CONTENTS

1. About Rajasthan Technical University

Rajasthan Technical University (RTU) is located in Kota in the state of Rajasthan. It was established in 2006 by the Government of Rajasthan to enhance technical education across the state. The university is located on the bank of river Chambal and adjacent to Rawatbhata Road. It is about 14 km from Kota Railway Station and 10 km from Kota Bus Stand.

The Hon'ble Governor of Rajasthan His Excellency Shri Kalraj Mishra is the Chancellor, and Prof. R. A. Gupta is the Vice-Chancellor of the Rajasthan Technical University (RTU).

Rajasthan Technical University aims to provide quality technical education to help Rajasthan in its technical development and boost the technical environment in the country. The Rajasthan Technical University offers almost all the disciplines related to technical education including Bachelor of Technology, Master of Technology, Doctor of Philosophy, Master of Business Administration, Master of Computer Applications, and Bachelor of Hotel Management and Catering Technology.

The Rajasthan Technical University currently affiliates about 68 Engineering Colleges, 03 BArch, 16 MCA Colleges, 39 MBA Colleges, 31 MTech Colleges, 01 MArch, and 01 Hotel Management and Catering Institute. More than 1.5 lakh students study in the various institutes affiliated to the University.

Thousands of students graduate from the University every year and many attain post-graduation. The University is making steady progress in developing and providing the best technical environment for education and will continue to serve the nation in the coming years.

2. List of Available M. Tech. programs in various affiliated college and University departments

The list of the available MTech. programs and concerned affiliated colleges for the session 2020-21 are mentioned in *Seat Matrix* on the CAM-2020 website.

3. College fee Structure

As per the directions of the State Level Fee Committee, the interim fee structure for Engineering courses for the session 2020-21 is as mentioned in the college fee structure on the CAM website. Further, it may be noted that the directions from the state level fee committee or by the state government will be applicable for the session 2020-21 and afterward. The candidates shall be required to pay the fee as prescribed by the Committee.

4. Important Dates and Tentative Schedule

The tentative schedule of all activity for the admissions through CAM 2020 is mentioned in the *Tentative Schedule* on the CAM website.

5. Eligibility Criteria for Admission

Admissions for the session 2020-21 will be based on valid and eligible GATE Score of the year 2018-2020 preferably. **However, candidates without GATE score but possessing B.E./B.Tech./B.Arch degree or equivalent (As mentioned in Table-1) can also apply.** It is important to mention here that the scholarship offered in M.Tech./M.Arch. for GATE qualified candidates shall be as per AICTE norms which is 12400/- per month for 24 months. The office of CAM-2020, Rajasthan Technical University shall not be liable in any way for the release or sanction or grant of scholarship/stipend.

Candidates appearing in qualifying degree examinations in the academic session 2019- 20 and possessing valid GATE score card need to submit the marks sheet of qualifying degree examination at the time of reporting to the allotted institute positively, failing which their candidature shall be canceled.

A candidate must ensure their eligibility for admission in various M.Tech./M.Arch. programs in the constituent institutions, affiliated institutions, and University Departments before filling up the application form of CAM-2020.

If a non-eligible candidate is admitted due to any reason, then the admission of such a candidate will be canceled even at the later stage.

Minimum Qualification Required

Candidates seeking admission for M.Tech./ M.Arch. programs must ensure the following minimum qualification.

(i) A candidate must hold B.E./B.Tech. degree in appropriate discipline mentioned in Table-1 from RTU or any other recognized University/ Institution or any other examinations recognized as equivalent thereto by the competent authority.

(ii) Candidate must have a minimum of 50% (6.25 CGPA on 10 points scale and equivalent) marks in the qualifying degree examination (45% or 5.75 CGPA on 10 points scale of relaxation is admissible for SC/ST candidates) (as per AICTE APH 2020-21). If a recognized university has an approved conversion formula of CGPA into a percentage, then it will be made applicable subject to producing the certificate of conversion from the concerned University. Otherwise AICTE approved conversion formula will be used i.e. Equivalent CGPA = (Percentage/10) + 0.75.

(iii) Candidates having B.Arch. degree and seeking admission to M. Arch/M. Plan programs should possess 50% (5.75 CGPA on 10 points scale and equivalent) and 45% (5.25 CGPA on 10 points scale and equivalent) in case of SC/ST, as per the requirement of COA.

(iv) Candidates with qualifications obtained through examinations conducted by professional societies recognized by MHRD/UGC/AIU/UPSC/AICTE (e.g. AMIE

by Institute of Engineers (India); AMICE by Institute of Civil Engineers (India); IEE) as equivalent to B.E./B.TECH.

(v) Candidates having M.Sc./MCA seeking admission to certain M.Tech. programs should possess a valid and qualified GATE score of the relevant branch. The equivalency of any degree for admission to any program will be decided by University.

The eligibility criteria given in the following table are minimum and merely possessing the same does not qualify the eligibility for admissions. University may prescribe any other requirements over and above these conditions.

Table-1: Eligibility for Branches of M. Tech. Programs

iv. Candidates can fill in as many numbers of choices in the order of preference, as they wish, from the list of available programs. There is no maximum limit for filling the choices. **It is advised that the candidates should fill the maximum number of choices to help avoid the exhaust of choices situation. Candidates are also advised to fill the choices with utmost care as they won't be allowed to change/alter/modify their choices in second round (Upward movement).**

iv. Candidates are permitted, if they so desire, to change/alter/modify or re-order their choices, delete earlier choices and add new choices any number of times until they lock their final choices. Choices should be

positively locked before the last date otherwise choices will be automatically locked after the last date.

9.1.4 Stage IV: Seat allotment

As per the tentative schedule, the choices submitted by the candidates will be processed centrally and seats will be allotted in the order of merit (as per the rules of merit) based on the locked choices. **Valid GATE score would be given higher priority during all the stages of counseling and merit declaration in CAM-2020.**

The allotment of institute and specialization to the candidate will be carried out through the computer software by strictly following the order of merit, seats available, and the order of options filled by the candidate. The allotment result will be available on the CAM-2020 website as per the tentative schedule.

Seat Allotment Procedure

The seat allotment is divided into various rounds as per the requirement and convenience of the candidates into various M.Tech. /M.Arch. programs.

First round:

i.   In this round, seats will be allotted to all registered candidates based on their choices and merit list criteria.

ii.   All allotted candidates are required to report to the allotted institute for document verification and college fee submission. A candidate who reports at the allotted institute and completes the formalities to join the allotted institute shall only be eligible to opt for the second round (Upward movement).

iii. A candidate who has been allotted a seat (Allotted Candidate) needs to give his/her consent online as per schedule for participating in the second round (upward movement).

iv.   **A candidate who does not report (non-reported candidate) to the allotted institute as per the schedule, his/her registration would be deemed canceled**. However, he/she may register again as a new candidate in the third (Spot) round with payment of registration fees.

v.   If a candidate wishes to surrender his/her occupied seat, he/she needs to submit the seat surrender form which is available on the CAM website and also required to submit his/her consent online on the link (*seat surrender option)* on CAM-2020 website. After completing the seat surrender formalities, his/her registration will be deemed canceled. However, he/she may register again as a new candidate in the third (Spot) round with payment of registration fees.

vi. If a candidate has not been allotted any seat due to exhaust of choices (Choice-exhausted candidates), he/she will be considered automatically for the second round of upward movement.

vii. If a candidate fails to produce a valid GATE score and eligibility, his/her allotment and candidature will be canceled and he/she will not be allowed to occupy any seat. However, with valid eligibility, he/she may register as a new candidate in the third round.

Second round:

i.   This is an upward movement round, where a candidate is essentially required to submit his/her consent **ONLINE** for the upward movement against the allotted seat in the first round. **The candidates who do not report in the allotted institute after allotment of seat shall be ineligible for "Upward movement".**

ii. All the candidates who have reported in the allotted institute in the first round of allotment by following the due process for reporting and give their consent online on the CAM-2020 website for Upward movement, will be eligible for participating in the second round (Upward movement).

iii. **Kindly note that the candidate is not allowed to change/alter/modify their options or choices in the Option/choice form when they apply for the "Upward movement".**

iv. After his/her consent for the upward movement, his/her earlier allotted seat would be available for allotment to subsequent candidates only if, a candidate has got his/her higher preference, otherwise his/her seat will remain the same. However, if a higher choice is allotted to a candidate in

the upward movement round (second round), he/she will have no claim over the allotment of the first round.

v. After the second round (Upward movement) allotment, the candidates are required to report to the allotted institute for document verification and college fee submission.

vi. A candidate who has not reported to the allotted institute as per the schedule, his/her allotment, and registration will be deemed canceled. However, He/she may register again as a new candidate in the third round (Spot round) with payment of registration fees.

vii. Point no. v & vii of the First round will be applicable for surrender/ withdrawal and non-fulfillment of eligibility criteria in this round also.

viii. If a candidate has not been allotted any seat due to exhaust of choices (choice-exhausted candidate) in the second round of upward movement, his/her registration would be deemed canceled. However, he/she may register again as a new candidate in the third (Spot) round with payment of registration fees. Candidates are advised to fill sufficient choices to help avoid the exhaust of choices situation.

Third round (Special round/ Spot round):

i. This is the special round in which admission would be offered for vacant/ available seats.

ii. The vacant seat matrix for the vacant seats will be displayed on the CAM-2020 website.

iii. Any interested/new candidate may register for this round by paying Rs. 3000/- (Rs. 1500/- for SC/ST) as registration fee.

iv. All allotted candidates are required to report to the allotted institute for document verification and college fee submission.

v. The registration/ application fee will not be refunded back, in case the candidate does not report to the allotted Institute.

vi. **All the candidates who are not-reported (i.e. the candidate does not join the allotted institute after allotment) at the end of first/second round or Choice-exhausted candidates (i.e. the candidates are not allotted any choice/option due to choice exhausted) at the end of the**

second round of upward movement, will have to register again in the third (Spot) round as a new candidate by paying the registration fee again.

9.1.5 Stage V: Reporting & admission

i.   A candidate, who have been allotted seat shall be required to report at the allotted institute as per the tentative schedule.

ii.   Provisional seat allotment letter may be printed from the CAM-2020 website using their login details.

iii. Candidate should paste their recent color photographs on the application form (the registration form) with one additional colored photograph with them.

iv.   Candidates are advised to carry two sets of self-attested photocopies along with original documents at the time of reporting to allotted institutions. The following documents shall be attached along with the latest color photograph identical to the photo uploaded with the online application. The order of relevant documents as per their applicability are:

(i)   Provisional seat allotment letter,

(ii)   Application form with a colored photograph,

(iii) Class X (High School) Board Certificate as proof of date of birth,

(iv)   Mark sheet of Class XII,

(v)   Consolidated Grade/ Mark sheet of qualifying degree,

(vi)   Qualified and valid GATE scorecard, if any,

(vii) Certificate of category (OBC/SBC/SC/ST/EWS), if applicable, issued by the competent authority,

(viii) Undertaking by OBC/SBC in the required format, if applicable,

(ix)   Certificate for Person with Disability (PWD), if applicable,

(x)   Certificate for Ex-servicemen, if applicable,

(xi)   Domicile certificate,

       (xii) Conversion certificate for converting CGPA to percentage from the recognized university in which you have passed your UG degree,

       (xiii) Migration certificate

       (xiv) KM category, if applicable.

The allotted institute will be responsible for checking the documents and other required certificates with originals. A candidate has to deposit only the course fee to their allotted institutes.

Information regarding hostel facilities can be obtained from the allotted institute. Once the checking with originals has been done, original certificates will be returned to the students.

The candidates need not submit their original documents to the allotted institutes, the originals are only required for verification purposes. The original documents may be required by the allotted institute again for University enrollment.

Note: Due to the situation arising out of the Covid-19 pandemic, following additional admission procedure for admitting the candidates in M.Tech./ M.Arch. courses will be followed. After the admission process as mentioned above is over, the participating institutes will be permitted to give admission to the eligible candidates against the vacant seats, strictly as per the declared schedule, in the following priority:

(a) Registered and unallotted eligible candidates in CAM-2020
