Teacher In Charge: DR. PARESHNATH DAS

From Teacher In Charge Desk

The Teacher –in –Charge, Dr. Pareshnath Das joined of the college on 24 March, 2001 as an Assistant Professor in Bengali recommendation by WBCSC, I was entrusted by the Governing Body with the responsibility of Teacher-in-Charge from the following day on 29 March, 2019. I felt it to be an immensely pleasing privilege to bear the yoke of institutional headship following the footsteps of our former Principal.

Though Pakuahat is a backward dominated area in the district of Malda, West Bengal, where the physical facilities are not sufficient in comparison with other colleges in different cities, we have always been endeavouring to overcome the deficiencies with active dedication to and positive enthusiasm for its betterment. Almost 90 percent people in this area are of SC/ ST and we feel it a challenge to inspire and facilitate the 1st generation students with proper guidance and up-to-date educational mechanism to discover their latent potentialities. What is most heartening is the increasing influx of SC/ ST girls and we are committed to lead them to the appropriate track for a better future.

The NCC cadets may also appear at the 'B' and 'C' certificate examinations conducted by the Ministry of Defence, Government of India. In addition to the regular training, NCC students have enough scope for participating in various community development and other extension activities. In fact, joining the NCC gives extra charm and status among the students desirous of contributing something to the cause of our nation. Recently, both Govt. of India and Govt. of West Bengal have given priority and advantage to NCC 'B' and 'C' Certificate holders in various defence related recruitment examinations. The cadets of the college are trying to encash this benefit as maximum as possible. On an average about 10 cadets are getting job every year with the help of NCC 'B' or 'C' certificate. It, thus, develops social awareness and knowledge of reality among them. It motivates both the students and the people of the society in mitigating some acute social problems and in promoting welfare of the society. Various camps and training programmes on Civil Defence, First Aid and Seminars on Environment Awareness, Health Awareness and AIDS etc. are held throughout the year. A National Level Camp was also organized in this college in 1999, which involved participation of students from all over India. Motto of NSS is 'Not Me But You'.
