

O.P. JINDAL GLOBAL
INSTITUTION OF EMINENCE DEEMED TO BE
UNIVERSITY
A Private University Promoting Public Service

UNDER GRADUATE

PROSPECTUS 2023

O.P. JINDAL GLOBAL UNIVERSITY

O.P. Jindal Global University (JGU) is a non-profit global university established by the Government of Haryana and recognised by the University Grants Commission (UGC). JGU was established as a philanthropic initiative of its Founding Chancellor, Mr. Naveen Jindal in memory of his father, Mr. O.P. Jindal. JGU is one of the few universities in Asia that maintains a 1:9 faculty-student ratio and appoints faculty members from India and different parts of the world with outstanding academic qualifications and experience. JGU is a research intensive university, which is deeply committed to its core institutional values of interdisciplinary and innovative pedagogy, pluralism, rigorous scholarship and globalism, and international engagement.

JGU has established 12 schools: Jindal Global Law School (JGLS); Jindal Global Business School (JGBS); Jindal School of International Affairs (JSIA); Jindal School of Government and Public Policy (JSGP); Jindal School of Liberal Arts & Humanities (JSLH); Jindal School of Journalism & Communication (JSJC); Jindal School of Art & Architecture (JSAA); Jindal School of Banking & Finance (JSBF); Jindal School of Environment & Sustainability (JSES); Jindal School of Psychology & Counselling (JSPC); Jindal School of Languages & Literature (JSL) and Jindal School of Public Health and Human Development (JSPH). JGU has been granted "autonomy" by the University Grants Commission and the Ministry of Education, Government of India, for receiving the "A" Grade from the National Assessment and Accreditation Council (NAAC). This makes JGU the only private university in the state of Haryana and one of the only two private universities in India to be given the status of autonomy.

JGU has emerged as India's No. 1 Private University for the third year in a row, according to the QS World University Rankings 2023 and was ranked among the Top 700 universities in the world. We are also among the Top 150 universities globally under the age of 50 years by the QS Young University Rankings 2022. JGU has also been recognised in the Top 500 Universities as per the QS Graduate Employability Rankings 2022.

In September 2019, JGU was selected as an 'Institution of Eminence' (IOE) by the Government of India, making JGU one of only eight private universities in India to be awarded this status.

INTERNATIONAL COLLABORATIONS

MESSAGE FROM THE DEAN

At O.P. Jindal Global University, world-class does not merely signify that we have a global faculty, global curriculum, and excellent infrastructure. Neither does it just mean that we rank in the top 700 of the QS World University Rankings and nor does it mean that we have been recognised as an Institution of Eminence. For us, being world-class means that we remain connected to our roots while we allow our eyes, mind, and heart to be open to all that the world has offer. It means imbuing our students with lifelong learning skills for taking on the world as it is. A world that requires people to think quickly, critically, and creatively. Across our thirty five undergraduate programmes and twelve schools, our students are encouraged to develop a sense of curiosity, openness and self-reflection, to take up social and civic responsibilities, to respect diversity of societies and cultures, while adhering to the highest standards of ethical behaviour. Our students are also engaged beyond the classroom-making a difference to the local community, engaging in sports, taking part in intellectually stimulating debates, discussions and seminars, volunteering and speaking at conferences, acting and producing plays and musicals, organizing cultural festivals and much more. A holistic and inter-disciplinary education is the need of the hour and at JGU, we encourage students to dream big and find ways to make those dreams a reality. I hope that you will make the best use of this opportunity to study at India's First Multidisciplinary Global University. The JGU Admissions and Outreach Office and I welcome you to meet our students and staff, and to experience the vibrant campus life.

Welcome to JGU.

UNDER GRADUATE COURSES

Jindal Global Law School
India's First Global Law School

B.A. LL.B. (HONS.), B.B.A. LL.B. (HONS.) & B.COM. LL.B. (HONS.)

The programme has been offered in JGU since its year of inception in 2009. Through a combination of courses in arts/business/commerce and law, the programme is designed in keeping with the regulations of Bar Council of India rules and the prescription of University Grants Commission. It exposes students to the best global practices in legal education, and aims at fostering a culture of academic excellence amongst them.

DISTINCTIVE FEATURES

- Over 500 full-time faculty members in JGLS with professors from USA, UK, China, Canada, Bulgaria, Iceland, and New Zealand.
- Over 25 Research Centres that aim to generate a global network of minds committed to solving leading legal and policy questions.
- Opportunity to pursue global legal education through an international and comparative curriculum and pedagogy.
- Interdisciplinary study of a range of courses across schools of business, international affairs, public policy, liberal arts and humanities, journalism, banking and finance, and art and architecture.
- Vibrant Moot Court Society with experienced faculty advisors having a strong presence in Indian and international moots.
- Global library and legal resource centre with extensive e-resources.
- Global languages centre teaching Mandarin Chinese, Arabic, Spanish, French, Dari and an English.
- Study abroad programmes like summer and winter schools, semester exchange and dual degree programmes.

Course Duration: **5 Years**

Programme Fee: **₹ 6,25,000/-** per annum*

Residential Fee: **₹ 2,92,500/-** per annum*

*The programme fee and residential fee are subject to an annual increase of upto 10%.

Eligibility Criteria:

Successful completion of Class XII examination or equivalent with 45% marks (CBSE, State Boards, IB, ISC, Cambridge and other Government-recognized school leaving exams) and LSAT-India Exam*. Jindal Global Law School does not accept any other law school admissions test for 5 year law programmes.

*Eligibility Criteria is determined by the Bar Council of India.

B.A. (HONS.) LEGAL STUDIES

This programme aims to nurture legal imagination among young students and build a strong foundation to study law and social sciences in the future or be absorbed into legal & allied fields. This programme is the first ever multi-disciplinary undergraduate degree in legal studies to be launched in the country.

DISTINCTIVE FEATURES

- Offered by JGLS faculty: arguably the best in the field to provide a strong legal and social sciences research foundation.
- Only social science programme in the country focused on creating legal imagination and understanding of the legal context for the future.
- Imparting skills essential for the performance, pre-legal and paralegal works as well as preparing students for career in law, judiciary, academia and public service.
- Teaching and training which enables students to express opinions on legal issues concisely and clearly; to identify, analyse and address legal problems; assess the social impact of the legal issues.
- Provision of excellent organizational and communication skills training alongside the opportunity to learn foreign languages and other interdisciplinary courses across various schools of JGU.

Course

B.B.A. (HONS.) FAMILY BUSINESS

Family businesses have played a crucial role in the creation, preservation, and continuance of wealth in India and countries worldwide. In India, family businesses account for 85% of the businesses with a contribution of around 70% in the nation's GDP. Understanding the ever-growing importance of family firms in India, we offer BBA (Hons.) - Family Business program. Led by faculty members specializing in family firms and possessing the required network and rich experience of nurturing Startups and new ventures, the programme equips students with the necessary skill set to manage, develop, and scale up entrepreneurial family businesses.

Need for the Transformation of Family Businesses:

PwC India Family Business Survey (2016: 2021) has found that family businesses in the current complex external environment can survive, grow, and prosper if they exhibit resilience and agility. Additionally, it is paramount that family businesses pursue and progress on the path of sustainable development (UNCTAD- The Family Business Network Global Initiative 'Family Business for Sustainable Development', 2021). Family businesses have their peculiarities in terms of:

Dynamics of Family Business:
Governance issues

Diversification:
Organic and inorganic growth and scale-up

People Management:
Managing professional managers, family members with managerial responsibilities, negotiation

Succession Planning Models:
Internal conflicts, trust, expansion

Financial Planning:
Financial modelling, resource planning

Entrepreneurial Skills:
Sensing, exploring, and exploiting new opportunities both within and outside the existing organization

Career Pathways:

This course will prepare students to either join a family business or start a new business. After completing this program, they will be in a position to effectively pitch their ideas to potential investors as well as to incubators and accelerators. Additionally, the course encourages students to pursue career opportunities in industry.

- Next generation of family businesses
- Entrepreneurial Ventures
- Higher Studies
- Jobs in industry

The course work consists of five components:

- Family business specialized courses
- Business communication courses
- Internships
- Business management courses
- Electives

Dual Degree Options:

JGBS offers dual degree options to BBA (Hons.) Family Business students under partnerships with Queen Mary University of London, Pace University, USA, and Arizona State University, USA if they choose to spend one extra year at any of these partner universities after completing three years' study at JGBS.

International Affairs**
India's First Global Policy School

B.A. (HONS.) DIPLOMACY & FOREIGN POLICY (D.F.P.)

The Bachelor of Arts (Honours) in Diplomacy & Foreign Policy (B.A. D.F.P.) is a three-year degree programme being offered by the Jindal School of International Affairs (JSIA) of O.P. Jindal Global University (JGU) from August 2022. This degree is intended to train high school students with an in-depth, thorough and practical understanding of how foreign policy is conceived, formulated and implemented, and how the individual or allied

foreign policies of countries strive to work in harmony based on shared interests, and also deal with countries and non-state actors that pose challenges or threats to them.

DISTINCTIVE FEATURES

- Global curriculum and pedagogy. Multidisciplinary courses to train students in various areas of national & global politics.
- Experiential learning facilitated via field trips, internships and initiatives in 12 research centres; analytical thinking and critical reasoning enhanced through scenario building exercises, research papers and interactive learning sessions.
- Internationally qualified teaching and research faculty from top universities of the world.
- Efficient and effective faculty-student interaction, smaller classes, mentor-mentee programme, extra tutorial sessions.
- Extensive politics, social sciences, international affairs, and policy library with over 63,000 volumes and extensive electronic databases.
- Mandatory foreign language learning with a choice of Spanish, French, German or Mandarin.

Course
Duration:

3 Years

Programme
Fee:

₹ 3,50,000/- per annum*

Residential
Fee:

₹ 2,92,500/- per annum*

*The programme fee and residential fee are subject to an annual increase of upto 10%.

Eligibility Criteria:

Successful completion of Class XII examination or equivalent (CBSE, State Boards, IB, ISC, Cambridge and other Government-recognized school leaving exams).

Admission Criteria:

Applicants are selected through a holistic admission process conducted over three rounds based on a personal statement, supplemental application, X and XII grade marks, Personal Interview, and Jindal Scholastic Aptitude Test (JSAT) or equivalent (SAT /ACT & CUET) score.

B.A. (HONS.) ECONOMICS

The programme provides theoretical and practical knowledge that allows students to focus on worldwide issues related to economics and business, to help develop the student's analytical and problem solving skills. A graduate of the programme would be able to understand the relation between economy and society; evaluate economic problems from a global perspective while taking a local approach to solving them. The programme will encourage students to make critical connections between different components of an economic system.

DISTINCTIVE FEATURES

- Internationally qualified faculty from leading universities of the world.
- Wide variety of elective courses and specializations.
- Participation in research centres aimed to generate ideas, and knowledge about and practices of democratized development.
- 'Study Abroad' opportunities through summer schools, winter schools and semester exchange programmes.
- International alliances building a global network through International Development and Public Policy Alliance (IDPPA) and International Public Policy Association.

Course Duration:	3 Years	Programme Fee:	₹ 3,50,000/- per annum*	Residential Fee:	₹ 2,92,500/- per annum*
-------------------------	----------------	-----------------------	--------------------------------	-------------------------	--------------------------------

*The programme fee and residential fee are subject to an annual increase of upto 10%.

Eligibility Criteria:

Successful completion of Class XII examination or equivalent (CBSE, State Boards, IB, ISC, Cambridge and other Government-recognized school leaving exams). Maths in grade XII preferred.

Admission Criteria:

Applicants are selected through a holistic admission process conducted over three rounds based on a personal statement, supplemental application, X and XII grade marks, Personal Interview, and Jindal Scholastic Aptitude Test (JSAT) score or equivalent (SAT/ACT & CUET).

B.A. (HONS.) PUBLIC POLICY

B.A. (Hons.) in Public Policy is a unique and first of its kind interdisciplinary programme in India, which provides the students with a solid grounding in social science theories and their applications. Students will learn to use social sciences to solve problems of the society and the economy. They will acquire skills to develop models and tools, and apply those in the field of public policy, development interventions, journalism, advocacy, communications, branding and marketing research. The broad structure of the programme will impart the knowledge required to succeed in the civil services entrance examination. The core courses will help students to gain conceptual clarity and an array of electives will allow them to learn about the social issues and topics of their choice.

The programme will offer exposure to the real world practices through internships, research and capstone projects. All the students will be extensively mentored by the faculty members and industry specialists.

DISTINCTIVE FEATURES

- Faculty trained at the best universities of the world.
- Original, innovative and dynamic curriculum that allows the students to gain cutting-edge knowledge.
- A large selection of core and elective courses allows students to pursue their own interests.
- Strong emphasis on the development of quantitative and qualitative research, writing and communication skills.
- Real-world exposure and scope to interact with experts in the field and industry.
- International collaborations offer opportunities for student exchange and summer schools in renowned foreign universities.

Course
Duration:

3 Years

Programme
Fee:

₹ **3,00,000/-** per annum*

Residential
Fee:

₹ **2,92,500/-** per annum*

*The programme fee and residential fee are subject to an annual increase of upto 10%.

Eligibility Criteria:

Successful completion of Class XII examination or equivalent (CBSE, State Boards, IB, ISC, Cambridge and other Government-recognized school leaving exams).

Admission Criteria:

Applicants are selected through a holistic admission process conducted over three rounds based on a personal statement, supplemental application, X and XII grade marks, Personal Interview, and Jindal Scholastic Aptitude Test (JSAT) score or equivalent (SAT/ACT & CUET).

B.A. (HONS.) LIBERAL ARTS & HUMANITIES

Liberal Arts is an innovative pedagogy focused on small classes, close faculty-student engagement, and a strong interdisciplinary foundation with specializations in specific subjects. The degree enables the student to learn to be effective communicators and critical thinkers. It equips them with the ability to pursue professional and academic opportunities of their interest. The holistic nature of the programme empowers students to take up a wide range of internships, projects and field work as well.

DISTINCTIVE FEATURES

- Interdisciplinary foundation courses help students engage in a variety of social science and humanities subjects such as Literature, History, Environmental Studies, Political Science, Expressive Arts and Philosophy.
- Experiential learning with emphasis on discussion, debate and hands-on activities, and field work in Delhi/NCR and beyond.
- International arrangements for summer school and semester exchange in leading universities like Oxford University (UK), Trinity College, Dublin (Ireland), Harvard University (USA), London School of Economics (UK), Queen Mary London (UK), International College of Liberal Arts at Yamanshi (Japan).
- Students can choose from ten different majors: Economics, Environment and Sustainability, Expressive Arts (Visual Arts), Global Studies, History, International Business, Literary Studies, Philosophy, Political Science and Psychology. Seven new majors to be added.
- Option of a self-designed major, where the students design their major in consultation with two faculty directors of study. Past self-designed majors have included Art History and Literature, International Relations, Environmental Psychology, and Psychology and Expressive Arts.
- A unique four-year dual-degree programme with Rollins College, Florida whereby students have the option of studying two years at JSLH and the next two in Rollins College & Deakin University, Australia.
- Students also have the option to pursue optional 4th Year through our P.G.D.R.I.

Course
Duration:

3 Years

Programme
Fee:

₹ **6,00,000/-** per annum*

Residential
Fee:

₹ **2,92,500/-** per annum*

*The programme fee and residential fee are subject to an annual increase of upto 10%.

Eligibility Criteria:

Successful completion of Class XII examination or equivalent (CBSE, State Boards, IB, ISC, Cambridge and other Government-recognized school leaving exams).

Admission Criteria:

Applicants are selected through a holistic admission process conducted over three rounds based on a personal statement, supplemental application, X and XII grade marks, Personal Interview, and Jindal Scholastic Aptitude Test (JSAT) or equivalent (SAT/ACT & CUET) score.

**Jindal School of
Liberal Arts & Humanities**
India's First Transnational Humanities School

BACHELOR OF FINE ARTS (HONS.)

We believe in a holistic and interdisciplinary approach to art education that integrates traditional skills and contemporary conceptual approach to art-making. Apart from an intensive studio practice and exposure to the foundations of liberal arts such as sociology, literature, philosophy and politics, the students will participate in the interdisciplinary seminars, develop their communication skills and learn to form a thesis. In this manner, our students will be more equipped to contribute meaningfully to the contemporary art field. Our art education programme is grounded upon a rich visual art experience for JSLH's undergraduate students.

The programme is divided into four interconnected segments: study, skill, concept and creativity. Each of the courses will fall into one of these components which will run throughout the programme.

DISTINCTIVE FEATURES

- **Study** is the foundation for art creation. If traditionally study was understood as a visual analysis of the environment and its objects through sketches, drawing and clay modelling, we expand this limited perspective to include the study of space, colors, body, text, etc.
- **Skill** is a matter of contention among artists and art educators. It is either celebrated or criticised by practitioners and art teachers. We believe in the centrality of skills, but also in the need to rejuvenate its meaning and purpose. A skillful artist, nowadays does not only know how to draw, paint, sculpt or take photos, but also to amalgamate visuals and ideas, art-making processes and its conceptualization.
- **Concept** is central to contemporary art-making. In addition to courses on art history, theory and philosophy, the students will be exposed to the latest developments in the fields of cultural studies, critical theory and visual culture. Theory classes will include visits to art galleries and studios, and interaction with artists, curators, collectors and art dealers, which will give the students a first-hand exposure to the dynamics of the art world.
- **Creativity** binds all the segments of the programme. Study, Skill and Concept should help the students to develop their unique visual language and artistic concerns. The courses in this segment will be dedicated to both traditional and contemporary media such as painting, video art, sculpture, installation art, performance, digital art etc.

Course
Duration:

4 Years

Programme
Fee:

₹ **3,50,000/-** per annum*

Residential
Fee:

₹ **2,92,500/-** per annum*

*The programme fee and residential fee are subject to an annual increase of upto 10%.

Eligibility Criteria:

Successful completion of Class XII examination or equivalent (CBSE, State Boards, IB, ISC, Cambridge and other Government-recognized school leaving exams).

Admission Criteria:

Applicants are selected through a holistic admissions process conducted over three rounds based on a personal statement, supplemental application, X and XII Grade Marks, Personal Interview, and Jindal Scholastic Aptitude Test (JSAT) Score or equivalent (SAT/ACT & CUET).

B.A. (HONS.) SOCIOLOGY

The B.A. (Hons) in Sociology at JGU is designed to equip you with the tools and knowledge to be an effective actor in our rapidly changing world. It does so by exposing you to the means to analyze and explore that world (methodology), to debate the various ways in which society and culture has been understood and explained (theory), to understand the linkages between the many levels of society and culture which of necessity touch on the economic, political, psychological, ecological and environment, and on the workings of the human imagination in the arts and creative activities (holism), and to explore how the insights generated can be applied in the real world (policy).

DISTINCTIVE FEATURES

Global Exposure:

- Foundation Courses that are integrated with the B.A. (Hons.) in Liberal Arts and Humanities curriculum and will equip students with 'tools' of analysis and research.
- Key Concepts courses that introduce students to core ideas and conceptual frameworks used in Sociology
- Cluster Courses that allow students to specialize in one of the following 4 areas: Sociology of health, Well-being and Access, Sociology of Arts and Creativity, Sociology of Innovation and Technology and Sociology of Environment These four clusters highlight critical areas of concerns facing the social world.

Course Duration:

3 Years

Programme Fee:

₹ 3,00,000/- per annum*

Residential Fee:

₹ 2,92,500/- per annum*

*The programme fee and residential fee are subject to an annual increase of upto 10%.

Eligibility Criteria:

Successful completion of Class XII examination or equivalent (CBSE, State Boards, IB, ISC, Cambridge and other Government-recognized school leaving exams).

Admission Criteria:

Applicants are selected through a holistic admission process conducted over three rounds based on a personal statement, supplemental application, X and XII grade marks, Personal Interview, and Jindal Scholastic Aptitude Test (JSAT) or equivalent (SAT /ACT & CUET) score.

Jindal School of
Journalism & Communication

India's First Global Media School

B.A. (HONS.) JOURNALISM & MEDIA STUDIES

This degree will enable students to become communication professionals equipped with critical thinking and leadership skills rooted on a global interdisciplinary perspective. Graduates of Journalism and Media Studies will be given practical training in state-of-the-art radio and television studios in a vibrant and scholarly setting. Students will learn to question the status quo as they acquire the skills and knowledge that will enable them to excel in their professional pursuits.

DISTINCTIVE FEATURES

- Curriculum and pedagogy that remains strongly rooted in the values of Humanities and Social Sciences, drawing from the best practices in India and abroad.
- Internationally qualified teaching and research faculty, including industry practitioners.
- Global opportunities for a semester abroad in IDC Herzilya, Israel; Vietnam National University, Vietnam; Koç University, Turkey; Universiti Teknologi MARA, Malaysia.
- Summer School programme with U.C. Berkeley University, California on Global Media and International Journalism.
- Practical training in state-of-the-art Radio and Television Studios.
- Students can choose inter-disciplinary electives from other schools and institutions of JGU, in addition to electives offered by JSJC.
- Strong emphasis on professional internships across leading media & production houses like BBC-worldwide, CNN-IBN, NDTV, Zee News, PTI, AajTak, The Times of India, The Hindustan Times, Carrot Films and in International NGOs like Oxfam and Amnesty International.

Course
Duration:

3 Years

Programme
Fee:

₹ 3,50,000/- per annum*

Residential
Fee:

₹ 2,92,500/- per annum*

*The programme fee and residential fee are subject to an annual increase of upto 10%.

Eligibility Criteria:

Successful completion of Class XII examination or equivalent (CBSE, State Boards, IB, ISC, Cambridge and other Government-recognized school leaving exams).

Admission Criteria:

Applicants are selected through a holistic admission process conducted over three rounds based on a personal statement, supplemental application, X and XII grade marks, Personal Interview, and Jindal Scholastic Aptitude Test (JSAT) or equivalent (SAT/ACT & CUET) score.

B.A. (HONS.) FILM AND NEW MEDIA

This course will train the students to develop technical skill as well as aesthetic insight into the subject of cinema. After completing this course, the students should be able to function as independent film makers/technicians with proficiency in artistic expression through digital media. They could also pursue their careers in the Indian film industry or continue with further studies in cinema or allied fields.

DISTINCTIVE FEATURES

- Four specialization subjects : Direction & Screenplay, Cinematography, Sound Design, Editing.
- Interdisciplinary course structure.
- Workshops with leading film professionals.
- Faculties from film industry.
- High end equipment for practical training.
- Access to film archives and classic movies released by Criterion Collection

Course
Duration:

3 Years

Programme
Fee:

₹ **4,00,000/-** per annum*

Residential
Fee:

₹ **2,92,500/-** per annum*

*The programme fee and residential fee are subject to an annual increase of upto 10%.

Eligibility Criteria:

Successful completion of Class XII examination or equivalent (CBSE, State Boards, IB, ISC, Cambridge and other Government-recognized school leaving exams).

Admission Criteria:

Applicants are selected through a holistic admission process conducted over three rounds based on a personal statement, supplemental application, X and XII grade marks, Personal Interview, and Jindal Scholastic Aptitude Test (JSAT) or equivalent (SAT/ACT & CUET) score.

B.A. (HONS.) CORPORATE COMMUNICATION AND PUBLIC AFFAIRS

It will involve analysis of numerous case studies, workshops, presentations and visits to companies, etc. These will lead to a sophisticated understanding of the landscape. Experts from the industry shall form the key component of the course to enable students to meet the future challenges effectively.

The detailed content of the three\four-year course shall expand on these requirements. It will also explore the challenges involved in undertaking public relations. Some of these involve working with journalists and other media professionals as well as social media influencers to develop the appropriate strategy for the communication goals.

As part of the course, the students will also study the origin of and the trends impacting the future of the industry. The course will also address the ethical implications of these dimensions.

The course will also equip the students with the additional skill set of journalism, of digital media and of latest developments in technology that are resetting the media landscape.

DISTINCTIVE FEATURES

- Connect the aims of the company\institution with the public at large, in an era when all organisations need to demonstrate their commitment as responsible entities
- Engage within the institutions, that are now often multi-location across continents, with employees who are often engaged in WFH roles as two-way communicators
- To engage with the government bodies at various levels
- Engage with the media, including the widely expanding new platforms with an understanding of their idiosyncrasies

Course
Duration:

3 Years

Programme
Fee:

₹ **3,50,000/-** per annum*

Residential
Fee:

₹ **2,92,500/-** per annum*

*The programme fee and residential fee are subject to an annual increase of upto 10%.

Eligibility Criteria:

Successful completion of Class XII examination or equivalent (CBSE, State Boards, IB, ISC, Cambridge and other Government-recognized school leaving exams).

Admission Criteria:

Applicants are selected through a holistic admission process conducted over three rounds based on a personal statement, supplemental application, X and XII grade marks, Personal Interview, and Jindal Scholastic Aptitude Test (JSAT) or equivalent (SAT /ACT & CUET) score.

B.COM. (HONS.)

This programme has re-imagined and restructured the traditional B.Com (Hons.) by embracing ongoing developments in business, banking, finance and technology. Our unique industry relevant curriculum is designed after consultation with globally renowned academicians, bankers and industry experts. This programme aims to educate tomorrow's global business and finance leaders. The world-class faculty and practitioners put in their best efforts to help you attain your goals and aspirations.

DISTINCTIVE FEATURES

- Our classrooms are fun spaces for learning through case studies, discussion, role play, simulation, field trips, and participation in conferences – making it a practical learning experience.
- Interaction with inbound exchange students from international partner universities will broaden your outlook & leadership skills. Opportunity to learn foreign languages will further enhance your cultural & intellectual experience.
- International opportunities include summer/winter school; short-term study abroad; semester exchange and a specially designed certificate programme at the world renowned Wharton School at Upenn (USA).
- Financial accounting & modeling courses directly from KPMG and EY, two among the 'Big Four' firms.
- Select elective courses under the domains of: (1) Financial Planning & Management; (2) Banking & Finance Law; (3) Fintech & Analytics; (4) Global Consultancy & Entrepreneurship.
- Our CFA club will guide & train aspirants. We encourage participation in Investment club, Innovation Labs, & Toastmasters.
- The programme is open to students from Science, Commerce, Arts & Humanities background with or without advanced skills in mathematics. We offer early stage preparatory/ bridge classes in Mathematics, Accountancy and Economics.

*The programme fee and residential fee are subject to an annual increase of upto 10%.

Eligibility Criteria:

Successful completion of Class XII examination or equivalent (CBSE, State Boards, IB, ISC, Cambridge and other Government-recognized school leaving exams).

Admission Criteria:

Applicants are selected through a holistic admissions process conducted over three rounds, which starts from verification of submitted application, Qualifying in an entrance examination – Jindal Scholastic Aptitude Test (JSAT) or equivalent (SAT, ACT, UGAT & CUET) and Personal Interview.

PARTNERSHIP WITH

Founded in 1904, the Association of Chartered Certified Accountants (ACCA) is headquartered in London. ACCA qualified professionals are highly sought-after globally. Curriculum of B.Com. (Hons.) at JSBF is aligned with ACCA exam syllabus in such a way that our students get exemptions from certain ACCA exams.

Prof. (Dr.) C. Rajkumar- VC (JGU)
Renjith Verma- Head of Partnerships, ACCA London,
Dr. Ashish Bharadwaj- Dean (JSBF).
(from left to right)

B.A. (HONS.) FINANCE & ENTREPRENEURSHIP

India's first B.A. (Hons.) Finance & Entrepreneurship provides hands-on training that will help you understand and create new products & services, particularly around digital finance. You will learn skills that are highly sought-after in the industry and build capabilities that are transferable across professional roles. What you choose to do now, will influence the transformation from who you currently are to who you want to be in the future. We will facilitate this transition by hearing your ideas and also making them happen with you.

It is an innovative programme that combines entrepreneurial skills and creative abilities with focused training in finance and practical knowledge of technology.

DISTINCTIVE FEATURES

- A nuanced understanding of issues at the intersection of finance & entrepreneurship.
- To comprehend the key drivers of success and failure of new ideas & ventures in India.
- To grasp the financial needs of new ventures and to understand underlying financial risks.
- To appreciate the role of digital financial platforms for entrepreneurship and intrapreneurship.
- Mastering tools of managing finance including working capital, cash flows and venture capital.
- Learn the craft of communication, people management, marketing strategies and legal pitfalls.
- Become familiar with the process of creating new products and services around digital finance.

CAREER OPTIONS

Build your own venture and transform it into a successful startup especially in the banking, financial services and insurance (BFSI) sectors.

Infuse an existing business with new ideas based on practical knowledge of financial management, entrepreneurial finance and relevant laws.

Apply computing and financial technologies in a digital manner including in new and existing businesses.

Be ready for careers in financial technology firms, entrepreneurial ventures & startups in BFSI and beyond, banks and financial organisations, venture capital firms, government organisations & policy think tanks.

Be well-prepared to pursue MA/MSc/MBA in finance, business, economics or management.

Course Duration:

3 Years

Programme Fee:

₹ 4,00,000/- per annum*

Residential Fee:

₹ 2,92,500/- per annum*

*The programme fee and residential fee are subject to an annual increase of upto 10%.

Eligibility Criteria:

Successful completion of Class XII examination or equivalent (CBSE, State Boards, IB, ISC, Cambridge and other Government-recognized school leaving exams).

Admission Criteria:

Applicants are selected through a holistic admissions process conducted over three rounds, which starts from verification of submitted application, Qualifying in an entrance examination – Jindal Scholastic Aptitude Test (JSAT) or equivalent (SAT, ACT, UGAT & CUET) and Personal Interview.

B.COM. (HONS.) IN CAPITAL MARKETS WITH NSE ACADEMY

A career in finance is becoming more exciting than ever before! It combines two most rapidly evolving industries - financial services and digital technologies. Careers in finance is not limited to banks and stock markets. Through studying Finance at JSBF students have access and freedom to choose from variety of career options ranging from investment and risk management, marketing of financial services, financial law, financial analytics to even art, sports, and gaming industries.

DISTINCTIVE FEATURES

- To prepare students for global careers in finance and capital markets.
- Ensures that students learn with real market data
- Earn industry recognized certifications and skills
- Become financially independent
- Be ready for opportunities in ongoing fintech revolution in India

JINDAL SCHOOL OF
BANKING & FINANCE
India's First Global Finance School

GLOBAL B.COM. (HONS.)

The Global B.Com. (Hons.) is the first programme being launched under the India Australia Global Education Initiative. The programme will offer innovative models of global education, training, and research for students in India. It aims to provide opportunities for Indian students to have an international campus experience. Students will commence studies with JGU in India and subsequently transfer to Deakin University campus in Australia. JGU is committed to bringing world-class education to Indian students in Social Sciences, Arts, and the Humanities.

The Global B.Com. (Hons.) offered in collaboration between JGU and Deakin University promises an education experience that blends the best of both institutions through an industry-relevant education portfolio,

world-class faculty, and dynamic learning environment on the campuses of JGU in India and Deakin University in Australia. The unique portfolio of two undergraduate degrees from both institutions and a master's degree from Deakin will ensure that graduates have an incredible opportunity to learn and grow in two international university systems.

DISTINCTIVE FEATURES

- **International Exposure:** Exposure to International business environments and learning from International faculty and industry practitioners
- **Industry-relevant Curriculum:** Crafted in consultation with industry experts and dynamic & customizable course work
- **Skill-based Learning:** Foreign languages, communication & leadership skills and training on R, Python, Tableau & MS Excel
- **Professional Certification & Training:** EY, KPMG, NISM, NSE academy and faculty-led CFA Club & alignment with ACCA curriculum.
- **Research & Co-curricular Opportunities:** Faculty-led research projects involving students and student participation in Global Finance Conclave.
- **Industry Collaborations:** Partnership with banks & financial institutions and frequent interaction with experts & practitioners.
- **Internship & Career Growth:** Active support from JGU Office of Career Services and Domestic & international internship opportunities.

BACHELOR OF ARCHITECTURE (B. ARCH.)

40 SEATS

The Bachelors of Architecture programme at the Jindal School of Art and Architecture (JSAA) is a five-year programme in architecture which prepares you for a career as a licensed architect in India. The unique programme at JSAA is divided into two parts; the Major and the Minor. In the Major you learn about material and making, about design thinking. You explore the social, historical, political, economic and technological interfaces of architecture. The major allows you to participate in exchange studios and collaborative works with students from some of the best schools in architecture such as AAP (Cornell), DAAP (University of Cincinnati), Bartlett (University College of London).

DISTINCTIVE FEATURES

- 5-year programme accredited by the Council of Architecture with a focus on working on live projects with real clients and consultants to make graduates industry-ready.
- Only architecture programme in the country that allows for major and minor area of study. Choose from 10 minor areas of study along with architecture as your major area of study to enhance your skills sets and job placements.
- Minors looks at a wide array of studies including law, business, management, liberal arts, policy, journalism and communication, banking and finance, environment and sustainability, psychology and architecture.
- Participate in exchange studios and collaborative works with students from leading architectural colleges nationally and internationally.
- Intern with leading firms such as WWF, CIDC, TRIPP, IIT Delhi, Hyderabad Urban Lab, McGill University, Canada, Ashoka Trust for Research on Ecology and Environment (ATREE), CBRE, CSE, JLL, Observer Research Foundation, Stir World, Space Design Consultants, Scan the World, London, Opus Indigo and Jackfruit Research and Design.
- Globally acclaimed Faculty members ensuring pedagogy of highest international standards. Trained & taught at top universities across the globe like Harvard, Cornell, Oxford, UC-Berkeley, Heidelberg, Politecnico Di Milano, Cincinnati.

Course Duration:

5 Years

Programme Fee:

₹ 4,00,000/- per annum*

Residential Fee:

₹ 2,92,500/- per annum*

*The programme fee and residential fee are subject to an annual increase of upto 10%.

**Upto 50% merit cum means scholarships available.

Eligibility Criteria:

No candidate shall be admitted to architecture course unless he has passed an examination at the end of the 10+2 scheme of examination with at least 50% aggregate marks in Physics, Chemistry and Mathematics and also at least 50% marks in aggregate of the 10+2 level examination or passed 10+3 Diploma Examination with Mathematics as compulsory subject with at least 50% marks in aggregate.

Admission Criteria:

Admission to the programme is through a competitive process conducted over three rounds:

- The application process with its personal statement and supplemental information
- NATA (Previous year cut-off 100)
- Counseling

#Only students who apply for the scholarship need to appear in Interview.

Eligibility Criteria is defined by the Council of Architecture.

BACHELOR OF DESIGN (B. DES.) - INTERIOR DESIGN

30 SEATS

A fundamental aspect of being is incumbent upon inhabiting, itself a continuous and fluid practice. To inhabit means to leave traces – individually or as a collective – through objects, materials, memories and practices, within and without our spaces of living, working and playing, all of which intimately intersect with issues of identity, class, caste, gender, communities, ecologies, social justice, technologies, legalities, and economics, to name a few. How do you, as a future design professional, embed yourself within such a multiplicity of narratives, and craft a new narrative?

DISTINCTIVE FEATURES

- Four-year programme, accredited by the UGC, with a focus on live projects with real clients and consultants, to make graduates ready to enter the industry as: Interior Architect, Scenographer, Furniture Designer, Lighting Designer, Product Designer, Marketing and Sales, Hospitality consultant, Sustainable interiors consultant, Curatorial Consultant, and Interior Journalist. Curriculum based on developing practical hands-on knowledge through peer learning and collaboration for local and global contexts.
- Strong focus on interdisciplinarity through flexible and self-designed Major + Minor curricular structure. Only design programme in the country that allows for major and minor area of study. Choose from 10 minor areas of study along with Interior as your major area of study to enhance your skills sets and job placements.
- Minors prepare you for a wider area of jobs and studies including law, business, management, liberal arts, policy, journalism and communication, banking and finance, environment and sustainability, psychology and architecture.
- Multiple opportunities for study abroad, semester exchanges and international trips.
- Intern with leading firms such as WWF, CIDC, TRIPP, IIT Delhi, Hyderabad Urban Lab, McGill University, Canada, Ashoka Trust for Research on Ecology and Environment (ATREE), CBRE, CSE, JLL, Observer Research Foundation, Stir World, Space Design Consultants, Scan the World, London, Opus Indigo and Jackfruit Research and Design.
- Globally acclaimed Faculty members ensuring pedagogy of highest international standards. Trained & taught at top universities across the globe like Harvard, Cornell, Oxford, UC-Berkeley, Heidelberg, Politecnico Di Milano, Cincinnati.

AFTER GRADUATION

EMPLOYMENT: Interior Architect, Independent Researcher, Design Educator, Scenographer, Furniture Designer, Lighting Designer, Product Designer, Marketing and Sales, Hospitality consultant, Sustainable interiors consultant, Landscape Designer, Building Pathologist, Systems Designer, Media Visualizer, Curatorial Consultant, Community Designer, User Experience Designer, Communication Designer, Interior Journalist, Illustrator, Photographer, Project Manager, amongst others..

POSTGRADUATE STUDIES: Graduating students of the programme can apply to a variety of postgraduate programmes, both nationally and internationally, in and not limited to Interior Design studies, Architectural studies, Lighting Design studies, Design and Technology studies, Textiles Design, Product Design, Production Design, Industrial Design, Transdisciplinary Design studies, Urban Ecologies studies, Project Management, Business studies, Liberal Arts, Legal studies, Government and Political studies, Community Planning, Environment and Sustainability studies, Journalism and Communication, Economics and Policy studies amongst others..

Course
Duration:

4 Years

Programme
Fee:

₹ 3,00,000/- per annum*

Residential
Fee:

₹ 2,92,500/- per annum*

*The programme fee and residential fee are subject to an annual increase of upto 10%.

**Upto 50% merit cum means scholarships available.

Eligibility Criteria:

Successful completion of Class XII examination or equivalent (CBSE, State Boards, IB, ISC, Cambridge and other Government-recognized school leaving exams). Students completing grade 12** in 2022 are also eligible to apply.

Admission Criteria:

Admission to the programme is through a competitive process conducted over three rounds:

1. The application process with its personal statement and supplemental information
2. Jindal Creative Aptitude Test – JCAT (the entrance exam) or UCEED score.
3. An interview process which includes a portfolio review.

• Only students who clear rounds 1 and 2 will receive the invite to appear in the Interview and portfolio review.

BACHELOR OF DESIGN (B. DES.) IMMERSIVE DIGITAL ENVIRONMENTS

10 SEATS

From the metaverse to digital workplaces and online education, from robot assisted surgeries to remote healthcare, from gaming to films and other media, from infrastructural development to designing of cities and its service system, from heritage preservation to virtual tours, Immersive Digital Environments are changing the way we understand, make and enhance our experiences and the world.

As a one of its kind program of study in India today, the Bachelor of Design (Immersive Digital Environments) pathway is designed to train you in augmented, virtual and mixed realities based systems and their ability to develop digital immersive environments and narratives. You will especially work on developing advanced visual capture and processing systems, systems for hybrid virtual-physical immersion through augmentation of senses, and design frameworks for data-driven augmented reality and virtual reality storytelling, sensemaking and placemaking.

DISTINCTIVE FEATURES

- Four-year degree programme approved by UGC, Government of India, designed for students with a wide range of interests and backgrounds preparing you for a career in government, business, education, public health, law, advertising, and the non-profit sector, among others as:
- Strong focus on interdisciplinary through flexible and self-designed Major +Minor curricular structure. Only design programme in the country that allows for a major and minor area of study. Choose from 10 minor areas of study along with Immersive Digital Environments as your major area of study to enhance your skill sets and job placements.
- Minors prepare you for a wider area of jobs and studies including law, business, management, liberal arts, policy, journalism and communication, banking and finance, environment and sustainability, psychology, interior, community & urban, and architecture.
- Multiple opportunities for study abroad, semester exchanges, and international trips.
- Intern with leading firms such as WWF, CIDC, TRIPP IIT Delhi, Hyderabad Urban Lab, McGill University, Canada, Observer Research Foundation, Stir World, Space Design Consultants, Scan the World, London, Opus Indigo and Jackfruit Research and Design.
- Globally acclaimed Faculty members ensuring pedagogy of the highest international standards. Trained & taught at top universities across the globe like Harvard, Cornell, Oxford, UC-Berkeley, Heidelberg, Politecnico Di Milano, Cincinnati, MIT, and NYU.

AFTER GRADUATION

EMPLOYMENT: Design Architect, AR / VR Designers, 3D Game Designers, Metaverse Storytellers, Graphic Designers, Product and Project Managers, Metaverse Research, Scientist, Metaverse Planner, Ecosystem Developer, World Builders, 3D Artists, Environment Artists, Game Designers, Mixed Reality Designers, UI/UX Designer, VR Content Producer

POSTGRADUATE STUDIES: Students graduating from the preprogram become eligible for entry into a Master's Degree Programme across the world in Graphic Design, Animation, Visual Communication, Interaction Design, UI/UX Design, Metaverse Planning, Film Making, and Game Design to name a few.

Course
Duration:

4 Years

Programme
Fee:

₹ 3,00,000/- per annum*

Residential
Fee:

₹ 2,92,500/- per annum*

*The programme fee and residential fee are subject to an annual increase of upto 10%.

**Upto 50% merit cum means scholarships available.

Eligibility Criteria:

Successful completion of Class XII examination or equivalent (CBSE, State Boards, IB, ISC, Cambridge and other Government-recognized school leaving exams). Students completing grade 12th in 2022 are also eligible to apply.

Admission Criteria:

Admission to the programme is through a competitive process conducted over three rounds:

1. The application process with its personal statement and supplemental information
2. Jindal Creative Aptitude Test –JCAT (the entrance exam) or UCEED score.
3. An interview process which includes a portfolio review.

* Only students who clear rounds 1 and 2 will receive the invite to appear in the Interview and portfolio review.

BACHELOR OF DESIGN (B. DES.) COMMUNITY & URBAN DEVELOPMENT

10 SEATS

The Community & Urban Development Pathway is designed to give you tools to engage with cities and with communities, as objects, as people, as metaphor, as relationships, as networks, and as organisms. This pathway empowers you to enhance your experience of cities and lives of communities by regulating land use and infrastructure, designing sustainable waste management or developing finance packages for cities and communities. You ensure that all members of the community are involved and represented in the decision-making processes. You work intimately to create political, social and economic opportunities for cities and communities across the globe.

The pathway provides students with a variety of perspectives by drawing its faculty from a wide spectrum of academic and operational expertise, ranging from history, sociology, engineering, architecture, law, arts, geography, economics, anthropology among others.

DISTINCTIVE FEATURES

- Four-year degree programme approved by UGC, Government of India, designed for students with a wide range of interests and backgrounds preparing you for a career in government, business, education, public health, law, and the non-profit sector, among others as: Green Building Manager/ Consultant, Infrastructure and System Designers, Smart Cities Consultant, Transportation Planner, Environmental Manager, Sustainability Consultant and Planning and Development Surveyor.
- Strong focus on interdisciplinarity through flexible and self-designed Major + Minor curricular structure. Only design programme in the country that allows for major and minor area of study. Choose from 10 minor areas of study along with Urban as your major area of study to enhance your skills sets and job placements.
- Minors prepare you for a wider area of jobs and studies including law, business, management, liberal arts, policy, journalism and communication, banking and finance, environment and sustainability, psychology and architecture.
- Multiple opportunities for study abroad, semester exchanges and international trips.
- Intern with leading firms such as WWF, CIDC, TRIPP, IIT Delhi, Hyderabad Urban Lab, McGill University, Canada, Ashoka Trust for Research on Ecology and Environment (ATREE), CBRE, CSE, JLL, Observer Research Foundation, Stir World, Space Design Consultants, Scan the World, London, Opus Indigo and Jackfruit Research and Design.
- Globally acclaimed Faculty members ensuring pedagogy of highest international standards. Trained & taught at top universities across the globe like Harvard, Cornell, Oxford, UC-Berkeley, Heidelberg, Politecnico Di Milano, Cincinnati.

AFTER GRADUATION

EMPLOYMENT: On graduation: Some of the areas you could be working in include, but are not limited to: City Planning, Environmental Assessment, Road Safety & Urban Transport, Air Quality, Energy studies, Geoinformatics, Sustainable Infrastructure, Urban Governance, Law and Policy Studies, development planners, policy researchers, social marketers, financial managers, CSR, transport planners, public health managers, educators, surveyors, journalists and media professionals, social workers, environmental impact analysts, construction managers, community developers.

POSTGRADUATE STUDIES: Students graduating from the programme become eligible for entry into Master's Degree programs across the world in development studies, governance and policy studies, architecture, planning and regional studies, urban and landscape design, project and construction management media studies, sustainability studies, ecology and environmental studies, business management financial management to name a few.

Course
Duration:

4 Years

Programme
Fee:

₹ 3,00,000/- per annum*

Residential
Fee:

₹ 2,92,500/- per annum*

*The programme fee and residential fee are subject to an annual increase of upto 10%.

**Upto 50% merit cum means scholarships available.

Eligibility Criteria:

Successful completion of Class XII examination or equivalent (CBSE, State Boards, IB, ISC, Cambridge and other Government-recognized school leaving exams). Students completing grade 12th in 2022 are also eligible to apply.

Admission Criteria:

Admission to the programme is through a competitive process conducted over three rounds:

1. The application process with its personal statement and supplemental information

3. An interview process which includes a portfolio review.

• Only students who clear rounds 1 and 2 will receive the invite to appear in the Interview and portfolio review.

B.A. (HONS.) ENVIRONMENT & SUSTAINABLE DEVELOPMENT

JINDAL SCHOOL OF ENVIRONMENT & SUSTAINABILITY
India's First Interdisciplinary Environment & Sustainability School

The B.A. (Hons.) Environment & Sustainable Development programme provides a strong understanding of environment and sustainability policies, practices, economic frameworks and scientific aspects through a multidisciplinary lens. Students will learn the necessary skill sets to critically analyse environment & sustainability issues such as climate change mitigation & adaptation, environmental pollution & health, environmental friendly technologies – finance mechanism and their wider applicability through the prism of social science, policy & law, economics, and ecological science. The students will also be provided necessary field exposure and corporate and NGOs-based internship opportunities preparing them for dynamic career in the field of environment and sustainable development.

THE OBJECTIVES OF THE COURSE

- Meet the environmental needs of the 21st century.
- Offer a transdisciplinary approach to teaching and learning (effectively address environmental issues by integrating perspectives from the natural sciences, the social sciences, and the arts and humanities).
- Explore policy, regulation, law and governance of environmental issues.
- Invest in building environmental scholarship and environmental leadership.
- Contribute to global and local sustainability challenges.
- Understand economic, cultural and political factors behind environmental and sustainability issues.
- Learn the skills required for critically analysing environmental problems and finding sustainable solutions.

Course Duration: **3 Years**

Programme Fee: **₹ 3,00,000/-** per annum*

Residential Fee: **₹ 2,92,500/-** per annum*

*The programme fee and residential fee are subject to an annual increase of upto 10%.

Eligibility Criteria:

Successful completion of Class XII examination or equivalent (CBSE, State Boards, IB, ISC, Cambridge and other Government-recognized school leaving exams).

Admission Criteria:

Applicants are selected through a holistic admission process conducted over three rounds based on a personal statement, supplemental application, X and XII grade marks, Personal Interview, and 50% in Jindal Scholastic Aptitude Test (JSAT) or equivalent (SAT/ACT & CUET).

CAREER PATHWAYS

CORPORATES

- Environment & Sustainability Consultant
- Waste Management Officer
- Environmental Engineer
- Sustainability Specialist
- Land Surveyor
- Land Use Planner
- Lobbyist
- Materials Tester
- Mining Consultant
- Hazardous Waste Manager

RESEARCH

- Research Officer
- Analyst
- Coordinator
- Institutional and field work

TRUST & FOUNDATIONS

- Third Sector Program Officers/ Environment Policy Officers/ Energy Reformers

START-UP

- Waste Management
- Eco-friendly Product
- Eco-Entrepreneurship

MASS COMMUNICATION

- Wildlife Film-maker
- Environment Photographer
- Environment Journalists

EDUCATION

- Academician
- Professor
- Program Manager
- Nature Education Officer

- Environmental Law & Policy
- Mining Consultant & Advisor
- Environmental Attorney
- Urban Planner
- Policy Advisor
- Political Advisor
- Policy Analyst
- Land Surveyor
- Land Use Planner
- Environmental Consultant

B.Sc. (HONS.) ENVIRONMENT & SUSTAINABLE DEVELOPMENT

The B.Sc. (Hons.) Environment & Sustainable Development programme provides a strong understanding of the science and practice of sustainable development through carefully designed interdisciplinary foundational courses, science courses and practical & laboratory components. This is further enhanced through hands-on learning opportunities and intensive internship based learning. Students will be oriented with technological, mathematical, architectural and scientific skill sets for critically analysing gaps in achieving the UN SDGs. Students completing the B.Sc. (Hons.) in Environment & Sustainable Development will gain a comprehensive theoretical and practical education and will be able to work in the environment & sustainable development sector in the sciences, engineering, and energy and sustainability domains.

THE OBJECTIVES OF THE COURSE

- Learn the theoretical and practical aspects of environment & sustainable development in the global and Indian contexts.
- Identify and understand the various tools and approaches for environmental problem solving and sustainable development.
- Critically engage with an and analyse the discourse around sustainable development.
- Understand the economic, social, cultural, political factors behind global environmental issues & challenges.
- Learn scientific methods and approaches for collecting & analysing environmental data and conducting sustainability appraisals.
- Learn the skills required for engaging in critical analysis, qualitative analysis, quantitative analysis and problem-solving exercises for environmental protection and sustainable development

Course Duration:

3 Years

Programme Fee:

₹ **3,00,000/-** per annum*

Residential Fee:

₹ **2,92,500/-** per annum*

*The programme fee and residential fee are subject to an annual increase of upto 10%.

Eligibility Criteria:

Successful completion of Class XII examination or equivalent (CBSE, State Boards, IB, ISC, Cambridge and other Government-recognized school leaving exams). For B.Sc Hons, student should have at least three subjects out of Physics, Chemistry, Biology/ Life sciences, Maths and Computer Science in 10+2.

Admission Criteria:

Applicants are selected through a holistic admission process conducted over three rounds based on a personal statement, supplemental application, X and XII grade marks, Personal Interview, and 50% in Jindal Scholastic Aptitude Test (JSAT) or equivalent (SAT/ACT & CUET).

CAREER PATHWAYS

B.A. (HONS.) PSYCHOLOGY

The B.A. Honours in Psychology degree is awarded following completion of a three-year under-graduate programme committed to the study of human mental processes and behaviour. Students in the Jindal School of Psychology & Counselling (JSPC) will experience a vibrant intellectual community and receive a comprehensive education in psychological theory, experimentation, and practice.

**Jindal School of
Psychology & Counselling**
India's First Transdisciplinary Psychology School

DISTINCTIVE FEATURES

- **World-class faculty:** Rich research experience and publication record, Diverse industry experience.
- **Interdisciplinary exposure and education:** 580+ electives listed across 12 schools, Interdisciplinary peer learning.
- **Experiential and skill-based learning:** Life skill based courses, Hands-on exposure.
- **International collaborations:** Short-term study abroad & semester exchange, Dual degree programme.
- **Internship opportunities:** Active support from JGU Office of Career Services, Domestic & international internship opportunities.
- **Industry informed curriculum:** Crafted in consultation with industry experts, Dynamic & customisable coursework.

Course
Duration:

3 Years

Programme
Fee:

₹ **4,50,000/-** per annum*

Residential
Fee:

₹ **2,92,500/-** per annum*

*The programme fee and residential fee are subject to an annual increase of upto 10%.

Eligibility Criteria:

Successful completion of Class XII examination or equivalent (CBSE, State Boards, IB, ISC, Cambridge and other Government-recognized school leaving exams). Applicants are welcome from any study stream including Arts, Commerce, Science etc

Admission Criteria:

Applicants are selected through a holistic admissions process based on a personal statement, supplemental questions, 10 and 12 Grade Marks, Interview, and Jindal Scholastic Aptitude Test (JSAT) Score or equivalent (SAT/ACT & CUET).

CAREER PATHWAYS

EDUCATION

- Project manager or career counsellor
- Career in Counselling or Clinical Psychology

COUNSELLING

- School Career/Guidance Counsellor

Coordinator
- Institutional and field work

HEALTHCARE

- Community/Youth educators and
advocates
- Career in Special and Remedial
Education

INDUSTRY/ ORGANIZATION

- Behavioral Analyst & Human Resources
- Business Development & Management
consultation

B.A. (HONS.) ENGLISH

The B.A. (Hons.) English programme is a well-designed curriculum delivered through the Jindal School of Languages and Literature that encourages intensive engagement with literary and performative cultures expressed in the English language. While 'Literature in English' is not the same thing as world literature, the English language is by now arguably the most important medium of world literature. English is the language through which most people in the world today encounter, in translation, the literature and written heritage of the whole world. The undergraduate English degree the world over is known for its versatility and enduring value; although BA English is a pre-professional degree, it opens many doors to personal fulfilment and professional accomplishment.

**JINDAL SCHOOL OF
LANGUAGES & LITERATURE**
India's Global School of Language & Literature Studies

WHAT ARE SOME PRACTICAL BENEFITS OF B.A. (HONS.) ENGLISH PROGRAMME ?

- Language and literature graduates are sought for many kinds of jobs in which clear communication and effective articulation are important. Students of English make impacts in several fields of media and communication, from publishing, journalism arts and entertainment, and beyond,
- English students are sensitive to the effects of evolving media and to the ways that social messages and cues to behaviour operate within different media, whether print media, film, television or the internet. English students understand communication and become effective communicators.
- Skills mastered by language and literature graduates can be combined with other analytical, critical thinking and vocational skills. English graduates who go on to postgraduate and professional study programmes find that their language proficiency and analytical abilities feed into their further training. English graduates find it very easy to move into quite specialized knowledge domains.
- In addition to expanding your mind and increasing your appreciation for spoken, written, and performed culture, studying the complex Anglophone cultural heritage could be of immediate relevance to the employment you take up after your formal education. You might even decide that you want to teach or do research in the field of English studies and work in a school, college or university.

Course
Duration:

3 Years

Programme
Fee:

₹ 3,00,000/- per annum*

Residential
Fee:

₹ 2,92,500/- per annum*

*The programme fee and residential fee are subject to an annual increase of upto 10%.

Eligibility Criteria:

Successful completion of Class XII examination or equivalent (CISCE, CBSE, State Boards, IB, ISC, Cambridge and other Government-recognized school leaving exams). Applicants are welcome from any study stream including Arts, Commerce, Science etc

Admission Criteria:

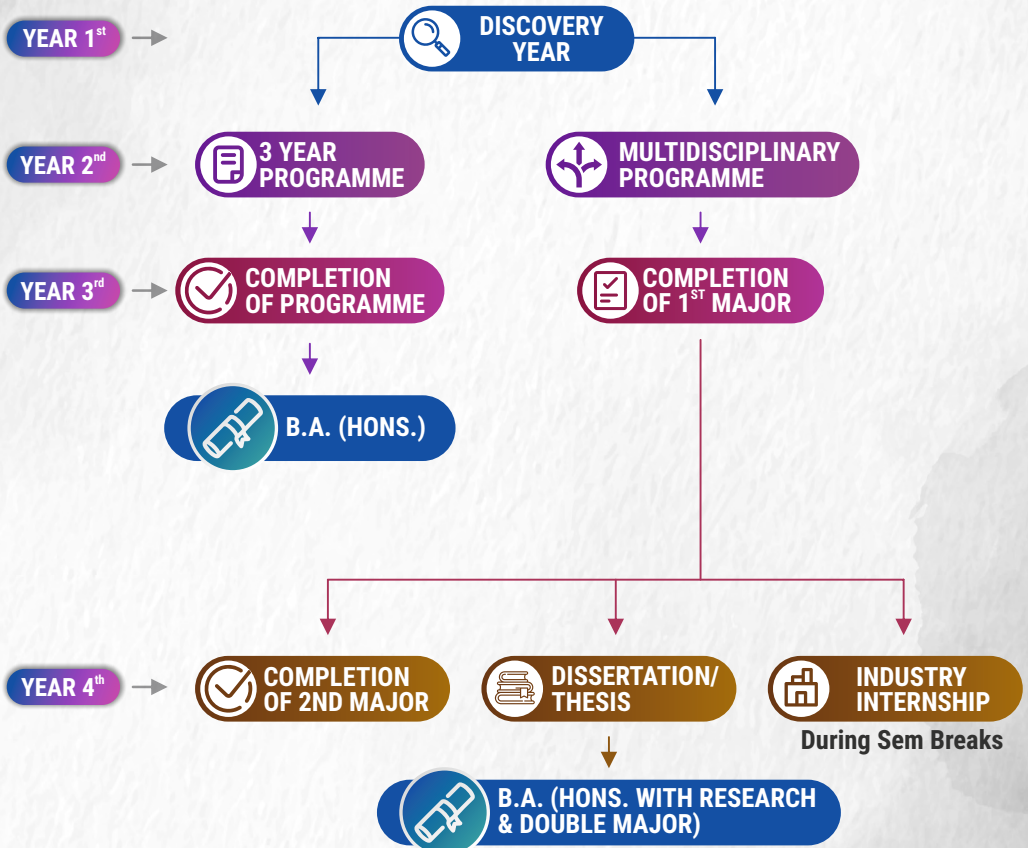

Applicants are selected through a holistic admissions process based on a personal statement, supplemental questions as part of the JGU application process, 10 and 12 grade marks, Personal Interview and Jindal Scholastic Aptitude Test (JSAT) or equivalent (SAT / ACT & CUET) scores.

JGU

PATHWAYS PROGRAMMES

In addition to availing the traditional path of completing a degree in 3 years and moving on, students will be enabled to avail a 4th year to further pursue their fields of interest:

FACILITIES

Ultra-Modern Green Campus

spread across 80 acres and 24 hours monitored security system.

Bank Facility

ICICI Bank has a branch inside the campus in addition to multiple ATMs of other leading banks.

Fully Air-Conditioned student on-campus housing.

Health Care

The university has a 24-hour health centre, ambulance facility and on-campus pharmacy.

Laundry Service

includes washing, drying, ironing & dry cleaning facilities.

Student Common Room

is equipped with multimedia & indoor sport facilities, including pool tables, chess, carrom, music systems etc.

Health & Fitness

Full-fledged gymnasium with modern equipment. Other activities includes aerobics, pilates & yoga.

Library with Extensive Collections

and electronic academic resources.

Dining Services Including 3 Cafeterias

servicing regular and healthy cuisines.

Biswamil Multi-Cuisine Food Court

has popular outlets like Subway, Moti Mahal, Keventers, Bercos etc.

Sports Facilities

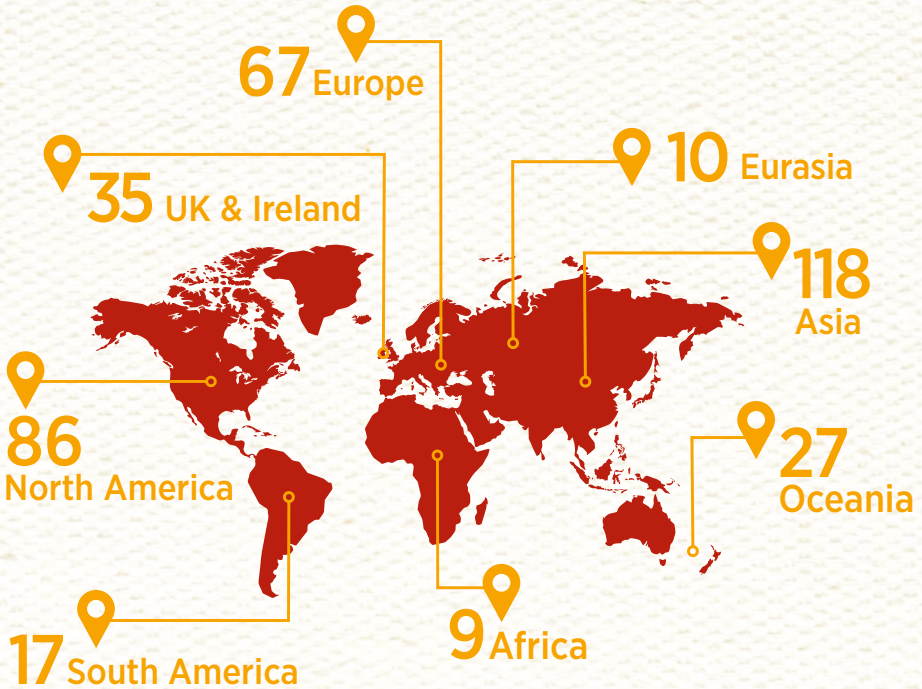

Wide range of sports & fitness facilities including Cricket, Basketball, Football, Badminton under the supervision of qualified coaches.

State of the art, Olympic size Swimming Pool.
