

International Conference on

Agrovoltaics and Sustainability in Farming

19TH September 2024

The International Conference on Agrovoltaics and Sustainability in Farming, organized by the Agricultural Engineering College and Research Institute (ISO 21001:2018 Certified Institution) of Tamil Nadu Agricultural University, Coimbatore, in collaboration with Teesside University, UK, under the SPARC-UKIERI scheme is scheduled on 19th September 2024 in hybrid mode. This conference aims to unite global experts to explore the integration of solar energy and sustainable agriculture, focusing on agrovoltaic systems that enhance resource efficiency and environmental sustainability. By promoting innovation and collaboration, the event seeks to advance agrovoltaics, contributing to a sustainable and resilient agricultural future while emphasizing renewable energy and biodiversity protection.
