Core Courses

- Industry Project

* Subject to change

Dr. Chandrashekhar Jayvantrao Rawandale
Director

Director Profile:

Dr. Chandrashekhar Jayvantrao Rawandale graduated from the University of Pune with LL.B degree, moving on to complete LL.M in International Law & Human Rights from Dept. of Law, University of Pune, (1997); LL.M. in Commercial Law from Cardiff Law School, Cardiff University (UK) (2003) and Ph.D. in 'Computer Programs: Copyright and Patent Paradigms- A Study' from Symbiosis International University, Pune (2010).

Dr. Chandrashekhar has worked as research associate at I.L.S. Law College for a year where he also taught Law of Torts. He then worked with Bharati Vidyapeeth's New Law College for two years as a lecturer, before moving to Symbiosis Law School, Pune in 2000. During his stay at Cardiff, he also worked for Welsh Joint Education Board, Wales and Crossroad Solicitors. During December 2003 and October-December 2008, he was a Visiting Fellow at Cardiff Law School, Cardiff and Leibniz University Hannover respectively.

Dr. Chandrashekhar is member of 'Project Review and Steering Group (PRSG)' constituted by Department of Information Technology, Government of India for the project "Cyber Crime related Capacity Development and ICT Training for the Judiciary in States of Assam, Manipur, Meghalaya, Tripura, Nagaland, Arunachal Pradesh, Mizoram & Sikkim" by CDAC, Kolkata under Cyber Security Grant-in-Aid Programme. He also was Member of Thomson Reuters Council for Legal Information and Innovation.

Dr. Chandrasekhar's research interests lie in the Company Law, Intellectual Property Law, Information Technology & Telecommunications Law and International Law. He has authored books including: Dr. C J Rawandale & Mr. B P Bhargava, 'New Company Law: An Insight', Corporate Law Advisor: 2013; Dr. C J Rawandale (co-author), 'Corporate Social Responsibility', Thomson Reuters (Westlaw India): 2014 and 'An Introduction to Environmental Law' (1998). Moreover, he has published number of articles on Information Technology & Intellectual Property Laws, Environmental Laws. He has also chaired and addressed several National and International Conferences/Seminars.

Indian National Bar Association (INBA), on the occasion of '67th Constitution Day' on November 26, 2016, selected and felicitated him with 'Law Professor of the Year' award.

Institute Profile:

Symbiosis Law School, NOIDA (hereinafter referred as SLS-NOIDA) in just tenth year of its inception has carved a niche for itself in the academic circuits. It has become a celebrated name amongst the aspirants of professional legal education. It holistically promotes academic excellence, intellectual discipline and professional leadership. Being a constituent of Symbiosis International (Deemed University), it envisions the reputation of Symbiosis in and around Delhi, the constitutional capital of India.

SLS-NOIDA, in its effort to holistically develop the personality of its learners, has formulated various cells including Research & Publication Cell, Moot Court Society, Legal Aid Center, Training & Placement Cell, Entrepreneurship Cell, Social Responsibility Cell, Cultural Cell, Sports Cell, Debate Society, Literature Society and International Law Students Association (ILSA) Chapter. These cells not only groom student-leadership but also provide wider opportunities for their overall development in curricular, co-curricular and extra-curricular activities.

SLS-NOIDA believes in orienting the student's intellect towards the attainment of their goals by creating assiduous environment of innovative learning and inter-disciplinary knowledge. The faculty and the students work together towards the accretion and dissemination of knowledge. The pedagogy is designed to haul out the best in each student. To add to the experience of the students and the faculty, theoretical learning coupled with practical exposure provides the right blend of success to the learners at SLS-NOIDA (To know more visit <https://www.symlaw.edu.in/events>).

SLS-NOIDA organizes weekly lectures under the banner of 'Seminar Series' delivered by multi-disciplinary academicians, legal luminaries and corporate honchos. These lectures are extremely instrumental in providing the students with the challenges awaiting them in their career.

SLS-NOIDA's strive for 'International Understanding through Quality Education' is proven by conduct of in workshops /seminars /conference/ moot court with academic and professional partners of National and International repute, which includes: Seminar On The Golden Age Of Legal Education (January, 14, 2020) By Mr. Robert B. Ahdieh, Dean And Anthony G. Buzbee Endowed Dean's Chair Texas A&M University School Of Law; Talk on Unreal – Seminar in Collaboration with International Trademark Association (September 26, 2019) with Mr. David Lossignol, President, International Trademark Association, Head Of Trademarks, Domain Names And Copyrights| Novartis Pharma AG (Switzerland); Seminar On Patent Law: In Collaboration With Penn State Law, Pennsylvania State University, USA – September 03, 2019 with Professor Rachel Herder, Director, Intellectual Property Clinic And Assistant Professor Of Clinical Law as Resource Person; Workshop On Advanced Professional Communication & Personal Branding | Scholarships @ Pennstate Law's Master Of Laws Programe (September 01, 2019) – In Collaboration With Pennstate Law, Pennsylvania State University with Professor Stephen G. Barnes, Assistant Dean of Graduate And International Programs, Penn State Law, Pennsylvania State University, USA as Resource Person; Teaching Session on The Curious Legal Cases of The Missing Commas: Life, Death, Business And Punctuation (August 19, 2019) in Collaboration With The University Of Leeds, UK with Professor Norma Martin Clement, Pro-Dean: International Faculty Of Education, Social Sciences And Law as Resource Person; One Day Scientifically-Legal Workshop: In Collaboration With Northumbria Law School, UK (July 27, 2019) in collaboration with Northumbria Law School, UK; Seminar On 'Freedom of Religion Under The First Amendment of The US Constitution' (March 13, 2019) in Collaboration With Penn State Law, The Pennsylvania State University, USA with Mr. Stephen G. Barnes, Assistant Dean of Graduate And International Programs, Penn State Law, The Pennsylvania State University, USA as Resource Person; Seminar On Regulating The Technology in The Modern World (March 06, 2019) in Collaboration with Birmingham Law School, Birmingham University, UK with Professor Robert Lee, Director – Centre For Legal Education And Research, University Of Birmingham as Resource Person; Seminar On International Human Rights Law | Higher Legal Education Abroad (March 02, 2019) in collaboration with Manchester Metropolitan University Law School with Ms. Emma Seagreaves, Associate Head Of School, Manchester Metropolitan University Law School, UK And Dr Damian Mather, Principal Lecturer, Manchester Metropolitan University Law School, UK; Seminar On "When Robots Run the Market: Implications for Law and Regulation" (December 28, 2018) in collaboration with Vanderbilt Law School, Nashville, Tennessee-USA with Prof. Yesha Yadav, Professor of Law, Enterprise Scholar for 2017-19, Faculty Co-director, LL.M. Program, Vanderbilt Law School, Nashville, Tennessee-USA as Resource Person; International Conference on International Arbitration: November 22, 2018: at Kuala Lumpur, Malaysia in association with the Asia International Arbitration Centre (AIAC) formerly known as Kuala Lumpur Regional Centre for Arbitration (KLARC) and the Asia Pacific Juris Association (APJA) & CIARB, Malaysia; Seminar On U.S. Constitutional Law (September 28, 2018) with Mr. Stephen G. Barnes, Assistant Dean of Graduate & International Programs, Penn State Law, the Pennsylvania State University, USA; IACCM Mini Conference on Simplification and Innovation in Contract Management (September 14, 2018) at Gurugram-Haryana in association with The International Association for Contract & Commercial Management (IACCM) and SK Attorneys; Teaching Sessions on Company and Securities Law in New Zealand and Australia (August 23 – 28, 2018) with Prof. Lindsay Trotman, Associate Professor of Law, Massey Business School, Massey University, New Zealand; Panel Discussion on Corporate Governance, Misleading or Deceptive

Release of LexET, the Bi-Annual College Newsletter at Law Day & Justice Y.V. Chandrachud Memorial Public Lecture, L-R: Dr. Bindu Ronald Deputy Director (Academics) SLS Pune; Adv. Ashutosh Kumbhakoni Advocate-General, Bombay High Court, Maharashtra; Dr. S.B. Mujumdar Chancellor SI(DU); Adv. Ram Jethmalani Member of Parliament (Rajya Sabha), Senior Advocate, Supreme Court of India and Professor Emeritus, SI(DU) and Dr. Shashikala Gurpur, Director SLS Pune and Dean Faculty of Law, SI(DU)

Conduct and Allied Regulations in India and Australia-New Zealand (August 29, 2018) with Mr. Hemant K Batra, Founder Partner & Chairman of Kaden Boriss Global, Prof. Lindsay Trotman, Associate Professor of Law at Massey Business School, Massey University, Auckland -New Zealand; General Counsel Manthan 2017 and India International Legal Conclave: April 28-May 01, 2017: at Bali -Indonesia in association with Corporate Counsel Association of India; Economic Laws Partner; Hammurabi & Solomon; Luthra & Luthra Law Offices: Cyril Amarchand Mangaldas; Chandhiok & Associates, Duanne Morris & SELVAM LLP; Deepak Sabarwal & Associates; PENNINGTONS MANCHES, RNA; Commercial Law Chamber, Conventus Law, International Court of Arbitration and Singapore International Arbitration Centre;

SLS-NOIDA strives to inculcate research aptitude in learners by constantly acquainting them with historical judgments, Case analysis/discussions and legal web bases. The learners at SLS-NOIDA are adept at courtroom etiquettes and advocacy skills through courtroom and related exercises such as Moot Court, Mock Trials, Drafting of Pleadings and Client Counseling. (To know more about the achievements, visit <http://symlaw.edu.in/achievements-cc/moot-courts>). Mooters have, as a result, won several accolades for the Law School:

Orientation and Pedagogy:

SLS-NOIDA has introduced a new era of innovative learning, inter-disciplinary knowledge and industrious environment with unique orientation and methodology of legal pedagogy in place. Classes are highly interactive, delivered not only by the best academicians but also by the legal luminaries of the field. It strongly believes that

law students should stick not only to theoretical teaching but also inculcate and improve the court room etiquettes (environment), research experience and advocacy skills through court room and related exercises such as moot court, mock trials, trial advocacy, pre-trial preparation, drafting of pleadings and client counseling. Research is an integral part of studies including interdisciplinary research involving collaboration between academic fraternity, students, and industry. SLS, Noida's efforts are shared by the contribution of members of the bar and bench, corporate sector and international experts (agencies).

SLS-NOIDA also makes ample use of technology to entertain and benefit natural curiosities of its learners.

The Cumulative Grade Point Assessment (CGPA) method of assessment is followed. In addition to the constant internal assessments, external examination is conducted at the end of each semester. Internal evaluation is characterized by one project and minimum two of the above (following): Tutorial, Case Analysis, Cases and Open problems, Essays, Seminar Presentations, Viva-Voce, Quiz, Drafting, Moot Court, Mock Trial, Learning Logs/Diaries, Computer Based Assessment, Simulated Interviews, and Objective Structured Clinical Examinations. Internal Continuous Evaluation as well as Term End Examination involves Open Book Examination, which aims at evaluating understanding of the subject than the recalling and memorization.

Dr. Anuradha Binnuri

Officiating Director, SLS-Hyderabad

Director Profile:

Dr. Anuradha Binnuri, Officiating Director, SLS-Hyderabad has more than two and half decades of experience as a law teacher and researcher. She pursued her LL.B., from Madras University in the year 1990, LL.M., from Pondicherry University in the year 1992 and her Ph.D. from Osmania University, Hyderabad in 2010.

Prior to her joining at SLS-H, Dr. Binnuri worked at Pendekanti Law College, Hyderabad as the academic in-charge and was also managing the institute at the top level in various administrative capacities.

Besides teaching the undergraduate and postgraduate students, Dr. Binnuri has guided more than 20 LLM students and is presently guiding Doctoral Researchers. Her specialization includes Labour and Industrial Laws while her area of interest is the Code of Civil procedure, Drafting of various documents. She has several publications and scholarly articles in journals of national repute to her credit. She is also a much sought-after speaker and convener at various conferences and seminars. Her advice is sought by certain judicial bodies and organizations.

Institute Profile:

The idea of 'Symbiosis' is nurtured by Dr. S. B. Mujumdar on the principles of Vedic thought 'Vasudhaiva Kutumbakam' which means 'World is one Family'. Symbiosis Law School (SLS), Hyderabad campus, a constituent of Symbiosis International (Deemed University), Pune, was established in 2014 inheriting the splendid novelty, dynamism and excellence in the education of Symbiosis International (Deemed University), Pune.

Symbiosis Law School Hyderabad is founded on pillars of Expertise, Justice and Service and is committed to impart quality legal education confirming acclaimed International standards. SLS, Hyderabad is cocooned in the upcoming educational zone with state of art infrastructure catering to the impending needs of the student community, with a motto to impart social justice and aims to create socially sensitized lawyers with a noble commitment to enriching the quality of Bar & Bench.

SLS Hyderabad is located in the Modallaguda Village of Rangareddy district of Telangana State; just 40 minutes away from the Rajiv Gandhi International Airport, Shamshabad, Hyderabad.

It shares expertise in imparting quality legal education through competent and well-qualified teaching staff, techno-driven research culture, Internationalization, centres of excellence, training and skill enhancement programmes, moot courts and the like. It is committed to contributing to the justice mission of the State by initiating pro-bono activities to help poor and marginalized people through community lawyering, legal aid camps, and permanent legal aid clinics. Further, it endeavours to create value-conscious skilled lawyers with par excellence serving dynamic needs of the community through Bar and Bench.

SLS, Hyderabad offers one-year LL.M. programme in Business & Corporate Law and also five years of integrated undergraduate programmes like Bachelor of Arts and Bachelor of Law (BA LL. B) and Bachelor of Business Administration and Bachelor of Law (BBA LL. B) to cater to varied needs of the profession. The curricular richness is ensured through scholastic discussions with Judges, eminent lawyers, International jurists, industry experts,

eminent academicians and researchers, thus imbibing best practices in teaching-learning pedagogy. SLS, Hyderabad believes in the holistic development of nascent legal minds and ensures learning beyond the classroom by planning field visits and workshops in collaboration with various stakeholders and NGOs. It provides a conducive and competitive learning environment by encouraging students to take part in national and international competitions. Symbiosis Law School Hyderabad is committed to honing the professional skills of students to be recruited in leading law firms, corporate houses, Judiciary, Civil Services, banks, insurance companies, NGO's and the like. It seeks internship & placement opportunities for students through the strong and well-connected alumni network of SLS. The value of Symbiosis Law School lies in its legacy, quality, and excellence with well-defined personal care and strategy for progress.

Programme Profile:

Name of the Programme:

- **Master of Laws (Business & Corporate Law):**

The offered program being a Master's degree, our curriculum has been designed to provide the students not only with exhaustive domain knowledge but also equip them with life skills that would enable them to take up challenges in their professional and personal life. As a Constituent / Institute of the prestigious Symbiosis International (Deemed University), we provide the students with a conducive learning environment that will help them to always be abreast of the changing practices and give them a head start in their chosen field of work.

Orientation and Pedagogy:

At SLS Hyderabad, teaching methodology is essentially learner-centric and research-oriented, strengthening students in reflective and critical thinking skills along with value - orientation. Modern teaching methods are used in a convergent manner along with the lecture method. These include the class Room Presentations, Group Discussions, Seminars, Case Studies, Socratic Method, Project-based method, and computer-assisted learning and experiential learning.

To provide the research-based education to get a practical understanding of the sub-fields of law, to enhance the knowledge towards particular sub-fields based on the interest of the students and to utilize the leisure time of the students productively, there are thirty-two active centres and cells functioning under the headship of the faculties of the Symbiosis Law School, Hyderabad. In the last academic year, more than 150 varieties of academic events such as seminars, conferences, competitions, debates, and workshops were conducted by these Centres for Specialization.

The curriculum and pedagogy are designed around the latest Quality Initiatives in legal education. These efforts are reciprocated by the participation of all the stakeholders including the members of the bar and bench, corporate sector, govt. and international experts.

Dr. Sukhvinder Singh Dari

Director, Symbiosis Law School, Nagpur

Director Profile:

Dr. Sukhvinder Singh Dari holds a Ph.D. in Corporate Laws from Symbiosis International (Deemed University), Pune. He is an alumnus of Symbiosis and has done his LL. M (Business Law) from Symbiosis Law School, Pune. He also holds Diploma in Human Resource Management & Labour Laws, and Diploma in Corporate Mergers and Acquisition. Dr. Singh has been with Symbiosis Law School, since 2007. Prior to joining the Symbiosis Law School, Nagpur he was with Symbiosis Law School, Hyderabad as a Deputy Director (Since Inception 2014-19), with SLS NOIDA (Since Inception 2010-14) and Pune (2007-10). He is a recipient of the Award for “Academic Excellence” contribution to legal fraternity at Legal Desire Summit & Awards, 2018. He has also been awarded a Certificate of Excellence for International Paris Summit Climate Change Program (Centre for United Nation 2016). He has been a resource person at the Andhra Pradesh Human Resource Development Institute, Telangana Police Academy, UGC HRDC, University of Hyderabad and other distinguished forums. He teaches Corporate and commercial Laws, Forensic Science, Constitutional Law, Contract Law, Jurisprudence and Labour Laws besides guiding research for undergraduate, post graduate and Research scholars. He has chaired and attended plethora of National and International Conferences, with his major research interest in company law and corporate governance. He has National and International publications widely in the area of Company law in leading journals and books. He has many articles/research papers, co-authored books and edited books to his credit.

Institute Profile:

The idea of ‘Symbiosis’ is nurtured by Prof. Dr. S.B. Mujumdar on the principles of Vedic thought ‘Vasudhaiva Kutumbakam’ which means ‘World as One Family’. Symbiosis Law School (SLS) Nagpur is inheriting splendid novelty, dynamism and excellence in education of Symbiosis International (Deemed University) Pune. It is founded to impart quality legal education conforming to acclaimed International standards. SLS, Nagpur is cocooned in the upcoming educational zone with state of art infrastructure catering impending needs of student community. It shares expertise in imparting quality legal education through competent and well qualified teaching staff, techno-driven research culture, Internationalization, centres of excellence, training and skill enhancement programmes, moot courts and the like. It is committed to contribute to the justice mission of the state by initiating pro-bono activities to help poor and marginalized people through community layering, legal aid camps and permanent legal aid clinics. Further, it endeavours to create value conscious skilled lawyers with par excellence serving dynamic needs of the community through Bar and Bench. SLS, Nagpur offers two five-year integrated undergraduate programmes like Bachelor of Arts and Bachelor of Laws (BA LL.B) and Bachelor of Business Administration and Bachelor of Laws (BBA LL.B) along with a One Year Master of Law Programme with specialization in Business and Corporate Law and Criminal and Security Law to cater to varied needs of the profession. The curricular enrichment is ensured with the involvement of judges, eminent lawyers, International jurists, industry experts etc. and best practices are reflected in teaching-learning pedagogy. SLS, Nagpur believes in holistic development of nascent legal minds and ensures learning beyond classroom by planning field visits and workshops in collaboration with various stake holder and NGOs. It provides conducive and competitive learning environment by encouraging students to take part in national and International competitions.

Orientation and Pedagogy:

At SLS Nagpur, teaching methodology is essentially learner centric and research - oriented, strengthening students in reflective and critical thinking skills along with value - orientation. Modern teaching methods are used in a convergent manner along with the lecture method. These include the class Room Presentations, Group Discussions, Seminars, Case Studies, Socratic Method, Project- based method, and computer assisted learning and experiential learning. The curriculum and pedagogy are designed around the latest Quality Initiatives in legal education. These efforts are reciprocated by the participation of all the stakeholders including the members of the bar and bench, corporate sector, govt. and international experts. There is a strong focus on Research oriented learning in the Post Graduate Programme with the aspirations of developing higher order thinking skills. This pedagogical tool and the evaluation focusses on development and enhancement of skills in reviewing the state of research, methodological skills, skills in reflecting on research findings, communication skills, and content knowledge.
