"ONLINE PROGRAMS IN HEALTH PROFESSIONS EDUCATION"

Programs offered:

Post Graduate Diploma in Health Professions Education - 1 year

Masters in Health Professions Education - 2 years

(Completely online sessions - Heutagogy Mode)

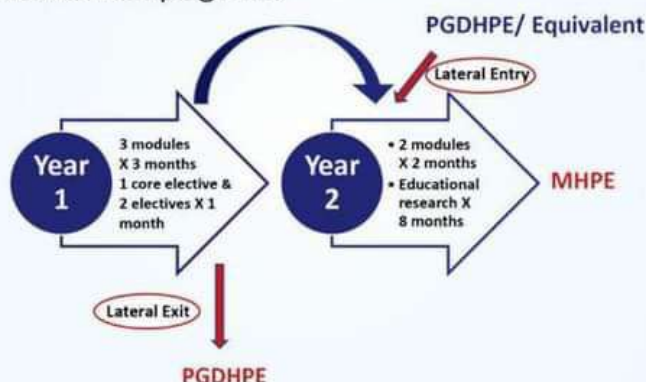

Post Graduate Diploma in Health Professions Education (PGDHPE) - One year

Four modules of each 3 months duration with a summative assessment of two theory examinations at the end of one year to be held online by the university.

Masters in Health Professions Education (MHPE) - Two years (Continuation of PGDHPE as first year)

Two elective modules of each 2 months duration culminating in monographs (one for each elective); Major educational research project for 8 months duration and submission of dissertation. Final University examination with viva on project for award of MHPE.

(Teaching and learning portfolio common for both programs)

Unique Features of the programs:

- Designed in a Heutagogy model in which learners are empowered to teach and learn
- Extensive use of LMS/google groups, collaborative learning, sharing of resources, assignments, projects linked with work-place based learning.
- Intensive role modeling and mentoring by senior most educators combined with portfolio and feedback
- Assessment based on Multi-Source Feedback including formal exam, peer assessment, and portfolio-based assessment.

Course Eligibility:

A recognized postgraduate degree in Health Sciences, Medicine (Including Ayurveda, Unani, Homeopathy) Dentistry, Nursing, Pharmacy, Physiotherapy and Laboratory Science. Candidates from both Indian and International Universities can apply.
