Dear Learners,

Welcome to Odisha State Open University, Sambalpur.

I am delighted to present the Admission Prospectus of 2022-23. Odisha State Open University (OSOU) has now been on the ODL map of India for seven years as a higher education institution. During this brief period, key policy decisions have been made that will, I am confident, have an impact on the University's future direction. The adoption of an Open Education Resource policy has advanced us to a point in the teaching-learning process where learning can take place at any time and from any location. The unique feature of the University is the existence of in-built flexibility in every sphere of its activity. Flexibility in number of admissions per programme, minimum and maximum duration as per ODL regulations for course completion, selection of Study Centres by the learners, study from home, affordable fees, and the four quadrant approach such as: video, text, self-assessment, and learn more, adopted for programme delivery are some of the Learner-Centric approach, that the University follows.

This official document contains vital information regarding the Academic Programmes being offered, eligibility criteria, fee structure, the mode of payment, syllabus, etc. It also gives a brief information about the eighty five (85) Study Centres located across the State. All our study materials are available on the University website: www.osou.ac.in under the banner e-Gyanagar and e-Resources. However, study materials are also sent to the learners in their corresponding address by Registered Post after confirmation of their admission.

This year, 29 Academic Programmes are being offered. They are **i) Thirteen (13) Master Degree Programmes** such as: MA in Economics (MAEC), MA in English (MAEG), MA in Hindi (MAHD), MA in History (MAHI), MA in Odia (MAOD), MA in Political Science (MAPS), MA in Rural Development (MARD), MA in Sanskrit (MASK), MA in Sociology (MASO), Master in Commerce (MCOM) and M.Sc. in Cyber Security, **ii) Eleven (11) Bachelor's Degree Programmes** such as: BA in Economics (BAEC), BA in English (BAEG), BA in Hindi (BAHD), BA in History (BAHI), BA in Odia (BAOD), BA in Political Science (BAPS), BA in Sanskrit (BASK), BA in Sociology (BASO), BA in Journalism and Mass Communication (BJMC), Bachelor's in Business Administration (BBA) and Bachelor's in Commerce (BCOM), **iii)** F**our (4) Diploma Programmes** such as: Diploma in Computer Application (DCA), Diploma in Cyber Security (DCS), Diploma in Journalism and Mass Communication (DJMC) and Diploma in Tourism Studies (DTS), and **iv) One Certificate Programme**, i.e. Certificate in Tourism Management (CTM).

I am glad to inform you that **2 new programmes** namely Diploma in Tourism Studies (DTS) and Certificate in Tourism Management (CTM) have been introduced this year. Along with the above mentioned programmes, the University is soon **going to launch** twenty five (25) Value Added and Skill Enhancement certificate courses of short-term duration such as: 1) Data Science, 2) Cyber security, 3) AI and Machine Learning, IOT, 4) Programming in JAVA, Python, 5) Web Development and Graphics Design, 6) TQM, ISO9001, Six Sigma, 7)Java Spring Boot or Node JS, 8) OS-CIT, 9) Auto CAD and 3D Models, 10) Financial Literacy, 11) Stock Trading, 12) Basics of Income Tax, 13) Basics of GST, 14) Basics of Insurance, IRDA, 15) Basics of Book Keeping and Accounting, 16) Retail Management, 17) Communication Skills and Personality Development, 18) Entrepreneurship, 19) Diet and Nutrition Science, 20) Remote Sensing and GIS, 21) ESG-Assessment and Analysis, 22) Medical Chemist, 23) Lab Safety, 24) Computational Biology and 25) Media and Creative Writing. All programmes of U.G. and P.G. are recognized by UGC and are equivalent to the degrees offered by other Regular University(s).

I would advise you to go through the Rules and Regulations for all the programmes being offered for this Academic Session 2022-23 before payment of fees and submission of Admission Form in the Online Portal, i.e. www.osou.ac.in.

I wish all our learners best of luck for their endeavors and for a bright future ahead. Let us join hands in reaching out to the unreached through our continued efforts.

Thank you.

Jai Hind.

2.3 Diploma Programmes

i) Diploma in Computer Applications (DCA)

Programme Objectives

- ❖ The programme emphasizes the application of software technology to solve mathematical, computing, communications / networking and commercial problems.
- ❖ This aim of Diploma is to develop dynamic computer professionals in short time(01 year).
- ❖ The programme covers all aspects and basics in Computer Application.
- ❖ The DCA program imparts scientific, practical and technical knowledge to its learners about various computer tools that are used in day to day life.
- ❖ The applications and the programs taught make tasks simpler and provide ease of use to its users.

Programme Outcomes

- It will equip the learners with skills required for designing, developing applications in Information Technology.
- Learners will able to learn the latest trends in various subjects of computers & information technology.
- Able to provide socially acceptable technical solutions to real world problems with the application of modern and appropriate programming techniques.
- Design and develop applications to analyze and solve the computer science related problems.
- The Diploma is aimed with a computing background and provides a detailed coverage of the key Concepts and challenges in data and resource protection and computer software security.

- To expose the learners to open Source technologies so that they become familiar with it and can seek appropriate opportunity in trade and industry.
- Graphic Designing
- Web Designing.
- Digital Marketing

Highlights of the Programme:

- *Duration of the Course* – *Minimum: 01 year, Maximum: 02 years.*
- *Conduct of Classes:* *Weekend for 2 hours of theory and 3 hours of practical (preferably on Sundays)*
- *Course Fees*: *Rs. 6500/- +* Rs.500 as one time fee for original certificate and registration for member of Alumni Association.
- *Eligibility Criteria*: *+2 or Equivalent*
- *Evaluation Methodology*-*Based on Assignments (theory+ practical), Term end Examinations*
- *(Theory + practical) and Project work (viva voce + Report) Course*
- *Coverage – Theory, Practical and Project Work.*

Target Group: Learners already enrolled in +3 and PG

Pedagogy: The Course shall be taught through the interactive, Self-guided Learning Materials, OERs as reference materials, Week-end Counseling Classes, Video Lectures, Project Work.

ii)   Diploma in Cyber Security (DCS)

Programme Objectives

This programme aims to provide a foundational platform for Cyber Security Aspirants by providing Cyber Security Awareness and Training that heighten the chances of catching a scam

or attack before it is fully enacted, minimizing damage to the resources and ensuring the protection of information technology assets.

➢ learner will understand key terms and concepts in cyber law, intellectual property and cyber crimes, trademarks and domain theft.

➢ learner will gain knowledge about securing both clean and corrupted systems, protect personal data, and secure computer networks.

➢ learner will be able to examine secure software development practices.

➢ learner will be able to incorporate approaches for incident analysis and response.

➢ learner will be able to incorporate approaches for risk management and best practices.

➢ learner will gain an understanding of cryptography, how it has evolved, and some key encryption techniques used today.

➢ learner will develop an understanding of security policies (such as confidentiality, integrity, and availability), as well as protocols to implement such policies.

➢ learner will gain familiarity with prevalent network and distributed system attacks, defenses against them, and forensics to investigate the aftermath.

Programme Outcomes

Learner/student will learn security from multiple perspectives. Learning Outcomes: After the completion of the course, the learners will be able to develop basic understanding of security, cryptography, system attacks and defenses against their knowledge.

• Analyze and evaluate the cyber security needs of an organization.

• Determine and analyze software vulnerabilities and security solutions to reduce the risk of exploitation.

• Measure the performance and troubleshoot cyber security systems.

• Implement cyber security solutions and use of cyber security, information assurance, and cyber/computer forensics software/tools.

• Comprehend and execute risk management processes, risk treatment methods, and key risk and performance indicators

• Design and develop security architecture for an organization.

• Design operational and strategic cyber security strategies and policies.

4. Credit System and Semester System

Odisha State Open University is following credit system where each credit is equivalent to 30 hours of self study. For any certificate level course of six-month duration, learners are required to earn 16 credits and for a diploma course of one-year duration, the minimum credit required will be 32 credits. In Master's degree programme, the total credit value varies from 64 to 72 depending upon the requirement of each programme. However in Under-Graduate programme (B.A, B.BA and B.COM) the CBCS pattern is followed, where the total credit value for three years honours programme is 148.

Odisha State Open University has introduced semester system. Each semester is of six months' duration. The performance of the learners is evaluated after the end of each semester. Academic Calender is followed as per the Government Guidelines.

5. Grading System

State Open University in Odisha is following grading system of evaluation to assess the performance of the learners. Ten points grading system suggested by the University Grants Commission (UGC) is implemented by the University. Semester grade point average (SGPA) and cumulative grade point average (CGPA) are reflected in the Grade Card of the learners along with percentage of marks with division secures.

6. Evaluation System

➢ Evaluation of the performance of the learners will be made on two components, namely, (i) Continuous Evaluation (CE) and (ii) Term-End Examination (TEE). Distribution of weightage for CE and TEE shall be as follows:

Type of Programme	CE		TEE	
	Assignment (Theory)	Assignment (Practical)	Theory	Practical
Programme with Lab (e.g. M.Sc. Cyber Security)	25%	10%	50%	15%
Programme without Lab (e.g. M.A. in History)	25%	Not Applicable	75%	Not Applicable

➢ For programme(s) with project and field work such as M.A. in Rural Development, the distribution of weightage shall be as follows:

Type of Programme	Project Report	Viva Voce
Programme with Project and Field Work (e.g. M.A. in Rural Development)	75%	25%

7. Examination Fees

Every learner will have to register for the Examination by filling up the Form and by paying requisite Fees as notified from time to time.

8. Scheme for Lateral Entry to Second Year of Post Graduate Programme

With the approval of the Board of Management, the following scheme for Lateral Entry to Master's Degree Programme for the learners who have done Diploma/Post Graduate Diploma has been formulated:

1. Learners of UGC recognized Higher Educational Institutions or State/Central Government Higher Educational Institutions having PG Diploma will be eligible under the lateral entry scheme.

2. Diploma/Post Graduate Diploma holders of Odisha State Open University may apply for internal credit transfer from Post Graduate Diploma to Master's Degree Programme(s) withstanding the condition that entry qualification of Post Graduate Diploma Programme is same as admission to Master's Degree Programme and the syllabus of Post Graduate Diploma is same as first year of Master's Degree Programme.

3. Learners having a Post Graduate Diploma from Universities/Institutions other than OSOU as mentioned in point-1 above shall apply for Lateral Entry and Credit Transfer

through a different application format giving the details of the Syllabus, Eligibility Criteria and Evaluation Methodology. Further scrutiny will be made to ascertain equivalence by an Equivalence Committee to be constituted for each programme. Admission shall be allowed through the Lateral Entry (LE) based on the recommendation of the Equivalence Committee.

4. Duration of the programme for learners admitted through lateral entry shall be minimum one year and maximum two years.

5. The minimum qualification for admission to Master's Degree Programme(s) through Lateral Entry is Graduation. Learners having Diploma/PG Diploma without Graduation shall not be considered under the Lateral Entry Scheme.

6. Learners having a certificate of six month duration shall not be eligible for Lateral Entry into the concerned Post Graduate Programme(s). However such learners having Graduation Degree along with certificate can apply for Credit Transfer.

7. Fees for one year as applicable to the respective programme(s) will be charged from the learner admitted to Master's Degree Programme(s) through Lateral Entry.

8. Learners of OSOU, who have successfully completed the Post Graduate Diploma Programme in Journalism and Mass Communication and Rural Development (PGDJMC & PGDRD) are eligible for admission to Master's Degree Programme through Lateral Entry and the minimum duration of completion of the programme shall be one year.

9.
