## IIITH UGEE Interview 2024

UGEE interview is a three day event that will be conducted through online mode. You will receive the interview date and time after getting shortlisted. Your camera and microphone should be turned on throughout the interview. A team of two to four professors will be at the panel. You can expect questions from Mathematics, Real life Physics situations, Linguistic, Chemistry, and Reasoning. The duration of UGEE interview can be between 20 to 30 minutes. You can expect the interview result within 10 to 15 days.

## IIITH UGEE Interview 2024 Preparation Tips

- Brush up your main subject concepts and try real life situation questions.
- Try to do calculations in your mind with minimum use of pen and paper.
- Be Confident while answering the questions in UGEE interview.
- It is alright to ask for a few minutes to think in between the interview. Remember you are not doing a rapid fire round.
- Practice Reasoning and Language. You can also practice UGEE previous year interview questions that are available on the interne

# IIITH UGEE Counselling 2024

UGEE Counselling 2024 will be based on your performance in UGEE written exam and interview. You must appear for the interview round to be eligible for UGEE Counselling. During the counselling session, you will be allotted a seat in your desired course. You will have the option to select or reject the allotted seat and move on to the next round.

Once you get satisfied with the seat allotment, you can report to the college and fill the admission form along with payment of fees.
