The Reliance Foundation Scholarships aim to enable and propel India's brightest youth, who are uniquely positioned to be the future leaders of tomorrow and to sit at the forefront of India's technologically driven growth, for the benefit of Indian society.

During the 2021-22 academic cycle, the Reliance Foundation Scholarships will support the most exceptional first-year undergraduate and first-year postgraduate students in the fields of Artificial Intelligence, Computer Sciences, Mathematics and Computing, and Electrical and/or Electronics Engineering through their studies.

We will provide:
- Up to **60 undergraduate scholarships** (up to **Rs/INR 4 Lakhs** each over the duration of the degree)
- Up to **40 postgraduate scholarships** (up to **Rs/INR 6 Lakhs** each over the duration of the degree)
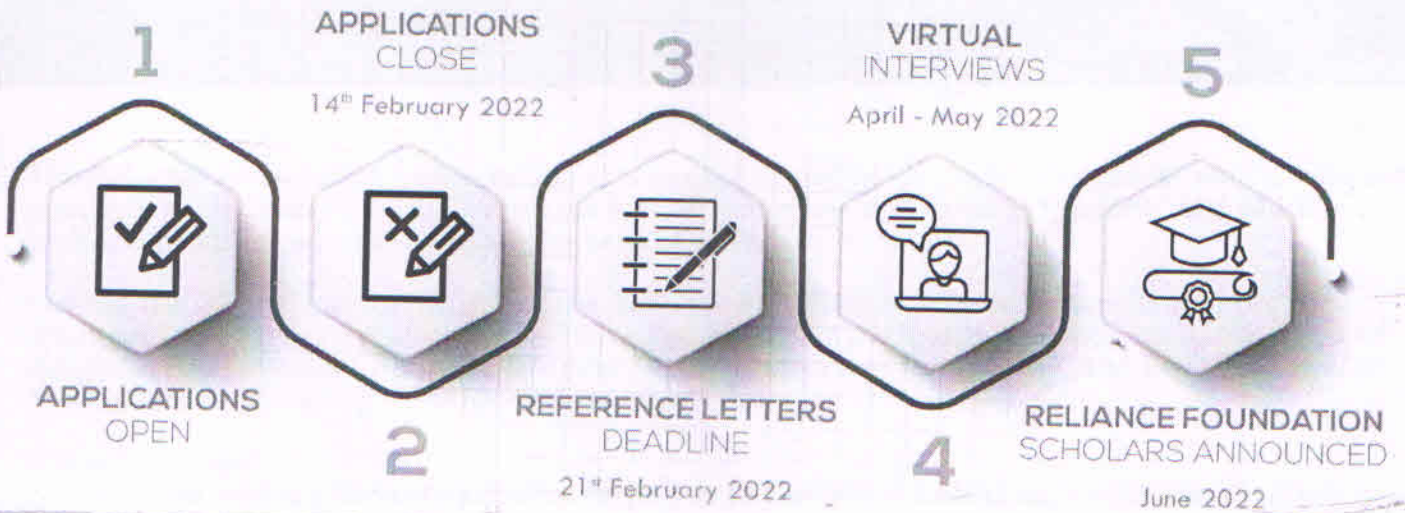

Reliance Foundation Scholars will also benefit from additional engagement and development activities (including the chance to attend talks and workshops with leading global experts, opportunities to apply for mentoring/internships, volunteering opportunities, a strong alumni network and more). Reliance Foundation Scholars will join a vibrant community of scholars that will be at the forefront of creating and building a new India.

The Reliance Foundation Scholarships will identify and select the best and brightest students in India through a rigorous and competitive selection process. We welcome applicants from all socio-economic backgrounds and scholarships will be granted on the basis of merit.
