### 3. Scholarship to Rank Holders: -

This scholarship is awarded to the rank holders of UG, PG & Integrated Diploma [6Yrs.] programs (except M. Tech & M. Pharm where stipend is applicable) every year who secure 1<sup>st</sup> & 2<sup>nd</sup> ranks in respective MIT-WPU annual examinations. This Scholarship will be awarded to eligible students from second year onwards & not applicable to the students who are already availing Dr. Vishwanath Karad 100% Merit Scholarship & to those who are availing any type of stipend. The first topper is eligible for 50% & the second topper is eligible for 25% scholarship.

➤ These rankers from each program would be selected as follows,

- For each given program, while going into second year or every subsequent year; a **comprehensive merit list would be drawn considering the entire strength** of progressing students under that program.
- Number of eligible students for this category are selected for given program by multiplying the number of divisions by 2 when placed in descending order of their merit in CGPA.
- Out of the above number, the first half number of students would be awarded 50% & second half number of students would be awarded 25% scholarship.

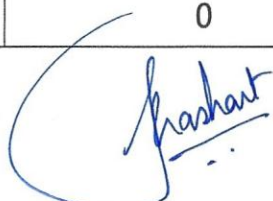

➤ Explanation:

- *B Tech Computer Science & Engineering has 420 students i.e. equal to  $420/60=7$  divisions. Therefore, assuming all the students move ahead, out of the comprehensive merit list of 420 students,  $7*2=14$  top students would be selected for this scholarship.*
- *Out of these 14 students, first 07 would be eligible for 50% scholarship & next 07 would be eligible for 25% scholarship. In case there are more than one eligible student with the same CGPA, then the selection of the student will be based on a) Total Marks of the student in 3 trimesters of respective academic year b) Average of Percentage of Attendance of the student in all 3 trimesters of the respective academic year.*

➤ Conditions for Applicability for Scholarship for Subsequent years “For program having less than 60 intake or progressing strength is less than 60 for entire program”.

- In case the strength admitted in first year of program is less than 60 or approved intake itself is less than 60 for the program or the strength moved ahead from previous year in such program happens to be less than 60, the scholarship seats would as per bellow mentioned table.

Progressing strength in % of intake	No of Scholarship for an approved intake of 60	% of fees waiver
75% & more	2	50% waiver for 1 <sup>st</sup> & 25% for 2 <sup>nd</sup> ranker
Between 50% & 75%	1	50% waiver for 1 <sup>st</sup> ranker
Below 50%	0	0

- For all programs like B. Des. where intake is only 20, 30 or 40 & if the strength moved ahead from previous year happens to be less than that, the scholarships shall be awarded as follows;

Progressing strength in % of intake	No of Scholarship for the program	% of fees waiver
75% & more	01	50% waiver for the first ranker.
Below 75%	NIL	--
