## PUBLIC NOTICE

The Ministry of Education and the University Grants Commission have mandated the National Testing Agency to conduct the Common University Entrance Test (CUET) for admission to Postgraduate Programmes in Central, State, and other participating Universities, Institutions, Organisations, and Autonomous Colleges. The CUET (PG) provides a single-window opportunity for all Postgraduate students seeking admission to any of the Central Universities (CUs) or other participating organisations, including State Universities, Deemed to be Universities, and Private Universities across the country.

In compliance with the above, the Tata Institute of Social Sciences (TISS), has decided that admission for the forthcoming **Academic Session 2024-25** for **all its Postgraduate Programmes** will be based on the CUET (PG)-2024 scores, except for the following programmes, which will consider CAT scores.

- Master of Arts in Organisation Development, Change and Leadership

All additional details, updates, and notifications, as applicable, will soon be accessible on the Institute's admissions website:
