From the Vice-Chancellor's Desk

It is a matter of immense pleasure for me to be a part of the Pondicherry University (a Central University) family as its Vice Chancellor. I take this opportunity of welcoming students to the University for the academic year 2022-23.

As a Vice-Chancellor of this prestigious University, my focus will be on refining our strategic direction and identifying opportunities for growth. We are constantly responding to the challenges of the changing academia by defining our strengths and building our distinctive character and identity. We are committed to recruiting staff who can assist us in transforming these challenges into opportunities, and who are also willing to walk with us in the constant search for quality, efficiency and new opportunities which are indeed our highest ideals.

We keep our motto "vers la lumiere" (From Darkness, towards the Light!) at the heart of everything we do. I can imagine that many of you are feeling both excited and perhaps a little anxious about starting your journey as a University student. Let me assure you that you have chosen to study at a prestigious institution where "noble thoughts come from everywhere". The University takes great pride in having established strong, industry-focused teaching programmes and cutting-edge research. We offer our students a research-enriched education that is complemented by work-integrated learning opportunity.
