Question No.	Questions
	<p>Read the following passage carefully and answer the questions that follow: (Questions 74 to 83)</p> <p>Educated and trained manpower is a huge asset. India boasts of a sizeable number of young population. At the same time we live in a highly competitive age and can no longer afford the luxury of mediocrity if we are to march ahead. This rapidly changing technological age requires our youngsters to be academically far more competent and competitive than their predecessors and therefore every young man and woman today, studying in schools, colleges and universities must aim at academic excellence or nurture a specialized skill. In a developing nation like ours, where large numbers are still unable to acquire primary education, those undergoing higher education are a privileged lot. They must therefore be more vigilant and focused and repay their debt to the society. By not whiling away time in purposeless and disruptive activities, they should channelize their mental resources in a productive and innovative manner. Self-reliant and dedicated manpower is a nation's strength. This way they can serve India with greater efficiency.</p> <p>74. Intellectuals amongst youth are essential :</p> <ol style="list-style-type: none"> <li>(1) For the holistic development of the nation</li> <li>(2) Because we need intellectuals</li> <li>(3) Intellectualism is in vogue</li> <li>(4) Young intellectuals are more concentrated in their efforts</li> </ol>
