Chancellor

Shri Bandaru Dattatreya
Hon'ble Governor of Haryana

Under the Visionary guidance of the Chancellor, Hon. Governor, Govt. of Haryana, Sh. Bandaru Dattatreya, Shri Vishwakarma Skill University, Dudhola, the first Govt. Skill University feels proud to launch its Prospectus for the Academic Session 2022-23.

Message

Shri Raj Nehru
Vice Chancellor
Shri Vishwakarma Skill University

I cordially welcome you to India's very first Skill University – Shri Vishwakarma Skill University.

Established by the Government of Haryana in 2016 at Dudhola village in Palwal district, Shri Vishwakarma Skill University has emerged as the cynosure of skill education. Guided by the ethics of scholarly excellence, skill dynamics, innovation in academics, and student success, the university has erected an infrastructure of skill education from 9th class to Ph. D. degree ensuring a diverse spectrum of skilled community.

The university offers a range of comprehensive NSQF aligned programs, designed after rigorous research and discourse with industry partners and other stakeholders to ensure that the students are equipped with the skills sought by the industries and organizations. To facilitate the identification and learning of critical skills, the university has adopted a unique dual education model where 60% of the time, students remain on the OJT under the supervision of industry mentors where they learn diverse critical skills through observation, analysis, operation, participation and management. Furthermore, the university has prepared a state-of-the-art infrastructure that houses library, market, gymnasium, swimming pool, hostels, the Centre of Excellence, Labs, workshops, health center and other facilities.

Besides the architectural infrastructure of the university that is a treat for the eyes, the highly qualified staff members, effective and responsive administrative set up, amicable academic environment, MoUs with leading industry partners, the university has garnered a great reputation in the academic-skill ecosystem as an institute that offers ample avenues for holistic development of the students' personality. The teaching faculty constantly gets training of the modern technical tools and latest research-based innovative pedagogical methods/approaches to facilitate the learning/skilling of every student in the class.

The university comes with compact, cohesive and visionary academic and extracurricular events and activities to facilitate relentless learning and rounded development of the students and the staff alike. For a balanced growth and commitment to give back to society, students get avenues of learning through various services of volunteer-ship conducive to exploration of responsibilities toward self, society and nation.

A vital goal of the teaching at Shri Vishwakarma Skill University is the emphasis on 'Entrepreneurship and Skills of Tomorrow'. SVSU operates in an atmosphere of genuine openness to knowledge attainment that cultivates the talents of scholars and creates a culture that builds the community from within. The efforts to collaborate, promote student agency and well-being, and interdisciplinary research are constantly reviewed and reinvigorated.

With New Education Policy recommendations, the university aims to raise the skill education system to global levels with a zeal to universalize education and make the Indian youth job-ready not only in India but abroad as well. We are looking forward to making India a “global knowledge superpower” through a system that is increasingly more holistic, flexible, and multi-disciplinary with four pillars of access, equity, quality and accountability.

I cordially invite all aspiring students who are interested in expanding their knowledge and enriching their careers to explore our university and join us for a life-changing academic experience.

Sh. Raj Nehru
Vice Chancellor
SVSU

Prof. (Dr.) R. S. Rathore
Registrar
Shri Vishwakarma Skill University

Shri Vishwakarma Skill University (SVSU) is the first Government Skill University in the country offering various skill-based courses.

SVSU, which is coming up in Village Dudhola of Palwal District, is currently functioning from its transit campus at Gurugram. The University has come up with an innovative work-integrated, dual-education model. Under this model,

students are given on-the-job training in the area of their study through various industrial associates. The University has developed a very strong bond with industries.

The appointment of Shri Raj Nehru, an eminent professional from the corporate world as the founder Vice Chancellor of the University, has further augmented academic excellence through Industrial expertise.

The University is offering variety of Courses at different skill levels. In a one-of-its-kind certificate programme, youth are being trained in the Haryanvi Folk art of Banchari. In addition, the University is offering industry integrated Diploma, Advance Diploma, Graduation, Post Graduate Diploma, and Post-Graduation Degree level programmes in subjects like Robotics, Mechatronics, HealthCare, Banking, etc.

All programmes of the University are as per the learning outcomes enumerated under the National Skills Qualification Framework (NSQF) for shifting 'Qualification-Based' learning to 'Skill-Based' learning.

With the Fourth Industrial Revolution round the corner, the University is working to preparing the youth to develop their potential to make India the skill capital of the world. The University is committed with its vision of becoming an internationally recognized skilling institution to enhance student employability and earning ability.

Prof. (Dr.) Jyoti Rana

Dean Academic Affairs
Shri Vishwakarma Skill University

Warm Greetings and Congratulations – Welcome to SVSU!

It is with great pleasure that I extend best wishes to you all on behalf of the entire SVSU community. It is our sincere hope that you and your family are well, and able to manage the evolving challenges in the time of pandemic.

As dean, I serve as a link between the university and society, as well as between colleges, faculty members, and students. It begins with the life of the student, continues with academic follow-up until the student graduates, and uses the knowledge and skills obtained during their academic education to contribute to building the country.

I look forward to ensuring excellence in all university procedures by following the highest standards and protocols in providing services. I seek to attract the best students and ensure to achieve transparency and justice among them throughout their academic careers so that they can effectively contribute to the university's mission of developing a skilled workforce that will serve as the backbone of the industrial society. This is an excellent time to begin your studies at SVSU! Whatever your area of skill, SVSU supports you in realising your goals. We bring a strong synergy of education, research and skill enhancement to the table. Our faculty are exemplary trainers, teachers, scholars and industry experts who bring expertise in a wide range of topical areas.

Our certificate, diploma and graduate programs thrive in a rich mix of resources within the colleges, the university and the community. Our community-engaged and industry-based focus pushes the boundaries by collaborating with a variety of corporate and industrial partners in Haryana and beyond to develop, execute, and assess the changes we want to see and be in our country and throughout the world.

SVSU's main objective is to equip students with world-class training facilities and the finest possibilities accessible in the market. With us, students will be able to match their educational and career goals by combining specific skills and internship experience in our programmes. We place a strong emphasis on both in-classroom and out-of-classroom activities that provide powerful and long-lasting knowledge, skill, and aptitude. We also value providing a personal touch in our student advising and mentoring so that we can help them thrive and grow intellectually while pursuing their graduate study or professional development goals.

I, Dean of Academic Affairs, hope that during the years spend at SVSU; our students will have an enriching experience and leave us not just with knowledge and skills, but also as happy people.

Best Wishes!

Introduction

In tune with its vision of a skilled India, the Government of Haryana established the Shri Vishwakarma Skill University (SVSU), a first of its kind in India, in 2016 to be set up at village Dudhola in District Palwal, Haryana. The University is aimed at providing structured skill qualification programmes that are aligned with existing and emerging job roles in the industry and other sectors. These programmes are mapped with the National Skills Qualifications Framework (NSQF) that shall facilitate upward mobility of students from Certification to Doctoral level. The University is being built on 82.7 acres of land with state-of-the-art infrastructure at a project cost of about 980 Crores with the capacity to train 12,000 students per year as part of its master plan.

Key Features

Drivers of SVSU

Pillars of SVSU

Evolution of University Logo & Design

Logo - The logo of Shri Vishwakarma Skill University has been thoughtfully designed by young minds, who think freely and view things from different perspectives. It is an outcome of an open design competition which was held by the University in 2017.

The motto "योगः कर्मसु कौशलम्" has been adopted from Shrimad Bhagwat Gita (Chapter 2. Verse 50), meaning yoga is excellence at work. Any work becomes valuable if done with full concentration, dedication and skill.

The blue colour of the logo denotes that the Shri Vishwakarma Skill University is committed to uphold the dignity of skill and labour. Seven dots represent saptarishis in the universe who are collectively bringing the unrevealed wisdom, philosophy, science and knowledge of cosmos to connect with human mind to skill them to think out of box, with infinite limits.

The centrepiece collectively represents the spirit of ideation, creativity and progress encompassing the best of traditional and modern values and wisdom. The pen nib and spanner remind us to work with own hands to acquire knowledge and skill, till perfection is achieved. Wi-Fi symbol and the monitor stand for the global connectivity and digital learning. The red arrow is indicative of sustained progress with adaptability to change. It also bridges the shift between our roots and the future via the means of technology.

Holistically, the logo resembles a thoughtful mind integrating knowledge, value, ethics and skills for innovative thinking. It resounds the philosophy of the university to create young minds full of new ideas and thoughts and having skills to transform them into reality for upliftment of mankind.

Lord Vishwakarma who is known to be the architect of this universe is also the designer of all flying chariots of Gods and their divine weapons. Chariots have significant place in our civilization. These were driven by horses and also known for the purpose, speed and dynamism. It is over such chariot, aeons ago Lord Krishna revealed the Principles of Karma to Arjuna that guided him to the path of purposeful action and also set the direction for generations to beacon with. We take inspiration from the chariot and connect with the legend of Haryana, that is Mahabahrata. Lord Vishwakarma was also a city planner; who created Dwaraka, the capital of Lord Krishna; town of Hastinapur - the capital of Kauravas and Indraprastha for Pandavas. The six academic blocks are conceived as horses and administrative and auditorium blocks as balancing wheels of the chariot.

Academic Structure

This university is classified into four Skill Faculties for coordinated teaching in particular and effective governance in general, namely:

- **Skill Faculty of Engineering & Technology**

These programmes are a mix of farm and non-farm activities, agriculture extension, applications of technology and micro finance to create skilled manpower to cater the needs of various industries. In addition to this it has the capacity to create entrepreneurs interested in agriculture and allied areas. These programmes cover skilling of collectivization, organic farming, hydroponics, medicinal plants, bee keeping, livelihood, green house, natural farming, dairy analytics, application of GIS, spreadsheet modelling, research methodology, microfinance, micro insurance and agricultural extension modules. They bridge the gap requirement of skilled manpower in various sectors of agriculture.

The Skill Department under this Faculty is:

- Skill Department of Agriculture

Programme Model & Pedagogy

SVSU has built a strong partnership with the Industry to facilitate students' employability and entrepreneurship through On-the-Job Training (OJT). The University has designed, developed, and deployed Industry Integrated Dual Education Model (IIDEM) that facilitates 'Earn-while-Learn' and provides students with the opportunity to enhance their qualification with the flexibility of entry and exit into a programme.

SVSU has conceptualized the IIDEM programme with various Industry Partners, which is designed in such a manner that 60% of credits are earned while working on OJT, integrated with the National Apprenticeship Promotion Scheme (NAPS) that offers a stipend. Classroom training shall be imparted by the SVSU faculty and other industry experts. Practical & workshop experience are the key components of the overall training methodology. 40% of credits shall come from theoretical and conceptual training. The entire pedagogy is designed to develop application-based experiential learning that will make students job-ready from day one.

On-The-Job Training (OJT)

OJT is a mandatory constituent of the programmes offered in SVSU off Campus Model. The departments allow students to get OJT across different job-roles in each semester, to be able to focus on outcome-based learning. As a part of the programme's training delivery, all students will have to undergo OJT schedule at the industry partner's shop floor/workplace to work on the actual machines/business processes. OJT working hours shall be linked to the required credits for the programme. The daily duration of OJT shall be a maximum of nine (09) hours. OJT shall be carried out under the supervision of a supervisor-cum-trainer nominated by the industry partner. OJT areas are subject to availability, and students cannot claim any specific OJT areas. It is mandatory that students comply with Industry OJT requirements, including rules and disciplines prescribed by the OJT partner. The stipend during OJT will be at the discretion of the industry partner. OJT may be offered with or without stipend and at various locations throughout India; and it binds the students to follow the necessary guidelines.

- **Location of OJT can be PAN India in consensus with the industry partner and stipend may vary according to industry.**
- **Industry partner may vary at the time of admission and during the program.**
- **Students may be deployed on shifts depending on the Industry and after the completion of requirement under apprenticeship Act.**

Students during their OJT shall:

- **Work in the available OJT areas as assigned by SVSU/industry mentors.**
- **Observe the industry's occupational health, safety rules and processes.**
- **Follow the rules and instructions of SVSU and OJT partner.**
- **Abide by the rules and standard operating procedures of the industry as applicable to working on the shop floor/work place.**

• Maintain their daily OJT diaries as allotted to them at the commencement of each semester, filling details about:

1. One observation of the day
2. Job assigned
3. Machines/SOPs use
4. Skill learnt
5. Challenges faced and overcome
6. Ideation, if any

The Schedule of Admission in B.Tech programme shall be same as per notified by HSTES, Haryana

Selection Criteria

SELECTION CRITERIA FOR D.VOC./DIPLOMA/B.VOC./B.B.A./PG Diploma/M.VOC. PROGRAMMES

- Step 1. Merit list based on marks obtained in qualifying exam (50 Marks)
- Step 2. Personal Interview/Group Discussion/Psychological Test with Industry and SVSU Experts (50 Marks)
- Step 3. Combined Merit List (100 Marks)
- Step 4. Counselling based on the marks obtained in combined merit list
- Step 5. Release of finally admitted students list

Note: Candidates need to qualify for Personal Interview/ Aptitude Test/Professional Test/Group Discussion, etc. separately, wherever applicable, for final selection for the program.

SELECTION/ ADMISSION CRITERIA FOR MBA

Candidate needs to apply against the advertisement and meet minimum requirement as per the guidelines as mentioned on university website www.svsu.ac.in. The procedure for preparing the merit will be on the basis of CAT/ MAT/ XAT/ GMAT entrance exam score, Academic scores in the graduation followed by Personal Interview will be as follows:

Weightage of CAT/ MAT/ XAT/ GMAT entrance exam:	30%
Weightage of Academic Score:	30%
Marks of Group Discussion:	20%
Marks of Personal Interview:	20%

Personal Interview/Group Discussion:

The personal interview/ Group discussion is essential component for admission to this programme for which a list of short-listed candidates shall be prepared keeping in view the reservation policy and number of seats in each category. Five times of the number of seats in respective categories on the basis of the marks of Entrance Test/ marks obtained in Qualifying Exam shall be shortlisted for the Personal Interview/ Group Discussion. The list of short-listed candidates shall be displayed on the Notice Board of the University and also on the website.

The Candidates must bring the relevant original documents and two sets of self-attested photocopies of documents/certificates/testimonials for verification at the time of Personal Interview/Group Discussion.

Admission criteria for B. Tech:

Admission in B.E. /B. Tech shall be made on the Basis of inter-se-merit of combined merit of JEE Main-2022 conducted by NTA (As specified by AICTE/ HSTES at the time of admission).

Admission criteria for M. Tech:

B. Tech./B.E. in appropriate area with valid GATE score.

GENERAL INSTRUCTIONS FOR ONLINE APPLICATION FORM

- ▶ Before filling the Online Application Form, candidates are required to read the Prospectus/ Guidelines/Instructions available on University website carefully. Candidates will submit their Application Forms online on the University's website: www.svsu.ac.in for admission to various programmes.

It shall be the sole responsibility of the candidate to remain in touch with the concerned department/faculty to ascertain the progress of admissions. There will be no separate communication in this regard from the University.

About the Programmes

PROGRAMMES UNDER SKILL FACULTY OF ENGINEERING AND TECHNOLOGY

D.Voc. (Industrial Electronics)

Industry Partner: East West Automation Tech. Pvt. Ltd.

Department: Skill Department of Industry 4.0

Duration: 3 Years (6 Semesters)

About the Programme: Diploma of Vocation (Industrial Electronics) is aligned with NSQF Level – 5 and designed on Dual Education Model. SVSU, in association with East West Automation Technology Pvt. Ltd., shall conduct the programme which will enable students to realise the complexity of the processes of cable/wire manufacturing, its importance, applications, and quality control. The programme will prepare students to access, analyse, manage, and present data to enable the organisation towards effective decision-making. The focus of this programme is on familiarising students with the environment of electronics process which is essential for manufacturing different kinds of wires and cables as per industry requirements.

D.Voc. (Mechanical Manufacturing) Industry Partner: Roop Auto

Department: Skill Department of Automotive Studies

Duration: 3 Years (6 Semesters)

About the programme: The manufacturing of automotive components drives economy for mass production of components especially used in the automotive industry. Therefore, the latest machines like CNC machining centres, CAD/CAM facilities, idea-unigraphics, and 3-D modelling are used for optimal design/manufacturing.

D.Voc. (Mechanical–Manufacturing) is aligned with NSQF Level-5 set in Dual Education Model. It is a three-year programme divided into six semesters & its On-The-Job-Training (OJT) shall be at the shop floor of Roop Automotive Ltd. as its industry partner. OJT enables students to learn manufacturing of components to be used in various industries like automobile, textile, plastics, packaging etc. The focus of the programme is on preparing students to work on conventional machines, CNC vertical turning, CNC drilling machines, CNC horizontal machining, destructive and non-destructive testing, pneumatics and hydraulics, heat treatments, material handling systems, and coordinate measurement machines, and also learn process planning, estimation, and costing of manufacturing of components.

B.Voc. (Mechanical Manufacturing) Industry Partner: Anand Group

Department: Skill Department of Automotive Studies

Duration: 3 Years (6 Semesters)

About the programme: The world is entering the Fourth Industrial Revolution, known as Industry 4.0. Immersive technologies like Virtual Reality and Augmented Reality with aggregate manufacturing technologies based on 3D Printing coupled with holography are making it happen. Shri Vishwakarma Skill University (SVSU) in collaboration with Anand Group, a known brand of the automotive world, has designed a Bachelor of Vocation (Mechanical-Manufacturing) programme which is aligned with the National Skills Qualifications Framework (NSQF) Level-7 based on Dual Education Model. The programme will enable students to realise the complexities of the manufacturing processes handled at the shop floors of the industry. The focus of the programme is on preparing them to become familiar with the manufacturing ecosystem while working with the industry and to effectively use tools and equipment for achieving stringent quality standards in the manufacturing sector in an optimized manner.

B.Voc. (Mechanical Manufacturing) **Industry Partner: Hero Motocorp**

Department: Skill Department of Automotive Studies

Duration: 3 Years (6 Semesters)

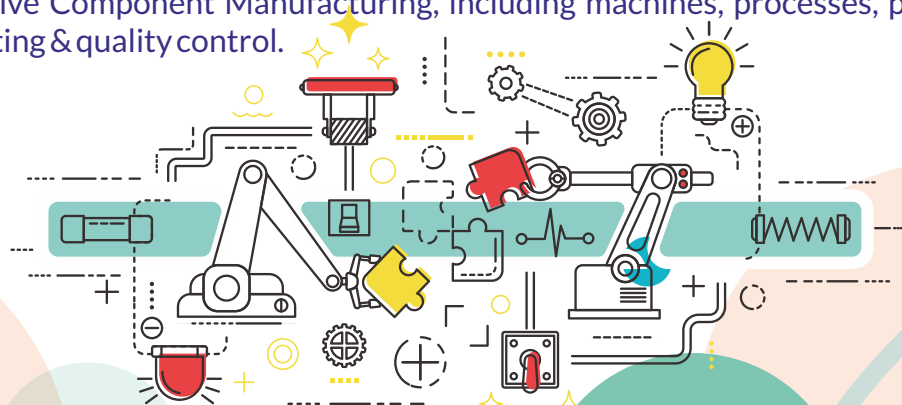

About the programme: Shri Vishwakarma Skill University (SVSU) in collaboration with HeroMotoCorp, a known brand of the automotive world, has designed a Bachelor of Vocation (Mechanical-Manufacturing) programme which is aligned with the National Skills Qualifications Framework (NSQF) Level-7 based on Dual Education Model. This programme will enable students to realise the complexities of the manufacturing processes handled at the shop floors of the industry. The focus of the programme is on preparing them to become familiar with the manufacturing ecosystem while working with the industry and to effectively use tools and equipment for achieving stringent quality standards in the manufacturing sector in an optimized manner.

D.Voc. (Mechanical Manufacturing) **Industry Partner: Senior India**

Department: Skill Department of Automotive Studies

Duration: 3 Years (6 Semesters)

About the programme: SVSU's D.Voc. programme (Mechanical-Manufacturing), aligned with the National Skills Qualifications Framework (NSQF) Level-7 based on Dual Education Model, is in association with Sr. India Pvt Ltd. It will enable students to realize the complexity of processes handled at shop floor and allow them to gain hands-on experience of On-the-Job Training (OJT) at the shop floor, equipped with latest technological tools & machines of our Industry Partner. The focus of this programme is on preparing students to become familiar with the environment of shop floor in industries and to effectively use tools and equipment for achieving quality in manufacturing processes. The programme will provide in-depth knowledge in the field of Assembly line, CNC machines programming, CMM machines, Measurement and metrology, and Quality inspection/control and impart learning in frontier areas of Automotive Component Manufacturing, including machines, processes, products, programming, testing & quality control.

D.Voc. (Mechanical Manufacturing) Industry Partner: SKH Metals Ltd.

Department: Skill Department of Automotive Studies

Duration: 3 Years (6 Semesters)

About the programme: The automotive sector is one of the highest growing and most demanding sectors in the world. The era of manufacturing industries is now looking forward to the fourth generation of manufacturing. The fourth-generation industries demand the synergy of Applied Sciences, Technology, Engineering and Mathematics.

Shri Vishwakarma Skill University (SVSU), in association with SKH Metals, has designed a Diploma of Vocation (Mechanical-Manufacturing) 3-Year programme which is aligned with the National Skills Qualifications Framework (NSQF) Level-7 based on Dual Education Model. This programme will enable students to realise the complexities of processes handled at the shop floors of the industry and allow them to gain hands-on experience of On-the-Job Training (OJT) at the shop floor, equipped with the latest technological tools & machines, of our Industry Partner.

B.Voc. (Mechatronics) Industry Partner: Hero Motocorp

Department: Skill Department of Automotive Studies

Duration: 3 Years (6 Semesters)

About the programme: The world is leaping towards a total automation of all aspects of human life. All services/utilities/products/processes are exponentially getting automatic, self-driven, and on-auto pilot systems. Mechatronics is a synergistic combination of precision Mechanical Engineering, Electronics/Computers, Control and Automatic systems for the design of products and manufacturing processes. The B.Voc. Programme in Mechanical-Mechatronics, designed for NSQF Level-7, aligns with the Dual Education System, where SVSU provides subject teaching, and skills are learned by students as 'On-the-Job-Training (OJT)' on the shop floor of our industry partner Hero MotoCorp. The programme curriculum imparts synergistic integration of Mechanical, Electronics, Control theory, and Computer Science, as applied to product design and manufacturing. It ensures optimization of various process functionalities and productivity enhancement.

B.Voc. (Production Tool and Die Manufacturing) **Industry Partner: JBM Group**

Department: Skill Department of Automotive Studies

Duration: 3 Years (6 Semesters)

About the programme: B.Voc. (Production-Tool & Die Manufacturing) is aligned with NSQF Level-7 set in the Dual Educational Model, which shall be run by SVSU in collaboration with the JBM Group as an interdisciplinary programme. It is a three-year programme divided into six semesters with an option of flexible entry and exit at different stages of the programme. The special feature of this programme is On-the-job-training (OJT) which forms 60 percent of the programme and shall be held at the shop floor of our industry partner, JBM Group, Gurugram. OJT enables students to learn designing and fabrication of tools & dies in the totality of processes and their application for mass production of different items/assemblies in various industries like automobile, textile, plastics, packaging etc. by working in several functional areas on the shop floor. The focus of the programme is to prepare students to work on conventional machines, welding machines, CNC machines, wire-cut EDM, laser machine, jig boring machine, press machines, and coordinate measurement machines, and learn fitting activities, process planning, estimation, and costing of manufacturing and maintenance of tools and dies.

B.Voc. (Robotics and Automation) **Industry Partner: JBM Group**

Department: Skill Department of Industry 4.0

Duration: 3 Years (6 Semesters)

About the programme: The world is moving towards a state of complete automation via state-of-the-art intelligent devices/robots, influencing multi-dimensional domains of human and industrial activities. Robotics and automation deal with the robot design, construction, and operation as well as computer systems for their control, sensory feedback, and information processing. The current programme, B.Voc. (Robotics & Automation), is NSQF-aligned and set in the Dual Education Model, which shall be run by SVSU in association with JBM Group as an interdisciplinary programme including mechanical engineering, electrical engineering, computer science, and other subjects. The programme offers knowledge not only in various fields of technical skills such as mechanical, electrical, electronics, computer science, and instrumentation and control systems, but also provides knowledge of applications of the basics of Applied Science, Technology, Applied Engineering, and Applied Mathematics (STEM) through its special feature of more than 60 percent of On-the-job-training (OJT). This is a three-year programme divided into six semesters with an option of flexible entry and exit at different stages. The programme is based on the "Earn-while-Learn" model.

B. Voc. (Solar Technology) **Industry Partner: Quadson Solar Ltd.**

Department: Skill Department of green Technology

Duration: 3 Years (6 Semesters)

About the programme: The B. Voc. Solar Technology is a 3-years undergraduate vocational program comprising of 6 semesters. This program is aligned to National Skills Qualification Framework (Level-7) based on dual education model. This program is designed to empower the students professional as well as practical skills in the emerging areas of renewable energy. The programme will enable the students to realize the complexities of the design and installation of solar systems handled at the industry shop floor/installation sites. This program focuses to prepare a student for addressing gaps in solar harnessing capacity and available skilled workforce along with entrepreneurial skills.

This program imparts the comprehensive knowledge of both domains of solar i.e Solar Thermal & Solar PV required for development of Solar Systems. This program includes several unique features such as NSQF aligned course, Application-based learning, Dual Education Model, Entrepreneurial skills and Industry support for Internship/On the Job Training that will prepare the learner holistically for professional environment.

B. Tech. (Mechanical and Smart Manufacturing) **Industry Partner: JBM and Schneider Electric**

Department: Skill Department of Automotive Studies

Duration: 4 Years (8 Semesters)

About the programme: In line with the existing and emerging needs of the Manufacturing Industry (Manufacturing vision 2030), research and academics, the Skill Faculty of Engineering and Technology has designed, conceptualized and is introducing an innovative four-year B. Tech programme on Mechanical and Smart Manufacturing from academic session 2022-23 and offers flexibility to the students in accordance with the NEP 2020 and new guidelines issued by the AICTE APH 2022-23. The program offers specialization related courses to build domain knowledge for smart manufacturing industries and provides the relevant skills in multidisciplinary areas of study. Immense significance is placed on industry internships with an attempt to provide hands-on experience in many spheres of technology related to smart manufacturing. This program will provide students an opportunity to learn both fundamental concepts of mechanical engineering and manufacturing science, latest tools and technologies in the field of Industry 4.0 technologies – Automation / Robotics, Internet of Things, Artificial Intelligence, Additive Manufacturing etc. Choice based credits system (CBCS), Project based learning in each year of the programme, emphasis on skill-based learning, work exposure in industry, development of critical thinking and problem solving aptitude for new product development are a few salient features of the programme.

The Skill Department of Automotive Studies is one of the biggest departments of the University equipped with a well-qualified, trained and talented pool of faculty graduated from IITs, NITs, and renowned institutions of India in domain areas. The Department adopted Outcome-Based Education (OBE) and has an adequate latest infrastructure with state-of-the-art laboratories and other supporting facilities to provide enhanced learning environment and has an excellent industry connect. The Department attracts the best of engineering aspirants from all over the country.

B. Tech.CSE(AI & ML) **Industry Partner: Amazon**

Department: Skill Department of CS/IT

Duration: 4 Years (8 Semesters)

About the programme: The B. Tech. Computer Science & Engineering (AI & ML) is a 4-year undergraduate programme comprising of 8 semesters. This program is designed to empower the students professionally as well as technically exceptional in developing advance machine learning systems by deploying Artificial Intelligence algorithms. This programme develops the skills of constructing the efficient applications or solutions integrated with analytical information ensuring specific output.

This programme imparts a comprehensive knowledge of various programming languages required for development of AI and ML applications and Systems. Elective courses on state-of-the-art technology like Blockchain, IOT, and cloud may also be offered to the students of this program. This program includes several unique features such as Project-based learning, choice-based credit system and Industry support for Internship/On Job Training that will prepare the learner holistically for professional environment.

About the Department

Skill Department of CS/IT (Artificial Intelligence & Machine Learning) is one of the emerging departments of the University equipped with well-qualified and trained faculty in various emerging areas. The Department adopted Outcome-Based Education (OBE) and has an adequate latest infrastructure with state-of-the-art laboratories and other supporting facilities to provide enhanced learning environment. The Department attracts the best of engineering aspirants from all over the country. The highlights of the department includes dedicated state of the art laboratories, digitally equipped classrooms, industry tie-up and support in the relevant domain.

M. Tech. (Robotics and Automation) **Industry Partner: JBM Group**

Department: Skill Department of Industry 4.0

Duration: 2 Years (4 Semesters)

About the programme: Robotics and Automation plays a vital role in making our lives very easy, fast and smooth in terms of technical advancements. Skill Faculty of Engineering and Technology offers the program of M.Tech (Robotics and Automation) aiming to create workforce and innovative capabilities required at global level for robotic process automation keeping in view the soaring demand for new technologies professionals. The M. Tech. programme in Robotics and Automation offered by the Skill Faculty of Engineering and Technology is completely in line with the existing and emerging needs of the industry, research and academics. The programme offers various specialization related courses to build domain knowledge and provide the relevant skills in multidisciplinary areas of study. Immense significance is given to industry-based projects in the final year internships and research.

PROGRAMMES UNDER SKILL FACULTY OF APPLIED SCIENCES AND HUMANITIES

Diploma (German Language) Industry Partner: Concentrix

Department: Skill Department of Language and Culture

Duration: 1.5 Years (3 Semesters)

About the programme: The Diploma in German Language is a 3-semester programme, where students will undergo classroom training during the first 12 months, i.e. the first two semesters and will be offered six months paid internship with Concentrix post successful completion of the programme. The objective of this programme is to offer a job-oriented programme and 100% job assistance to students wherein they don't really have to start looking for a job post completion of the programme. They can start the programme with complete focus on where they are going to work after its completion.

Diploma in Graphics and Communication Design

Department: Skill Department of Language and Culture

Duration: 1 Year (2 Semesters)

About the programme: Diploma in Graphics and Communication Design is a one year 2 semesters programme at NSQF level 5. Graphic and Communication design programme at Shri Vishwakarma Skill University will give students overall training, from traditional print to online and interactive design and multimedia training. Core courses such as page layout, typography, sketching and photography will be built on with classes teaching digital applications to give students fundamental skills of practice and experience with leading technologies and graphic design software. This programme will help students manage their projects and learn to interact with clients in a professional and productive manner. Project-based assignments will help students give Hands-on-Experience.

Diploma in Music (Folk Art Banchari) In-Campus

Department: Skill Department of Language and Culture

Duration: 1 Year (2 Semesters)

About the programme: Banchari folk art belongs to old Brij culture. This rich art form is today confined to a few villages in Faridabad and Palwal districts and is being kept alive by a few artists through the guru-shishya parampara. The art form is mostly dedicated to the worship of Radha-Krishna and divine love, and comprises singing, dancing, and playing of various musical instruments. The songs are based on ragas, which include devotional, rasiya (love) songs, martial, patriotic, holi songs, singing paeans, and songs to suit every occasion. Banchari artists also stage Ram Leela and other plays. Musical instruments like harmonium, dholak, manjeera, bansuri, and jhanj are played by the artists. The most impressive instrument is the huge nagada (war drum). The Banchari troupe looks simple and rustic, yet impressive, in kurta-pajama with a colourful turban and garland.

Diploma in Japanese Language In-Campus

Department: Skill Department of Language and Culture

Duration: 1 Year (2 Semester)

About the programme: Diploma in Japanese Language is a one year 2 semesters program at NSQF level 5. Haryana has emerged as the hub of Japanese industries besides the neighboring states of Rajasthan and Uttar Pradesh. These industries require Indian skilled youth with proficiency in the Japanese Language. Govt of Haryana has also taken some initiatives in this direction to impart Japanese Language skills to youth so that they could become employable in the Japanese industries and processes. Besides, the youth with Japanese skills shall explore the possibilities of employment in Japan in various sectors. Skill Department of language and Culture offers a world-class language learning ambience with the latest technology, pedagogy and program that has been designed in association with industry partners. This program comes with a conglomeration of skills and pedagogical orientation wherein the focus is equally divided between language proficiency and job readiness. The learners would get exposure to various technical, professional, and language skills and will be trained to be informed, dedicated and job-ready employees who can work in various operations from basic to higher levels.

Diploma in English Language In-Campus

Department: Skill Department of Language and Culture

Duration: 1 Year (2 Semesters)

About the programme: Diploma in English Language is a one year 2 semesters program at NSQF level 5. The English Language is the most spoken language in the world. In addition to the native speakers, the language is spoken the world over by a large population. It is the most preferred language in academics, business, production, administration, sports, and whatnot. In India, English has emerged not only as a preferred mode of communication in all walks of life but as a key skill and proficiency in determining employment. The Diploma in English Language is a one-year program that will impart language and Professional skills to the youth so that they could become job-ready. The program will address the skill needs of a diverse section of the society— aspirants for public service/other competitive examinations, front office and back office executives, administration, BPO/Customer Care Executives, IELTS/TOEFL, content managers/designers for various media and platforms. This program comes with a conglomeration of skills and pedagogical orientation wherein the focus is equally divided between language proficiency and job readiness. The learner would get exposure to various technical, professional, and language skills and will be trained to be informed, dedicated and job-ready employees who can work in various operations from basic to higher levels.

Diploma in Yoga In-Campus

Department: Skill Department of Sports and Yoga

Duration: 1 Year (2 Semester)

About the programme: Yoga and Yogic science has been elevated to the level of universal art where the whole world celebrates 21st June as the international Yoga Day. People of different ethnicities, cultures, colors and beliefs are united by this ancient art where they perform different Yogic postures. In the recent years, Yoga has emerged as a unique site of commerce and entrepreneurship where different Yoga Gurus offer various Yoga packages to address health and lifestyle issues. At village or local levels, be it India or abroad, experts with excellent Yoga skills are not only earning their livelihood but offer jobs to others as well.

Skill Department of Sports and Yoga has started a one year program of Diploma in Yoga at NSQF Level 5. The program offers a unique combination of the knowledge, skill and aptitude of this ancient art. The students are exposed to the latest innovations and practices in Yoga with an objective to enable them to become not only healthy individuals but outgoing entrepreneurs. The program is a combination of theory and OJT/Practical wherein students learn the applications of the theoretical aspects learnt in the classroom. During program, the students learn the basics of Yoga camp/session management.

B.Voc. (Medical Laboratory Technology) Industry Partner: Healthians , Rotary Club & QRG

Department: Skill Department of Life Science and Health Care

Duration: 3 Years (6 Semesters)

About the programme: B.Voc. in Medical Laboratory Technology is offered in collaboration with Mhealthians, Rotary club and QRG. This B.Voc. offers a specialization in Allied Health stream concerned with the diagnosis, treatment, and prevention of diseases through the use of clinical laboratory tests. The trainees would serve as vital members of the health care team as medical laboratory professionals play a critical role in collecting the information needed to give the best care to an ill or injured patient. The practice of modern medicine would be impossible without tests performed by such specialists in the laboratory.

B.Voc. (Public Services) **Industry Partner: ALS IAS Academy**

Department: Skill Department of Psychology and Behavioural Sciences

Duration: 3 Years (6 Semesters)

About the programme: Under the aegis of SVSU, the Skill Department of Psychology and Behavioural Sciences has taken the initiative to enhance capabilities of students of the country in general and Haryana in particular via a programme called Bachelor in Vocation (Public Services).

Public Services is the buzzword everywhere in the county. The purpose of B. Voc. Public Services is not only to offer a Bachelor programme to the youth but also to prepare them for government jobs, especially in the field of bureaucracy. Interested students can pursue further studies like Post-Graduation in Political Science and other major programmes. However, the special focus of the programme is on preparing and encouraging students for Union public Service Commission, State Public Service Commission, and other government examinations. To fulfil the aspirations of students, B. Voc. (Public Services) has a Delhi-based committed industrial partner, i.e., Alternative Learning System (ALS - IAS Coaching centre).

PG Diploma in Criminal Forensic

Department: Skill Department of Psychology and Behavioural Science

Duration: 1 Year (2 Semesters)

About the programme: Post Graduate Diploma in Criminal Forensics is a one year post graduate diploma program of 2 semesters at NSQF level 8 covering aspects of human biology and deals with the application of science and psychology into the scientific investigation of crime. It is a broad medical subject which includes forensic pathology, psychology, forensic medicine and ontology. Criminal Forensic deals with the study of various methods of scientific investigation of crime. The course imposes the study of documentation and their analysis and covers a broad range of interesting topics from the evaluation of evidence to the development of methodology to help in the visualisation process of DNA fingerprinting. It has a broad field which is applied to various facets of the judicial system where a forensic scientist works on the findings to extract crucial data for crime investigations involving both the defense and prosecution of criminals and victims. The pedagogy of this course mostly includes practical knowledge of investigating a crime by looking through clues and hints which can be overlooked by a normal eye.

M.Voc. (Geo-Informatics) Industry Partner: GMDA

Department: Skill Department of Science and Computation

Duration: 2 Year (4 Semesters)

About the programme: Geo-Informatics, represented by its most powerful technological arms -Geographic Information Systems (GIS), Remote Sensing, and Global Positioning System (GPS) - has become an important part of many disciplines and cuts across all areas of the modern information ecosystem. In a developing country like India, GIS is no longer a nascent disciplines. Within a short period, it has permeated into many areas like agriculture, urban planning, infrastructure development, natural resources management, disaster management etc. Geo-informatics is truly a multi-disciplinary subject finding application in almost all planning, management, and execution phases of developmental projects.

M.Voc. (Public Health) Industry Partner: GMDA

Department: Skill Department of Life Sciences & Health Care

Duration: 2 Years (4 Semesters)

PROGRAMMES UNDER SKILL FACULTY OF MANAGEMENT STUDIES AND RESEARCH

Diploma (HOSPITALITY- FOOD PRODUCTION AND TRADITIONAL SWEETS)

Industry Partner: Bikanervala

Department: Skill Department of Tourism and Hospitality

Duration: 1 Year (2 Semesters)

About the programme: The industry driven by taste buds is recently undergoing a revolution. Indian ethnic foods are filling up the market space yielded by fast and continental foods. The consumer is gravitating towards Indian food for its simplicity and use of healthy ingredients. To cater to this ever-growing segment, SVSU has designed a "Diploma in Food Production and Traditional Sweets" Processing under the dual vocational education model. This program is aligned with National Skill Qualification Framework (NSQF) Level 5, which will be conducted at SVSU in collaboration with our industry partner Bikanervala Foods Pvt. Ltd.

Processing of ethnic foods involves the use of raw ingredients to produce marketable food products that can be easily prepared and served to the consumer. Typically processing activities are mincing, emulsification, cooking (boiling, broiling, frying, and grilling), pasteurization, preservation and canning, or other packaging. Primary processing also includes dicing, slicing, freezing, and drying when preparing secondary products.

SVSU Welcomes the Eminent Speakers to the International Webinar from the Following Esteemed Organisations

Our Alumni Says – Big Dreams Come True Here!!!

Mr. Gurmeet Singh:

My journey in SVSU has been full of varied yet rich experiences. My dream of getting into the corporate world could only be fulfilled with SVSU. The continuous practical exposure has helped me to enhance my personality and develop key soft skills like communication, leadership, confidence, decision making and an attitude to bring positive approach to challenges of life. I, a student of M.Voc. Banking & Finance got placed through campus placements, at the position of Business Development Associate with a CTC of 10 lacs per annum. I sincerely thank the University for giving me an opportunity to start my career with a globally-renowned company.

Mr. Vishal:

SVSU has given me a platform to enhance my personality. It has helped me to grow & achieve new heights in my career. I have always dreamt of working in a reputed MNC. Through SVSU Dual Industry Integration Model, I got the chance to do my On-job-training at Concentrix while pursuing B.Voc. in BPM & Analytics. With my hard work & support of my mentors I got selected by Concentrix as Senior Representative, HR. I am blessed to have been placed at one of the biggest avenues of the industry. I am really grateful to the University who have given me an opportunity to make my dream a reality.

Ms. Manjeet Kumari:

SVSU has a team of excellent faculties who had always guided me not only as a teacher but as true mentors. While I was pursuing PG Diploma in Public Health, I got placed through the campus interview for the position of Project Coordinator at Brand Mantra Delhi but I decided to pursue higher education from the University and I am currently pursuing M.Voc. in Public health. I enhanced my skillsets, developed critical thinking ability and learned novel ways to approach problem-solving.

Ms. Bhagya Shree:

To support my family financially and at the same to enhance my own skills, I took admission in M.Voc. Banking and Finance with OJT in HDFC. With rigorous hard work and challenges during OJT, I finally got selected as a RRB -Teller in HDFC Bank Ltd. at the package of 3.18 lacs per annum. I am thankful to the University for providing the Dual Industry Integrated Model.

Success Stories

Mr. Moti Lal:

I am from a small district of Haryana and got admission in Diploma in Press Tool & Die Maintenance & Stamping. The “Earn While Learn” model of the University has helped me to earn income right away while learning workplace and life skills with the help of mentors and classroom training. I got placed through the campus interview as an Operator at Nagata India Pvt. Ltd. Now, I am working as an Associate with the same organization. I owe my success to SVSU, my friends and my parents for believing in me and always supporting me to build a great career for myself.

Mr. Pawan Kumar:

I am from a village named Banchari. The village literacy rate is 56.5%. With no industry around the people are either dependent on meager agricultural income or income through practicing Banchari Folk Art. It is evident that this skill or artwork does not have any organized industry in private or public life, where artists can straight way get employment. Due to severe economic constraints, access to quality education is denied to Banchari folk artists and their children. This in turn reduces them to an unskilled labour. I was losing my self-respect and identity. But then I found a ray of light through Shri Vishwakarma Skill University where I opted for one-year diploma course in Banchari Folk Art with an aim to not only revive these art forms, but also to get them nationally and internationally recognized. During this course I learnt to play nagada as well as instruments like manjira, jhanjh, and used to do chorus singing. I was among the few artists who do the typical Banchari Folk Art dance. My dance skills were appreciated by everyone and soon my picture came on SVSU’s main posters, which gave me a great amount of fame and confidence. I started getting good offers for conducting performances in huge programmes. The short exposure in SVSU to unskilled and semi-skilled artists from the general area of Banchari village, has brought in a qualitative change in my life.

University Discipline

Students are expected to abide by University's rules and regulations and maintain discipline. As adults, they should conduct themselves in a manner that is in consonance with civilised behaviour and courtesy. Defaulters will be subject to disciplinary warning/action/expulsion from the University for a Term Basis or forever, depending upon the severity of the case. For major punishment, such as expulsion/rustication from the University, making an adverse entry on the Character Certificate to be issued by the University and debarring a student from admission to any programme offered by the University etc. the decision will be taken by the Dean or as per the recommendations of Students' Discipline Committee of the University. Students must possess their Identity Cards all the time and produce the same whenever asked. University's ordinance '**Enforcement of Students' Discipline, Good Behaviour, Residence & Health**' should be followed for such cases of indiscipline.

Without prejudice to the general meaning of indiscipline, the 'acts of indiscipline' inter alia include the following:

- A. Misconduct or misbehaviour in the classroom/OJT/Industry/center of excellence or anywhere on the University campus or outside the campus on visits authorized/deputed by the University or during tours/trips/surveys/internship (in company training) forming part of the curriculum;
- B. Causing damage or defacement to University/Industry property.
- C. Instigating or causing to instigate, organizing/participating in strikes, demonstrations, or disturbances of any kind, including gherao or lock-outs which may disrupt the convocation, admissions, examinations, workshops, conferences, and other functions of the University/working of industry partner.
- D. Disobedience or disregard of instructions or notifications issued by Chairpersons/In-charges members of faculty, and other officers of the University/Industry partner.
- E. Instigating or causing to instigate, misguiding the employees/workers of the University to indulge in activities contrary to the interest and discipline of the University/Industry partner.
- F. Persuading students to be absent from classes/OJT/examinations, disrupting the conduct of classes/OJT in any manner and other academic activities of the University/Industry.
- G. To act or cause/instigate others to act in such a manner as to create disturbance or annoyance to other students/inmates of hostels/employees of University/Industry partner/residents of the campus community/any other person on the University campus/Industry or otherwise/or to act or cause/instigate others to take law into their own hands.
- H. Keeping, carrying, using, or supplying of any arms, lethal weapons, knives with a blade of more than four inches' length in the hostel from or outside or within the University/Industry.
- I. Keeping, using, or supplying intoxicants/drugs in any form in the hostels, within the University campus/Industry partner premises.
- J. Gambling/betting in any form on the campus/industry.
- K. Ragging, bullying or harassing of students in the classes/OJT/hostels within/outside the campus/industry.

University Discipline

1. Ragging for the purpose of this Ordinance, ordinarily means any act, conduct, or practice by which dominant power or status of senior students is brought to bear on students freshly enrolled or students who are in any way considered junior or inferior by other students and includes individual or collective acts or practices which:
 - A. Involve physical assault or threat to use physical force.
 - B. Violate the status, dignity, and honour of women students and students belonging to scheduled castes and tribes.
 - C. Expose students to ridicule and contempt and affect their self-esteem.
 - D. Entail verbal abuse and aggression, indecent gestures, and obscene behaviour.
 - E. Recourse to violence, assault, intimidation, or rioting within or outside the campus/industry.
 - F. Disturbing other students in their studies.
 - G. Attending or organizing unauthorized meetings and participating in such meetings.
 - H. Displaying notices, leaflets, or posters, not signed or countersigned by competent authority at the hostel notice board and of the University notice boards or other places or distributing such notices or leaflets or defacing University buildings/Industry or writing slogans and undesirable things on the buildings/property/Industry premises walls, etc..
 - I. Forging of signatures in any way of the faculty members/students at the time of registration/any other time, submitting fake certificates.
 - J. Eve-teasing, molestation, and physical assault, or threat to use physical force against any member of the teaching and non-teaching staff of any Institution/Department (Branch Officer/ library) and against any student within the University/Industry.
 - K. To give shelter to outsiders/students in the hostel when the stay/visit of such student/outsider has been expressly barred by the orders passed by the University for a specific period or for a general period.
 - L. To indulge in an act which may bring disrepute to the University/Industry in any manner.
 - M. Any practice- whether verbal or otherwise-derogatory to women.
 - N. Creating ill-will or intolerance on religious, caste, or communal grounds.
 - O. Any other act which, in the opinion of the Vice-Chancellor or any other officer authorized by the Vice-Chancellor in this regard, is considered to be an act of indiscipline.

University Discipline

2. In the light of the orders of the Hon'ble Supreme Court of India on 'Curbing Ragging in Educational Institutions', ragging in any form is totally banned by the University. If any ragging comes to the notice of the authority, the concerned student shall be subject to strict disciplinary action as per procedure. In this regard, students and their guardians are required to sign an affidavit that the students will not be involved in ragging in any form directly or indirectly.

The 'National Ragging Prevention Programme' has simplified the procedure of filing an affidavit by each student admitted to SVSU. The affidavit can be filled on-line and shall neither involve the visit of the students to any court of law or advocate nor incur any expense.

The following procedure has to be followed:

1. Log on to www.antiragging.in or www.amanmovement.org
2. Click on 'Anti ragging Affidavit'/'Online Affidavit'.
3. Read the instructions carefully and proceed by clicking on 'Next'.
4. Fill in the information as asked for in the form(s).
5. On successful completion, you will receive the affidavit (both for the student and the parents) by e-mail.
6. Print out the form(s) and sign them.
7. Submit the signed print-out to the Dean/Head of the concerned department.

IMPORTANT NOTE: It is mandatory to complete this process immediately after admission within a maximum time limit of 30 days as per the order of the Honourable Supreme Court and Govt. of India Notification.
(Sample is as per annexures B14 A and B14B).

Attendance & Leave Rules

- A. A Student shall be required to attend a minimum of 75 % of the delivered lectures (in theory and practicals combined) and 90% of On-the-Job-Training (OJT).
- B. Attendance will be counted from the date of start of session to the date prior to the end of the semester, i.e. the last working day of project-oriented, on-the-job training/OJT, whichever is later.
- C. In case of late admission in the first semester, attendance shall be counted from the date of actual admission of the candidate by the competent authority.
- D. Every student shall attend his/her classes/On-Job-Training (OJT) on all working days unless student is granted leave of absence by the Chairperson of the University Teaching Department/Principal of College/Institution concerned. If a student remains absent from his/her classes/OJT for a continuous period of fifteen/seven working days respectively without any valid reason, medical or otherwise, his/her name shall be struck off from the rolls, irrespective of the fact that student has paid his/her dues.
- E. Such student, whose name is struck off from the rolls of the Department/College, shall pay the re-admission fees of Rs. 500/- for making necessary entries in the University Register, subject to the recommendation of the chairperson of concerned department and principal of the college/institution that if re-admitted, the student will not fall short of the requisite percentage of lectures. No further request for re-admission will be considered in any case.
- F. A student, whose name has been struck off from the roll of the Institution, may, however, be readmitted if the absence of the student was due to the circumstance beyond his/her control and his /her request was considered and approved by the Dean / competent authority.
- G. Any student who fails to appear for or pass any particular exam and further thereafter remains absent from the University for a period exceeding one year from the date or re-opening of the institute following the exam in which the student had failed to appear or pass shall not be entitled to continue his/her studies in the institute without prior written permission of the competent authority.
- H. The Programme Coordinator/Head may grant leave to the students in exceptional circumstances only to the extent of 10 days per semester subject to the condition that the student completes the prescribed minimum attendance as per attendance rules and leave was sanctioned before availing the same.

Rules of Refund of Fees after Cancellation of Admission

The University strictly follows UGC guidelines for refund of fees in case of the cancellation of admission. The following clause of UGC, vide Notification dated October, 2018, for 'Remittance and Refund of Fees' will be followed:

4.1.3. If a student chooses to withdraw from the program of study in which he/she is enrolled, the institution concerned shall follow the following five-tier system for the refund of fees** remitted by the student.

Sr. No.	Percentage of Refund of fees**	Point of time when notice of withdrawal of admission is received in Higher Educational Institutions (HEI)
1	100%	15 days or more before the formally-notified last date of admission
2	90%	Less than 15 days before the formally-notified last date of admission
3	80%	15 days or less after the formally-notified last date of admission
4	50%	30 days or less, but more than 15 days, after formally-notified last date of admission
5	00%	More than 30 days after formally-notified last date of admission

****NOTE:**

4.1.4 In case of (i) in the table above, the Higher Educational Institution (HEI) concerned shall deduct an amount not more than 5% of the fees paid by the student/s, subject to a maximum of Rs. 5000/- as processing charges from the refundable amount.

4.1.5 Fees shall be refunded by all Higher Educational Institutions (HEIs) to an eligible student within fifteen days from the date of receiving a written application from him/her in this regard.

Students may be re-admitted by the permission of the Deans of concerned faculty as per SVSU academic ordinance if the concerned authority is satisfied that, if re-admitted, the student will not fall short of the requisite percentage of lectures, etc. A candidate, who attends any class(es) during the period his/her name remained struck off the rolls, shall not be given any credit for the lectures he/she may have attended during the period in question.

ABHINANDAN: Veer Balidani Kritgayata Yojna (AVBKY)

This is a special scheme for the wards and spouses of martyrs and gallantry award winners from the Indian security forces.

Stipend

Stipend, wherever applicable, will be given to the student during OJT/ Internship/ Industrial Training as per industry rules/policies. It may be offered or may not be offered as per the discretion of the industry.

ANNEXURE B-3

Instructions regarding Bonafide Residents of Haryana issued vide letter No. 62/17/95-6 GSI Dated 3rd October, 1996, No. 62/32/2000-6GSI dated 23rd May, 2003 and No. 62/27/2003-6GSI dated 29th July, 2003 by the Chief Secretary to Government Haryana.

Subject: Bonafide residents of Haryana-Guidelines regarding

I am directed to invite your attention to Haryana Govt. letters noted in the margin on the subject noted above vide which the instructions were issued regarding simplification of procedure for obtaining the certificate of domicile for the purpose of admission to educational institution (including technical/medical institution). The matter has been reconsidered in the light of judgment delivered by the Hon'ble supreme court of India in the case of Dr. Pradeep Jain vs Union of India and other reported as AIR 1984-SC-1421, wherein it has been held that instead of the word Domicile the word Resident be used in the instruction issued by the State Government and it has been decided to revise the Government instructions. Henceforth, the following categories of persons would be eligible for the grant of Resident Certificate:

- I) Candidates, who have passed the examination qualifying there for selection in an institution from a school/college in Haryana.
- ii) Children/Wards (if parents are not living)/Dependents of the:
 - A. Employees of Haryana State posted in or outside Haryana State or working on deputation.
 - B. Employees of the statutory bodies/corporations established by or under an act of the State of Haryana who are posted in Chandigarh or in Haryana or outside Haryana.
 - C. Employees of the Government of India posted in Chandigarh or in Haryana in connection with the affairs of the Haryana Government.
- iii) Children/wards (if parents not living)/dependents of persons who after retirement have permanently settled in Haryana and draw their pensions from the treasuries situated in the State of Haryana.

- iv) Children/wards (if parents are not living)/dependents of pensioners of Haryana Government irrespective of the fact that the original home of the retiree is in a state other than Haryana or he has settled after retirement in or outside Haryana;
- v) Children/wards (if parents are not living)/dependents of persons, who have permanent home in Haryana and include persons who have been residing in Haryana for a period of not less than 15 years or who have permanent home in Haryana but on account of their occupation they are living outside Haryana;
- vi) The wives of such persons who are bonafide residents of Haryana irrespective of the fact that they had belonged to any other state before marriage;
- vii) Persons who were born in Haryana and produce a certificate to that effect; provided that the parents/guardians (if parents are not living) of persons belonging to any one of the above-mentioned categories are:
 - a) Citizen of India;
 - b) Produce an affidavit to the effect that they or their children/wards (if parents are not living)/dependents have not obtained the benefit of Resident in any other State.
- viii) Children & Wards of the accredited journalists residing at Chandigarh and recognized by Govt. of Haryana.

1. All candidates claiming to be bonafide residents of Haryana should produce a Haryana Resident Certificate signed by the District Magistrate/General Assistant to Deputy Commissioner or Sub-Divisional Officer (Civil) of the District/Sub-Divisions to which the candidates belong. Resident Certificates in respect of elsewhere or in respect of the Children/Wards/Dependents of Haryana Govt. employees who are posted at Chandigarh, Delhi, or elsewhere or in respect of Children/Wards/ Dependents of pensioners of Haryana Govt. or in respect of the Children/Wards/Dependents of the employees of the Government of India posted at Chandigarh or in Haryana in connection with the affairs of Haryana Government, or in respect of Children/Wards/Dependents of the employees and retirees of the Statutory Bodies/Corporations of Haryana established by or under an Act of the State of Haryana or a Central Act and located at Chandigarh, Haryana, or outside Haryana, should be by their respective Heads of Departments.

2. Candidates, seeking admission in educational institutions (including medical and technical institutions) located in Haryana, may not be required to produce Resident Certificate if they have passed the examinations from a school/college situated in Haryana. For this purpose, a certificate of the Principal/Headmaster from the concerned institution, where the children/wards studied last should be considered sufficient. The Principal/Headmaster of the institution shall be competent to issue such certificate, which should be sufficient.

3. If a candidate is admitted on the basis of claim that she/he belongs to the State of Haryana but at any subsequent time is discovered that her/his claim was false, the student shall be removed from the institution and all fees and other dues paid up to the date of such removal shall be confiscated. The Principal/Headmaster may take any other action against the student and his/her parents/guardians as he may deem proper in the circumstances of any particular case.

1. I, hereby declare that, I will neither join in any coercive agitation/strike for the purpose of forcing the authorities of the University /Industry(during the OJT) to solve any problem, nor I will participate in any activity which has a tendency to disturb the peace and tranquility of life of the SVSU campus and/or its Hostel premises or at the Industry Campus.

Shri Vishwakarma Skill University

(1st Government Skill University of India, set up by Government of Haryana)

2. I, hereby declare that, I will not indulge in, nor tolerate ragging, in any form, even in words or intentions, and I accept to give an undertaking in the prescribed format of AICTE online as per directions given by University.
3. I have fully disclosed all medical conditions (physical, psychological, and emotional) to the management, which may impinge on my capability to carry out skilling at the university/industry campus. I understand that the admission can be cancelled if this information has not been disclosed to the management.
4. I, also declare that, I am not suffering from any serious/contagious ailment and/or any psychiatric / psychological disorder. I, hereby undertake to inform the university, about any changes in information submitted by me, in the Application Form and any other documents, including change in addresses and phone nos., from time to time.
5. I hereby, promise to abide by the admissible rules and regulations concerning discipline, attendance etc. of the institute and also to follow the code of Conduct prescribed for the students of the Institute, as in force from time to time and subsequent changes/modifications/amendment made thereto. I acknowledge that the Institute has the authority / for taking punitive actions against me for violation and/or non-compliance of the same.
6. I, further declare that, my admission may be cancelled, at any stage, if I am found ineligible and/or the information's provided by me are found to be incorrect.
7. I have been given a detailed counselling regarding the scope of the vocational program and the modalities of the On Job Training(OJT) as part of the Dual Training Program(Part University and Part at Industry Campus) by both the Admission Team of SVSU and the Industry. I have been given an overview of the company where I am likely to undergo OJT including an interview/visit to the Industry/Company location.
8. I am giving three choices of courses as per the order of preference. I am aware that the allotment of the course from one of the three choices will be based totally based on the merit list of the written exam cum admission criteria, performance in the Interview conducted by the Industry/Company Partner and minimum number of candidates required for the program mutually decided by both SVSU and Industry/Company. I am willing to join the final approved course program without any compulsion and with not hold anyone responsible incase of change of the program.
9. I will ensure an attendance of minimum 75% of working days during the Theory classes in SVSU and 90% of working days during the OJT classes in the Industry/Company. In case of shortfall by 5% or more, I shall be liable to be issued two written warnings by the SVSU for any default, failing which I shall be liable to be relegated from the semester and will have to repeat the semester. SVSU and Industry will not be held responsible for any loss which the candidate may have to face due to any such disciplinary action initiated by SVSU under the University Code of Conduct.
10. I shall adhere to all the Industry/Company Norms during the period of OJT. Any defaults reported by the Company shall be considered as default by the University and disciplinary action will be initiated

Shri Vishwakarma Skill University

as given at Para 16 above. This includes debarring the student from appearing in the final semester exam, relegation from the semester, repeating the semester and non-award of the OJT certificate and thus the relevant degree after being given the required warning. I shall not hold anyone responsible for the action taken as per laid down University Procedure.

11. I shall not get into any disciplinary issue with the Industry/ company staff during OJT. Any point of conflict/grievance shall be reported to the Industry OJT Coordinator and the SVSU OJT In-Charge for resolution by the management from both parties.

12. I am likely to be a monthly stipend defined by the Industry(for the period of the OJT) in consultation with the SVSU, subject to meeting the minimum attendance and performance criteria laid down by SVSU and the Company. Incase of any delays/absence during the OJT the company may deduct the stipend as per the company HR policy after prior intimation to the SVSU OJT Coordinator and the candidates. Any dispute on the same will be resolved by the nominated nodal officers of both parties mutually. No direct representation will be made by the candidates to the company.

13. I shall not claim for guaranteed employment in the Company at the end of the course. However, the company shall make an endeavor to give employment to at least 50% students of a batch subject to their attendance, performance in theory, OJT and overall performance of the student.

14. I shall adhere to the University Code of Conduct and disciplinary action will be taken for any gross misconduct/violation of rule and shall be disqualified/ rusticated from the course. I shall also follow the rules of the Company framed for ensuring the safety of such trainees while having on job training(OJT).

15. I /my guardian/Parents shall be responsible to arrange for the stay, food and travel during the period of OJT under own arrangements. However SVSU will try to facilitate arrangement of accommodation for candidates in the vicinity of the company premises for candidates requiring PG or hired accommodation to facilitate ease of OJT. However, all expenses will be borne by the me and parents/guardian.

16. I shall have to enter into trainee contract with the company/industry prior to commencement of the OJT which will contain the stipend amount, location/place of on job training and the other industry terms and conditions/code of conduct.

17. I shall not refuse to carry out OJT with the Industry unless accepted by the University or prescribed medical reasons or any other emergency approved by the Management Committee of the University. Refusal to undergo OJT, which is mandatory under the Dual Campus Program, is liable to make me ineligible for the degree course. I shall not hold anyone responsible for the same.
