## AN OVERVIEW

AIIMS Rishikesh is one of apex healthcare institutes being established by Ministry of Health & Family Welfare, Government of India under Pradhan Mantri Swasthya Suraksha Yojna (PMSSY). With aim of correcting regional imbalances in quality tertiary level healthcare in country and attaining self-sufficiency in graduate and postgraduate medical education and training, PMSSY planned to set up new AIIMS institutions in underserved areas of country. These institutions are being established by an Act of Parliament on lines of original All India Institute of Medical Sciences, New Delhi which imparts both undergraduate and postgraduate medical education in all its branches and related fields, along with nursing and paramedical training, to bring together in one place educational facilities of highest order for training of personnel in all branches of health care activity. Institute awards DM, M.Ch., MD and MBBS degrees that are recognized by Medical Council of India. It also offers a PhD program, a 2-year Masters in Public Health and several one-year Post-Doctoral Certificate Courses (PDCC) in medical specialties. In addition, Institute offers Diploma, certificate courses, fellowships and several non-degree/non-certificate training positions.

## AIMS & OBJECTIVES

In field of Post-Doctoral education, most important function of Institute is to provide opportunities to train teachers for medical colleges in country in an atmosphere of research and development. Post-Doctoral students are exposed to newer methods of teaching and given opportunities to actively participate in teaching exercises. Other important objective of Institute is to bring together in one place educational facilities of highest order for training of personnel in all important branches of health activity and to attain self-sufficiency in postgraduate medical education. Educational principles and practices being adopted are best suited to needs of nation.
