#### INSTRUCTIONS TO CANDIDATES

(Use only blue/black ball-point pen in the space above and on both sides of the OMR Answer Sheet)

- Within 30 minutes of the issue of the Question Booklet, check the Question Booklet to ensure that
  it contains all the pages in correct sequence and that no page/question it missing. In case of faulty
  Question Booklet bring it to the notice of the superintendent Invigilators immediately to obtain a
  fresh Question Booklet.
- 2. Do not bring any loose paper, written or blank, inside the Examination Hall except the Admit Card.
- 3. A separate OMR Answer Steet is given. It should not be joided or mutilated. A second OMR Answer Sheet shall not be provided. Only the OMP answer sheet will be evaluated.
- 4. Write all the entries by blue/black ball pen in the space provided above.
- 5. On the front page of the OMR Answer Sheet, write by pen your Roll Number in the space provided at the top, and by darkening the croles at the bottom. Also, write the Question Booklet Number, Centre Code Number and the Set Number (wherever applicable) in appropriate places.
- 6. No overwriting is allowed in the entries of Roll No., Question Booklet No. and Set No. (if any) on OMR Answer Sheet and also Roll No. and OMR Answer Sheet Serial No. on the Question Booklet.
- Any change in the aforesaid entries is to be verified by the Invigilator, otherwise it will be taken as unfair means.
- 8. Each question in this Booklet is followed by four alternative answers. For each question, you are to record the correct option on the OMR Answer Sheet by darkening the appropriate circle in the corresponding row of the OMR Answer Sheet, by ball-point pen as mentioned in the guidelines given on the first page of the OMR Answer Sheet.
- For each question, darken only one circle on the OMR Answer Sheet. If you darken more than one circle or darken a circle partially, the answer will be treated as incorrect.
- 10. Note that the answer once filled in ink cannot be changed. If you do not wish to attempt a question, leave all the circles in the corresponding row blank (such question will be awarded zero mark).
- For rough work, use the inner back page of the title cover and the blank page at the end of this Booklet.
- On completion of the Test, the Candidate must handover the OMR Answer Sheet to the Invigilator
  in the examination room/hall. However, candidates are allowed to take away Text Booklet and copy
  of OMR Answer Sheet with them.
- 13. Candidates are not permitted to leave the Examination Hall until the end of the Test
- 14. If a candidate attempts to use any form of unfair means, he/she shall be liable to such punishment as the University may determine and impose on him/her.
